SUPPLEMENT DATED JULY 2011 TO THE iSHARES 529 PLAN PROGRAM DESCRIPTION AND PARTICIPATION AGREEMENT DATED DECEMBER 2009

This Supplement describes important changes affecting the iShares 529 Plan.

Effective on or about July 18, 2011, iShares 529 Plan will offer a new investment option – the Savings Portfolio. The Savings Portfolio invests all of its assets in the Sallie Mae High-Yield Savings Account (“HYSA”). The HYSA is held in an omnibus savings account insured by the Federal Deposit Insurance Corporation (“FDIC”), which is held in trust by The Arkansas Section 529 Review Committee (the “Committee”) at Sallie Mae Bank. The Committee is composed of the Director of the Department of Higher Education, the Executive Director of the Arkansas Retirement System, and the Arkansas State Treasurer. Sallie Mae Bank is an affiliate of the Program Manager.

Investments in the Savings Portfolio earn a varying rate of interest. Interest on the HYSA will be compounded daily based on the actual number of days in a year (typically, 365/365 and 366/366 in leap years) and will be credited to the HYSA on a monthly basis. The interest rate is expressed as an Annual Percentage Yield (“APY”). The HYSA APY will be reviewed by Sallie Mae Bank on a periodic basis and may be recalculated as needed at any time. To see the current Savings Portfolio APY, please visit www.ishares529.com or call 1-888-529-9552.

Investments in the Savings Portfolio are pooled into the FDIC-insured omnibus savings account held in trust by the Committee at Sallie Mae Bank. Subject to the application of Sallie Mae Bank and FDIC rules and regulations to each Account Owner, funds in the Savings Portfolio will retain their value as described below under “FDIC Insurance.”

FDIC Insurance

Except for the Savings Portfolio, investments in iShares 529 Plan are **not** insured by the FDIC.

FDIC insurance is provided for the Savings Portfolio only, which invests in an FDIC-insured omnibus savings account held in trust by the Committee at Sallie Mae Bank. Contributions to and earnings on the investments in the Savings Portfolio are insured by the FDIC on a pass-through basis to each Account Owner up to \$250,000, the maximum amount set by federal law. The amount of FDIC insurance provided to an Account Owner is based on the total of: (a) the value of an Account Owner’s investment in the Savings Portfolio; and (b) the value of all other accounts held by the Account Owner at Sallie Mae Bank, as determined by Sallie Mae Bank and FDIC regulations. Plan Officials are not responsible for determining how an Account Owner’s investment in the Savings Portfolio will be aggregated with other accounts held by the Account Owner at Sallie Mae Bank for purposes of the FDIC insurance.

No Other Guarantees

There is no other insurance and there are no other guarantees for the Savings Portfolio. Therefore, like all of the Portfolios, neither your contributions into the Savings Portfolio nor any investment return earned on your contributions are guaranteed by Plan Officials. In addition, the Savings Portfolio does not provide a guarantee of any level of performance or return.

The following is added after the language “Are Not FDIC Insured” at the bottom of the first page of the “iShares 529 Plan Program Description and Participation Agreement:

The following replaces the language of the section entitled “Investments Are Not Guaranteed or Insured” on page 10:

Generally, iShares 529 Plan is not insured or guaranteed. The Savings Portfolio, however, offers FDIC Insurance on a pass-through basis to Account Owners. Investment returns will vary depending upon the performance of the Portfolios you choose. Except to the extent of FDIC insurance available for the Savings Portfolio (subject to the limits described in the section entitled “FDIC Insurance” on page 1 of this Supplement), depending on market conditions, you could lose all or a portion of your investment.

The following replaces the “address” in the first sentence of the section entitled “Account Application” on page 11:

The following section is added after “Custom iShares Portfolios” under the section entitled “Section II. The Investment Portfolios” on page 16:

FDIC-Insured Portfolio

Savings Portfolio

The following new section is added after the “iShares Barclays Short Treasury Portfolio” and before the section entitled “Overview of Underlying Investments” at the top of page 23:

FDIC-INSURED PORTFOLIO

The Savings Portfolio invests all of its assets in the Sallie Mae High-Yield Savings Account (“HYSA”). The HYSA is held in an FDIC-insured omnibus savings account held in trust by the Committee at Sallie Mae Bank.

