RATINGS: Fitch: "A+" Moody's: "A1" (See "**RATINGS**" herein.)

In the opinion of Foley & Judell, L.L.P, New Orleans, Louisiana, Bond Counsel, assuming compliance with certain covenants described herein, under existing law, interest on the Series 2014 Refunding Bonds is excluded from gross income for federal income tax purposes. In the opinion of Bond Counsel, under existing law, interest on the Series 2014 Refunding Bonds is not an item of preference for purposes of the federal alternative minimum tax imposed on individuals or corporations, except that interest on the Series 2014 Refunding Bonds will be included in a corporate taxpayer's "adjusted current earnings" for purposes of computing its federal alternative minimum tax. Bond Counsel is further of the opinion that, under the Act, the Series 2014 Refunding Bonds and the income therefrom are exempt from all taxation by the State of Louisiana or any political subdivision thereof. See "TAX EXEMPTION" herein and the proposed opinion of Bond Counsel attached hereto as APPENDIX D.

ERNEST N. MORIAL - NEW ORLEANS EXHIBITION HALL AUTHORITY SPECIAL TAX REFUNDING BONDS, SERIES 2014

INTRODUCTION

This Official Statement, which includes the cover page and Appendices hereto, of the Ernest N. Morial - New Orleans Exhibition Hall Authority (the "Authority"), provides information in connection with the sale by the Authority of its Special Tax Refunding Bonds, Series 2014 (the "Series 2014 Refunding Bonds") to be issued in the aggregate principal amount of \$65,880,000. Capitalized terms used in this Official Statement and not specifically defined shall have the meanings assigned to them in **Appendix A** hereto.

The Series 2014 Refunding Bonds are being issued and are secured by and payable from the Tax Revenues (as hereinafter defined) on a parity basis with the Series 2012 Bonds (as hereinafter defined). The Series 2014 Refunding Bonds are being issued pursuant to the Louisiana Constitution of 1974, as amended (the "Constitution") and laws of the State of Louisiana (the "State"), including particularly Act No. 305 of the 1978 Regular Session of the Louisiana Legislature, as amended by Act No. 657 of the 1979 Regular Session, Act No. 99 of the 1980 Regular Session, Act No. 9 of the 1980 Second Extraordinary Session, Act No. 287 of the 1982 Regular Session, Act No. 572 of the 1984 Regular Session, Act No. 390 of the 1987 Regular Session, Act No. 43 of the 1992 Regular Session, Act No. 1013 of the 1993 Regular Session, Act No. 13 of the 1994 Regular Session, Act No. 42 of the 1994 Regular Session, Act No. 1174 of the 1997 Regular Session, Act No. 1176 of the 1997 Regular Session, Act No. 72 of the 2002 First Extraordinary Session and Act No. 557 of the 2014 Regular Session (collectively, the "Act"), and a Trust Indenture dated as of July 1, 2003 (the "Original Indenture"), between the Authority and Regions Bank (as successor to The Bank of New York Mellon Trust Company, N.A.), as trustee, as supplemented by the First Supplemental Trust Indenture dated as of February 1, 2004 (the "First Supplemental Indenture"), between the Authority and Regions Bank (as successor to The Bank of New York Mellon Trust Company, N.A.), as trustee, a Second Supplemental Trust Indenture dated as of November 1, 2012 (the "Second Supplemental Indenture"), between the Authority and Regions Bank (as successor to The Bank of New York Mellon Trust Company, N.A.), as trustee, and a Third Supplemental Trust Indenture dated as of November 1, 2014 (the "Third Supplemental Indenture," and, together with the Original Indenture, the First Supplemental Indenture and the Second Supplemental Indenture, the "Indenture"), between the Authority and Regions Bank, Baton Rouge, Louisiana, as trustee (the "Trustee"). Certain capitalized terms used but not defined herein will have the meanings ascribed thereto in Appendix A hereto.

The Series 2014 Refunding Bonds are being issued for the purpose of providing funds, together with other available moneys of the Authority, to (i) current refund all of the Authority's outstanding Senior Subordinate Special Tax Bonds, Series 2004, in the original aggregate principal amount of \$93,935,000, of which \$77,530,000 is currently outstanding (the "Refunded Bonds"); and (ii) pay costs of issuance of the Series 2014 Refunding Bonds. See "THE REFUNDING PLAN" herein.

The Refunded Bonds were issued for the purpose of refunding a portion of the Authority's Special Tax Bonds, Series 1996-C, funding a deposit to a reserve fund, and paying costs of issuance of the Refunded Bonds.

On November 14, 2012, the Authority issued its \$52,070,000 Special Tax Refunding Bonds, Series 2012 (the "Series 2012 Bonds"), pursuant to the Original Indenture, as supplemented by the First

Supplemental Indenture and the Second Supplemental Indenture, for the purpose of providing funds, together with other available moneys of the Authority, to (i) current refund the Authority's outstanding (a) Special Tax Bonds, Series 1996-C (the "Series 1996-C Bonds"), (b) Special Tax Bonds, Series 1998 (the "Series 1998 Bonds"), and (c) Special Tax Bonds, Series 2000 (the "Series 2000 Bonds," and, together with the Series 1996-C Bonds and the Series 1998 Bonds, the "Prior Senior Bonds"); (ii) fund a deposit to a reserve fund; and (iii) pay costs of issuance of the Series 2012 Bonds. The principal amount of the Series 2012 Bonds currently outstanding is \$44,850,000.

The Prior Senior Bonds were issued pursuant to a Trust Indenture dated as of January 15, 1996 (the "Original Senior Indenture"), between the Authority and The Bank of New York Mellon Trust Company, N.A. (formerly the First National Bank of Commerce), as trustee, as amended through and including the Third Supplemental Trust Indenture dated as of July 1, 2003, which Third Supplemental Trust Indenture closed the lien of the Original Senior Indenture and prohibited the issuance of any additional bonds or evidences of indebtedness thereunder.

As a result of the refunding and defeasance of the Prior Senior Bonds on November 26, 2012, no bonds remain outstanding under the Original Senior Indenture. Accordingly, Bonds issued under the Indenture enjoy a first lien on the Tax Revenues (as hereinafter defined).

The Series 2014 Refunding Bonds are being issued and are secured by and payable from the Tax Revenues on a pari passu basis with the Series 2012 Bonds.

"Tax Revenues" shall mean the amount of the Tax (as defined herein) collected by the Authority, after payment of the reasonable and necessary costs and expenses of collecting the Tax. See "TAX REVENUES" herein.

The Series 2014 Refunding Bonds will have the terms described herein under the heading "THE SERIES 2014 REFUNDING BONDS" herein and as more fully provided in the Indenture. The Series 2014 Refunding Bonds initially will be issued in book-entry only form. Purchasers of the Series 2014 Refunding Bonds will not receive physical certificates representing their interest in the Series 2014 Refunding Bonds. See "APPENDIX G - BOOK-ENTRY ONLY SYSTEM" herein.

The Indenture requires that the Authority maintain assets on deposit in the Reserve Fund having a value at least equal to the Reserve Fund Requirement. See "SECURITY AND SOURCES OF PAYMENT – Reserve Fund" herein. On the date of delivery of the Series 2014 Refunding Bonds, funds currently on deposit in the Indenture in an amount equal to the Reserve Fund Requirement will provide additional security for the Series 2014 Refunding Bonds and Series 2012 Bonds. A portion of the transferred proceeds on deposit in the Indenture in excess of the Reserve Fund Requirement will be deposited into the Escrow Fund (as hereinafter defined). See "THE REFUNDING PLAN – The Escrow Deposit Agreement" herein.

The Series 2014 Refunding Bonds are solely the obligations of the Authority and not of the State or any other agency or political subdivision thereof. The full faith and credit of the State or of any other State agency will not secure payment of the Series 2014 Refunding Bonds, the Series 2012 Bonds or any Additional Bonds issued under the Indenture. The Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture do not constitute an indebtedness, general or special, or a liability of the State, any other State agency, or any other political subdivision thereof. The issuance of the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture does not directly or indirectly obligate the State or any political subdivision thereof (other than the Authority to the extent described in the Indenture), to provide any funds for the payment of the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture. The Series 2014

Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture will not at the time of issuance nor will they ever be considered a debt of the State or any other political subdivision thereof within the meaning of the Constitution or the statutes of the State and will not at the time of issuance and will never constitute a charge against the credit or taxing power of the State or any other political subdivision thereof. Neither the State nor any other political subdivision thereof will in any manner be liable for the payment of the principal, interest, premium, sinking or reserve fund requirements of the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture, or for the performance of any agreement or pledge of any kind which may be undertaken by the Authority. No breach by the Authority of any agreement or pledge will create any obligation upon the State or any other political subdivision thereof, including a charge against the credit or taxing power of the State or any other political subdivision thereof.

Brief descriptions of the Authority, the Series 2014 Refunding Bonds, the Indenture and the Tax Revenues are contained in this Official Statement. Summaries of documents contained herein are qualified in their entirety by reference to the complete documents, copies of which are available to potential investors upon request at the offices of the Authority at Ernest N. ⁽³⁾ Mr. Quinn resigned on November 3, 2014; however, in accordance with the provisions of the Act, each member of the Board shall serve until his successor shall have been appointed and qualified.

There is one (1) vacancy on the Board.

The Executive Vice President of the Authority is Robert L. Johnson. The Executive Vice President is appointed by and serves at the pleasure of the Board. The Executive Vice President is responsible to the Board for all aspects of project development, including planning, design, financing and construction and development of management policies.

The financial statements of the Authority for the fiscal years ended December 31, 2013 and December 31, 2012 are included in **APPENDIX** C to this Official Statement.

The Authority currently employs 300 employees.

The Board has adopted written policies that provide certain conditions and restrictions on the Authority's unrestricted net position. The Board has designated the Authority's unrestricted net position for a variety of purposes, including, but not limited to, operations, financial contingency, capital assets, and debt service on outstanding obligations of the Authority.

However, no portion of the unrestricted net position is pledged as security for the Series 2014 Refunding Bonds and the Series 2012 Bonds, and the Owners of the Series 2014 Refunding Bonds and the Series 2012 Bonds do not have a lien on such unrestricted net position and should have no expectation that such unrestricted net position will be available to pay principal of and interest on the Series 2014 Refunding Bonds and the Series 2012 Bonds.

The Authority purchases commercial property and liability insurance in the name of the Authority and is responsible for all insurance matters. The property insurance coverage includes building, contents and business interruption income. In 2005, this coverage primarily allowed the Authority to completely repair and renovate the Convention Center within fifteen months after Hurricane Katrina.

For any additional information concerning the Authority, please address Ms. Alita G. Caparotta, Vice President of Finance and Administration, Ernest N. Morial - New Orleans Exhibition Hall Authority, 900 Convention Center Boulevard, New Orleans, Louisiana 70130 (telephone number 504-582-3082).

ERNEST N. MORIAL CONVENTION CENTER - NEW ORLEANS

General

The Convention Center was planned and operated as part of the 1984 World Exposition and opened for convention activity in January 1985. The Convention Center has accommodated over 2,400 major conventions and trade shows that have brought approximately 16,700,000 out of state attendees to the City.

The Convention Center is the sixth (6th) largest convention facility in the United States. The Convention Center currently provides 1,068,508 square feet of exhibit space, 232,827 square feet of meeting space, 163,382 square feet of ballroom space, and a 4,000 seat theater that divides into three (3) acoustically separate sections. The Convention Center contains more contiguous space than any convention center in the United States.

The Convention Center has been constructed in separate phases. Phase I of the Convention Center provided gross enclosed area of 857,500 square feet with an exhibition space covering 327,300 square feet. Phase I also featured 41 meeting rooms and a 30,500 square foot ballroom. The original Convention Center was located on approximately 14 acres of land adjacent to the Mississippi River and the Central Business

District of the City. The initial facility served as the main building for the 1984 World Exposition held in New Orleans, Louisiana, before opening as a convention facility in January 1985.

The Phase II expansion of the Convention Center, which opened in July 1991, resulted in a total of approximately 1.7 million square feet of enclosed space. The expanded facility included approximately 700,000 square feet of contiguous exhibit space on one level, divisible into seven sections for independent uses. The facility contains: (1) a lobby area for registration and pre-function uses totaling approximately 107,742 square feet; (2) approximately 136,000 square feet of meeting room space; and (3) a second ballroom, located on the second floor, with approximately 36,500 square feet of space.

The Phase III expansion of the Convention Center, completed in February 1999, was an addition of an approximately 1.3 million square feet of enclosed space. The exhibition area was increased by approximately 400,000 square feet. An additional 57 meeting rooms were constructed as well as a 4,032 seat theatre.

The Phase IV Expansion Project was scheduled to expand the existing Convention Center on a site owned by the Authority. Construction commenced on the Phase IV Expansion Project on August 17, 2005; however, construction was cancelled 12 days later when the City was impacted by Hurricane Katrina. Because of the uncertainty of the recovery of the City, the Board voted on August 22, 2007 to abandon the Phase IV Expansion Project. The land on which the Phase IV Expansion Project was to be constructed is still owned and controlled by the Authority.

The Convention Center underwent a \$60 million renovation following Hurricane Katrina that included new flooring and furnishings on all three levels, premium design and architectural finishes, upgraded lighting, and high speed wi-fi. These improvements were funded from property insurance proceeds and funds received from the Federal Emergency Management Agency ("FEMA").

A \$50 million Convention Center renovation project began in December 2011, and was completed in January, 2013. The renovation project was funded from available cash of the Authority. This renovation added a new entrance and pedestrian plaza, as well as a 60,000 square foot ballroom which contains four divisible sections and a pre-function area totaling 25,000 square feet, and a 4,600 square foot premium meeting room with a rooftop terrace. The renovated space features hotel appointments and finishes.

The Authority is considering the construction of various capital improvements that will impact the Convention Center, including utility and traffic improvements, infrastructure improvements, a pedestrian mall and a public-private mixed use facility, which is proposed to include retail stores, a hotel and a conference center. The State included \$25,000,000 for improvements to the Convention Center in the capital outlay bill approved during the 2014 Regular Session of the Louisiana Legislature; projects in the State's capital outlay bill are funded from bonds issued by the State, cash lines of credit and non-cash lines of credit, and no assurance can be given that the sale of bonds by the State, the extensions of lines of credit by the State, or the extension of non-cash lines of credit by the State will materialize. The remaining funding for the proposed capital improvements to the Convention Center has not been determined; it is possible that a portion of the funding may be derived from the issuance of Additional Bonds under the Indenture. In addition, a portion of the Authority's unrestricted net position may be used as a funding source for the proposed capital improvements.

The day-to-day operations and management of the Convention Center are overseen by the New Orleans Public Facility Management, Inc. (the "Manager"), a separately incorporated organization doing business as the "New Orleans Ernest N. Morial Convention Center." Under the present management agreement between the Authority and the Manager, the Authority reimburses the Manager for costs of

operating the Convention Center. The Manager neither owns assets nor retains revenues derived from the Convention Center. The Manager is a blended component unit of the Authority.

As of October 1, 2014, approximately 122 events have been held or are scheduled to be held at the Convention Center for the 2014 calendar year, and 85 events are currently scheduled to be held at the Convention Center for the 2015 calendar year. (Note: No assurances can be made that all of these events will occur).

