FINAL OFFICIAL STATEMENT

\$4,785,000

OWEN VALLEY HIGH SCHOOL BUILDING CORPORATION Spencer, Indiana AD VALOREM PROPERTY TAX FIRST MORTGAGE BONDS, SERIES 2019

INTRODUCTION TO THE OFFICIAL STATEMENT

The Owen Valley High School Building Corporation (the “Building Corporation”) is issuing \$4,785,000 of Ad Valorem Property Tax First Mortgage Bonds, Series 2019 (the “Bonds”). The Building Corporation was organized to issue bonds pursuant to Indiana Code Title 20, Article 47, Chapter 3 to finance the construction of and improvements to school buildings and lease them to the Spencer-Owen Community Schools (the “School Corporation”).

SECURITY AND SOURCES OF PAYMENT

Pursuant to a Lease Agreement executed on October 18, 2018, between the Building Corporation and the School Corporation (the “Lease”), the Bonds are payable from semiannual lease rental payments (the “Lease Rentals”) to be paid by the School Corporation directly to The Bank of New York Mellon Trust Company, N.A., Indianapolis, Indiana (the “Trustee”). Such Lease Rentals are payable from ad valorem property taxes to be levied against all taxable property within the School Corporation. (However, *see* “PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION” and “CIRCUIT BREAKER TAX CREDIT” herein.) Pursuant to the Lease, the School Corporation will pay rental during renovation in the amount up to \$381,500 per payment beginning on June 30, 2020 until the completion of construction. Full Lease Rentals will begin on the day the Project (herein defined) is completed and ready for occupancy or June 30, 2021, whichever is later.

The Bonds are additionally secured by a first mortgage lien on the Leased Property (hereinafter defined). *See* page 6 for a description of Lease Rental Payments by the State of Indiana.

CIRCUIT BREAKER TAX CREDIT

Indiana Code Title 6, Article 1.1, Chapter 20.6 provides taxpayers with a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (“Circuit Breaker Tax Credit”). If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. The legislation requires local governments to fund their debt service obligations regardless of any property tax revenue shortfalls due to the Circuit Breaker Tax Credit. The State may intercept funds to pay debt service. (*See* “LEASE RENTAL PAYMENTS BY THE STATE OF INDIANA” and “CIRCUIT BREAKER TAX CREDIT” herein).

PURPOSE

The Bonds are being issued for the purpose of paying for the renovation of and improvements to McCormick’s Creek Elementary, Gosport Elementary, Spencer Elementary, Patricksburg Elementary and safety and security improvements throughout the School Corporation, including the purchase of equipment (the “Project”), and to pay issuance expenses. Funding for the Project will be provided from the proceeds of the Bonds and interest earnings during construction. Funding for a portion of the Project will be provided by proceeds from the sale of the Leased Property (herein defined) to the Building Corporation.

REDEMPTION PROVISIONS

The Bonds are not subject to optional redemption or mandatory sinking fund redemption prior to maturity.

DENOMINATIONS

The Bonds are being issued in the denomination of \$5,000 or integral multiple thereof.

REGISTRATION AND EXCHANGE FEATURES

The Trustee shall keep at its designated corporate trust office, a record for the registration of the Bonds. Each registered Bond shall be transferable or exchangeable only on such record at the designated corporate trust office of the Trustee at the written request of the registered owner thereof or his/her attorney duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his/her duly authorized attorney.

BOOK-ENTRY-ONLY SYSTEM

At the option of the successful bidder, the Bonds may initially be issued and held in book-entry form on the books of the central depository system. The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Bond certificate will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC. The Building Corporation and the Registrar and Paying Agent may deem and treat the Clearing Agency (Cede & Co.) as the absolute owner and holder of such Bond for all purposes including, without limitation, the receiving of payment of the principal of, premium, if any, and interest on such Bonds, the receiving of notice and the giving of consent. Interest payable July 15, 2020, and semiannually thereafter, will be paid by check mailed one business day prior to the interest payment date to the registered owner or by wire transfer on the interest payment date to the depository shown as the registered owner (Refer to "Book-Entry-Only System" herein).

PROVISIONS FOR PAYMENT

The principal on the Bonds shall be payable at the designated corporate trust office of the Registrar and Paying Agent, or by wire transfer to DTC or any successor depository. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners as the names appear as of the fifteenth day immediately preceding the interest payment date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Registrar or by wire transfer to DTC or any successor depository. If payment of principal or interest is made to DTC or any successor depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). Payments on the Bonds shall be made in lawful money of the United States of America, which, on the date of such payment, shall be legal tender.

So long as DTC or its nominee is the registered owner of the Bonds, principal and interest on the Bonds will be paid directly to DTC by the Paying Agent. (The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants and Indirect Participants, as defined and more fully described herein.)

NOTICES

If the office location at which principal is payable changes, the Trustee will give notice of such change by first-class mail to registered owners at least 15 days prior to the first principal payment date following the date of such change in location.

If the Trustee resigns, notice shall be given to the registered owners by mail at least 20 days prior to the date when such resignation shall take effect.

Notice of redemption shall be mailed to the registered owners of all Bonds, not less than 30 nor more than 60 days prior to the date fixed for redemption.

SECURITIES BEING OFFERED

AUTHORIZATION AND APPROVAL PROCESS

The Bonds are to be issued under the authority of Indiana law, including, without limitation, Indiana Code Title 20, Article 47, Chapter 3, as in effect on the date of delivery of the Bonds and pursuant to the Trust Indenture between the Building Corporation and the Trustee.

Pursuant to Indiana Code 6-1.1-20, with certain exceptions listed below, when property taxes are pledged to the repayment of bonds or leases to finance a project, a determination must be made as to whether the project is a “controlled project”. Projects classified as controlled projects are subject to certain public approval procedures. A controlled project is one that is financed by a bond or lease, is payable by property taxes and costs more than the lesser of:

- (1) Depending on the date of adoption of the preliminary determination ordinance or resolution:
 - (a) If adopted after December 31, 2017, but before January 1, 2019, \$5 million;
 - (b) If adopted after December 31, 2018, an amount equal to the assessed value growth quotient (as determined by the DLGF) multiplied by the amount determined under this clause for the preceding calendar year;
- (2) An amount equal to:
 - (a) At least 1% of gross assessed value, if that total gross assessed value is more than \$100 million; or
 - (b) \$1 million if the gross assessed value is not more than \$100 million.

The main exceptions for a project being classified as a controlled project when there are property taxes being pledged to the repayment of the bonds or leases, and the project meets the criteria set forth in (1)-(2) above are when (a) property taxes are used only as a back-up to enhance credit, (b) a project is being refinanced to generate taxpayer savings, (c) the project is mandated by federal law, or (d) the project is in response to a natural disaster, emergency or accident which is approved by the Spencer-Owen Community Schools making it unavailable for its intended use.

The Project funded by the Bonds is considered a non-controlled project and the issuance of the Bonds was able to continue without additional approval procedures.

THE BUILDING CORPORATION

The Building Corporation was organized as a not-for-profit corporation pursuant to the Indiana Code Title 23, Article 17, for the sole purpose of acquiring land and constructing, renovating and improving school facilities to be leased to the School Corporation.

During its existence, the Building Corporation will operate entirely without profit to the Building Corporation, its officers or directors.

LEASED PROPERTY

The leased property consists of a portion of McCormick’s Creek Elementary School (the “Leased Property”).

SECURITY AND SOURCES OF PAYMENT

The Bonds shall constitute an indebtedness of the Building Corporation payable in accordance with the terms of the Trust Indenture and secured by the pledge and assignment to the Trustee of the funds and accounts defined and described therein, including the Lease Rental and other funds as defined in the Trust Indenture. The Trust Indenture creates a continuing pledge by the Building Corporation to the bondholders to pay principal and interest on the Bonds, until the principal sum shall be fully paid. Funds for the Lease Rentals will be paid by or on behalf of the School Corporation directly to the Trustee (for the account of the Building Corporation) pursuant to the terms of the Lease. The Bonds are additionally secured by a lien on the Leased Property as described in the Trust Indenture.

Pursuant to the Lease, the School Corporation will pay rental during renovation in the amount up to \$381,500 per payment payable each June 30 and December 31 beginning on June 30, 2020 until the completion of construction. Full Lease Rentals for the Bonds will begin on the day the Project is completed and ready for occupancy or June 30, 2021, whichever is later. See the Summary of the Lease (Appendix C). If there is excessive delay in construction

and the Project is not available for occupancy and use by June 30, 2021, sufficient funds may not be available to meet the interest payment due on the Bonds on July 15, 2021, and subsequent interest and principal payments.