FDIC-INSURED PORTFOLIO	ASSET CLASS	UNDERLYING INVESTMENT
Savings Portfolio	N/A	Sallie Mae High-Yield Savings Account

Savings Portfolio

Investment Objective

The Portfolio seeks income consistent with the preservation of principal.

Principal Investment Strategy

The Portfolio invests 100% of its assets in the Sallie Mae HYSA. The HYSA is held in an omnibus savings account insured by the FDIC, which is held in trust by the Committee at Sallie Mae Bank.

Investments in the Savings Portfolio earn a varying rate of interest. Interest on the HYSA will be compounded daily based on the actual number of days in a year (typically, 365/365 and 366/366 in leap years) and will be credited to the HYSA on a monthly basis. The interest rate is expressed as an Annual Percentage Yield (“APY”). The HYSA APY will be reviewed by Sallie Mae Bank on a periodic basis and may be recalculated as needed at any time. To see the current Savings Portfolio APY, please visit www.ishares529.com or call 1-888-529-9552.

Investments in the Savings Portfolio are pooled into the FDIC-insured omnibus savings account held in trust by the Committee at Sallie Mae Bank. Subject to the application of Sallie Mae Bank and FDIC rules and regulations to each Account Owner, funds in the Savings Portfolio will retain their value as described below under “FDIC Insurance.”

FDIC Insurance

Except for the Savings Portfolio, investments in iShares 529 Plan are **not** insured by the FDIC.

FDIC insurance is provided for the Savings Portfolio only, which invests in an FDIC-insured omnibus savings account held in trust by the Committee at Sallie Mae Bank. Contributions to and earnings on the investments in the Savings Portfolio are insured by the FDIC on a pass-through basis to each Account Owner up to \$250,000, the maximum amount set by federal law. The amount of FDIC insurance provided to an Account Owner is based on the total of: (a) the value of an Account Owner’s investment in the Savings Portfolio; and (b) the value of all other accounts held by the Account Owner at Sallie Mae Bank, as determined by Sallie Mae Bank and FDIC regulations. Plan Officials are not responsible for determining how an Account Owner’s investment in the Savings Portfolio will be aggregated with other accounts held by the Account Owner at Sallie Mae Bank for purposes of the FDIC insurance.

No Other Guarantees

There is no other insurance and there are no other guarantees for the Savings Portfolio. Therefore, like all of the Portfolios, neither your contributions into the Savings Portfolio nor any investment return earned on your contributions are guaranteed by Plan Officials. In addition, the Savings Portfolio does not provide a guarantee of any level of performance or return.

Investment Risks

To the extent that FDIC insurance applies, the Portfolio is primarily subject to **income risk**.

The following replaces the language under the section entitled “No Guarantee of Principal or Earnings; Not Insured” on page 25:

Neither your contributions to an Account nor any investment return earned on your contributions are guaranteed by the Plan Officials. Except to the extent of FDIC insurance available on the Savings Portfolio, you could lose money (including your contributions) or not make any money by investing in iShares 529 Plan.

An investment in iShares 529 Plan is not a bank deposit. Generally, investments in iShares 529 Plan are not insured or guaranteed by the FDIC or any other government agency or by Plan Officials. As described in this Supplement, FDIC insurance is provided for the Savings Portfolio.

Relative to investing for retirement, the holding period for college investors is very short (i.e., 5-20 years versus 30-60 years). Also, the need for liquidity during the withdrawal phase (to pay for Qualified Expenses) generally is very important. You should strongly consider the level of risk you wish to assume and your investment time horizon prior to selecting a Portfolio.

The following replaces the second sentence of the section entitled “Limited Investment Direction” on page 25:

The ongoing money management is the responsibility of the Committee, BTC and Sallie Mae Bank.