The Convention Center has accommodated major conventions and trade shows that have brought delegates and guests to New Orleans as follows:

Employee Benefits

The Manager provides retirement benefits to all of its employees under a defined contribution retirement plan established pursuant to Section 403(b) of the Internal Revenue Code of 1986, as amended (the "Retirement Plan"). The Manager contributes 2% of the annual salary of its employees each year, and provides a matching contribution up to 4% of each employee's annual salary depending upon the level of contribution of such employee. Upon termination of an employee, the plan moves to the employee and there is no further obligation on the part of the Manager or the Authority to make contributions to such plan. The Retirement Plan is administered by a board of trustees. The board of trustees has the authority to change the Manager match and recommend changes in investments. In addition, the Manager is self-insured for medical claims up to \$80,000 per participant. Once employment is terminated, the medical claims plan is no longer

THE REFUNDING PLAN

General

The proceeds of the Series 2014 Refunding Bonds, together with other available moneys of the Authority, will be used to (i) current refund all of the outstanding Refunded Bonds; and (ii) pay costs of issuance of the Series 2014 Refunding Bonds.

The Escrow Deposit Agreement

A portion of the proceeds of the Series 2014 Refunding Bonds, together with a portion of the funds held in the Reserve Fund created and established under the Indenture allocated to the Refunded Bonds in excess of the Reserve Fund Requirement, will be deposited in an Escrow Fund (the "Escrow Fund") created and established pursuant to an Escrow Deposit Agreement to be dated as of November 1, 2014 (the "Escrow Deposit Agreement"), by and between the Authority and Regions Bank, as escrow agent (the "Escrow Agent"). The Escrow Fund will be held by the Escrow Agent. Copies of the Escrow Deposit Agreement will be available at the Municipal Securities Rulemaking Board, Washington, D.C., after delivery of the Series 2014 Refunding Bonds. Upon delivery of the Series 2014 Refunding Bonds, the Series 2014 Refunding Bond proceeds and other moneys in the Escrow Fund will be applied by the Escow Agent for the purpose of paying the principal of, premium and interest on the Refunded Bonds on or about December 18, 2014, their redemption date.

Upon the deposit in the Escrow Fund, the Refunded Bonds will be defeased, will be deemed to have been paid and will no longer be considered outstanding for purposes of the Indenture. Under the terms of the Escrow Deposit Agreement, the moneys deposited with the Escrow Agent are declared to be a trust fund irrevocably dedicated for the benefit of the owners of the Refunded Bonds. Moneys in the Escrow Fund will be invested in State and Local Government Series Securities (the "SLGS").

TAX REVENUES

General

The Tax Revenues consist of the amount of the Tax (discussed below) collected by or on behalf of the Authority, after payment of the reasonable and necessary costs and expenses of collecting the Tax. Collections of the Tax will be remitted directly to the Trustee for deposit into the Tax Revenue Fund for the Series 2012 Bonds and the Series 2014 Refunding Bonds and be used to pay debt service on the Series 2012 Bonds and the Series 2014 Refunding Bonds. - No. 73 of the 2002 First Extraordinary Session of the Louisiana Legislature ("Act No. 73"), the proceeds of the Hotel Occupancy Tax levied and collected in the Parish of Orleans in each fiscal year shall be credited to the Bond Security and Redemption Fund, and after a sufficient amount is allocated from that fund to pay all the obligations secured by the full faith and credit of the State which become due and payable within any fiscal year, the treasurer of the State shall pay to the Authority \$2,000,000 from the Ernest N. Morial Convention Center Phase IV Expansion Project Fund created by Act No. 73 (See "State Economic Development Tax" herein). The pledge of the State Economic Development Tax by the Authority as security for the Series 2012 Bonds and the Series 2014 Refunding Bonds may be terminated at the option of the Authority upon the later of (i) the payment in full of the Series 2012 Bonds, or (ii) the written determination by the Authority that such State Economic Development Tax shall no longer be pledged to the payment of Bonds issued under the Indenture (See "State Economic Development Tax" herein);

The Indenture provides that the ordinances pursuant to which each of the taxes described in (a) through (f) above are levied and the obligation of the Authority to continue to levy, collect and allocate each such tax and to apply the revenues therefrom in accordance with the provisions of the Indenture, shall be irrevocable until the Bonds issued under the Indenture have been paid in full as to both principal and interest

With respect to (h) above, payments under the Phase IV Escrow Agreement will expire on the date such payments no longer secure outstanding indebtedness of the Authority. With respect to (g) above, the pledge of the State Economic Development Tax by the Authority as security for the Series 2012 Bonds and the Series 2014 Refunding Bonds may be terminated at the option of the Authority upon the later of (i) the payment in full of the Series 2012 Bonds, or (ii) the written determination by the Authority that such State Economic Development Tax shall no longer be pledged to the payment of Bonds issued under the Indenture. See "State Economic Development Tax" hereinbelow.

The Agreement

The Authority entered into a Contract of Agency for the Collection of Taxes dated March 29, 1995, as amended (collectively, the "Agreement") with the Department of Revenue and Taxation of the State of Louisiana (the "Department") for the collection of a portion of the Taxes. The Agreement, as amended, entered into between the Authority and the Department remains in effect as long as the Taxes are being levied by the Authority. Pursuant to the terms of the Agreement, the Authority reaffirmed the appointment of the Department as the Authority's agent for the collection of the Taxes and the Agreement set forth certain collection procedures. It is the duty of the Department, during the term of the Agreement, to deposit the proceeds of the Taxes remitted to the Department, less the Department's fee, with the Trustee for deposit in accordance with the provisions of the Indenture. Pursuant to the Agreement, the Department's fees are as follows:

- (a) with respect to the hotel occupancy taxes listed in clauses (a) through (c) above, two (2%) percent of the total proceeds of the Tax, to be retained by the Department before remittance of the remaining proceeds to the Authority;
- (b) with respect to the hotel tax and the food and beverage tax listed in clause (d) above, \$200,000 per year to be deducted at a rate of 3% from each monthly remittance of tax proceeds to the Authority (adjustments will be made to the monthly 3% deductions near the end of each April through March measurement period to assure the payment to the Department of no more than and no less than \$200,000) and
- (c) with respect to the special taxes listed in clauses (e) and (f) above, a collector's fee of \$75,000 per year to be deducted at the rate of 3% from each monthly remittance of tax proceeds to the Authority (adjustments will be made to the monthly 3% deductions near the end of each January through December measurement period to assure the payment of the Department of no more than and no less than \$75,000).

State Economic Development Tax

Pursuant to Act 73 of the 2002 First Extraordinary Session of the Louisiana Legislature, the State has agreed to deposit in a special fund on behalf of the Authority, the first \$2,000,000 collected from the imposition of the State Economic Development Tax. The Constitution requires that in each fiscal year, subject to certain specified exceptions, all moneys received by the State (such as the State Economic Development Tax) or any State board, agency or commission be deposited in the State treasury and credited to the Bond Security and Redemption Fund. In each fiscal year, an amount is allocated from the Bond Security and Redemption Fund to pay obligations secured by the full faith and credit of the State in that fiscal year and, except as otherwise provided by law, all remaining moneys are credited to the State General Fund

(excluding any gasoline and motor fuels taxes and special fuels taxes which are required to be deposited in a special transportation trust fund). A first lien on amounts in the Bond Security and Redemption Fund secures the payment of the full faith and credit obligations of the State. Only if all other amounts on deposit in the Bond Security and Redemption Fund are insufficient for such purpose, the Treasurer is required to pay debt service on full faith and credit obligations of the State from the State Economic Development Tax. Once it is determined that the State Economic Development Tax is not needed to pay debt service on the full faith and credit obligations of the State, the State Economic Development Tax may be appropriated by the Louisiana Legislature to be used to assist in the funding of the Phase IV Expansion Project.

The State's obligation to make payments of the State Economic Development Tax to the Authority is subject to, and dependent upon, annual appropriation of sufficient funds by the Louisiana Legislature. No representation is or can be given that such appropriations will be made.

The Authority has historically received payment of the State Economic Development Tax from the State in two (2) substantially equal installments of \$1,000,000 on or about June 1 and December 1 of each year, commencing June 1, 2002.

The pledge of the State Economic Development Tax by the Authority as security for the Series 2012 Bonds and the Series 2014 Refunding Bonds may be terminated at the option of the Authority upon the later of (i) the payment in full of the Series 2012 Bonds, or (ii) the written determination by the Authority that such State Economic Development Tax shall no longer be pledged to the payment of Bonds issued under the Indenture.

THE SERIES 2014 REFUNDING BONDS

General

The Series 2014 Refunding Bonds are dated the date of delivery and will mature on the dates and bear interest at the rates set forth on the inside cover page of this Official Statement. Interest on the Series 2014 Refunding Bonds is payable on each January 15 and July 15 (each an "Interest Payment Date"), commencing July 15, 2015. Interest on the Series 2014 Refunding Bonds is calculated on the basis of a 360-day year consisting of twelve 30-day months. The Series 2014 Refunding Bonds will be issuable as fully registered bonds, without coupons, in denominations of \$5,000 and integral multiples thereof.

The principal and premium, if any, of each Series 2014 Refunding Bond will be payable upon maturity or redemption at the Principal Office of the Paying Agent for such Series 2014 Refunding Bond in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, upon presentation and surrender thereof. Interest will be payable by check of the Paying Agent mailed by the Paying Agent to the Owner (determined as of the Regular Record Date) at the address as shown on the books of the Paying Agent; provided that interest will be payable to the registered owners of \$1,000,000 or more in aggregate principal amount by wire transfer to a bank account located within the continental United States of America upon receipt by the Paying Agent of a written request, which request remains in effect until subsequently revoked in writing and submitted to the Paying Agent no less than 15 days prior to an Interest Payment Date.

Any interest on any Series 2014 Refunding Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Owner on the relevant Regular Record Date by virtue of having been such Owner; and such Defaulted Interest shall be paid by the Authority to the persons in whose names the Series 2014 Refunding Bonds (or their respective predecessor bonds) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner: the Authority shall notify the Trustee and the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Series 2014 Refunding Bond and the date of the proposed payment, and at the same time the Authority shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Trustee shall promptly notify the Authority and the Paying Agent of such Special Record Date and shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid or sent by electronic mail or facsimile, to each

⁽²⁾ Not yet collected; expected to be collected in December, 2014.

Owner at his address as it appears in the Bond Register. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid by the Paying Agent to the persons in whose names the Series 2014 Refunding Bonds (or their respective predecessor bonds) are registered on such Special Record Date from moneys so deposited with the Trustee and transferred to the Paying Agent on or before the date of payment of Defaulted Interest.

The Series 2014 Refunding Bonds are being issued initially in book-entry only form; payments in respect of the Series 2014 Refunding Bonds and transfers of ownership interests therein will be made in accordance with the procedures of DTC. See "APPENDIX G-BOOK-ENTRY ONLY SYSTEM" below.

Book-Entry Only System

The Series 2014 Refunding Bonds initially will be issued solely in book-entry only form to be held in the system maintained by DTC. So long as such book-entry only system is used, only DTC will receive or have the right to receive physical delivery of the Series 2014 Refunding Bonds and Beneficial Owners will not be or be considered to be, and will not have any rights as, owners or holders of the Series 2014 Refunding Bonds under the Indenture. See "APPENDIX G – BOOK-ENTRY ONLY SYSTEM" herein.

Provisions for Transfer, Registration and Assignment

The following provisions shall apply in the event the book-entry only system is discontinued:

The Authority will cause books for registration and for the registration or transfer of the Series 2014 Refunding Bonds to be kept by the Paying Agent at the Principal Office of such Paying Agent; such Paying Agent will also be the Bond Registrar for such Series 2014 Refunding Bonds; and such Series 2014 Refunding Bonds may be transferred, registered and assigned only upon the registration books maintained by such Paying Agent.

Upon surrender for registration of transfer of any Series 2014 Refunding Bond, the Paying Agent for the Series 2014 Refunding Bonds will register and deliver in the names of the transferee or transferees one or more new fully registered Series 2014 Refunding Bonds of Authorized Denomination of the same maturity and like aggregate principal amount. At the option of an Owner, Series 2014 Refunding Bonds may be exchanged for other Series 2014 Refunding Bonds of Authorized Denominations of the same maturity and like aggregate principal amount upon surrender at such office. Whenever any Series 2014 Refunding Bonds are so surrendered for exchange, the Paying Agent for the Series 2014 Refunding Bonds will register and deliver in exchange therefor the Series 2014 Refunding Bond or Series 2014 Refunding Bonds which the Owner making the exchange will be entitled to receive after receipt of the Series 2014 Refunding Bonds to be transferred in proper form.

The Authority and the Paying Agent will not be required to issue, register the transfer of or exchange any Series 2014 Refunding Bonds during a period beginning at the opening of business on the Regular Record Date and ending at the close of business on the Interest Payment Date.

Optional Redemption

The Series 2014 Refunding Bonds maturing on or after July 15, 2023 shall be subject to redemption on or after July 15, 2022, at the option of the Authority, as a whole or in part at any time, at a Redemption Price equal to 100% of the principal amount of the Series 2014 Refunding Bonds or portions thereof to be redeemed, plus accrued interest to the date of redemption.

Selection of Series 2014 Refunding Bonds to be Redeemed

The Series 2014 Refunding Bonds will be redeemed only in the principal amount of an Authorized Denomination. The particular maturity or maturities of the Series 2014 Refunding Bonds to be redeemed will be selected by the Authority and within a maturity of the Series 2014 Refunding Bonds, the particular Series 2014 Refunding Bonds or portions thereof to be redeemed will be selected by the Trustee by lot, each authorized portion of principal being counted as one Series 2014 Refunding Bond for this purpose, and provided that in the case of Series 2014 Refunding Bonds in book entry system, such Series 2014 Refunding Bond will be selected for redemption by DTC in accordance with its rules. Upon surrender of any Series 2014 Refunding Bond for redemption in part only, the Paying Agent will register and deliver to the Owner thereof a new Series 2014 Refunding Bond or Series 2014 Refunding Bonds of Authorized Denominations in an aggregate principal amount equal to the unredeemed portion of the Series 2014 Refunding Bond surrendered.

Notice of Redemption

Notice of any redemption of the Series 2014 Refunding Bonds shall be given by the Trustee by mailing a copy of the redemption notice by first class mail (postage prepaid) not less than 30 days and not more than 45 days prior to the date fixed for redemption to the Owner of each Series 2014 Refunding Bond to be redeemed in whole or in part at the address shown on the registration books maintained by the Paying Agent for such Series 2014 Refunding Bonds. Upon request of the Trustee, the Paying Agent will give the Trustee the registration information required for this purpose. Failure to give such notice by mailing to any Owner, or any defect therein, will not affect the validity of any proceedings for the redemption of Series 2014 Refunding Bonds. All notices of redemption will state (i) the redemption date; (ii) the redemption price; (iii) in the case of partial redemption, the respective principal amounts of the Series 2014 Refunding Bonds to be redeemed; (iv) that on the redemption date the redemption price will become due and payable on each such Series 2014 Refunding Bond and interest thereon will cease to accrue thereon from and after said date if moneys are deposited with the Trustee on or prior to the redemption date; (v) the CUSIP numbers; (vi) the place where such Series 2014 Refunding Bonds are to be surrendered for payment; and (vii) any other items which may be necessary or desirable to comply with custom.

