

**JAMESVILLE FIRE DISTRICT**  
**CUSIP #470727**

The interest payment due June 15, 2017 for the \$3,300,000 Fire District (Serial) Bonds, 2008 was not made by the Fire District until June 23, 2017 due to a processing error. There were no financial factors that contributed to the late payment of interest. Subsequently, the Fire District revised its procedure to include additional Trustees of the Fire District in the payment process as an additional safeguard for the timely processing of future payments.