If, for any reason, the Leased Property is partially or totally destroyed or unfit for occupancy, the fixed annual rental shall be proportionately abated. The Building Corporation is required by the Lease to maintain rental value insurance, in an amount equal to the full rental value for a period of up to two years. In addition, the proceeds of any property or casualty insurance would be used either to repair and reconstruct the Leased Property or retire obligations issued to finance the Leased Property. To the extent the damaged or destroyed Leased Property is not restored or repaired or is unfit for occupancy and use beyond the period covered by rental value insurance, the Building Corporation could have insufficient funds to pay debt service on the Bonds.

The Lease Rentals to be paid by the School Corporation during the term of the Lease are required to be in amounts sufficient to pay the principal of and interest on the Bonds. The Lease Rental is secured by a pledge of ad valorem property taxes levied on all taxable property in the School Corporation.

The Building Corporation will acquire ownership of the real estate as described within the Lease. The ownership shall be for a term no less than the term of the Lease (22 years). (See the Summary of the Lease.)

LEASE RENTAL PAYMENTS BY THE STATE OF INDIANA

Indiana Code Title 20, Article 48, Chapter 1, Section 11, as amended by Public Law 167-2017 (the "Act"), requires the Department of Local Government Finance (the "DLGF") to review levies and appropriations of school corporations for debt service or lease rental payments (the "Debt Service Obligation") that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides upon failure to pay any Debt Service Obligation when due and upon notice and claim being filed with the Treasurer of the State of Indiana (the "State Treasurer"), the State Treasurer will pay the unpaid Debt Service Obligation of the school corporation within five (5) days, excluding Saturdays, Sundays and legal holidays of receiving such notice to the extent that the amounts described below as the Available Funds are available to the State Treasurer in accordance with the following procedures: (a) upon notice and claim being filed with the State Treasurer, the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State of Indiana (the "State Budget Director"), the Auditor of the State of Indiana (the "State Auditor") and any department or agency of the State of Indiana responsible for distributing funds appropriated by the Indiana General Assembly (the "General Assembly") to provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State of Indiana responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the "State Intercept Program"). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State of Indiana (the "Current Year School Distribution"), which begins on July 1 and ends on the immediately following June 30 (the "State Fiscal Year"), (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State Fiscal Year which are in excess of the aggregate amount of tuition support needed for distribution to all school corporations during the current State Fiscal Year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount equal to the lesser of the unpaid Debt Service Obligation or the amount to be distributed to the school corporation in the immediately succeeding State Fiscal Year (clauses (i) through and including (iii), collectively, the "Available Funds"). If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by

deducting such amount from the future State distributions to be made to the school corporation, first from all funds of the school corporation except tuition support. The estimated State distributions for State fiscal year 2019 and resulting debt service coverage levels are as follows:

Fiscal Year 2019 Basic Grant Distribution (all funds) (1)	<u>\$16,066,921</u>
Estimated Combined Maximum Annual Debt Service (2)	<u>\$3,487,584</u>
State Distributions Required to Provide Two-Times Coverage	<u>\$6,975,168</u>
State Distributions Above Two-Times Coverage Amount	<u>\$9,091,753</u>

- (1) Per the Indiana Department of Education, net of adjustments.
(2) Based on combined outstanding debt for the year 2020 including debt service on the Bonds.

While the above description is based upon enacted legislation, the General Assembly may make amendments to such statutes and therefore there is no assurance of future events.

RELATIONSHIP OF ANNUAL LEASE RENTAL PAYMENTS TO ANNUAL DEBT SERVICE REQUIREMENTS

The Lease Rentals to be paid by the School Corporation each June 30 and December 31 for the use and occupancy of the Leased Property will be equal to an amount which, when added to funds in the Sinking Fund, will be sufficient to pay unpaid principal of and interest on the Bonds which is due on or before the July 15 and January 15 following such June 30 and December 31, plus an amount sufficient to provide for the fees of the Trustee and incidental expenses of the Building Corporation.

All Lease Rentals shall be paid by or on behalf of the School Corporation to the Trustee under the Trust Indenture or to such other bank or trust company as may from time to time succeed the Trustee as provided thereunder. All payments so made by or on behalf of the School Corporation shall be considered as payment to the Building Corporation of the Lease Rentals payable under the Lease.

ADDITIONAL BONDS

Additional bonds may be issued on parity with the Bonds subject to the terms and limitations of the Trust Indenture. Except as permitted by the Trust Indenture, the Building Corporation covenants that it will not incur any indebtedness other than the Bonds unless such additional indebtedness is payable solely from income of the Building Corporation other than the rental payments provided for in the Lease.

INVESTMENT OF FUNDS

The proceeds of this issue are to be invested in accordance with the laws of the State of Indiana relating to the depositing, holding, securing or investing of public funds as set forth in the Trust Indenture. The Building Corporation shall direct the investment of Bond proceeds.

THE BONDS

INTEREST CALCULATION

Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

REDEMPTION PROVISIONS

The Bonds are not subject to optional redemption or mandatory sinking fund redemption prior to maturity.

BOOK-ENTRY-ONLY SYSTEM

The Bonds will be available only in book-entry form in the principal amount of \$5,000 or any integral multiple thereof. DTC will act as the initial securities depository for the Bonds. The ownership of one fully registered Bond will be registered in the name of Cede & Co., as nominee for DTC.

SO LONG AS CEDE & CO, AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF THE BONDS, REFERENCES IN THIS OFFICIAL STATEMENT TO THE REGISTERED OWNERS (OR THE OWNERS) WILL MEAN CEDE & CO. AND WILL NOT MEAN THE BENEFICIAL OWNERS.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the

Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Building Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal, interest and redemption amounts, if any, on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Building Corporation or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), the Paying Agent, or the Building Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Building Corporation or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursements of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Building Corporation or the Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The Building Corporation may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Building Corporation believes to be reliable, but neither the Building Corporation nor the Underwriter takes any responsibility for the accuracy thereof.

In the event that the book-entry-only system is discontinued, the Paying Agent will provide for the registration of the Bonds in the name of the Beneficial Owners thereof. The Building Corporation, the Registrar, the Paying Agent and any other Fiduciary would treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purposes of making and receiving payment of the principal thereof and interest thereon, and for all other purposes, and none of these parties would be bound by any notice or knowledge to the contrary.

Revision of Book-Entry-Only System:

In the event that either (1) the Building Corporation receives notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the Bonds or (2) the Building Corporation elects to discontinue its use of DTC as a clearing agency for the Bonds, then the Building Corporation and the Paying Agent will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the Bonds and to transfer the ownership of each of the Bonds to such person or persons, including any other clearing agency, as the holder of such Bonds may direct in accordance with the Trust Indenture. Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the Bonds will be paid by the Building Corporation.

PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION

The Lease Rentals are payable from ad valorem property taxes required by law to be levied by or on behalf of the School Corporation. Article 10, Section 1 of the Constitution of the State of Indiana ("Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (Indiana Code Title 6, Article 1.1, Chapter 20.6), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "CIRCUIT BREAKER TAX CREDIT" herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. On or before August 1 of each year, the County Auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the Department of Local Government Finance ("DLGF"). The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> ("Gateway"). The County Auditor may submit an amended certified statement at any time before December 31 of the year preceding the budget year (as defined in IC 61-1-17-16(k)(2)), the date by which the DLGF must certify the taxing units' budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit's estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF's estimate of the amount by which the taxing unit's distribution of property taxes will be reduced by the application of the Circuit Breaker Tax Credit (as defined in the summary of "CIRCUIT BREAKER TAX CREDIT" herein), and after taking into account the DLGF's estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year. Before May 1 of each year after 2017, the fiscal officer of each political subdivision shall provide the DLGF with an estimate of the total amount of its debt service obligations (as defined in IC 6-1.1-20.6-9.8) that will be due in the last six months of the current year and in the ensuing year. Beginning in 2018, the DLGF shall provide to each political subdivision: (1) an estimate of the maximum property tax rate that may be imposed by the political subdivision for the ensuing year for each cumulative fund or other fund for which a maximum property tax rate is established by law; and (2) an estimate of property taxes payable for the ensuing year for debt service. Before August 1 of each year, the DLGF shall provide to each taxing unit (1) an estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the unit will receive in the ensuing year if the unit's tax rates are imposed at the maximum allowable rate and levy under law and (2) an estimate of the amount by which the taxing unit's distribution of property taxes will be reduced due to the Circuit Breaker Tax Credit. Beginning in 2018, the State Budget Agency must provide to the DLGF and the County Auditor an estimate of the certified local income tax distribution before June 1, and the DLGF must provide by July 1, the estimated amounts to be distributed at the taxing level to the County Auditor.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Circuit Breaker Tax Credit; (v) the amount of excess levy appeals to be requested, if any; and (vi) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway. The public hearing must be conducted at least ten days prior to the date the governing body establishes the budget, tax rate and levy, which by statute must each be established no later than November 1.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; and (iii) notice is given to the county fiscal body of the DLGF's correction.