On or before any redemption date the Trustee shall segregate and hold in trust adequate funds in the Sinking Fund for the payment of the Series 2014 Refunding Bonds or portions thereof called, together with accrued interest thereon to the redemption date and premium, if any, and the Trustee shall transfer such funds to the Paying Agent for the Series 2014 Refunding Bonds to be redeemed on or before such redemption date. Upon the giving of notice and the deposit of funds with the Trustee for redemption, interest on the Series 2014 Refunding Bonds or portions thereof thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Paying Agent upon any Series 2014 Refunding Bond or portion thereof called for redemption until such Series 2014 Refunding Bond or portion thereof shall have been delivered for payment or cancellation or the Paying Agent shall have received the items required by the Indenture with respect to any mutilated, lost, stolen or destroyed Series 2014 Refunding Bond.

Upon surrender of any Series 2014 Refunding Bond for redemption in part only, the Paying Agent shall register and deliver to the Owner thereof a new Series 2014 Refunding Bond or Series 2014 Refunding Bonds of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Series 2014 Refunding Bond surrendered.

With respect to any notice of redemption of Series 2014 Refunding Bonds, unless upon the giving of such notice such Series 2014 Refunding Bonds will be deemed to have been paid within the meaning of the Indenture, if such notice will state that such redemption will be conditioned upon the receipt by the Trustee on

or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, premium, if any, and interest on such Series 2014 Refunding Bonds to be redeemed, and if such moneys have not have been so received, said notice will be of no force and effect and the Authority will not be required to redeem such Series 2014 Refunding Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the optional redemption will not be made and the Trustee will within five (5) days thereafter give notice, in the manner in which the notice of optional redemption was given, that such moneys were not so received and will return to their Owners any Series 2014 Refunding Bonds surrendered but not redeemed.

Payment of Redeemed Series 2014 Refunding Bonds

Notice having been given in the manner described under the capition "Notice of Redemption" above, and moneys are deposited with the Trustee to effect such redemption, the Series 2014 Refunding Bonds so called for redemption will become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Series 2014 Refunding Bonds will be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Series 2014 Refunding Bonds to be redeemed, together with interest to the redemption date, are held by the Trustee or the Paying Agent so as to be available therefor on said date and if notice of redemption has been given as aforesaid, then, from and after the redemption date interest on the Series 2014 Refunding Bonds of such maturity so called for redemption will cease to accrue and become payable. If said moneys are not available on the redemption date, the Series 2014 Refunding Bonds will continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Purchase of Series 2014 Refunding Bonds

At the direction of the Authority, the Trustee will endeavor to apply available moneys in the Sinking Fund (but not segregated and committed to the payment of the Redemption Price of Series 2014 Refunding Bonds as to which notice of redemption has been given) to the purchase of Outstanding Series 2014 Refunding Bonds at such times, for such prices, in such amounts and in such manner (whether after advertisement for tenders or otherwise) as the Authority determines. Any Series 2014 Refunding Bonds so purchased will be canceled by the Paying Agent. The price paid by the Trustee (excluding accrued interest, but including any brokerage or other charges) for any Series 2014 Refunding Bond so purchased will not exceed the Redemption Price thereof; the Trustee also will pay (from such moneys) accrued interest on any such Series 2014 Refunding Bond.

Purchase of Series 2014 Refunding Bonds in Lieu of Redemption

The Series 2014 Refunding Bonds called for redemption pursuant to the Indenture may be purchased in lieu of redemption by the Trustee on behalf of the Authority at a price equal to the amount payable upon the redemption of the Series 2014 Refunding Bonds.

SECURITY AND SOURCES OF PAYMENT

Sources of Payment

As a result of the refunding of the Prior Senior Bonds with proceeds of the Series 2012 Bonds, the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture will enjoy a pledge of and first lien on the Tax Revenues.

The Series 2014 Refunding Bonds, together with the Series 2012 Bonds and any Additional Bonds, are secured by the funds, revenues, rights, instruments, payments and interests of the Authority to the extent provided in the Indenture, including (i) all Funds and Accounts (except for any moneys deposited with or paid to the Trustee for the redemption of the Series 2014 Refunding Bonds, notice of the redemption of which has been duly given and the Series 2014 Refunding Bonds have become due and payable) created pursuant to the Indenture; (ii) all Tax Revenues payable to the Trustee by or for the account of the Authority subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture; and (iii) any and all property of every kind or description which may from time to time hereafter be sold, transferred, conveyed, assigned, hypothecated, endorsed, deposited, pledged, mortgaged, granted or delivered to, or deposited with, the Trustee as additional security by the Authority or anyone on its part or with its written consent, or which pursuant to any of the provisions of the Indenture may come into the possession or control of the Trustee as such additional security (collectively the "Trust Estate"). The Convention Center is not pledged as collateral under the Indenture and is not included in the Trust Estate. There is no mortgage being granted with respect to the Convention Center for the benefit of the Trust Estate.

The Series 2014 Refunding Bonds are solely the obligations of the Authority and not of the State or any other agency or political subdivision thereof. The full faith and credit of the State or of any other State agency will not secure payment of the Series 2014 Refunding Bonds, the Series 2012 Bonds or any Additional Bonds issued under the Indenture. The Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture do not constitute an indebtedness, general or special, or a liability of the State, any other State agency, or any other political subdivision thereof. The issuance of the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture does not directly or indirectly obligate the State or any political subdivision thereof (other than the Authority to the extent described in the Indenture), to provide any funds for the payment of the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture. The Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture will not at the time of issuance nor will they ever be considered a debt of the State or any other political subdivision thereof within the meaning of the Constitution or the statutes of the State and will not at the time of issuance and will never constitute a charge against the credit or taxing power of the State or any other political subdivision thereof. Neither the State nor any other political subdivision thereof will in any manner be liable for the payment of the principal, interest, premium, sinking or reserve fund requirements of the Series 2014 Refunding Bonds, the Series 2012 Bonds and any Additional Bonds issued under the Indenture, or for the performance of any agreement or pledge of any kind which may be undertaken by the Authority. No breach by the Authority of any agreement or pledge will create any obligation upon the State or any other political subdivision thereof, including a charge against the credit or taxing power of the State or any other political subdivision thereof.

Funds and Accounts

The Indenture created and established the following funds and accounts which will be utilized in connection with all outstanding Bonds of the Authority issued under the Indenture, including the Series 2014 Refunding Bonds:

- (1) Ernest N. Morial New Orleans Exhibition Hall Authority Tax Revenue Fund (the "Tax Revenue Fund");
- (2) Ernest N. Morial New Orleans Exhibition Hall Authority Sinking Fund (the "Sinking Fund"), containing a Debt Service Account and a Redemption Account;

- (3) Ernest N. Morial New Orleans Exhibition Hall Authority Reserve Fund (the "Reserve Fund"); and
- (4) Ernest N. Morial New Orleans Exhibition Hall Authority Costs of Issuance Fund (the "Costs of Issuance Fund").

Tax Revenue Fund

The Authority entered into the Agreement with the Department for the collection of a portion of the Taxes. Pursuant to the Agreement, the State remits promptly, as the same are collected, the avails or amounts derived from the levy and collection of the Tax directly to the Trustee for deposit in the Tax Revenue Fund. The Authority is obligated and is irrevocably bound under the Indenture to set aside and pay all Tax Revenues to the Trustee in trust for the account of the Tax Revenue Fund as promptly as practicable after receipt thereof prior. There also are deposited in the Tax Revenue Fund any other amounts required to be deposited therein or transferred thereto pursuant to the Indenture. For more information on the collection of the Taxes, see "TAX REVENUES – The Agreement" herein.

Disposition of Tax Revenues and Deposits to Sinking Fund and Debt Service Fund

- (a) The Indenture provides that the following payments be made from the Tax Revenue Fund not later than the last Business Day of each calendar month, in the amounts and in the order of priority as follows:
 - (1) into the Debt Service Account of the Sinking Fund the amount, if any, required so that the balance therein equals the Required Sinking Fund Balance as of such date; provided that for the purposes of computing the amount to be deposited, there is credited the amount, if any, deposited therein from the proceeds of the Bonds for the payment of interest on the Bonds for such month or representing investment income not previously credited to the Sinking Fund;
 - (2) into the Reserve Fund, the amount, if any, required so that the balance in the Reserve Fund equals the Reserve Fund Requirement;
 - (3) to the appropriate parties, Administrative Expenses and other costs incurred that are associated with the Bonds or Reimbursement Obligations, and Applicable Credit Facility fees and expenses, in the order of priority as set forth in the definition of Administrative Expenses; and
 - (4) to the Authority, to be applied by the Authority for any lawful purpose under the Act, including, without limitation, the application of such moneys to the payment of any Subordinated Obligation incurred by the Authority.
 - (b) (1) The Indenture further provides that the Trustee pay out of the Debt Service Account from the moneys credited thereto, including amounts transferred to the Debt Service Account from the Reserve Fund, (i) to the Paying Agent (A) on or before each Bond Payment Date for any of the Bonds, the amount required for the interest payable on such Date and (B) on or before each Bond Payment Date for any of the Bonds, the amount required for the Principal Installment payable on such Bond Payment Date and (ii) from time to time when and as due and payable, but at least monthly, to the issuers of Applicable Credit Facilities with respect to any Bonds and the providers of Interest Rate Hedge Agreements, the amount required for the payment of all outstanding Reimbursement Obligations or obligations under the Interest Rate Hedge Agreements (except for termination payments) owed to such persons. In the event the total amount available to the Trustee

for such purposes shall be less than the aggregate amount then due and payable pursuant to clauses (i) and (ii) above, the Trustee will apply moneys on deposit in the Reserve Fund.

- Amounts accumulated in the Debt Service Account with respect to any Mandatory (2) Redemption Payment (together with amounts accumulated therein with respect to interest on the Bonds for which such Mandatory Redemption Payment was established) may and, if so directed by an Authorized Officer in writing, shall be applied by the Trustee, on or prior to the 60th day preceding the due date of such Mandatory Redemption Payment to (i) the purchase of Bonds of the Series and maturity for which such Mandatory Redemption Payment was established, or (ii) the redemption at the applicable sinking fund redemption price of such Bonds, if then redeemable by their terms. After the 60th day but on or prior to the 40th day preceding the due date of such Mandatory Redemption Payment any amounts then on deposit in the Debt Service Account (exclusive of amounts, if any, set aside in said Account which were deposited therein from the proceeds of Bonds) may, and if so directed by an Authorized Officer in writing, shall be applied by the Trustee to the purchase of Bonds of the Series and maturity for which such Mandatory Redemption Payment was established in an amount not exceeding that necessary to complete the retirement of the unsatisfied balance of such Mandatory Redemption Payment. All purchases of any Bonds pursuant to this subparagraph must be made at prices not exceeding the applicable sinking fund redemption price of such Bonds plus accrued interest. The applicable sinking fund redemption price (or principal amount of maturing Bonds) of and accrued interest paid on any Bonds so purchased or redeemed will be deemed to constitute part of the Debt Service Account until such Mandatory Redemption Payment date, for the purpose of calculating the amount of such Account. As soon as practicable after the 40th day preceding the due date of any such Mandatory Redemption Payment, the Trustee will proceed to call for redemption, by giving notice as provided in the Indenture, on such due date Bonds of the Series and maturity for which such Mandatory Redemption Payment was established (except in the case of Bonds maturing on a Mandatory Redemption Payment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Mandatory Redemption Payment. The Trustee will pay out of the Debt Service Account to the appropriate Paying Agents, on or before such redemption date (or maturity date), the amount required for the redemption of the Bonds so called for redemption (or for the payment of such Bonds then maturing), and such amount will be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Bonds will be paid by the Authority and will constitute Administrative Expenses. The Trustee will at all times segregate and account for moneys deposited in the Redemption Account of the Sinking Fund representing Mandatory Redemption Payments and other moneys to be held for the redemption of Bonds and will apply such moneys solely for the purposes described in the Indenture.
- (3) The amount, if any, deposited in the Debt Service Account from the proceeds of each Series of Bonds will be set aside in such Account and applied to the payment of interest on the Bonds of such Series (or refunding Bonds issued to refund such Bonds) as the same becomes due and payable.

The Trustee is directed under the Indenture to deposit any moneys received from an Applicable Bond Insurer into the Debt Service Account and apply such moneys to pay principal of and/or interest on the Series of Bonds for which a demand for payment was made under the Applicable Insurance Policy in accordance with the Indenture.

Reserve Fund

The Reserve Fund Requirement is an amount equal to the lesser of (i) ten percent (10%) of the original principal amount of the Bonds, (ii) the maximum amount of Principal Installments and interest maturing and becoming due in the Fiscal Year in which such calculation is made or in any single succeeding Fiscal Year on all Outstanding Bonds and (iii) 125% of the average annual principal and interest requirement on the Bonds, calculated on a fiscal year basis. On the date of delivery of the Series 2014 Refunding Bonds, a portion of the funds currently on deposit in the Indenture, which are in part cash (\$5,596,600) and in part invested in a collaterialized repurchase agreement between the Authority and MBIA Inc. (\$9,393,500), in an amount equal to the Reserve Fund Requirement, will provide additional security for the Series 2014 Refunding Bonds and the Series 2012 Bonds. Funds currently on deposit in the Reserve Fund in excess of the Reserve Fund Requirement (\$3,195,100) will be released to the Authority and deposited into the Escrow Fund.

If at any time it is necessary to use moneys in the Reserve Fund for the purpose of paying principal of or interest on the Bonds or Reimbursement Obligations as to which there would otherwise be an event of default, then the moneys so used will be replaced from the Tax Revenues first thereafter received and not hereinabove required to make the payments which are then due into the Debt Service Account of the Sinking Fund, it being the intention that, as nearly as possible there will be at all times in the Reserve Fund the amount of the Reserve Fund Requirement. All or any part of the moneys in the Reserve Fund at the written request of the Authority, will be invested in Investment Securities with maturities of five (5) years or less or any other length of time which is acceptable to the Applicable Credit Provider as evidenced in writing to the Trustee and, in any event, maturing prior to the time when payments are expected to be needed, and such investments will, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purposes for which the Reserve Fund is created; however, if the Investment Securities on deposit in the Reserve Fund are of such a nature that they can be drawn upon or redeemed at par, such Investment Securities may mature no later than the final maturity of the Bonds. All income or earnings from such investments will be deposited in the Sinking Fund and applied toward the payments required to be made therefrom.

Costs of Issuance Fund

The moneys on deposit in the Series 2014 Subaccount of the Costs of Issuance Fund will be expended to pay costs of issuance and expenses incurred by or on behalf of the Authority in connection with the Series 2014 Refunding Bonds upon receipt of a requisition signed by an Authorized Officer and delivered to the Trustee. The Trustee is authorized and directed to pay from the Costs of Issuance Fund (Series 2014 Subaccount) the obligations set forth in the requisition submitted in accordance with the Indenture.

