CITY OF SUMNER, ILLINOIS HEALTHCARE FACILITY REVENUE BONDS (NATIONAL ASSISTANCE BUREAU, INC PROJECT) SERIES 2002A (the "Bonds")

CUSIP 866423AC0 866423AD8

On June 24, 2015, BOKF, NA, as trustee (the "Trustee") for the above captioned Bonds, received a bondholder complaint alleging that an employee of the Trustee had colluded with National Assistance Bureau, Inc. (the "Borrower") and Christopher F. Brogdon in misusing revenues pledged to the Bonds. The Trustee conducted an investigation. The employee was terminated.

One or more defaults have occurred under the Trust Indenture dated as of February 1, 2002 in connection with the Bonds, particularly: a) title information provided to the Trustee discloses that the property used as collateral to secure the Bonds was sold at a Tax Sale on December 4, 2008, b) monthly payments toward the Debt Service Reserve deficiency of \$129,847.21 and the ad valorem taxes have not been made to the Trustee, c) the yearly operating budget and monthly unaudited financial statements have not been provided to the Trustee, d) the annual financial information and the annual audited financial statements, if any, required by the Continuing Disclosure Agreement have not been provided to the Trustee, and e) certificates evidencing the proper insurance required have not been provided to the Trustee. Similar defaults have occurred under the trust indentures of other bond issues with which the Borrower and/or Mr. Brogdon are associated.

The Trustee has made demand upon the Borrower, Mr. Brogdon and the related affiliates of each of them (collectively, the "Brogdon Entities") for a full accounting of the affairs in connection with all issues of bonds for which the Trustee is trustee and with which the Brogdon Entities are associated. The Trustee's investigation is continuing.

Dated this 26th day of August, 2015.