The DLGF may not approve a levy for lease payments by a school corporation to a building corporation if: (i) there are no bonds of the building corporation outstanding; and (ii) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested. However, the

DLGF may increase the school corporation's tax rate and levy if the tax rate and levy proposed by the school corporation are not sufficient to make its lease rental payments.

Taxing units have until December 31 of the calendar year immediately preceding the ensuing calendar year to file a levy shortfall appeal. Beginning with budget year 2019, the DLGF must complete its review and certification of budgets, tax rates and levies, not later than December 31 of the year preceding the budget year, unless a taxing unit in the county issues debt after December 1 or intends to file a shortfall appeal under IC 6-1.1-18.5-16 in which case the DLGF must certify the budgets for the taxing units in the county by January 15 of the budget year.

On or before March 15, the County Auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The County Auditor publishes a notice of the tax rate in accordance with Indiana statutes. The County Treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the County Treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The County Auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Effective January 1, 2016, state law annually exempts from property taxation new tangible business personal property with an acquisition cost of less than \$20,000. Pursuant to State law, real property is valued for assessment purposes at its "true tax value" as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2011 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4 and the 2011 Real Property Assessment Guidelines, Version A ("Guidelines"), as adopted by the DLGF. P.L. 204-2016, SEC. 3, enacted in 2016, retroactive to January 1, 2016, amends State law to provide that "true tax value" for real property does not mean the value of the property to the user and that true tax value shall be determined under the rules of the DLGF. As a result of P.L. 204-2016, the DLGF has begun the process of amending the Manual. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4, as amended by P.L. 180-2016. Except for agricultural land, as discussed below, the Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce "accurate and uniform values throughout the jurisdiction and across all classes of property". The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method. "Net Assessed Value" or "Taxable Value" represents the "Gross Assessed Value" less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The "Net Assessed Value" or "Taxable Value" is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of the county's reassessment plan, as well as when changes occur in the property value due to new construction or demolition of improvements. Before July 1, 2013, and before May 1 of every fourth year thereafter, each county assessor will prepare and submit to the DLGF a reassessment plan for the county. The DLGF must complete its review and approval of the reassessment plan before January 1 of the year following the year in which the reassessment plan is submitted by the county. The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under the county's reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year, and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. For real property included in a group of parcels that is

reassessed, the reassessment is the basis for taxes payable in the year following the year in which the reassessment is to be completed. The county may submit a reassessment plan that provides for reassessing more than twenty-five percent (25%) of all parcels of real property in the county in a particular year. A plan may provide that all parcels are to be reassessed in one (1) year. However, a plan must cover a four (4) year period. All real property in each group of parcels shall be reassessed under the county's current reassessment plan once during each reassessment cycle. The reassessment of the first group of parcels under a county's reassessment plan begins on May 1, 2018, and is to be completed on or before January 1, 2019. Since 2007, all real property assessments are revalued annually to reflect market value based on comparable sales data ("Trending"). When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located within 45 days after the written notification is given to the taxpayer or May 10 of that year, whichever is later. While the appeal is pending, the taxpayer may pay taxes based on the current year's tax rate and the previous or current year's assessed value.

Beginning in 2018, the County Auditor shall submit to the DLGF parcel level data of certified net assessed values as required by and according to a schedule provided by the DLGF.

CIRCUIT BREAKER TAX CREDIT

Description of Circuit Breaker:

Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute provides additional property tax limits for property taxes paid by certain senior citizens.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute. In accordance with the Constitutional Provision, the General Assembly has, in the Statute, designated Lake County and St. Joseph County as "eligible counties" and has provided that property taxes imposed in these eligible counties to pay debt service and make lease rental payments for bonds or leases issued or entered into before July 1, 2008 or on bonds issued or leases entered into after June 30, 2008 to refund those bonds or leases, will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute, through and including December 31, 2019.

The Statute requires political subdivisions to fully fund the payment of outstanding debt service or lease rental obligations payable from property taxes ("Debt Service Obligations"), regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could also be funded through the State Intercept Program (herein defined); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's general fund and school corporations are

encouraged by the DLGF to fund any shortfall directly from the school corporation's general fund to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made: (i) first, from local income tax distributions that would otherwise be distributed to the county; and (ii) second, from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, a school corporation that is expected to experience sufficient Circuit Breaker Tax Credit loss may, prior to May 1 of a year, request the DLGF, to certify the amount of Circuit Breaker Tax Credit loss, making the school corporation an eligible school corporation under IC 6-1.1-20.6-9.9 (an "Eligible School Corporation"). An Eligible School Corporation may allocate its Circuit Breaker Tax Credit loss, for 2016, 2017, 2018 and 2019 proportionately across all school corporation property tax funds, including the debt service fund, and is exempt from the protected taxes requirement described below.

For 2018 or 2019, if a school corporation: (i) issues new bonds or enters into a new lease rental agreement for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2017; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law; and (ii) the school corporation's total debt service levy and total debt service tax rate in 2018 or 2019 is greater than the school corporation's total debt service levy and total debt service tax rate in 2016, the school corporation will not be eligible to allocate its Circuit Breaker Tax Credit loss proportionately.

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of unprotected taxes of the School Corporation in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State of Indiana or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the School Corporation.

For example, in March, 2016, the Indiana General Assembly passed legislation which revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016, assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which could shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land may result in a reduction of the total assessed value of a school corporation. A lower assessed value of a school corporation may result in higher tax rates in order for a school corporation to receive its approved property tax levy. See "PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION" herein.

Estimated Circuit Breaker Tax Credit for the School Corporation:

According to the DLGF, the Circuit Breaker Tax Credit allocable to the School Corporation for budget years 2016, 2017 and 2018 were \$89,434, \$66,838 and \$83,601, respectively. These estimates do not include the estimated debt service on the Bonds and the Lease Rentals on the Lease securing the Bonds.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission ("SEC") in SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"), the School Corporation will enter into a Master Continuing Disclosure Undertaking (the "Undertaking"), to be dated the date of the sale of the Bonds. Pursuant to the terms of the Undertaking, the School Corporation agrees to provide the information detailed in the Undertaking, the form of which is attached hereto as Appendix F.

The School Corporation may, from time to time, amend or modify the Undertaking without the consent of or notice to the owners of the Bonds if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the School Corporation, or type of business conducted; (ii) the Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date of execution of the Undertaking, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (iii) such amendment or modification does not materially impair the interests of the holders of the Bonds, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Bonds pursuant to the terms of the Resolution or Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds the Undertaking) is permitted by the SEC Rule, then in effect.

The School Corporation may, at its sole discretion, utilize an agent in connection with the dissemination of any annual financial information required to be provided by the School Corporation pursuant to the terms of the Undertaking. The School Corporation has currently retained Umbaugh (as hereinafter defined) as its dissemination agent.

The purpose of the Undertaking is to enable the Underwriter to purchase the Bonds by providing for an undertaking by the School Corporation in satisfaction of the SEC Rule. The Undertaking is solely for the benefit of the owners of the Bonds and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the School Corporation for any failure to carry out any provision of the Undertaking shall be for specific performance of the School Corporation's disclosure obligations under the Undertaking and not for money damages of any kind or in any amount or any other remedy. The School Corporation's failure to honor its covenants under the Undertaking shall not constitute a breach or default of the Bonds, the Resolution or any other agreement.

In order to assist the Underwriter in complying with the Underwriter's obligations pursuant to the SEC Rule, the School Corporation represents that it has conducted or caused to be conducted what it believes to be a reasonable review of the School Corporation's compliance with its continuing disclosure obligations. Based upon such review, the School Corporation has failed to consistently comply with a previous undertaking. Such failure includes, but may not be limited to the following: a certain material event was not filed on a timely basis, which includes the change of name of a Trustee.

The School Corporation makes no representation as to any potential materiality of such prior instances, as materiality is dependent upon individual facts and circumstances. The School Corporation has retained Umbaugh (as hereinafter defined) as its dissemination agent.

BOND RATING

S&P Global Ratings (“S&P Global”) has assigned a programmatic bond rating of “AA+” to the Bonds based upon the Indiana State Intercept Program (see page 6 for a description of Lease Rental Payments by the State of Indiana). S&P Global has also assigned an underlying rating of “A” to the Bonds. Such ratings reflect only the view of S&P Global and any explanation of the significance of such ratings may only be obtained from S&P Global.

The ratings are not a recommendation to buy, sell or hold the Bonds, and such ratings may be subject to revision or withdrawal at any time by S&P Global. Any downward revision or withdrawal of the ratings may have an adverse effect upon the market price of the Bonds.

The School Corporation did not apply to any other rating service for a rating on the Bonds.

UNDERWRITING

The Bonds are being purchased by BOK Financial Securities, Inc. (the “Underwriter”) at a purchase price of \$4,999,763.50, which is the par amount of the Bonds of \$4,785,000.00 less the Underwriter’s discount of \$31,102.50 plus the original issue premium of \$245,866.00.