Additional Bonds

After the delivery of the Series 2014 Refunding Bonds, the Authority may issue Additional Bonds or refunding Bonds under the Indenture which enjoy a complete parity of lien on the Trust Estate, including the Tax Revenues, and other moneys and funds pledged under the Indenture, with the Series 2014 Refunding Bonds, the Series 2012 Bonds and any other *pari passu* Bonds issued pursuant to the Indenture under the following conditions:

(i) There is delivered to the Trustee a certificate of an Authorized Officer of the Authority to the effect that after giving effect to the issuance of the proposed series of Additional Bonds, the Tax Revenues, including interest earnings on the Reserve Fund held under the Indenture, when computed for any twelve consecutive months occurring within the 18 month period immediately preceding the issuance of Additional Bonds, must have been not less than 1.50 times the highest combined Debt Service for any succeeding Fiscal

Year period on all Bonds then Outstanding and the Additional Bonds proposed to be issued (but not including Bonds which have been or are being refunded or provision otherwise made for their full and complete payment and redemption); provided, however, that in all events, refunding Bonds, the Debt Service of which is less in each Fiscal Year than the Debt Service on the Bonds being refunded, shall not be required to meet the foregoing requirements of this paragraph (i).

- (ii) The payments to be made into the various funds provided for in the Indenture must be current.
- (iii) The requirements set forth in (i) and (ii) above must be certified in writing by an Authorized Officer.
- (iv) The Trustee receives an Opinion of Bond Counsel, dated as of the date of such delivery of the Additional Bonds, to the effect that (a) such Additional Bonds are duly authorized by a Supplemental Indenture and are to be issued for a purpose or purposes permitted by the Indenture and by the Act, and (b) the Supplemental Indenture constitutes the legal, valid and binding obligation of the Authority except that such enforceability may be subject to bankruptcy, reorganization, moratorium, liquidation, readjustment of debt, insolvency and other similar laws affecting creditors' rights and remedies heretofore or hereafter enacted to the extent constitutionally applicable and that enforcement also may be subject to the exercise of the sovereign police powers of the State, or its governmental bodies, and the exercise of judicial discretion in appropriate cases.
- (v) Provision has been made in a Supplemental Indenture for deposit into the Reserve Fund of an amount sufficient to fund the Reserve Fund Requirement, taking into account the issuance of Additional Bonds.
- (vi) If the refunding Bonds to be issued are Cross-over Refunding Bonds, the Supplemental Indenture providing for the issuance of the refunding Bonds shall, in addition to all other requirements of the Indenture, provide: (1) that until the Cross-over Date neither Principal Installments of, nor interest on the Cross-over Refunding Bonds will be payable from or secured by a pledge of the Trust Estate, but will be payable solely from the escrow established in connection with such Cross-over Refunding Bonds; and (2) there will be filed with the Trustee a written certificate of an independent certified public accountant demonstrating the sufficiency of the moneys and investments in the escrow established in connection with such Cross-over Refunding Bonds, to pay Principal Installments of and interest on the Cross-over Refunding Bonds to the Cross-over Date (which Cross-over Date may, at the option of the Authority, be extended as provided in the Supplemental Indenture providing for the issuance of the Cross-over Refunding Bonds, but only upon filing a revised written certificate of an independent public accountant which demonstrates that the moneys and investments then in the escrow will be sufficient to pay Principal Installments of and interest on the Cross-over Refunding Bonds to the extended Cross-over Date).

In addition to the foregoing, one or more series of Bond Anticipation Notes, payable on a parity with all Outstanding Bonds (except as provided in the following paragraph), may be authenticated and delivered upon original issuance from time to time in such principal amount for each such Series as may be determined by the Authority for the purpose of paying or providing for the payment of all or a portion of the Costs of the Project, or the refunding of Bond Anticipation Notes, or a combination of such purpose. The Authority will apply so much of the proceeds of the Bonds in anticipation of which such Bond Anticipation Notes have been issued as will be necessary to provide for the payment of all Principal Installments on such Bond Anticipation Notes.

Each Supplemental Indenture authorizing the issuance of a Series of Bond Anticipation Notes (i) will specify the Project for which the proceeds of such Series of Bond Anticipation Notes will be applied, and (ii) may require the Authority to deposit a specified amount of money from the proceeds of the sale of such Series of Bond Anticipation Notes into the Construction Fund to pay when due all or a portion of the interest on such Series of Bond Anticipation Notes accrued and to accrue to the estimated completion-date of the Project set forth in a written certificate of the Authority to be delivered with respect to such Series of Bond Anticipation Notes pursuant to the Indenture.

No Bond Anticipation Notes will mature later than five years from its date, including all refundings thereof by Bond Anticipation Notes (whether such refundings occur by reason of exchanges of Bond Anticipation Notes or by reason of payment of such Bond Anticipation Notes from refunding Bond Anticipation Notes, or otherwise.)

As of the date of issuance of any Series of Bond Anticipation Notes, the aggregate principal amount of all outstanding Bond Anticipation Notes (including such Series) will never exceed the principal amount of a hypothetical Series of Bonds which could be issued by the Authority on such date in compliance with the Indenture, having an assumed final maturity of 30 years, bearing an assumed rate of interest equal to the rate set forth in the Bond Market Association Index for thirty-year revenue bonds and having Debt Service due in each Fiscal Year in approximately equal amounts, all as certified in writing by an Authorized Officer.

Other Indebtedness and Liens

The Authority may not issue any bonds, notes or other evidences of indebtedness, other than a series of Bonds or Bond Anticipation Notes as permitted under the Indenture, secured by a pledge of or other lien or charge on the Tax Revenues equal or superior to the lien of the Series 2014 Refunding Bonds and the Series 2012 Bonds. Any Series of Bonds or Bond Anticipation Notes may, however, be additionally secured by Applicable Credit Facilities.

Subordinated Obligations

Subordinated Obligations, including Reimbursement Obligations relating to credit enhancement devices entered into in connection with such subordinated indebtedness, which Obligations will be wholly subordinate and junior to the Bonds in payment, may be incurred, without limitation, except as provided in the Act and upon delivery to the Trustee of a certificate of an Authorized Officer of the Authority to the effect that after giving effect to the issuance of the proposed Series of Subordinated Obligations, the Pro Forma Tax Revenues for the current and each subsequent Fiscal Year, including interest earnings on the Reserve Fund held under the Indenture projected for the current and each subsequent Fiscal Year at a market rate as determined by an investment banking firm employed by the Authority, shall equal or exceed 110% of the combined Debt Service for each such Fiscal Year, for all Bonds then Outstanding and all Subordinated Obligations that will be outstanding after the issuance of such Subordinated Obligations or Additional Subordinated Obligations.

The Authority has agreed to the following in the Indenture:

- (i) In the event of any liquidation, dissolution or winding up of the Authority, or of any execution, sale, receivership, insolvency, bankruptcy, liquidation, readjustment, reorganization, or other similar proceeding relative to the Authority or its property, all principal and interest owing on all Bonds must first be paid in full before any payment is made upon the Subordinated Obligations.
- (ii) In the event that the Subordinated Obligations are declared or become due and payable because of the occurrence of any Event of Default under the Indenture or otherwise than at the option of the

Authority, under circumstances when the foregoing clause (i) shall not be applicable, the holders of the Subordinated Obligations will be entitled to payments only after there shall first have been paid in full all Bonds then outstanding at the time the Subordinated Obligations so become due and payable because of any such event, or payment shall have been provided for in a manner satisfactory to the holders of such Bonds.

The Authority has agreed in the Indenture, for the benefit of the holders of the Bonds, that in the event that any Subordinated Obligation is declared due and payable before its expressed maturity because of the occurrence of an Event of Default hereunder, (a) the Authority will give prompt notice in writing of such happening to the holders of the Bonds and (b) all Bonds will forthwith become immediately due and payable upon demand, regardless of the expressed maturity thereof.

DEBT SERVICE COVERAGE

Historical and Projected Debt Service Coverage.

The following table provides the historical debt service coverage of the Prior Senior Bonds, the Refunded Bonds and the Series 2012 Bonds for calendar years ending December 31, 2007 through December 31, 2013. The table also provides debt service coverage of the Series 2014 Refunding Bonds and the Series 2012 Bonds based upon projected Tax Revenues for calendar year 2014. Debt service coverage is the ratio of Tax Revenues plus earnings on the Reserve Fund over historical and projected maximum annual debt service. Actual Coverage of Pro Forma Maximum Annual Debt Service is calculated so that the Tax Revenues for calendar years 2007 through and including calendar year 2013 reflect actual Tax Revenues collected, and that with respect to calendar year 2014, Tax Revenues are projected to be \$54,460,000. As part of the recovery efforts following Hurricane Katrina, and pursuant to the provisions of the Gulf Opportunity Zone Act of 2005, the State issued its General Obligation Gulf Tax Credit Bonds, Series 2006-A, of which \$28,284,267 was loaned by the State to the Authority in order to assist the Authority with the repayment of existing indebtedness of the Authority (the "GO Zone Loan"), which GO Zone Loan was paid in full by the Authority in June, 2014.

The Aquarium has been visited by more than seventeen million people since opening in September 1990.

The Louisiana Swamp Exhibit is the world's only urban swamp, showcasing animals from South Louisiana such as the Louisiana black bear, bobcats, foxes and the rare white alligators.

The Audubon Butterfly Garden and Insectarium, located in the U.S. Custom House on Canal Street, is North America's largest museum devoted to insects and their relatives. The facility boasts interactive educational features including a Louisiana swamp exhibit and an Asian butterfly garden.

The Sports District which is located at the foot of the Central Business District and within walking distance to the French Quarter and the Riverfront includes:

The Mercedes-Benz Superdome (the "Superdome") has, since December, 2012, hosted Mardi Gras events, several New Orleans Saints games, Allstate Sugar Bowl, Monster Jam, Essence Festival, State Farm Bayou Classic, LHSAA/State Farm Prep Classic, R&L Carriers New Orleans Bowl, and several headliner concerts. With more than \$336 million in luxury enhancements since it hosted Super Bowl XXXI in 1997, the Superdome has been completely modernized and remains one of the world's premier sports and entertainment venues. Since the Superdome was refurbished, event activity at the building (and the entire SMG-managed sports and entertainment complex) has resulted in great economic benefit to the City and the State. The City hosted Super Bowl XLVII in February, 2013, the tenth in the City's history. The City invested \$13 million in city-wide improvements to prepare for the week-long event which included using the Convention Center for the NFL Experience and also as a media center.

Champions Square, adjacent to the Superdome, is a 121,000 square foot outdoor festival venue that opened August, 2010, and has become one of the City's most popular entertainment destinations for corporate events, festivals, and concerts. It stands out amongst the notable outdoor spaces in the City's downtown area and recently completed Phase II of its construction plan. New features include a permanent grand staircase featuring amphitheatre style seating, permanent restrooms and landscaping.

The Smoothie King Center (the "Center") is adjacent to the Superdome and within close proximity to Downtown, the French Quarter and 25,000 first-class hotel rooms. The Center is the City's premier facility for a wide array of events. The Center has flexible seating configurations up to 18,000. In February, 2014, Smoothie King bought the naming rights to what was formerly "The New Orleans Arena". The Center has planned a \$50 million project to be completed in two phases. In 2013, the building underwent extensive interior renovations that included installing 16 new loge boxes in the lower bowl, building a party perch in the upper bowl, upgrading all 56 suites and building a 12,000

square foot Chairman's Club that has glass windows overlooking the hallway across from the Pelicans' locker room. The City hosted the 63rd NBA All-Star Game in February, 2014. This marked the second time the city hosted the NBA All-Star Game, having previously been held in the City in 2008.

Museums & the Arts are an integral part of the City's culture. Below is a sample of the history the City offers visitors to experience:

The National World War II Museum (the "Museum") opened on June 6, 2000, as The National D-Day Museum and has become one of the City's top ranked attractions. Founded by historian and author, Stephen Ambrose, the Museum tells the story of the American Experience in the war that changed the world — why it was fought, how it was won, and what it means today. Designated by Congress in 2003 as the America's National WWII Museum, the campus includes the Louisiana Memorial Pavilion, the Solomon Victory Theater, the Stage Door Canteen, the John E. Kushner Restoration Pavilion, the U.S. Freedom Pavilion, The Boeing Center, the American Sector and Soda Shop restaurants. The 26,540-square-foot Freedom Pavilion, which opened in January, 2013, honors the 16 million men and women who served in the war, as well as the uncountable others who served vital functions on the home front. In 2013, Trip Advisor conferred the Travelers Choice Attractions award to the facility. The museum's capital campaign, The Road to Victory: A Vision for Future Generations continues to provide for campus expansion as another pavilion. Campaigns of Courage: European and Pacific Theaters, is under construction and expected to open in late 2014. The campaign is expected to reach completion in 2017.

Ogden Museum of Southern Art, in partnership with the University of New Orleans, was established as a museum of southern art and culture and is located near the Julia Street art galleries. The buildings comprise one of the most architecturally significant complexes in the South. The three areas include the bold modern statement of the Stephen Goldring Hall, the historic Howard Memorial Library (later renamed the Patrick F. Taylor Library) and the Clementine Hunter Wing. The urban renewal project has helped to rejuvenate the Warehouse District to reflect the importance of cultural tourism in the City and in cities throughout the United States.

The Louisiana Children's Museum (opened its doors in 1986) has been one of the City's premier attractions for children. The museum welcomes 147,000 visitors per year, offering children a diverse set of activities that promote learning through interactive play.

New Orleans Museum of Art ("NOMA"), the City's oldest fine arts institution opened on December 16, 1911, and is located in City Park. The impressive permanent collection boasts almost 40,000 objects consisting of French and American art, photography, glass, and African and Japanese works. NOMA is one of the top art museums in the South. The museum grounds contain the five-acre Sydney and Walda Besthoff Sculpture Garden, one of the most important sculpture installations in the United States. The garden has over 60 sculptures situated amongst meandering footpaths, lagoons, Spanish moss-laden 200-year-old live oaks, and pedestrian bridges.

City Park offers 1,300 acres to visitors as a sample of the City's riches both in fine art and natural splendor. City Park dates to 1854 and is deemed one of the country's oldest and largest urban parks. City Park hosts millions of visitors each year related to sports and recreational activities, children's activities and special events and is home to the largest collection of mature live oaks in the world, some over 800 years old. Improvements to City Park under the Master Plan "City Park 2018", a comprehensive plan, are being constructed and should be completed or underway by 2018, the City's 300th anniversary.

Saenger Theatre which is on the National Register of Historic Places, reopened in September, 2013, after being closed for several years due to severe damage from Hurricane Katrina. The theatre completed a \$53 million redevelopment project to restore and recreate the facility to the original 1927 Italian Renaissance design finishes and color schemes. The theatre boasts state of the art building and technical systems as well as improved amenities. The Broadway in New Orleans series returned to the Saenger for the 2013-2014 year. Additionally, other artists including comedians, musicians and dance troupes have performed since the facility's revival.

Cruise Industry

The Julia & Erato Street Cruise Terminals located at the Port of New Orleans, services Carnival Cruise lines, Norwegian Cruise line and Royal Caribbean International which sail weekly. Other cruise lines offering inland voyages also sail from the Port of New Orleans. In 2013, the City was recognized as the sixth busiest U.S. cruise port, up from ninth in 2011 according to Cruise Lines International Association.

Conventions

The City has ranked among the top six cities nationwide as a destination city for conventions and is home to the sixth (6^{th}) largest convention center in the nation. There was a decline in the number of conventions and attendance numbers for 2005 and 2006, due to the effect of Hurricane Katrina on the area. However, attendee growth improves annually moving toward pre-Katrina levels.