The following replaces the language in the section entitled “No Indemnification” on page 26:

Neither the iShares 529 Plan, the Trust, the Committee, Upromise, BlackRock nor Sallie Mae Bank, will indemnify any Account Owner or Designated Beneficiary against losses or other claims arising from the official or unofficial acts, negligent or otherwise, of Committee members or employees of the State. Similarly, the iShares 529 Plan, the Trust and the Committee will not indemnify any Account Owner or Designated Beneficiary against losses or other claims arising from the acts, negligent or otherwise, of Upromise, BTC, Sallie Mae Bank or any service providers authorized by the Committee and retained by Upromise.

The following replaces the first sentence of the section entitled “Principal Risk Factors of the Portfolios and the Underlying Investments” on page 27:

As with any investment, your investment in the iShares Year-of-Enrollment Portfolios, the iShares Asset Allocation Portfolios, the Custom iShares Portfolios and the FDIC-Insured Portfolio, could lose money or the Portfolios’ performance could trail that of other investments.

The following section is added between “Credit Risk” and “Interest-Rate Risk” on page 27:

Income Risk

This is the risk that the return of the underlying FDIC-insured HYSA will vary from week to week because of changing interest rates and that the return of the HYSA will decline because of falling interest rates.

The following replaces the first bullet under the section entitled “Deciding Which Portfolio is Right for You” on page 30:

The iShares 529 Plan’s investment options and its performance history, the iShares 529 Plan’s flexibility and features, the reputation and expertise of Sallie Mae Bank and the iShares 529 Plan’s Investment Manager, the iShares 529 Plan’s risk factors, the iShares 529 Plan’s Maximum Contribution Limit, the iShares 529 Plan’s fees and expenses, and federal and state tax benefits associated with an investment in the iShares 529 Plan.

The following replaces the first sentence of the section entitled “Historical Investment Performance” on page 30:

The following table presents the Average Total Returns for each Portfolio (except for the Savings Portfolio) as of May 31, 2011.

The following replaces the “Average Annual Total Returns as of September 30, 2009” table on page 30:

¹ Expressed as an annual percentage of the average daily net assets of each Portfolio.

² The “Estimated Underlying Investment Expenses” include the underlying ETF’s management fee, any distribution or service fees, trading and other expenses as of July 1, 2011. The “Estimated Underlying Investment Expenses” for each underlying ETF, before any reimbursement, is based on the expenses for each ETF’s most recently reported fiscal year end and calculated as a percentage of each ETF’s average net assets.

³ Total Annual Asset-Based Fee is the sum of the Estimated Underlying Investment Expenses, the Program Management Fee and the State Administration Fee. The Total Annual Asset-Based Fee is assessed over the course of the year and does not include the Annual Account Maintenance Fee or any fees that your Financial Advisor may charge outside of this Plan. Please see the Investment Cost Chart for the assumed investment cost of these fees over 1-, 3-, 5- and 10- year periods.

The following replaces the first three paragraphs on the last page of the “iShares 529 Plan Program Description and Participation Agreement”:

The iShares 529 Plan is a college tuition savings program sponsored by the State of Arkansas and is administered by The Arkansas 529 Plan Review Committee (Committee). Upromise Investments, Inc. (UII) and Upromise Investment Advisors, LLC (UIA), serve as the Program Manager and Recordkeeping and Servicing Agent, respectively, with overall responsibility for the day-to-day operations, including marketing and co-distribution of the iShares 529 Plan. BlackRock Fund Distribution Company also has responsibility for co-distribution of the iShares 529 Plan. BlackRock Institutional Trust Company, N.A. serves as Investment Manager of the iShares 529 Plan except for the Savings Portfolio, which is managed by Sallie Mae Bank. The iShares 529 Plan’s Portfolios invest in either (i) exchange traded funds, which are not exchange traded funds; or (ii) a Federal Deposit Insurance Corporation (FDIC)-insured omnibus savings account held in trust by the Committee at Sallie Mae Bank. Upromise, Inc., UII, UIA and Sallie Mae Bank are affiliates. Units of the Portfolios are municipal securities and the value of units will vary with market conditions.

Investment returns will vary depending on the performance of the Portfolios you choose. Except to the extent of FDIC insurance available for the Savings Portfolio, you could lose all or a portion of your money by investing in the iShares 529 Plan, depending on market conditions. Account Owners assume all investment risks as well as responsibility for any federal and state tax consequences.