The Underwriter intends to offer the Bonds to the public at the offering prices set forth on the cover page of this Official Statement. The Underwriter may allow concessions to certain dealers (including dealers in a selling group of the Underwriter and other dealers depositing the Bonds into investment trusts), who may reallocate concessions to other dealers. After the initial public offering, the public offering price may be varied from time to time by the Underwriter.

MUNICIPAL ADVISOR

H.J. Umbaugh & Associates, Certified Public Accountants, LLP (the “Municipal Advisor”) (“Umbaugh”) has been retained by the School Corporation to provide certain financial advisory services including, among other things, preparation of the deemed “nearly final” Preliminary Official Statement and the Final Official Statement (the “Official Statements”). The information contained in the Official Statements has been compiled from records and other materials provided by School Corporation officials and other sources deemed to be reliable. The Municipal Advisor has not and will not independently verify the completeness and accuracy of the information contained in the Official Statements.

The Municipal Advisor’s duties, responsibilities and fees arise solely as Municipal Advisor to the School Corporation and they have no secondary obligations or other responsibility. The Municipal Advisor’s fees are expected to be paid from proceeds of the Bonds.

Municipal Advisor Registration:

Umbaugh is a Municipal Advisor registered with the Securities and Exchange Commission and the Municipal Securities Rulemaking Board. As such, Umbaugh is providing certain specific municipal advisory services to the School Corporation, but is neither a placement agent to the School Corporation nor a broker/dealer and cannot participate in the underwriting of the Bonds.

The offer and sale of the Bonds shall be made by the School Corporation, in the sole discretion of the School Corporation, and under its control and supervision. The School Corporation agrees that Umbaugh does not undertake to sell or attempt to sell the Bonds, and will take no part in the sale thereof.

Other Financial Industry Activities and Affiliations:

Umbaugh Cash Advisory Services, LLC (“UCAS”) is a wholly-owned subsidiary of Umbaugh. UCAS is registered as an investment adviser with the Securities and Exchange Commission under the federal Investment Advisers Act. UCAS provides non-discretionary investment advice with the purpose of helping clients create and maintain a disciplined approach to investing their funds prudently and effectively. UCAS may provide advisory services to the clients of Umbaugh.

UCAS has no other activities or arrangements that are material to its advisory business or its clients with a related person who is a broker-dealer, investment company, other investment adviser or financial planner, bank, law firm or other financial entity.

On January 10, 2019, Umbaugh announced its intention to combine with Baker Tilly Virchow Krause, LLP, (Chicago, Illinois), a financial services and accounting firm and Springsted Incorporated, (Saint Paul, Minnesota), a municipal and management advisory firm. It is expected that the combination will become effective in the first quarter of 2019. The combined firm will operate under the name Baker Tilly Municipal Advisors, LLC.

PROPOSED LEGISLATION

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. As an example, the School Corporation previously issued or had issued on its behalf a series of Direct Payment Qualified School Construction Bonds (“Outstanding Direct Pay Bonds”) as taxable bonds in reliance on the provisions of the Internal Revenue Code of 1986, as amended (the “Code”) that provided for a subsidy to the Issuer from the United States Treasury of all or a portion of the interest due on the Outstanding Direct Pay Bonds. As a result of the continuing federal budget discussions, moneys owed by the United States to the School Corporation with respect to the Outstanding Direct Pay Bonds will be reduced by 6.2% for fiscal year 2019. Future payments may be similarly reduced. Under current law, such reductions in subsidies are scheduled to continue through and including fiscal year 2024. At this time, the School Corporation is unable to project if and when the subsidy payments on the Outstanding Direct Pay Bonds from the United States Treasury will be restored in whole or in part or what further action the United States Treasury may take with respect to future subsidy payments. To the extent the issuer receives less in subsidy payments than expected, it will need to pay more from property taxes to pay debt service. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch, including some proposed changes under consideration at the time of issuance of the Bonds. Bond Counsel's opinion is based upon the law in existence on the date of issuance of the Bonds. It is possible that legislation enacted after the date of issuance of the Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the Bonds.

Legislation affecting municipal bonds is considered from time to time by the Indiana legislature and Executive Branch. It is possible that legislation enacted after the date of the Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the Bonds.

The School Corporation cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

TAX MATTERS

In the opinion of Ice Miller LLP, Indianapolis, Indiana (“Bond Counsel”) under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax. This opinion is conditioned on continuing compliance by the School Corporation with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State of Indiana (the “State”). This opinion relates only to the exemption of interest on the Bonds for State income tax purposes. See Appendix E for the form of Bond Counsel opinion.

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the exclusion from gross income of interest on the Bonds for federal income tax purposes. The School Corporation will covenant not to take any action, within its power and control, nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code (collectively, the "Tax Covenants"). The Trust Indenture and certain certificates and agreements to be delivered on the date of delivery of the Bonds establish procedures under which compliance with the requirements of the Code can be met. It is not an event of default under the Trust Indenture if interest on the Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not in effect on the issue date of the Bonds.

Indiana Code § 6-5.5 imposes a franchise tax on certain taxpayers (as defined in Indiana Code § 6-5.5) which, in general, include all corporations which are transacting the business of a financial institution in Indiana. The franchise tax will be measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code. Taxpayers should consult their own tax advisors regarding the impact of this legislation on their ownership of the Bonds.

Although Bond Counsel will render an opinion in the form attached as Appendix E hereto, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, individuals, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Bonds.

Under existing laws, judicial decisions, regulations and rulings, the bonds have been designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the exception from the 100% disallowance of the deduction for interest expense allocable to interest on tax-exempt obligations acquired by financial institutions. The designation is conditioned on continuing compliance with the Tax Covenants.

AMORTIZABLE BOND PREMIUM

The initial offering price of the Bonds (collectively, the "Premium Bonds"), is greater than the principal amount payable at maturity. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the "Bond Premium"). An owner who acquires a Premium Bond in the initial public offering of the Bonds will be required to adjust the owner's basis in the Premium Bond downward as a result of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Premium Bonds, including sale, redemption or payment at maturity. The amount of amortizable Bond Premium will be computed on the basis of the taxpayer's yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning Premium Bonds. Owners of the Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities are found at Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their tax advisors concerning treatment of Bond Premium.

LITIGATION

To the knowledge of the officers and counsel for the Building Corporation, there is no litigation pending, or threatened, against the Building Corporation or the School Corporation, which in any way questions or affects the validity of the Bonds, or any proceedings or transactions relating to the issuance, sale or delivery thereof.

The officers and counsel for the Building Corporation and School Corporation will certify at the time of delivery of the Bonds that there is no litigation pending or in any way threatened questioning the validity of the Bonds, or any of the proceedings had relating to the authorization, issuance and sale of the Bonds, the Trust Indenture or the Project that would result in a material adverse impact on the financial condition of the School Corporation.

CERTAIN LEGAL MATTERS

Legal matters incident to the authorization and, issuance of the Bonds are subject to the unqualified approving opinion of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, whose approving opinion will be available at the time of delivery of the Bonds. Ice Miller LLP has not been asked nor has it undertaken to review the accuracy or sufficiency of this Official Statement, and will express no opinion thereon. The form of opinion of Bond Counsel is included as Appendix E of this Official Statement.

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Trust Indenture, or to the Building Corporation under the Lease, are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Trust Indenture and the Lease may not be readily available or may be limited. Under federal and State environmental laws certain liens may be imposed on property of the Building Corporation from time to time, but the Building Corporation has no reason to believe, under existing law, that any such lien would have priority over the lien on the property taxes pledged to owners of the Bonds.

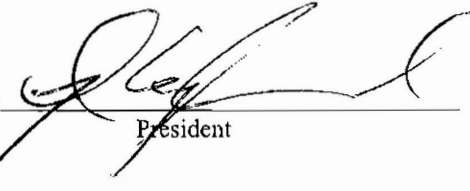

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State of Indiana and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

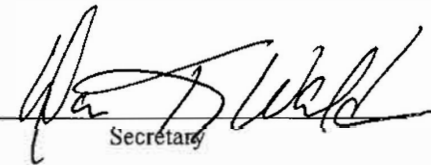

These exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation), in a manner consistent with the public health and welfare. Enforceability of the Trust Indenture and the Lease in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.

The Building Corporation and School Corporation certify to the best of their knowledge and belief that this Official Statement, as of its date and as it relates to the School Corporation and its economic and financial condition, (i) is complete and accurate; (ii) does not contain any untrue statement of a material fact; and (iii) does not omit any material facts or information which would make the statements contained herein misleading.

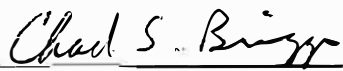

This Official Statement and its execution are duly authorized.