The following table sets forth the number of conventions held in the New Orleans Metropolitan Area during the period noted and the number of persons who attended the conventions:

INVESTMENT CONSIDERATIONS

IN ADDITION TO THE OTHER INFORMATION IN THIS OFFICIAL STATEMENT, THE RISK FACTORS SET FORTH BELOW SHOULD BE CONSIDERED CAREFULLY IN EVALUATING AN INVESTMENT IN THE SERIES 2014 REFUNDING BONDS OFFERED HEREBY. NO ASSURANCES CAN BE GIVEN THAT ADDITIONAL RISKS DO NOT NOW EXIST OR WILL NOT ARISE IN THE FUTURE THAT WILL IMPAIR THE ABILITY OF THE AUTHORITY TO PAY, WHEN DUE, THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2014 REFUNDING BONDS. POTENTIAL INVESTORS SHOULD SEEK ANY OTHER RELEVANT INFORMATION RELATING TO THE SERIES 2014 REFUNDING BONDS AND THE SECURITY THEREFOR DEEMED BY THEM TO BE ESSENTIAL OR APPROPRIATE TO MAKING AN INFORMED INVESTMENT DECISION.

General

There are a variety of factors which affect the amount of Tax Revenues to be generated by the Tax. The occupancy levels experienced by the hotels and motels in the Parish are dependent upon the City's continued success as a tourist and convention destination. Additionally, the average daily rates charged by the hotels and motels in the Parish directly impact the amount of the Tax Revenues generated by certain of the Taxes. See "THE ERNEST N. MORIAL CONVENTION CENTER – NEW ORLEANS" and "TAX REVENUES" herein.

A number of other factors, many of which may be beyond the control of the Authority, could have an adverse impact on the Tax Revenues, including adverse changes in the national economy and levels of tourism, competition from other convention centers, tax rates and local market and economic factors. Levels of tourism are highly dependent upon gasoline and other fuel prices, airline fares, and the national economy. In addition, the following could have an adverse impact on Tax Revenues: downward pressures on the expansion of hotel and restaurant supply; acts of terrorism; natural disasters; epidemics; pandemics; long-term changes in communications technology and in methods of information exchange that reduce the amount of future business travel; and changes in the quality of public management and public policies that lessen the desirability of the City as a tourist and business travel destination. Furthermore, because hotel rooms are rented for a relatively short period of time compared to most other commercial properties, hotels are impacted more quickly by adverse economic conditions and competition than other commercial properties that are rented for longer periods of time.

In addition, the State Economic Development Tax is subject to, and dependent upon, annual appropriation by the Louisiana Legislature. No representation is or can be given that such appropriations will be made.

Hurricanes

The City is generally susceptible to hurricanes wherein winds and flooding are capable of producing severe destruction. Recent hurricanes, specifically Hurricane Katrina in 2005, resulted in flooding that inundated approximately 80% of the City. As a result, tourism in the City was severely impacted.

Additional hurricanes or severe tropical storms may impact the City and the tourism industry within the City. However, see "Levees and Flood Protection" hereinbelow.

Levees and Flood Protection

Coastal Louisiana, including the City, is susceptible to hurricanes wherein winds and flooding have from time to time caused significant damage, particularly in the case of Hurricane Katrina. Subsequent to Hurricane Katrina, the U.S. Army Corps of Engineers (the "Corps") undertook a project consisting of the planning, design and construction of a flood protection system to the Metropolitan New Orleans Area. The improvements to flood protection system, known as the Hurricane and Storm Damage Risk Reduction System ("HSDRRS"), consists of a \$14.5 billion system of levees, floodwalls, and pumps designed to eliminate nearly all flooding from 100-year storm events and significantly reduces flood risks from 500-year storm events. According to data generated by the Corps, a storm more severe than Hurricane Katrina would only cause modest flooding as compared to floods caused by Hurricane Katrina.

A 100-year storm is an event that has a 1% chance of occurring in any given year. The Corps designed the HSDRRS based on computer-generated models of 152 storms of varying paths, speeds, rainfall

volumes, intensities, and radius. Based on data derived from these models, the Corps was able to determine the necessary structural specifications to protect Metropolitan New Orleans Area from 100-year storms. The HSDRRS involves a variety of innovative improvements to levees, floodwalls, outfall canals, interim closure structures, and pump stations in and around the Metropolitan New Orleans Area.

The Corps continues to explore further improvements to the HSDRRS in the Metropolitan New Orleans Area, while also working with officials in the Parish of Orleans to improve drainage infrastructure as part of the Southeast Louisiana Urban Drainage program, which is critical in protecting the Metropolitan New Orleans Area from flooding caused by rain-only storm events.

No assurance can be given that the proposed flood protection system improvements will prevent wind and flooding resulting from future significant weather events.

Limitations on Remedies Available to Bondholders

The remedies available to the owners of the Series 2014 Refunding Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically in the United States Bankruptcy Code, 11 U.S.C. § 101, et seq. (the "Bankruptcy Code"), the remedies provided in the Indenture may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Series 2014 Refunding Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

The enforceability of the rights and remedies of the owners of the Series 2014 Refunding Bonds, and the obligations incurred by the Issuer in issuing the Series 2014 Refunding Bonds, are subject to the Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect to the extent constitutionally applicable; equity principles which may limit the specific enforcement under Louisiana law of certain remedies; the exercise by the United States of America of the powers delegated to it by the federal Constitution; and the exercise of the sovereign police powers of the State of Louisiana or its governmental bodies. Consistent with the Contracts Clauses of the Louisiana and United States Constitutions, in a bankruptcy proceeding or due to the exercise of powers by the federal government or the government of the State of Louisiana, bondowners could be subject to judicial discretion and the interpretation of their rights in bankruptcy or otherwise, which consequently may entail risks of delay, limitation, or modification of their rights. Under current Louisiana law, no political subdivision, including the Issuer, may file for protection under Chapter 9 of the Bankruptcy Code unless such filing is approved by the Louisiana State Bond Commission and the Governor and Attorney General of Louisiana. Further, no political subdivision, after filing for bankruptcy protection, may carry out a plan of readjustment of debts approved by the bankruptcy court until such plan is approved by the Louisiana State Bond Commission and the Governor and Attorney General of Louisiana.

The obligations of the Authority under the Indenture may be secured on a parity with other obligations of the Authority so that any proceeds that might be derived from the exercise of remedies would be required to be shared among the owners of the Series 2014 Refunding Bonds, the Series 2012 Bonds and the holders of any additional parity bonds.

For the foregoing reasons, in a bankruptcy context, the pledge of the Tax Revenues by the Authority to secure the obligations with respect to the Series 2014 Refunding Bonds may be ineffective as to certain revenues or under certain circumstances.

Limited Secondary Market

There can be no guarantee that there will be a secondary market for the Series 2014 Refunding Bonds or, if a secondary market exists, that any Series 2014 Refunding Bonds can be sold for a particular price. Occasionally, because of general market conditions, lack of current information, adverse history, or economic prospects connected with a particular issue, secondary marketing practices in connection with a particular issue are suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon the then-prevailing circumstances. Such prices could be substantially different from the original purchase price.

Ratings

There is no assurance that the ratings assigned to the Series 2014 Refunding Bonds at the time of issuance will not be lowered or withdrawn at any time, the effect of which could adversely affect the market price for, and marketability of, the Series 2014 Refunding Bonds in the secondary market. See the information under "RATINGS" herein.

INVESTING IN THE SERIES 2014 REFUNDING BONDS INVOLVES CERTAIN RISKS. POTENTIAL INVESTORS IN THE SERIES 2014 REFUNDING BONDS ARE RESPONSIBLE FOR CONDUCTING AN INDEPENDENT INVESTIGATION OF MATTERS RELATING TO THE FINANCIAL ASPECTS OF THE SERIES 2014 REFUNDING BONDS, THE CONVENTION CENTER, THE AUTHORITY AND THE SECURITY FOR THE SERIES 2014 REFUNDING BONDS TO DETERMINE IF AN INVESTMENT IN THE SERIES 2014 REFUNDING BONDS, AND THE RISKS ASSOCIATED THEREWITH, IS CONSISTENT WITH THEIR INVESTMENT OBJECTIVES. POTENTIAL INVESTORS SHOULD NOT RELY ON ANY PARTY TO THE TRANSACTION WITH RESPECT TO THE INVESTIGATION OF ANY SUCH MATTERS. PROSPECTIVE PURCHASERS SHOULD CONFER WITH THEIR OWN LEGAL AND FINANCIAL ADVISORS BEFORE CONSIDERING A PURCHASE OF THE SERIES 2014 REFUNDING BONDS.

THIS OFFICIAL STATEMENT HAS BEEN PREPARED IN CONNECTION WITH THE INITIAL OFFERING AND SALE OF THE SERIES 2014 REFUNDING BONDS TO THE PURCHASERS ON THE DATE HEREOF AND IS NOT INTENDED FOR USE IN CONNECTION WITH ANY SUBSEQUENT SALE OR REOFFERING OF THE SERIES 2014 REFUNDING BONDS. SUBSEQUENT PURCHASERS MUST THEREFORE RELY ON THEIR OWN EXAMINATION OF THE OFFERING, INCLUDING THE MERITS AND THE RISKS INVOLVED.

FORWARD LOOKING STATEMENTS

This Official Statement contains "forward-looking-statements" within the meaning of the federal securities laws. These forward-looking statements include, among others, expectations, beliefs, opinions, future plans and strategies, anticipated events or trends, and similar expressions concerning matters that are not historical facts. The Bond Purchase Agreement executed by the Underwriters provides that the Underwriters will purchase all of the Series 2014 Refunding Bonds if any are purchased. The obligation of the Underwriters to purchase the Series 2014 Refunding Bonds is subject to certain terms and conditions set forth in the Bond Purchase Agreement entered into between the Underwriters and the Authority. The Series 2014 Refunding Bonds may be offered and sold to certain dealers (including underwriters and other dealers depositing such Series 2014 Refunding Bonds into investment trusts) at prices lower than the public offering prices, and such public offering prices maybe changed, from time to time, by the Underwriters.

Citigroup Global Markets Inc., an underwriter of the Series 2014 Refunding Bonds, has entered into a retail distribution agreement with UBS Financial Services Inc. ("UBSFS"). Under this distribution agreement, Citigroup Global Markets Inc. may distribute municipal securities to retail investors through the financial advisor network of UBSFS. As part of this arrangement, Citigroup Global Markets Inc. may compensate UBSFS for its selling efforts with respect to the Series 2014 Refunding Bonds.

Such investment and securities activities may involve securities and instruments of the Authority.

TAX EXEMPTION

Foley & Judell, L.L.P., New Orleans, Louisiana, Bond Counsel, is of the opinion that, under existing law and assuming compliance with covenants of the Authority designed to meet the applicable requirements of the Internal Revenue Code of 1986, as amended (the "Code"), interest on the Series 2014 Refunding Bonds is excluded from gross income for federal income tax purposes. Bond Counsel will, at the time of issuance of the Series 2014 Refunding Bonds, deliver its opinion in substantially the form set forth in **APPENDIX D** hereto with respect to the Series 2014 Refunding Bonds, subject to the matters discussed below.

General

The Code imposes a number of requirements that must be satisfied for interest on state and local obligations to be excludable from gross income for federal income tax purposes. These requirements include

limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service. The Authority has covenanted that it will, to the extent permitted by the laws of the State, comply with the requirements of the Code in order to maintain the exclusion from gross income of interest on the Series 2014 Refunding Bonds for federal income tax purposes.

The opinion of Bond Counsel will assume continuing compliance with the covenants of the Authority pertaining to those sections of the Code which affect the exclusion from gross income of interest on the Series 2014 Refunding Bonds for federal income tax purposes and, in addition, will rely on representations by the Authority with respect to matters solely within the knowledge of the Authority which Bond Counsel has not independently verified. If the Authority should fail to comply with its covenants or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Series 2014 Refunding Bonds could become taxable from the date of issuance of the Series 2014 Refunding Bonds, regardless of the date on which the event causing such taxation occurs. Bond Counsel has not undertaken to determine (or to inform any person) whether any action taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Series 2014 Refunding Bonds may affect the tax status of interest on the Series 2014 Refunding Bonds.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on or disposition of the Series 2014 Refunding Bonds.

Owners of the Series 2014 Refunding Bonds should be aware that (i) the ownership of tax-exempt obligations, such as the Series 2014 Refunding Bonds, may result in collateral federal income tax consequences to certain taxpayers, and (ii) certain other federal, state and/or local tax consequences may also arise from the ownership and disposition of the Series 2014 Refunding Bonds or the receipt of interest on the Series 2014 Refunding Bonds. Furthermore, future laws and/or regulations enacted by federal, state or local authorities may affect certain owners of the Series 2014 Refunding Bonds.

Alternative Minimum Tax Consideration

Interest on the Series 2014 Refunding Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals or corporations under the Code. Interest on the Series 2014 Refunding Bonds will, however, be included in the adjusted current earnings (for example, the income, including interest on obligations such as the Series 2014 Refunding Bonds, used in reports or statements to shareholders or owners or in reports to creditors) of certain corporations, and the alternative minimum taxable income of such corporations must be increased by 75% of the excess of such corporation's adjusted current earnings over its alternative minimum taxable income (determined without regard to such adjustment and prior to reduction for certain net operating losses).

Changes in Federal and State Tax Law

Tax legislation, administrative actions taken by tax authorities, and court decisions may cause interest on the Series 2014 Refunding Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to state income taxation, or otherwise prevent the beneficial owners of the Series 2014 Refunding Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future or enacted) could affect the market price or marketability of the Series 2014 Refunding Bonds. For example, ongoing negotiations between the Executive and Legislative Branches of the United States Government to resolve federal budget deficits may result in the

enactment of tax legislation that could significantly reduce the benefit of, or otherwise affect, the exclusion of gross income for federal income tax of interest on all state and local obligations, including the Series 2014 Refunding Bonds. It cannot be predicted whether or in what form any such tax legislation might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced and proposed, and litigation is threatened or commenced which, if implemented or concluded in a particular matter, could adversely affect the market value of the Series 2014 Refunding Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2014 Refunding Bonds or the market value thereof would be impacted thereby. Prospective purchasers of the Series 2014 Refunding Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, and its impact on their individual situations. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2014 Refunding Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed federal or state tax legislation, regulations or litigation, regulations or litigation.

THE FOREGOING DISCUSSION OF CERTAIN FEDERAL AND STATE INCOME TAX CONSEQUENCES IS PROVIDED FOR GENERAL INFORMATION ONLY. INVESTORS SHOULD CONSULT THEIR TAX ADVISORS AS TO THE TAX CONSEQUENCES TO THEM IN LIGHT OF THEIR OWN PARTICULAR INCOME TAX POSITION, OF ACQUIRING, HOLDING OR DISPOSING OF THE SERIES 2014 REFUNDING BONDS.

Tax Treatment of Original Issue Premium

All of the Series 2014 Refunding Bonds are being offered and sold to the public at a price in excess of their stated principal amounts.

Such excess is characterized as a "bond premium" and must be amortized by an investor purchasing a Series 2014 Refunding Bond on a constant yield basis over the remaining term of the Series 2014 Refunding Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes. However, as bond premium is amortized, it reduces the investor's basis in the Series 2014 Refunding Bond. Investors who purchase a Series 2014 Refunding Bond should consult their own tax advisors regarding the amortization of bond premium and its effect on the Series 2014 Refunding Bond's tax basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Series 2014 Refunding Bond.

The Arbitrage Group, Inc. has restricted its procedures to examining the arithmetical accuracy of certain computations and has not made any study or evaluation of the assumptions and information upon which the computations are based and, accordingly, has not expressed an opinion on the data used, the reasonableness of the assumptions, or the achievability of the forecasted outcome.

Any desired explanation of the significance of such ratings should be obtained from the rating agency furnishing the same, at the following addresses: Fitch Ratings, 111 Congress Avenue, Suite 2010, Austin, Texas 78701, telephone 888-262-4820; or Moody's Investors Service, Inc., Plaza of the Americas, Suite 2165, 600 N. Pearl Street, Dallas, Texas 75201. The Authority may have furnished to such rating agencies information relating to the Series 2014 Refunding Bonds, certain of which information and materials have not been included in this Official Statement. Generally, a rating agency bases its rating on the information and materials so furnished and on its own investigations, studies and assumptions. A rating may be changed, suspended or withdrawn as a result of changes in, or unavailability of, information. There is no assurance that a rating will not be changed or withdrawn entirely if, in the judgment of the rating agency

issuing the rating, circumstances so warrant. Any such changes or withdrawals of any rating could have an adverse effect on the market price for the Series 2014 Refunding Bonds. The Authority did not seek a rating of the Series 2014 Refunding Bonds from any other rating agency.

CONTINUING DISCLOSURE (EMMA)

The Authority will enter into an undertaking (the "Undertaking") for the benefit of the owners of the Series 2014 Refunding Bonds to file, so long as the Series 2014 Refunding Bonds are outstanding, certain financial information and operating data annually (the "Annual Report") and upon the occurrence of certain material events, with the Municipal Securities Rulemaking Board ("MSRB") electronically through MSRB's Electronic Municipal Market Access System ("EMMA"), and, in the case of notice of certain material events, to the Municipal Securities Rulemaking Board through EMMA.

The specific nature of the information to be contained in the Annual Report or notices of material events is set forth in "APPENDIX E - FORM OF CONTINUING DISCLOSURE CERTIFICATE," pursuant to the requirement of Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12 (17 C.F.R. Part 240, Sec. 140.15c2-12).

A failure by the Authority to comply with the Undertaking will not constitute an Event of Default under the Indenture. Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker-dealer or municipal securities dealer before recommending the purchase or sale of the Series 2014 Refunding Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2014 Refunding Bonds and their market price.

The Authority has substantially complied with its prior undertakings under the Rule over the last five (5) years.

The Authority is continously reviewing and revising its continuing disclosure policies and procedures in order to ensure compliance with its continuing disclosure undertakings in the future on a timely basis. The Authority has enrolled in the EMMA automated email reminder system which alerts issuers and obligated persons to upcoming filing deadlines for financial and operating information. In addition, Act 463 of the 2014 Regular Session of the Louisiana Legislature provides for certain procedures designed to ensure compliance with the Rule. Such legislation, effective August 1, 2014, requires public entities, such as the Authority, to keep certain records demonstrating compliance with the Rule. Additionally, auditors for public entities in the State are required to review the public entity's compliance with such recordkeeping requirements, review a sampling of the EMMA filings, and report on the auditor's findings in the annual audited financial statements of such public entity.

A failure by the Authority to comply with the Undertaking will not constitute an Event of Default under the Indenture (although Bondholders will have any available remedy at law or in equity). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker dealer or municipal securities dealer before recommending the purchase of sale of the Series 2014 Refunding Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2014 Refunding Bonds and their market price.

Additionally, for purposes of calculating Debt Service, the following assumptions are to be used to calculate the principal and interest becoming due in any Fiscal Year:

- (i) in determining the principal amount of such Bonds due in each Fiscal Year, payment shall (unless a different subsection of this definition applies for purpose of determining principal maturities or amortization) be assumed to be made in accordance with any amortization schedule established for such principal, including any minimum sinking fund account payments;
- (ii) if 20% or more of the principal of such Bonds is not due until the final stated maturity of such Bonds, principal and interest on such Bonds may, at the option of the Authority, be treated as if such principal and interest were due based upon a level amortization of such principal and interest over the term of such Bonds;
- (iii) if the Bonds are supported by an Applicable Credit Facility or Applicable Insurance Policy, principal may, at the option of the Authority, be treated as if it were due based upon a level amortization of such principal over the maximum term of repayment of borrowings under the Applicable Reimbursement Agreement or similar agreement with the Applicable Credit Provider;
- (iv) in the case of Bonds which are Variable Rate Debt, the interest rate on such Variable Rate Debt shall be assumed to be a rate equal to the Revenue Bond Index published by *The Bond Buyer*, or another reasonable index if *The Bond Buyer* is no longer published, reported as of the second Wednesday preceding the calculation date, plus 0.25%;
- (v) if the Bonds are, or will be, upon issuance part of a commercial paper program, the principal of such Bonds constituting commercial paper (hereinafter in this definition referred to as "commercial paper") will be treated as if such principal were due based upon a 30-year level amortization of principal from the date of calculation and the interest on the such commercial paper shall be calculated as if such commercial paper were variable rate Bonds;

- (vi) notwithstanding subsections (iv) or (v) above, with respect to any Variable Rate Debt or Bonds bearing interest at a commercial paper rate, if (a) the interest rate on such Variable Rate Debt or Bonds bearing interest at a commercial paper rate, plus (b) the payments received and made by the Authority under an Interest Rate Hedge Agreement with respect to such Variable Rate Debt or Bonds bearing interest at a commercial paper rate, are expected to produce a synthetic fixed rate to be paid by the Authority (e.g., an Interest Rate Hedge Agreement under which the Authority pays a fixed rate and receives a variable rate which is expected to equal or approximate the rate of interest on such Variable Rate Debt or Bonds bearing interest at a commercial paper rate), the Variable Rate Debt or Bonds bearing interest at a commercial paper rate, as the case may be, shall be treated as bearing such synthetic fixed rate for the duration of the synthetic fixed rate;
- (vii) with respect to any fixed interest rate Bonds, if (a) the interest rate on such fixed rate Bonds, plus (b) the payments received and made by the Authority under an Interest Rate Hedge Agreement with respect to such fixed rate Bonds, are expected to produce a synthetic variable rate to be paid by the Authority (e.g., an Interest Rate Hedge Agreement under which the Authority pays a variable rate and receives a fixed rate which is expected to equal the rate of interest on such fixed rate Bonds), the fixed interest rate Bonds shall be treated as bearing such synthetic variable rate for the duration of the synthetic variable rate calculated as provided in (iv) or (v) above, as applicable; and
- (viii) principal and interest payments on Bonds shall be excluded to the extent such payments are to be paid from amounts then currently on deposit with the Trustee or other fiduciary in escrow specifically therefor and restricted to Government Obligations and interest payments shall be excluded to the extent that such interest payments are to be paid from the proceeds of Bonds held by the Trustee or other fiduciary a capitalized interest specifically to pay such interest by the Trustee or other fiduciary.

Such interest and Principal Installments for such Series shall be calculated on the assumption that no Bonds of such Series Outstanding at the date of calculation will cease to be Outstanding except by reason of the payment of each Principal Installment on the due date thereof. There shall be excluded from "Debt Service" (a) interest on Bonds (whether Cross-over Refunding Bonds or Cross-over Refunded Bonds) to the extent that amounts are irrevocably deposited in escrow to pay such interest and (b) Principal Installments on the Cross-over Refunded Bonds to the extent that the proceeds of Cross-over Refunding Bonds are on deposit in an irrevocable escrow in satisfaction of the requirements of the definition of Cross-over Refunding Bonds, and such proceeds or the earnings thereon are required to be applied to pay such Principal Installments (subject to the possible use to pay the Principal Installments of the Cross-over Refunding Bonds under certain circumstances) and such amounts so required to be applied are sufficient to pay such Principal Installments.

A draft copy of the Indenture may be examined in the offices of the Underwriters prior to delivery of the Series 2014 Refunding Bonds and thereafter, an executed counterpart may be examined in the principal corporate office of the Trustee

Pledge Effected by the Indenture

The Trust Estate, including, without limitation, the Tax Revenues, all funds held under the Indenture, the proceeds of the Bonds and all investment earnings on each of the foregoing are irrevocably pledged and dedicated by the Indenture in an amount sufficient for the payment of the Bonds in principal, premium, if any, and interest, including the Redemption Price, as they shall respectively become due and payable, the payment of Reimbursement Obligations owing to any Applicable Credit Provider, the Interest Rate Hedge Payments, the Administrative Expenses and for the payment of any amounts due and owing to any provider of an Interest Rate Hedge, the Reserve Fund Insurance Policy Provider or Reserve Fund Letter of Credit Provider, to the extent and at the times as provided in the Indenture. Said Tax Revenues shall be set aside in the Funds and Accounts, as provided in the Indenture, and shall be and remain pledged for the security and payment of the Bonds in principal, premium, if any, and interest and for all other payments provided for in the Indenture until the Bonds and other obligations secured thereby shall have been fully paid and discharged.

Particular Covenants

All Bonds Equal. All of the Bonds issued under the Indenture and all Reimbursement Obligations shall be equally and ratably secured under the Indenture without priority by reason of Series, number, date of Bonds, date of sale, date of execution, date of issuance, date of delivery or otherwise, and the pledge of the Indenture and the provisions, covenants and agreements in the Indenture set forth to be performed by or on behalf of the Authority shall be for the equal benefit, protection and security of the Owners of any and all of the Bonds and, to the extent and in the manner provided in the Indenture, each of the Applicable Credit Providers and any other Person entitled to receive payments under the Indenture, each of which shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in the Indenture.

Payment of Bonds. The Authority shall duly and punctually pay or cause to be paid (but solely from the sources in the Indenture provided) the principal of or Redemption Price, if any, of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds according to the true intent and meaning thereof.

Power to Issue Bonds and Pledge Tax Revenues and Funds. The Authority is duly authorized under the Act to authorize and issue the Bonds and to enter into the Indenture and to pledge the Tax Revenues purported to be pledged thereby in the manner and to the extent provided in the Indenture. The Tax Revenues and such moneys and funds pledged under the Indenture are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Indenture, and all action on the part of the Authority to that end has been and will be duly and validly taken. The Bonds and the provisions of the Indenture are and will be the valid and legally enforceable obligations of the Authority in accordance with their terms and the terms of the Indenture, subject to bankruptcy, insolvency or other laws affecting creditors' rights generally. The Authority shall at all times, to

the extent permitted by law, defend, preserve and protect the pledge of the Tax Revenues and such moneys and funds pledged under the Indenture, including rights therein pledged under the Indenture and all the rights of the owners of the Bonds under the Indenture, all of the Applicable Credit Providers and any other Person entitled to receive payments under the Indenture, to the extent and in the manner provided in the Indenture, against all claims and demands of all persons whomsoever. The Authority obligates itself by the Indenture and is bound under the terms and provisions of law, to levy, impose, enforce and collect (or cause to be enforced and collected) the Tax and to provide for all reasonable and necessary rules and regulations, procedures and penalties in connection therewith, including the proper application of the Tax Revenues and such moneys and funds pledged under the Indenture, until all of the Bonds have been retired as to both principal and interest and all obligations under each Applicable Reimbursement Agreement have been paid in full and all other amounts due under the Indenture have been paid in full. Nothing contained in the Indenture shall be construed to prevent the Authority from altering, amending or repealing from time to time as may be necessary the ordinances pursuant to which the Taxes were levied, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners of the Bonds and all Applicable Credit Providers with respect to the Tax Revenues and such moneys and funds pledged under the Indenture. The ordinances pursuant to which the Taxes were levied and the obligation of the Authority to continue to levy, collect and allocate the Tax and to apply the revenues therefrom in accordance with the provisions of the Indenture, shall be irrevocable until the Bonds have been paid in full as to both principal and interest and all other amounts payable under the Indenture shall also have been paid in full, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds, or which would in any way jeopardize the prompt payment of principal thereof and interest thereon or the rights of the Applicable Credit Providers.

Enforcement of the Ordinances and the Agreement. The Authority has covenanted and agreed that it shall cause the State to collect all amounts payable to the Authority pursuant to the ordinances pursuant to which the Taxes were levied and the Agreement and deposit the same into the Tax Revenue Fund as soon as practicable. The Authority has further covenanted and agreed that it shall enforce the provisions of the ordinances pursuant to which the Taxes were levied and the Agreement and duly perform its covenants and agreements thereunder. The Authority has covenanted and agreed that it will not consent or agree to or permit any rescission of or amendment to the ordinances pursuant to which the Taxes were levied and the Agreement unless it shall have delivered to the Trustee a certificate of an Authorized Officer setting forth a determination by the Authority that, taking into account all relevant facts and circumstances, including, if and to the extent the Authority deems appropriate, an Opinion of Bond Counsel as to legal matters and the advice or opinions of other consultants and advisors, such action will not have a material adverse effect on the interests of the Bondowners.

Tax Covenants. The Authority has covenanted and agreed that, to the extent permitted by the laws of the State, it will comply with the requirements of the Code in order to establish, maintain and preserve the exclusion from "gross income" for federal income tax purposes of interest on the Bonds under the Code, if at the time such Bonds were initially delivered, there was delivered to the Authority an Opinion of Bond Counsel to the effect that interest on such Series of Bonds was not included in gross income for federal income tax purposes. The Authority has further covenanted and agreed that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Authority to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income for federal income tax purposes under the Code (unless the interest on such Bonds was included in gross income for federal income tax purposes at the time of delivery), including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds".

Maintenance of Books and Records. The Authority will maintain and keep or cause to be maintained and kept proper books of record and accounts separate from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the revenues of the Tax. The Authority shall cause an annual audit of its books of records and accounts to be prepared by a firm of independent certified public accountants within 90 days of the close of each Fiscal Year, and shall file a copy thereof with the Trustee and the provider of each Applicable Credit Facility immediately upon receipt thereof.

Maintenance of Corporate Existence. The Authority will at all times maintain its corporate existence or assure the assumption of its obligations under the Indenture by any public body succeeding to its powers under the Act, and it will use its best efforts to maintain, preserve and renew all the rights and powers provided to it by the Act; and it will comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the Authority.

There also shall be deposited in the Tax Revenue Fund any other

See 'SECURITY AND SOURCES OF PAYMENT - Reserve Fund" in the body of this Official Statement.

The moneys on deposit in the Series 2014 Subaccount of the Costs of Issuance Fund shall be expended to pay costs of issuance and expenses incurred by or on behalf of the Authority in connection with the Series 2014 Refunding Bonds upon receipt of a requisition signed by an Authorized Officer and delivered to the Trustee. After the earlier of payment in full of all Costs of Issuance specified in said requisitions as specified by the Authority or June ___, 2015, the balance of the moneys remaining in the Costs of Issuance Fund, if any, shall be transferred by the Trustee to the Debt Service Account.

Investment of Certain Funds and Accounts.

- (a) Moneys held in the Funds and Accounts shall be invested and reinvested by the Trustee, to the fullest extent practicable, and subject to the provisions of the Indenture outlined above under "Particular Covenants Tax Covenants", in Investment Securities which mature not later than such times as shall be necessary to provide moneys for payments to be made from such Funds and Accounts, as required in the Indenture; provided, however, that, so long as no Event of Default shall have occurred and be continuing, the Trustee shall make such investments only upon receipt of and in accordance with written instructions received from the Authority, and, so long as no Event of Default shall have occurred and be continuing, the Trustee shall affirmatively request such instructions of the Authority from time to time.