PENSION OBLIGATIONS

Public Employees' Retirement Fund

Plan Description

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

INPRS administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 526-1687

Funding Policy and Annual Pension Cost

The contribution requirements of the plan members for PERF are established by the Board of Trustees of INPRS.

Employer contributions for the year 2018 were \$346,495.

Teachers' Retirement Fund

Plan Description

The Indiana Teachers' Retirement Fund (TRF) is a defined benefit pension plan. TRF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and gives the School Corporation authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 286-3544

Funding Policy and Annual Pension Cost

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995, is considered to be an obligation of, and is paid by, the State of Indiana.

Employer contributions for the year 2018 were \$732,772.

Other Post-Employment Benefits

The School Corporation also provides Other Post-Employment ("OPEB") for eligible certified and classified staff. To qualify, certified staff must be employed for at least 15 years and must be at least fifty years of age. Classified employees must have 10 years of employment to qualify. Eligible certified or classified staff will receive a lump sum of \$50 per year of service, which is capped at 40 years, upon retirement. In addition, classified staff are paid for unused sick days upon retirement in the amount of \$50 per day up to the number of days they worked in a year. Teachers and administrators are also eligible for 1% of their contract payment amount to be deposited into a 401(a) account each year. The School Corporation pays for OPEB out of the Education Fund.

Employer contributions for the year 2018 were \$23,000.

(1) Certified net assessed valuation per the Department of Local Government Finance ("DLGF").

NOTE: Net assessed valuations represent the assessed value less certain deductions for mortgages, veterans, the aged and the blind, as well as tax-exempt property.

Real property is valued for assessment purposes at its true tax value as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2011 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4, and the 2011 Real Property Assessment Guidelines ("Guidelines"), as adopted by the DLGF. In the case of agricultural land, true tax value is the value determined in accordance with the Guidelines adopted by the DLGF and IC 6-1.1-4-13. In the case of all other real property, true tax value is defined as "the market value-in-use of a property for its current use, as reflected by the utility received by the owner or by a similar user, from the property."

P.L. 180-2016 revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016 assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which could shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land may result in a reduction of the total assessed value of a School Corporation. Lower assessed values of a School Corporation may result in higher tax rates in order for a School Corporation to receive its approved property tax levy.

Real property assessments are annually adjusted to market value based on sales data. The process of adjusting real property assessments to reflect market values has been termed "trending" by the DLGF.

The Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce accurate and uniform values throughout the jurisdiction and across all classes of property. The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method.

(1) Circuit Breaker Tax Credits allocable to the School Corporation per the DLGF.

Indiana Code 6-1.1-20.6 (the "Statute") provides taxpayers with a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit ("Circuit Breaker Tax Credit").

Property taxes for residential homesteads are limited to 1.0% of the gross assessed value of the homestead; property taxes for agricultural, other residential property and long term care facilities are limited to 2.0% of their gross assessed value; and property taxes for all other real and personal property are limited to 3.0% of gross assessed value. Additional property tax limits have been made available to certain senior citizens. School corporations are authorized to impose a referendum tax levy to replace property tax revenue that the school corporation will not receive due to the Circuit Breaker Tax Credit. Other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The political subdivision may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

NOTICE OF LEGISLATIVE CHANGE FOR FINANCIAL STATEMENTS EFFECTIVE 2019

FINANCIAL STATEMENTS

The Indiana General Assembly enacted P.L. 244-2017 that impacts school corporation funds effective January 1, 2019. Beginning in 2019, the General Fund for school corporations will be eliminated and replaced in part by an Education Fund for expenditures related to student instruction and learning. Additionally, an Operations Fund will be created to replace in part, the General Fund and in whole, the Capital Projects Fund, the Transportation Fund, the Art Association Fund, the Historical Society Fund, the Playground Fund and the Bus Replacement Fund, which are repealed effective January 1, 2019, and will be used to pay for expenditures not directly related to student instruction and learning, including all of the expenditures of the previously existing funds and the portions of the operational expenses not paid by the Education Fund. A property tax levy to support the Operations Fund will replace all other school property tax levies, except for the debt service levies or a levy approved by a referendum. Additionally, school corporations may maintain separate Rainy Day Funds. School corporations will have the authority to transfer between the Education Fund and Operations Fund, which the School Corporation expects will provide flexibility to manage its cash position by fund.

Note: The following financial statements on pages A-18 - A-20 are excerpts from the School Corporation's July 1, 2014 to June 30, 2016 audit report of the Indiana State Board of Accounts. Consequently, these schedules do not include all disclosures required by generally accepted accounting principles. Complete audits will be furnished upon request. APPENDIX C

SUMMARY OF THE LEASE

The following is a summary of certain provisions of the Lease and does not purport to comprehensively describe that document in its entirety.

Acquisition and Construction of the Lease Premises

The Building Corporation is to cause the Leased Premises to be completed in accordance with the contract documents and the plans and specifications which have been prepared by or at the direction of the Building Corporation and approved by the School Corporation and applicable agencies. The plans and specifications may be changed at any time prior to the completion of the Leased Premises by mutual agreement of the Building Corporation and the School Corporation, except that such changes may not alter the character of the building or reduce the value thereof.

Lease Term and Rental

The Lease is for a twenty-two (22) year term which commences on the date the Building Corporation acquires fee simple title to the Leased Premises and expires on the date which is twenty-two (22) years later. By each rent payment date, the School Corporation is to pay the installment of rent due under the Lease. The Lease provides for rental during renovation in the amount of \$381,500 per payment payable on June 30 and December 31 beginning June 30, 2020 until completion of construction. Thereafter, each installment of rent is payable in advance for the following six-month period on June 30 and December 31, commencing on June 30, 2021, or on the date the Leased Premises are completed and ready for occupancy, whichever is later. The annual rent to be paid is \$763,000 per year, payable in equal semiannual installments. Completion of the Leased Premises is to be certified to the School Corporation by a representative of the Building Corporation pursuant to the Lease. The date the building is substantially completed and ready for occupancy shall be endorsed on the end of the Lease by the parties thereto as soon as can be done after the completion of the construction. The endorsement shall be recorded as an addendum to the Lease. The lease rental shall be reduced following the sale of the Building Corporation's Bonds to an amount not less than the multiple of \$1,000 next higher than the highest sum of principal and interest due on such bonds in each bond year ending on a bond maturity date plus \$5,000, payable in equal semiannual installments. Such amount of reduced annual rental shall be endorsed at the end of the Lease by the parties thereto as soon as can be done after the sale of the bonds. The endorsement shall be recorded as an addendum to the Lease.

Maintenance and Modification

During the term of the Lease, the School Corporation is required to keep the Leased Premises in good repair and in good operating condition, ordinary wear and tear excepted. The School Corporation may, at its own expense and as part of the Leased Premises, make modifications of, additions and improvements to and substitutions for the Leased Premises, all of which become the property of the Building Corporation and are included as part of the Leased Premises under the terms of the Lease.

The School Corporation may, at its own expense, replace worn out or obsolete property and may install on the property on which the Leased Premises are situated personal property which

is not an addition or improvement to, modification of or substitution for the Leased Premises, which will be the sole property of the School Corporation and in which the Building Corporation shall have no interest. The School Corporation may discard worn out or obsolete property and need not replace it. Equipment or other personal property which becomes worn out or obsolete may be discarded or sold by Lessee. The proceeds of the sale of any personal property shall be paid to the Trustee. Lessee may trade in any obsolete or worn out personal property or replacement property which replacement property will belong to Lessee upon payment to the Trustee of an amount equal to the trade-in value of such property. Lessee need not replace worn out or obsolete personal property, but may replace such property at its own expense, and the replacement property shall belong to Lessee.

Property and Liability Insurance

The School Corporation is required to carry at its own expense, property insurance on the Leased Premises against physical loss or damage to the Leased Premises, however caused, with such exceptions only as are ordinarily required by insurers of buildings or facilities of a similar type, in an amount equal to one hundred percent (100%) of the full replacement cost of the mortgaged property. Any property insurance policy shall be so written or endorsed as to make any losses payable to the Building Corporation or to such other person or persons as the Building Corporation under the Lease may designate.

During the full term of the Lease, the School Corporation is required to maintain rent or rental value insurance in an amount equal to the full rental value of the Leased Premises for a period of two years. The insurance will protect against physical losses or damages similar to those covered under the property insurance policy held by the School Corporation.

Damage or Destruction

If the Leased Premises are damaged or destroyed (in whole or in part) by fire, windstorm or other casualty at any time during the term of the Lease, the Building Corporation is to promptly repair, rebuild or restore the portion of the Leased Premises damaged or destroyed with such changes, alterations and modifications (including substitutions and additions) as may be designated by the School Corporation for administration and operation of the Leased Premises and as shall not impair the character and significance of the Leased Premises as furthering the purposes of the Code.