Any modification or amendment of the Indenture or of the rights and obligations of the Authority and of the Owners of the Bonds thereunder, other than as described above in "Supplemental Indentures Issuing" a Series of Bonds" and "Amendments to Indenture Without Consent of Owners" requires the consent of the Owners of at least a majority of the Bond Obligation and the prior written consent of each Applicable Credit Provider. Such amendments shall be made by a Supplemental Indenture with the written consent (i) of the Owners of a majority of the Bond Obligation at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Owners of a majority of the Bond Obligation of each Series so affected and Outstanding at the time such consent is given; except that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Bond Obligation under this Section, and (iii) of each Applicable Credit Provider. No such modification or amendment shall permit a change in the terms of redemption (including mandatory redemption) or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the redemption dates or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of each such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment, without the consent of the Owners of all of the Bonds then Outstanding. For the purposes of this paragraph, a Series shall be deemed to be affected by a modification or amendment of the Indenture if the same materially and adversely affects or materially diminishes the rights of the Owners of Bonds of such Series. The Trustee may in its sole discretion determine whether or not in accordance with the foregoing provisions Bonds of any particular Series or maturity would be affected by a modification or amendment of the Indenture, and any such determination shall be binding and conclusive on the Authority and all Owners. The Trustee may receive and be fully protected in so receiving an Opinion of Bond Counsel or counsel to the Trustee as conclusive evidence as to whether Bonds of any particular Series or maturity would be so affected by any such modification or amendment of the Indenture, and the legal opinion described below in "Opinion Required".

Opinion Required

Each Supplemental Indenture entered into shall be filed with the Trustee, together with an Opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully authorized, executed and delivered in accordance with the provisions of the Indenture, is authorized or permitted by the Indenture, is valid and binding upon the Authority and is enforceable in accordance with its terms, subject to any applicable bankruptcy, insolvency, debt adjustment, moratorium, reorganization or other similar laws, judicial decisions and principles of equity relating to the enforcement of creditors' rights generally or contractual obligations, judicial discretion and the valid exercise of the sovereign police powers of the State and of the constitutional power of the United States of America and such Opinion shall also state that the delivery of such Supplemental Indenture will not, in and of itself, adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Events of Default

Each of the following shall constitute an Event of Default:

- (1) the failure by the Authority to make the due and punctual payment of the principal or Redemption Price of any Bond when and as the same shall become due and payable, whether at maturity or upon call for redemption, or otherwise; or
- (2) the failure by the Authority to make the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable; or
- (3) the failure of the Authority to comply with the performance or observance of any other of the covenants, agreements or conditions on its part in the Indenture or in the Bonds contained, and such failure shall continue for a period of forty-five (45) days after written notice thereof to the Authority by the Trustee or by the Owners of not less than 25% of the Bond Obligation; or
- (4) if the Authority shall file a petition or otherwise seek relief under any Federal or State bankruptcy law or similar law.

Upon the happening and continuance of any Event of Default, the Trustee, on behalf of and for the equal and ratable benefit of, the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made in the Indenture as summarized below under "Remedies Upon Default" or in the Act.

Remedies Upon Default

Upon the happening and continuance of any Event of Default, then and in every such case the Trustee (i) may, with the prior written consent of all Applicable Credit Providers, or (ii) shall, upon the written request of the Owners of not less than 25% in principal amount of the Bond Obligation and with the prior written consent of all Applicable Credit Providers, declare the principal of and interest on all of the Outstanding Bonds to be due and payable immediately, whereupon without further action or notice, such principal and interest shall become and be immediately due and payable, anything in the Bonds or in the Indenture to the contrary notwithstanding. Immediately, upon such acceleration, interest shall cease to accrue on all Outstanding Bonds. At any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Trustee may, by written notice to the Authority, annul such declaration and its consequences if: (i) moneys shall have accumulated in the Debt Service Account of the Sinking Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last interest payment date); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; (iii) all other amounts then payable by the Authority under the Indenture shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition or agreement contained in the Bonds or in the Indenture (other than a default in the payment of the principal of such Bonds then due only because of a declaration under the provisions of the Indenture described in this paragraph) shall have been remedied to the satisfaction of the Trustee. In the event that the Trustee shall have annulled any such declaration, the Trustee, the Owners of the Outstanding Bonds and each of the Applicable Credit Providers shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies and powers of the Trustee and each of the Applicable Credit Providers will continue as though no such declaration had been made. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

The Owner of any Bond in his capacity as such shall not have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of the Indenture or the execution of any trust under the Indenture or for any remedy under the Indenture, unless (i) an Event of Default shall have

occurred and be continuing and such Owner shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in the Indenture, (ii) all of the Applicable Credit Providers shall have previously consented in writing, and (iii) the Owners of at least 25% of the Bond Obligation shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity, either to exercise the powers granted in the Indenture or by the Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Owners shall have offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by the Indenture, or to enforce any right thereunder and that all proceedings at law or in equity to enforce any provisions of the Indenture shall be instituted, had or maintained in the manner provided in the Indenture and for the equal and ratable benefit of all Owners of the Outstanding Bonds, all of the Applicable Credit Providers and any other entity owed any amount thereunder. Nothing contained in the Indenture shall affect or impair the right of any Owner of the Bonds to enforce the payment of the principal of and interest on such Owner's Bonds, or the obligation of the Authority to pay the principal of and interest on each Bonds issued thereunder to the owner thereof at the time and place provided in said Bonds; provided, however, that no Owner of a Bond shall be entitled to demand or to otherwise enforce payment under any Applicable Letter of Credit or the Applicable Bond Insurer.

During the continuance of an Event of Default, the Trustee shall apply all moneys, securities and funds held in any Fund or Account under the Indenture and the income therefrom as follows and in the following order:

- (i) To the payment of the reasonable and proper charges, expenses and liabilities of the Trustee and any Paying Agent and their respective counsel;
- (ii) To the payment of the interest and principal or Redemption Price then due on the Bonds, as follows:
 - (A) Unless the principal of all of the Bonds shall have become or have been declared due and payable,

FIRST: to the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: to the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, or otherwise, shall not be sufficient to pay in full all of the outstanding principal with respect to the Bonds due on any date, then to the payment thereof ratably, according to the amounts or principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(B) If the principal of all of the Bonds shall have become due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over any other installment of interest, or of any Bond

over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference.

If and whenever all overdue installments of interest on all Bonds, together with the reasonable and proper charges, expenses and liability of the Trustee, and all other sums payable by the Authority under the Indenture, including the principal and Redemption Price of and accrued unpaid interest on all Bonds which shall then be payable, shall either be paid by or for the account of the Authority, or provision satisfactory to the Trustee and all Applicable Credit Providers shall be made for such payments, and all defaults under the Indenture or the Bonds and under the agreements pursuant to which the Applicable Credit Facilities and Applicable Insurance Policies were provided, shall be made good or secured to the satisfaction of the Trustee and all Applicable Credit Providers to be adequate shall be made therefor, the Authority and the Trustee shall be restored, respectively, to their former positions and rights under the Indenture.

Consent of the Applicable Credit Provider Upon Default

Anything in the Indenture to the contrary notwithstanding, so long as an Applicable Credit Provider is not in default under the respective Applicable Credit Facilities, upon the occurrence and continuance of an Event of Default, all of the Applicable Credit Providers shall be entitled to control and direct the enforcement of all rights and remedies granted to the Bondholders under the Indenture, including, without limitations, acceleration of the principal of the Series of Bonds entitled to the benefit of the Applicable Credit Facilities as described in the Indenture and the right to annul any declaration of acceleration, and all of the Applicable Credit Providers shall also be entitled to approve all waivers of Events of Default. If an Applicable Credit Provider shall be in default under the Applicable Credit Facility, all rights of that particular Applicable Credit Provider with respect to any required consents or approvals shall be null and void.

Defeasance

- Subject to the additional defeasance provisions of the Indenture, if the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Owners the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in the Indenture, then the pledge of the Tax Revenues and such other moneys and funds pledged thereunder, and all covenants, agreements and other obligations of the Authority to the Owners, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, (i) the Trustee shall cause an accounting for such period or periods and may cause to be prepared and filed with the Authority and, upon the request of the Authority, shall execute and deliver to the Authority all such instruments as may be desirable to evidence such discharge and satisfaction, and (ii) the Fiduciaries shall pay over or deliver to the Authority all moneys or securities held by them pursuant to the Indenture which are not required for the principal of, premium (if any) and interest on Bonds not theretofore surrendered for payment or redemption. If the Authority pays or causes to be paid, or there is otherwise paid, to the Owners of the Outstanding Bonds of a particular Series, or of a particular maturity or particular Bonds within a maturity within a Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under the Indenture, and all covenants, agreements and obligations of the Authority to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.
- (b) Bond or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit by the Authority of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid

within the meaning and with the effect expressed in the provisions of the Indenture outlined in paragraph (a) above. Subject to the provisions of the Indenture set forth below in paragraphs (c) and (d) and the additional defeasance provisions of the Indenture, any Outstanding Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) above if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the applicable Paying Agent instructions to mail as provided in the Indenture notice of redemption of such Bonds (other than Bonds which have been purchased by the Authority or purchased or otherwise acquired by the Authority and delivered to the applicable Paying Agent as provided in the Indenture prior to the mailing of such notice of redemption) on said date; (ii) there shall have been deposited with an escrow agent either moneys in an amount which shall be sufficient, or Government Obligations (including any Government Obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the said escrow agent at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be; and (iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the Authority shall have given the Trustee in form satisfactory to it instructions to mail a notice to the holders of such Bonds that the deposit required by (ii) above has been made with an escrow agent and that said Bonds are deemed to have been paid in accordance with the Indenture and stating such maturity or redemption date upon which moneys are expected to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds (other than Bonds which have been purchased by the Authority or purchased or otherwise acquired by the Authority and delivered to the Bond Registrar as provided in the Indenture prior to the mailing of the notice of redemption referred to in clause (i) of this paragraph). Any notice of redemption mailed pursuant to the preceding sentence with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. Such escrow agent shall, as and to the extent necessary, apply moneys held by it pursuant to the defeasance provisions of the Indenture to the payment when due of the principal of, premium (if any) and interest on such Bonds, all in the manner provided in the Indenture. Such escrow agent shall, if so directed by the Authority (A) prior to the maturity date of Bonds deemed to have been paid in accordance with the defeasance provisions of the Indenture which are not to be redeemed prior to their maturity date or (B) prior to the mailing of the notice of redemption referred to in clause (i) above with respect to any Bonds deemed to have been paid in accordance with the defeasance provisions of the Indenture which are to be redeemed on any date prior to their maturity, apply moneys deposited with such escrow agent in respect of such Bonds and redeem or sell Government Obligations so deposited with such escrow agent and apply the proceeds thereof to the purchase of such Bonds and the Bond Registrar shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Government Obligations remaining on deposit with such escrow agent after the purchase and cancellation of such Bonds shall be sufficient to pay when due the Principal Installment or Redemption Price, if applicable, and interest due or to become due on all Bonds, in respect of which such moneys and Investment Securities are being held by such escrow agent on or prior to the redemption date or maturity date thereof, as the case may be, as verified by an independent certified public accountant. If, at any time (A) prior to the maturity date of Bonds deemed to have been paid in accordance with the defeasance provisions of the Indenture which are not to be redeemed prior to their maturity date or (B) prior to the mailing of the notice of redemption referred to in clause (i) with respect to any Bonds deemed to have been paid in accordance with the defeasance provisions of the Indenture which are to be redeemed on any date prior to their maturity, the Authority shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the applicable Paying Agent prior to their maturity date or redemption date, as the case may be, such Paying Agent shall immediately cancel all such Bonds so delivered; such delivery of Bonds to such Paying Agent shall be accompanied by directions from the Authority to such escrow agent as to the manner in which such Bonds are to be applied against the obligation of such escrow agent to pay or redeem Bonds deemed paid in accordance with the defeasance provisions of the Indenture. The directions

given by the Authority to such escrow agent referred to in the preceding sentences shall also specify the portion, if any, of such Bonds so purchased or delivered and cancelled to be applied against the obligation of such escrow agent to pay Bonds deemed paid in accordance with the defeasance provisions of the Indenture upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and cancelled to be applied against the obligation of such escrow agent to redeem Bonds deemed paid in accordance with the defeasance provisions of the Indenture on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this paragraph, the total amount of moneys and Government Obligations remaining on deposit with such escrow agent under this paragraph is in excess of the total amount which would have been required to be deposited with such escrow agent on such date in respect of the remaining Bonds in order to satisfy subclause (ii) of the first sentence of this paragraph, such escrow agent shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Indenture. Except as otherwise provided in this paragraph and in paragraphs (c) and (d) below, neither Government Obligations nor moneys deposited with such escrow agent pursuant to the defeasance provisions of the Indenture nor principal or interest payments on any such Government Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Government Obligations deposited with such escrow agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the Authority as received by such escrow agent, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under the Indenture, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Authority, as received by such escrow agent, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Indenture.

- Bonds which are Variable Rate Debt or Option Debt shall be deemed to have been paid in accordance with the second sentence of paragraph (b) above only if, in addition to satisfying the requirements of clauses (i) and (iii) of such sentence, there shall have been deposited with such escrow agent moneys in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the holders of such Bonds upon the exercise of any options provided to the holders of such Bonds; provided, however, that if, at the time a deposit is made with such escrow agent pursuant to paragraph (b) above, the options originally exercisable by the holders of any such Bond are no longer exercisable, such Bond shall not be considered a Variable Rate Debt or Option Debt for purposes of this paragraph (c). If any portion of the moneys deposited with such escrow agent for the payment of the principal of and premium, if any, and interest on such Bonds is not required for such purpose such escrow agent shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Indenture.
- (d) Anything in the Indenture to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, at the written request of the Authority, be repaid by the Fiduciary to the Authority, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Authority for the payment of such Bonds; provided, however, that

before any Fiduciary is required to make any such payment to the Authority, the Trustee shall, at the expense of the Authority, cause to be published at least twice, at an interval of not less than seven days between publications, in an authorized newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Authority.

Additional Defeasance Provisions

The Authority has agreed that in the event of defeasance of any Bonds in accordance with the provisions of the Indenture set forth in paragraph (b) under "Defeasance" above, pursuant to an advance refunding or in the event of release of any moneys to the Authority pursuant to the provisions of the Indenture described in paragraphs (b) or (c) under "Defeasance" above, the Authority will cause to be delivered to the Trustee a report of a nationally recognized independent certified public accountant, acceptable to each Applicable Bond Insurer, as to the sufficiency of such moneys and/or Government Obligations to accomplish such defeasance or to pay the Bonds after giving effect to such release and an Opinion of Bond Counsel to the effect that the Bonds are legally defeased. Any escrow agreement entered into pursuant to the Indenture which allows for a substitution of securities in the escrow accounts shall provide that no substitution may occur unless there has first been delivered to the escrow agent a report of nationally recognized independent certified public accountants, acceptable to all of the Applicable Bond Insurers, that the investments, as substituted, are sufficient to continue the defeasance of the Bonds, and an Opinion of Bond Counsel to the effect that the substitution is permitted under the escrow agreement and the substitution does not adversely affect the exclusion from gross income of interest on the refunding Bonds or the refunded Bonds.