If the Leased Premises are totally or substantially destroyed and the amount of insurance money received is sufficient to redeem all of the outstanding Bonds and all such Bonds are then subject to redemption, the Building Corporation, with the written approval of the School Corporation, may direct the Trustee to use net proceeds of insurance to call for redemption all of the Bonds then outstanding at the then current redemption price.

Rent Abatement and Rental Value Insurance

If the Leased Premises or a portion thereof are damaged or destroyed or is taken under the exercise of the power of eminent domain, the rent payable by the School Corporation shall be abated or reduced, provided there is rental value insurance in force as required by the Lease. The rent shall be totally abated during that portion of the Lease terms that the Leased Premises is totally

unfit for use or occupancy. It shall be partially abated for the period and to the extent that the Leased Premises are partially unfit for use or occupancy in the same proportion that the floor area of the Leased Premises so unfit for use or occupancy bears to the total floor area of the Leased Premises.

Taxes and Utility Charges

The School Corporation is to pay, as further rent, taxes and assessments lawfully assessed or levied against or with respect to the Leased Premises or any personal property or fixtures installed or brought in or on the Leased Premises, and all utility and other charges for or incurred in connection with the Leased Premises. The School Corporation may, at its own expense, in good faith contest any such taxes and assessments. The School Corporation shall also pay as additional rent, any amount required by the Building Corporation to rebate to the United States Government to prevent the Building Corporation's bonds from becoming arbitrage bonds.

Events of Default

The Lease provides that either of the following constitutes an "event of default" under the Lease:

- (a) Failure to pay any rentals or other sums payable to the Building Corporation under the Lease, or failure to pay any other sum therein required to be paid to the Building Corporation; or
- (b) Failure to observe any other covenant, agreement or condition under the Lease, and such default shall continue for sixty (60) days after written notice to correct the same.

Remedies

On the occurrence of an event of default under the Lease, the Trustee may proceed to protect and enforce its rights by suit or suits in equity or at law in any court of competent jurisdiction, whether for specific performance or any covenant or agreement contained therein, or for the enforcement of any other appropriate legal or equitable remedy; file a claim with the Treasurer of the State of Indiana for an amount equal to an amount in default, and may authorize or delegate the authority to file such claim; or the Building Corporation, at its option, without further notice, may terminate the estate and interest of the School Corporation thereunder, and it shall be lawful for the Building Corporation forthwith to resume possession of the Leased Premises and the School Corporation covenants to surrender the same forthwith upon demand. The exercise by the Building Corporation of the right to terminate the Lease shall not release the School Corporation from the performance of any obligation thereof maturing prior to the Building Corporation's actual entry into possession. No waiver by the Building Corporation of any right to terminate the Leases upon any default shall operate to waive such right upon the same or other default subsequently occurring.

The School Corporation may not assign the Lease or sublet the Leased Premises without the written consent of the Building Corporation. In the Lease, the School Corporation has covenanted to use and maintain the Leased Premises in accordance with the laws and ordinances

of the United States of America, the State of Indiana, and all other proper governmental authorities. The School Corporation has also covenanted that it will not enter into any lease, management contract or other contractual arrangement which would allow the use of the Leased Premises by a nongovernmental person which would have the effect of making the Building Corporation's bonds private activity bonds under Section 141 of the Internal Revenue Code of 1986.

Option to Purchase

The School Corporation has the option to purchase the Leased Premises on any rental payment date at a price which is sufficient to allow the Building Corporation to liquidate by paying or providing for the payment in full of the then outstanding bonds pursuant to the redemption provisions.

Option to Renew

The School Corporation has an option to renew the Lease for a further like or lesser term upon the same terms and conditions provided in the Lease.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE

The following is a brief summary of certain provisions of the Trust Indenture and does not purport to comprehensively describe that document in its entirety.

Application of Bond Proceeds

Proceeds in an amount equal to costs of issuance shall be deposited in the Bond Issuance Expense Account of the Construction Fund. The remaining proceeds of the Bonds shall be deposited in the Construction Account of the Construction Fund and used to pay costs of construction.

Construction Fund, Sinking Fund, Operation and Reserve Fund and Rebate Fund

There are created under the Trust Indenture the following funds: (1) the Owen Valley High School Building Corporation Construction Fund (the "Construction Fund"), (2) the Owen Valley High School Building Corporation Sinking Fund (the "Sinking Fund"), (3) the Owen Valley High School Building Corporation Operation and Reserve Fund (the "Operation and Reserve Fund"), and (4) the Owen Valley High School Building Corporation Rebate Fund (the "Rebate Fund").

The Construction Fund will be used to finance the renovation of and improvements to McCormick's Creek Elementary, Gosport Elementary, Spencer Elementary, Patricksburg Elementary and safety and security improvements and site improvements throughout the School Corporation, including the purchase of equipment (the "Project") and to pay costs of issuance of the Bonds. Any moneys remaining in the Construction Fund one year after completion of the Project will be transferred to the Operation and Reserve Fund.

The Trustee shall deposit in the Sinking Fund created pursuant to the Trust Indenture, from each rental payment received, the lesser of (1) all of such payment or (2) an amount which, when added to the amount already on deposit, equals the unpaid interest on the Bonds due within twenty (20) days after the due date of such rental payment and the unpaid principal and mandatory sinking fund redemption payment of the Bonds due within twenty (20) days after the due date of such rental payment. Any portion of a rental payment remaining after such deposit shall be deposited by the Trustee in the Operation and Reserve Fund. The Trustee shall from time to time pay from the Sinking Fund the principal of the Bonds at maturity or upon mandatory sinking fund redemption and the interest as it falls due.

The Operation and Reserve Fund shall be used only (a) to pay necessary incidental expenses of the Building Corporation, including Trustee's fees, (b) if the amount in the Sinking Fund at any time is less than the required amount, to transfer funds to the Sinking Fund in an amount sufficient to raise the amount in the Sinking Fund to the required amount, (c) if the Bonds are called for redemption, to pay the principal, interest, and redemption premium, if any, on the Bonds, (d) to purchase Bonds in the open market, and (e) if the amount in the Rebate Fund is less than the rebate amount, to transfer funds to the Rebate Fund. The incidental expenses may be paid by the Trustee upon the presentation of an affidavit executed by any officer of the Building Corporation or the Lessor Representative together with the creditor's statement as to the amount owing.

The Rebate Fund shall be used to make any rebate to the United States of America required to prevent the Bonds from becoming "arbitrage bonds" under the Code. If an exception to rebate is not met, the Building Corporation shall be required to calculate or cause to be calculated at the five year anniversary the amount of such rebate (the "Rebate Amount"). In the alternative, the Building Corporation may elect to pay the penalty required by Section 148(f)(4)(C)(vii) of the Code, as amended. In that event, the Building Corporation shall compute or cause to be computed each six months, the amount of such penalty and provide the Trustee a copy of such calculation. In either event, the Trustee is to deposit the amount so calculated to the credit of the Rebate Fund from any available funds (other than moneys in the Sinking Fund). The Trustee is further required to pay the Rebate Amount or penalties in lieu of rebate together with all investment earnings thereon to the United States of America, in the amount and at such times as shall be advised by the Building Corporation or nationally recognized bond counsel as required by the Code or applicable regulations.

Whenever the amounts contained in the Sinking Fund and the Operation and Reserve Fund are sufficient together with all other funds deposited with the Trustee by the Building Corporation (other than deposits to the Rebate Fund), to redeem, upon the next redemption date, all the Bonds secured by the Trust Indenture then outstanding, the Trustee shall apply the amounts in such Funds to the redemption of such Bonds pursuant to the Trust Indenture.

Investment of Funds

The Trustee shall invest the moneys in funds created in the Trust Indenture in (i) direct obligations (other than an obligation subject to variation in principal repayment) of the United States of America ("United States Treasury Obligations"), (ii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (iii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (iv) Federal Housing Administration debentures, (v) Federal Home Loan Mortgage Corporation participation certificates and senior debt obligations (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts), (vi) Farm Credit Bank consolidated system-wide bonds and notes, (vii) Federal Home Loan Banks consolidated debt obligations, (viii) Federal National Mortgage Association senior debt obligations and mortgage-backed securities (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts), (ix) unsecured certificates of deposit, time deposits and bankers' acceptances of any bank (including the Trustee and its affiliates) the short-term obligations of which are rated "A-1" or better by Standard and Poor's Ratings Group having an original maturity of not more than 360 days, (x) commercial paper (having original maturities of not more than 270 days) rated "A-1+" by Standard and Poor's Ratings Group and "Prime-1" by Moody's at the time of purchase, (xi) evidence of ownership of proportionate interests in future interest and principal payments on obligations described above held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying government obligations are not available to any person claiming through the custodian or to whom the custodian may be obligated, (xii) deposits the aggregate amount of which are fully insured by the Federal Deposit Insurance Corporation (FDIC), including CDARS, (xiii) money market funds, which funds may be funds of the Trustee or its

affiliates, including those for which the Trustee or an affiliate performs services for a fee, whether as a custodian, transfer agent, investment advisor or otherwise, and which funds are rated "AAAm" or "AAAm-G" by Standard and Poor's Ratings Group, (xiv) repurchase and reverse repurchase agreements collateralized with Government Securities, including those of the Trustee or any of its affiliates, (xv) investment deposit agreements constituting an obligation of a bank, as defined by the Indiana Banking Act (including the Trustee and its affiliates), whose outstanding unsecured long-term debt is rated at the time of such agreement in any of the two highest rating categories by each Rating Agency, or (xvi) U.S. dollar denominated deposit accounts, federal funds and banker's acceptances with domestic banks whose short term certificates of deposit are rated on the date of the purchase in any of the two highest rating categories by any rating agency and maturing no more than 360 days after the date of the purchase. Moneys in the Construction Fund, Sinking Fund and Rebate Fund shall be invested without restriction as to yield during an applicable temporary period pending their use. Moneys in the Operation and Reserve Fund after 30 days of the date of deposit shall be invested at a yield not exceeding the yield on the Bonds.

Covenants

The Building Corporation covenants, among other things that:

- (a) it has entered into a valid and binding lease of the mortgaged property to the School Corporation, and that a full, true and correct copy of the Lease is on file with the Trustee; that construction will begin promptly upon receipt by the Trustee of bond proceeds and that it will complete such construction with all expedition practicable in accordance with the plans and specifications referred to in the Lease;
- (b) it will faithfully perform all provisions contained in each Bond and the Trust Indenture and will punctually pay the principal of, premium, if any, and interest on the Bonds;
- (c) it is duly authorized under the laws of the State of Indiana to create and issue the Bonds, to execute and deliver the Trust Indenture, and to mortgage and pledge the real estate and rentals and other income of the mortgaged property as provided in the Trust Indenture;

- (g) it will maintain proper books and records and: (i) furnish statements showing earnings, expenses and financial condition of the Building Corporation and such information as the Trustee may reasonably request,

- (ii) within 90 days of each calendar year, file with the Trustee, a certificate signed by officers of the Building Corporation stating that all insurance premiums required under the Trust Indenture have been paid by the Building Corporation and that all taxes then due have been paid, subject to permissible contests, (iii) upon the request of any bondholder, will request from the Lessee the current financial statements of the Lessee for review by the bondholder;
- (h) it will not incur any indebtedness payable from the Lease other than the Bonds permitted by the Trust Indenture, and Additional Bonds, as long as the Bonds are outstanding;
- (i) it will, upon any default in payment of lease rentals, file a claim with the Treasurer of the State of Indiana, bring suits to mandate the appropriate officers of the School Corporation to levy the necessary tax to pay rents under the Lease or to take such other appropriate action necessary to enforce and collect the rentals due;
- (j) the proceeds of the Bonds, any moneys received from lease rentals payable according to the Lease, amounts received from the investment of the proceeds of the Bonds or other amounts received shall not be invested in such manner which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code; and
- (k) in order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the Bonds, no proceeds thereof will be loaned to any entity or person, nor will they be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of such proceeds. Furthermore, the Building Corporation will, to the extent necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on such proceeds or other moneys treated as such proceeds to the United States Government and will set aside such moneys in the Rebate Fund to be held by the Trustee in trust for such purposes. Additionally, the Building Corporation covenants that it will not take any action nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code.

Insurance

The Building Corporation covenants that during construction of the Project it will carry or cause the School Corporation to carry the following kinds of risks insurance (a) builders risk insurance in the amount of 100% of the insurable value of the mortgaged property against physical loss or damage, and (b) bodily injury and property damage insurance for damages for bodily injury,

including accidental death, as well as claims for property damages which may arise from such construction.

The Building Corporation further covenants that all contracts for the construction of the Project will or do require the contractor to carry such insurance as will protect the contractor from liability under the Indiana Worker's Compensation and Worker's Occupational Disease Act.

The Building Corporation covenants to carry or cause the School Corporation to carry the following kinds of insurance after completion of construction: (a) physical loss or damage insurance on the mortgaged property in the amount of the full replacement cost of the property; (b) business income coverage or other similar insurance providing "rental value" coverage and naming the Lessor as an additional insured. Such "rental value" coverage shall include limits in an amount at least sufficient to meet the payments for two (2) years of the net rent, impositions and other charges provided for in the Lease, and (c) bodily injury and property damage insurance naming the Corporation as an insured against claims for damages for bodily injury, including accidental death, as well as claims for property damages with reference to the Leased Premises in an amount not less than One Million Dollars (\$1,000,000) on account of each occurrence.

The proceeds of any insurance shall be applied by the Building Corporation to the repair, replacement or reconstruction of any damaged or destroyed property, if the cost of such repair, replacement or reconstruction does not exceed the proceeds of insurance. In addition, the Trustee may repair, replace, or reconstruct the mortgaged property if the Building Corporation fails to do so. If, at any time, the mortgaged property is totally or substantially destroyed, and the amount of insurance moneys received on account thereof by the Trustee is sufficient to redeem all of the outstanding Bonds, the Building Corporation with the written approval of the School Corporation may direct the Trustee to use said money for the purpose of calling for redemption all of the Bonds issued and then outstanding under the Trust Indenture at the then current redemption price.

Events of Default and Remedies

Events of default under the Trust Indenture include: failure to pay the principal of, or the redemption premiums, if any, on any of the Bonds; failure to pay interest on the Bonds as it becomes due and payable; occurrence of certain events of bankruptcy or insolvency of the Building Corporation; default in the performance or observance of any other of the covenants, agreements or conditions by the Building Corporation under the Trust Indenture and the continuance of such default for sixty (60) days after written notice; failure of the Building Corporation to bring suit to mandate the appropriate officials of the School Corporation to levy a tax to pay the rentals provided under the Lease; and nonpayment of the lease rental within 90 days of when due as provided under the Lease.

Upon the happening and continuance of any event of default, the Trustee may, and upon written request of the holders of twenty-five percent (25%) in principal amount of the Bonds then outstanding and upon being indemnified to its reasonable satisfaction shall, declare the principal amount of and interest accrued on all outstanding Bonds immediately due and payable; subject, however, to the rights of the holders of the majority in principal amount of all the outstanding Bonds to annul such declaration if all such events have been cured, all arrears of interest have been

paid and all other indebtedness secured by the Trust Indenture except the principal and interest not then due has also been paid.

Upon the occurrence of one or more events of default, the Building Corporation, upon demand of the Trustee, shall forthwith surrender the possession of the property and the Trustee may take possession of all the mortgaged property and hold, operate and manage the same for the purpose of insuring payments on the Bonds until the event of default has been cured.

Upon the occurrence of one or more events of default, the Trustee may, and shall upon written request of the holders of at least twenty-five percent (25%) in principal amount of the Bonds then outstanding and upon being indemnified to its reasonable satisfaction, pursue any available remedy by suit at law or in equity, whether for specific performance of any covenant or agreement contained in the Trust Indenture or in aid of any power granted therein, or for any foreclosure of the Trust Indenture including, to the extent permitted by law, the appointment of a receiver.

Any sale made either under the Trust Indenture, to the extent permitted by law, or by judgment or decree in any judicial proceeding for foreclosure shall be conducted as required by the Trust Indenture. The proceeds of any such sale shall be applied to pay the costs and expenses of the sale or judicial proceedings pursuant to the sale, the expenses of the Trustee and the holders of the Bonds, with interest at the highest rate of interest on any of the Bonds when sold, and the payment of the installments of interest which are due and unpaid in the order of their maturity, next, if the principal of the Bonds is due, to the payment of the principal thereof and the accrued interest thereon pro rata. No holder of all of the Bonds shall have the right to institute any proceeding in law or in equity for the foreclosure of the Trust Indenture, the appointment of a receiver, or for any other remedy under the Trust Indenture without complying with the provisions of the Trust Indenture.

Supplemental Indentures

The Building Corporation and the Trustee may, without obtaining the approval of the holders of the Bonds, enter into supplemental indentures to cure any ambiguity or formal defect or omission in the Trust Indenture; or to grant to the Trustee for the benefit of such holders any additional rights, remedies, powers, authority or security that may be lawfully granted; or to provide for the issuance of additional parity bonds to finance (i) the payment of claims of contractors, subcontractors, materialmen or laborers or fees; (ii) the completion of construction; (iii) the payment of costs of improvements to the mortgaged property; and (iv) a partial refunding of the Bonds.

The holders of not less than 66-2/3% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time except when contrary to the Trust Indenture, to approve the execution by the Building Corporation and the Trustee of such supplemental indentures, except no supplemental indenture shall permit:

- (a) An extension of the maturity of the principal of or interest on any Bond;
- (b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest;

- (c) The creation of a lien upon the mortgaged property taking priority or on a parity with the lien created by the Trust Indenture;
- (d) A preference or priority of any Bond or Bonds over any other Bond or Bonds; or
- (e) A reduction in the aggregate principal amount of the Bonds required for consent to supplemental indentures.

If the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the bonds outstanding at the time of the execution of such supplemental indenture shall have consented to and approved the execution thereof as provided in the Trust Indenture, no owner of any bond shall have any right to object to the execution of such supplemental indenture or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Building Corporation from executing the same, or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental indenture pursuant to the provisions of the Trust Indenture, the Trust Indenture shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Trust Indenture of the Building Corporation, the Trustee, and all owners of bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Possession Until Default, Defeasance, Payment, Release

Subject to the rights of the Trustee and the holders of the Bonds in the event of the occurrence and continuance of an event of default, the Building Corporation shall have the right of full possession, enjoyment and control of all the mortgaged property. While in possession of the mortgaged property, and while not in default under the Trust Indenture, the Building Corporation shall have the right at all times to alter, change, add to, repair, or replace any of the property constituting a part of the mortgaged property so long as the value of the mortgaged property and the security of the Bonds shall not be substantially impaired or reduced. The Trustee may release any mortgaged property which has become unfit or unnecessary for use pursuant to the Trust Indenture. If new property is purchased or acquired in substitution for the mortgaged property so released, the new property shall become subject to the lien and the operation of the Trust Indenture. If no new property is purchased with the proceeds of any sale or mortgaged property within ninety (90) days after the receipt of the proceeds, the proceeds shall be deposited in the Operation and Reserve Fund.

The Building Corporation may pay and discharge the entire indebtedness on all Bonds outstanding:

- (a) by paying the whole amount of the principal and interest and the premium if any, due and payable upon all of the Bonds then outstanding; or

- (b) by depositing with the Trustee (i) sufficient money, (ii) direct obligations of the United States of America (the "Government Securities") or (iii) time certificates of deposit of a bank or banks secured as to both principal and interest by Government Securities in amounts sufficient to pay or redeem all Bonds outstanding.

If the whole amount of the principal, premium, if any, and interest so due and payable upon all of the Bonds then outstanding shall be paid or provision made for payment, then the right, title and interest of the Trustee shall thereupon cease, terminate and become void. Upon termination of the Trustee's title, the Trustee shall release the Trust Indenture and return to the Building Corporation any surplus in the Sinking Fund and Operation and Reserve Fund and any other funds other than moneys held for redemption or payment of Bonds.

Re: Owen Valley High School Building Corporation
Ad Valorem Property Tax First Mortgage Bonds, Series 2019
Total Issue: \$4,785,000
Original Date: February 28, 2019

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Owen Valley High School Building Corporation (the "Issuer") of \$4,785,000 of Ad Valorem Property Tax First Mortgage Bonds, Series 2019 dated as of February 28, 2019 (the "Bonds"), pursuant to Indiana Code § 20-47-3 (the "Act") and a Trust Indenture (the "Indenture") between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), dated as of February 1, 2019. We have examined the law and the certified transcript of proceedings of the Issuer and the Spencer-Owen Community Schools (the "School Corporation") relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render these opinions. We have relied upon the certified transcript of proceedings and certificates of public officials, including the Issuer's and the School Corporation's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

We have also relied upon a commitment for title insurance as to title to the real estate described in the Indenture.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement dated January 31, 2019 or the Final Official Statement dated February 7, 2019 (collectively, the "Official Statement") or any other offering material relating to the Bonds, and we express no opinion relating thereto.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Lease Agreement (the "Lease") between the Issuer, as lessor, and the School Corporation, as lessee, executed October 18, 2018, and with a term of twenty-two (22) years, has been duly entered into in accordance with the provisions of the Act, and is a valid and binding Lease. All taxable property in the School Corporation is subject to ad valorem taxation to pay the Lease rentals; however, the School Corporation's collection of the levy may be limited by operation of Indiana Code § 6-1.1-20.6, which provides taxpayers with tax credits for property

taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of its Lease rentals in an amount sufficient to pay the Lease rentals, regardless of any reduction in property tax collections due to the application of such tax credits. Pursuant to the Lease, the School Corporation is required by law annually to pay the Lease rentals which commence during renovation on June 30, 2020 and which full Lease rentals commence with the later of the completion of renovation and improvements to the school building or June 30, 2021.

2. The Issuer has duly authorized, sold, executed and delivered the Bonds and has duly authorized and executed the Indenture securing the same, and the Indenture has been duly recorded. The Bonds are the valid and binding obligations of the Issuer secured by a mortgage on the property described in the Indenture. Any foreclosure of the mortgage would, if the School Corporation is not in default in the payment of rentals as provided in the Lease, be subject to the rights of the School Corporation under the Lease.

3. Under statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds from State income taxation.

4. Under federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income of the owners for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and is not a specific preference item for purposes of the federal alternative minimum tax. This opinion is conditioned upon compliance by the Issuer and the School Corporation subsequent to the date hereof with the Tax Representations. Failure to comply with the Tax Representations could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to their date of issuance.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability of the Bonds and the Indenture, as well as the rights of the Issuer, the School Corporation and the Trustee and the enforceability of the Lease may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America.

Very truly yours,

APPENDIX F

Section 7. Use of Agent. The Obligor may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Obligor pursuant to the SEC Rule and the terms of this Master Undertaking. If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to EMMA, and the MSRB.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Master Undertaking.

Section 8. Failure to Disclose. If, for any reason, the Obligor fails to provide the Audited Information or Annual Information as required by this Master Undertaking, the Obligor shall provide notice of such failure in a timely manner to EMMA or to the MSRB, in the form of the notice attached as Exhibit D.

Section 9. Remedies. (a) The purpose of this Master Undertaking is to enable the Underwriters to purchase the Obligations by providing for an undertaking by the Obligor in satisfaction of the SEC Rule. This Master Undertaking is solely for the benefit of (i) the Underwriters, and (ii) the Holders, and creates no new contractual or other rights for, nor can it be relied upon by, the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other Obligated Persons or any other third party. The sole remedy against the Obligor for any failure to carry out any provision of this Master Undertaking shall be for specific performance of the Obligor's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Obligor's failure to honor its covenants hereunder shall not constitute a breach or default of the Obligations or any other agreement to which the Obligor is a party and shall not give rise to any other rights or remedies.

(b) Subject to paragraph (e) of this Section 9, in the event the Obligor fails to provide any information required of it by the terms of this Master Undertaking, any holder of Obligations may pursue the remedy set forth in the preceding paragraph in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such person is a holder of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue this remedy.

(c) Subject to paragraph (e) of this Section 9, any challenge to the adequacy of the information provided by the Obligor by the terms of this Master Undertaking may be pursued only by holders of not less than 25% in principal amount of Obligations then outstanding in any

court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such persons are holders of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue the remedy set forth in the preceding paragraph.

(d) If specific performance is granted by any such court, the party seeking such remedy shall be entitled to payment of costs by the Obligor and to reimbursement by the Obligor of reasonable fees and expenses of attorneys incurred in the pursuit of such claim. If specific performance is not granted by any such court, the Obligor shall be entitled to payment of costs by the party seeking such remedy and to reimbursement by such party of reasonable fees and expenses of attorneys incurred in the pursuit of such claim.

(e) Prior to pursuing any remedy for any breach of any obligation under this Master Undertaking, a holder of Obligations shall give notice to the Obligor and the respective issuer of each obligation, by registered or certified mail, of such breach and its intent to pursue such remedy. Thirty (30) days after the receipt of such notice, upon earlier response from the Obligor to this notice indicating continued noncompliance, such remedy may be pursued under this Master Undertaking if and to the extent the Obligor has failed to cure such breach.

Section 10. Additional Information. Nothing in this Master Undertaking shall be deemed to prevent the Obligor from disseminating any other information, using the means of dissemination set forth in this Master Undertaking or any other means of communication, or including any other information in any Annual Information or notice of occurrence of a reportable event, in addition to that which is required by this Master Undertaking.

Section 11. Modification of Master Undertaking. The Obligor may, from time to time, amend or modify this Master Undertaking without the consent of or notice to the holders of the Obligations if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law (including but not limited to a change in law which requires a change in the Obligor's policies or accounting practices) or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Master Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the holders of the Obligations, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Obligations pursuant to the terms of any Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds this Master Undertaking) is otherwise permitted by the SEC Rule, as then in effect.

Section 12. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Master Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

Section 13. Severability Clause. In case any provision in this Master Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14. Successors and Assigns. All covenants and agreements in this Master Undertaking made by the Obligor shall bind its successors, whether so expressed or not.

IN WITNESS WHEREOF, the Obligor has caused this Master Undertaking to be executed as of the day and year first hereinabove written.