Notwithstanding anything to the contrary contained in the Indenture, the Bonds shall be deemed to be Outstanding thereunder and the pledge of the Tax Revenues and such other moneys and funds pledged thereunder shall continue in full force and effect after the Authority shall pay or cause to be paid or there shall otherwise be paid to the Owners the principal or Redemption Price, if applicable, and the interest due or to become due thereon, until the Authority shall pay or cause to be paid all amounts due and to become due to all Applicable Credit Providers, and all Administrative Expenses and no moneys shall be paid to the Authority pursuant to the defeasance provisions of the Indenture unless and until the Trustee shall have received evidence satisfactory to it of the payment of all amounts due and to become due to all Applicable Credit Providers and all Administrative Expenses.

INDEPENDENT AUDITORS' REPORT

Board of Commissioners Ernest N. Morial New Orleans Exhibition Hall Authority:

Report on the Financial Statements

We have audited the accompanying financial statements of the Ernest N. Morial New Orleans Exhibition Hall Authority (the Authority), a component unit of the State of Louisiana, as of and for the years ended December 31, 2013 and 2012, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of December 31, 2013 and 2012, and the respective changes in financial position and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As described in Note 11 to the financial statements, the Authority implemented GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, in 2013. This standard provides guidance for reporting the financial statement elements of deferred outflows and inflows of resources and also identifies certain items previously reported as assets and liabilities that the GASB determined should be recognized as revenues or expenses when incurred and not reported in the statements of net position. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 3 through 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 25, 2014 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority's internal control over financial reporting and compliance.

New Orleans, Louisiana March 25, 2014

The Management's Discussion and Analysis of the Ernest N. Morial New Orleans Exhibition Hall Authority's (the Authority) financial performance presents a narrative overview and analysis of the Authority's financial activities for the years ended December 31, 2013 and 2012. This document focuses on the current year's activities, resulting changes, and currently known facts in comparison with the prior year's information (where available). Please read it in conjunction with the Authority's financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

The Authority's mission is to plan, finance, construct and manage a convention and exhibition center in the City of New Orleans.

During 2013 and 2012, the Center held 113 and 128 events, respectively. The approximate number of attendees totaled 857,000 and 865,000 and the number of room nights approximated 766,000 and 744,000 from the out-of-state attendees numbering approximately 638,000 and 549,000 for the years ended December 31, 2013 and 2012, respectively.

The taxes recognized by the Authority generated in 2013 were \$53.3 million as compared to \$46.3 million of revenues in 2012. User fees totaled \$23.2 million in 2013 as compared to \$22.1 million in 2012.

OVERVIEW OF THE FINANCIAL STATEMENTS

This financial report consists of three parts: management's discussion and analysis (this section), the basic financial statements and the notes to the financial statements. The financial statements provide both long-term and short-term information about the Authority's overall financial status. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

The Authority's financial statements are prepared on an accrual basis in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. Under this basis of accounting, revenues are recognized in the period in which they are earned, expenses are recognized in the period in which they are incurred, and depreciation of assets is recognized in the Statements of Revenues, Expenses, and Changes in Net Position. All assets and liabilities associated with the operation of the Authority are included in the Statements of Net Position.

The Statements of Net Position present financial information on all of the Authority's assets, liabilities, and deferred inflows/outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating. The Authority's net position increased by \$28.5 million in 2013, as compared to a decrease of \$3.6 million in 2012.

FINANCIAL ANALYSIS OF THE AUTHORITY

Capital assets increased in 2012 compared to 2011 as a result of the Great Hall construction in progress. Current assets increased from 2011 to 2012 due to cash provided by sales and maturities of noncurrent investments in addition to a capital contribution due from the State of Louisiana. Changes in Net Position- 2013

The change in net position was an increase of \$28.5 million for the year ended December 31, 2013 (Table A-3). The Authority's operating revenues were comprised primarily of user fees. Operating revenues were \$30.0 million in 2013 as compared to \$26.9 million in 2012. The Authority's 2013 operating revenues were comprised primarily of user fees of \$23.2 million and food and beverage revenue of \$6.3 million, as compared to user fees of \$22.1 million and food and beverage revenue of \$4.2 million in 2012. The reason for the increase in 2013 revenue is due to a change in the type of events held in 2013 compared to 2012. Operating expenses, including depreciation and loss on disposal of assets, in 2013 totaled \$55.4 million as compared to approximately \$59.3 million in 2012. The decrease in operating expenses is mainly due to a reduction in event related expenses, the noncapitalized building improvements that took place during the year, and the loss on the disposal of assets. Table A-4 summarizes the Authority's operating expenses by function. In both 2013 and 2012, nonoperating revenues were primarily comprised of dedicated taxes, investment income and interest expense. Dedicated taxes totaled \$53.3 million in 2013 as compared to \$46.3 million in 2012. Investment income and interest expense totaled \$1.1 million and \$7.5 million in 2013 and \$1.8 million and \$9.3 million in 2012. During 2013, no interest income or expense was capitalized. During both 2013 and 2012, the Authority recorded a capital contribution from the State of Louisiana of \$10.0 million. In addition, Act 597 of the 2012 Legislative Session of Louisiana directed the Authority to pay \$20 million to the State in 2012, as described in Note 9. Also in 2013, the Authority funded projects for the City of New Orleans in the amount of \$2.8.

Changes in Net Position- 2012

The change in net position was a decrease of \$3.6 million for the year ended December 31, 2012 (Table A-5). The Authority's operating revenues were comprised primarily of user fees. Operating revenues were \$26.9 million in 2012 as compared to \$23.6 million in 2011. The Authority's 2012 operating revenues were comprised primarily of user fees of \$22.1 million and food and beverage revenue of \$4.2 million, as compared to user fees of \$19.1 million and food and beverage revenue of \$3.8 million in 2011. The reason for the increase in 2012 revenue is due to variance in the type and number of events held in 2012 compared to 2011. Operating expenses, including depreciation and loss on disposal of assets, in 2012 totaled \$59.3 million as compared to approximately \$49.9 million in 2011. The increase in operating expenses is mainly due to event related expenses, the non-capitalized building improvements that took place during the year, and the increased loss on the disposal of assets. Table A-6 summarizes the Authority's operating expenses by function. In both 2012 and 2011, non-operating revenues were primarily comprised of dedicated taxes, investment income and interest expense. Dedicated taxes totaled \$46.3 million in 2012 as compared to \$40.8 million in 2011. Investment income and interest expense totaled \$1.8 million and \$9.3 million, respectively, in 2012 and \$2.2 million and \$9.2 million, respectively, in 2011. During 2012, no interest income or expense was capitalized. During 2012, the Authority recorded a capital contribution from the State of Louisiana of \$10.0 million. In addition, Act 597 of the 2012 Legislative Session of Louisiana directed the Authority to pay \$20 million to the State, as described in Note 9.

Cash Flows - 2013

The change in cash and cash equivalents, as reflected in Table A-7, from 2013 to 2012 was mainly a result of the bond repayment that occurred in 2012. The decrease in noncapital financing activities in 2013, as compared to 2012, was a result of distributions to government agencies. The change in capital and financing activities is due to the 2012 bond refunding. Investment activities had a use of cash in 2013 reflecting current year sales and maturities of investments, and included a decrease in investment income received.

Cash Flows - 2012

The change in cash and cash equivalents, as reflected in Table A-8, from 2012 to 2011 was a result of an increase in cash provided by investing activities. The increase in noncapital financing activities in 2012, as compared to 2011, was a result of an increase of cash received from tax revenues. The change in capital and financing activities is due to the increased amount of bond repayments due to the 2012 bond refunding and an increase in the purchase and/or construction of capital assets. Investment activities provided cash in 2012 reflecting current year sales and maturities of investments, and included an increase in investment income received.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

The primary purpose of a convention center is to attract attendees to conventions and tradeshows so that they will spend dollars in local facilities such as hotels, restaurants, tourist attractions, retail stores, etc. This spending results in increased tax collections for the state and local governments. The New Orleans Ernest N. Morial Convention Center is one of the greatest economic assets of the City of New Orleans and the State of Louisiana. In 2013, the Center hosted 113 major conventions and trade shows, attracted approximately 549,000 out of state attendees and produced 773,000 room nights. The economic impact has not yet been completed for 2013. In 2012, the Center hosted 128 major conventions and trade shows, attracted approximately 549,000 out of state attendees and produced 744,000 room nights. The economic impact has not yet been completed for 2012. The Authority is scheduled to have approximately 100 events in 2014.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Organization and Reporting Entity

The Ernest N. Morial New Orleans Exhibition Hall Authority (the Authority) is a component unit of the State of Louisiana created in 1978 by Act 305 (subsequently amended) of the Louisiana Legislature to plan, finance, construct and manage a convention and exhibition center in the City of New Orleans. The operations of the convention and exhibition centers are through the New Orleans Public Facility Management, Inc. (NOPFM), a separately incorporated organization, doing business as the New Orleans Ernest N. Morial Convention Center. Under the present management agreement between the Authority and NOPFM, the Authority reimburses NOPFM for costs of operating the convention and exhibition center, and NOPFM will neither own assets nor retain revenues. The NOPFM is a blended component unit of the Authority.

The Authority is governed by a twelve member Board of Commissioners composed of nine (9) appointees of the Governor of Louisiana and three (3) appointees of the Mayor of New Orleans. The Board of Commissioners establishes policies, approves the budget, controls appropriations and appoints an Executive Vice President responsible for administering all the Authority's operations and activities.

The Authority is a component unit of the State of Louisiana. No other potential component units meet the criteria for inclusion in the financial statements of the Authority.

(b) Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The proprietary fund is used to account for the Authority's ongoing operations and activities which are similar to those often found in the private sector. The proprietary fund is accounted for using a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the statement of net position. Net position is segregated into amounts invested in capital assets (net of related debt), restricted primarily for debt service and construction, and unrestricted. The Board's restricted assets are expendable for their purposes. The Authority utilizes available restricted assets before utilizing unrestricted assets. The operating statements present increases (revenues) and decreases (expenses) in net position.

The Authority maintains one proprietary fund type – the enterprise fund. The enterprise fund is used to account for operations (a) that are financed and operated in a manner similar to private business enterprises—where the intent of the governing body is that the cost (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance.

(b) Measurement Focus, Basis of Accounting, and Financial Statement Presentation (continued)

Operating revenues include all charges for service and related fees associated with operating expenses. Interest income, interest expense and tax revenues are presented as non-operating items.

(c) Designated and Restricted Assets

Certain assets, consisting of cash, investments and receivables, are segregated and classified as restricted assets. Restricted assets are held as follows:

- Debt service reserve was established by the Authority's bond indentures. The required
 reserve is the lesser of (i) ten percent of the original principal issued, (ii) the maximum of
 principal and interest maturing and due in next fiscal year, or (iii) 125% of average
 annual principal and interest requirement, after any reductions.
- Debt service, funded by the special revenue taxes, was established by the Authority's bond indentures. The required accumulated debt service is equal to the sum of (i) interest accruing during the period of bonds outstanding and (ii) portion of principal accruing until the next principal payment date.
- Capital projects, funded by the proceeds of taxes, restricted for the building expansion and improvements.
- Rouse Lease Clearing and Venture Lease Escrows, which include rental income received
 by the Authority on behalf of and remitted to the City of New Orleans for property owned
 by the City. In addition to the amounts collected on behalf of the City of New Orleans,
 the Authority also collects certain funds related to a third-party cell site. The amounts
 payable are included in other liabilities in the balance sheet. The Rouse Lease Clearing
 account was closed in 2013.

Designated assets are held as follows:

 Capital projects, funded by the operating assets for which contracts have been awarded and underway.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Investments

Investments consist of time deposits, money market mutual funds, certificates of deposits, U.S. Treasury obligations, U.S. government agency securities, and repurchase agreements and are stated at fair value. Fair value is based on quoted market prices, as applicable; if quoted prices are not available, fair value is estimated based on similar securities.

(e) Property, Buildings and Equipment

Property, buildings and equipment are carried at historical cost. Depreciation and amortization are charged to expense over the estimated useful lives of the assets and is determined using the straight-line method. The estimated useful lives used in computing depreciation and amortization are as follows:

| Buildings | 40 years |
|-----------------------------------|------------|
| Building improvements | 20 years |
| Equipment, furniture and fixtures | 5-12 years |

The Authority capitalizes moveable equipment with a value of \$5,000 or greater. The Authority capitalizes building improvements greater than \$50,000. The cost of additions includes contracted work, direct labor, materials and allocable cost. Donated fixed assets are recorded at their estimated fair value at the date of donation.

Interest is capitalized on fixed assets acquired and/or constructed with tax-exempt debt. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in revenue for the period. The cost of maintenance and repairs is charged to operations as incurred, and significant renewals and betterments are capitalized. Deductions are made for retirements resulting from renewals or betterments.

(f) Taxes

The Authority receives dedicated taxes as follows:

Hotel Occupancy Tax

The Authority's bonds are payable from revenues derived by the Authority from the Hotel Occupancy Tax authorized by Act No. 305 of the Regular Session of the Legislature of Louisiana for the year 1978, as amended (the Act) and earnings on certain funds and accounts of the Authority. The Hotel Occupancy Tax is levied and collected on the occupancy of hotel and motel rooms within the Parish of Orleans. Initially established as a 1% tax, the rate (with approval by the Legislature and public referendum) was increased to 2%, effective October 1, 1980. This tax is dedicated to the Authority's bonds and those taxes are presently being collected within the City and other locations on behalf of the Authority by the Louisiana Department of Revenue and Taxation (the Department).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Hotel Occupancy Tax (continued)

Effective July 1, 2002, an additional 1% was imposed for the purpose of providing funds for the Phase IV Convention Center Expansion Project. These additional taxes were used to fund initial capital expenditures incurred and are currently used to retire all bonds.

Hotel Occupancy/Food and Beverage Tax

The following summarizes the 1988 hotel occupancy and food and beverage taxes:

Pursuant to Act 390 of the regular session of the Legislature of Louisiana for 1987, the Authority is empowered to levy and collect a Hotel Occupancy Tax (the "1988 Hotel Occupancy Tax") and a Food and Beverage Tax (collectively referred to as the "Tax"), to secure bonds to be issued to finance a portion of the costs of the Convention Center expansion. The 1988 Hotel Occupancy Tax is separate and distinct from the 1978 Hotel Occupancy Tax levied by the Authority and pledged to secure the Series 1983 Bonds (refinanced by the 1996 Series and the 2012 Series). The Tax has additionally been approved by the City Council and was imposed pursuant to a special election held on November 21, 1987.

On February 24, 1988, the Authority adopted a resolution authorizing the actual levy and collection of the Tax to be effective April 1, 1988. The Tax, which secures the 1996 Bond Series (refinanced by the 2012 Series), is presently being collected within the City and other locations on behalf of the Authority pursuant to a Contract of Agency for Collection of Taxes with the Louisiana Department of Revenue and Taxation (the Department). The Department is required to remit tax collections to the Authority, initially net of the \$200,000 annual collections fee retained by the Department at the rate of 3% of monthly collections until the total amount is attained. The collection fee is subject to annual renegotiation which is currently \$200,000.

The 1988 Hotel Occupancy Tax is levied in the amount of fifty cents (\$0.50) per occupied hotel room per night for hotels containing ten (10) to two hundred ninety-nine (299) rooms, one dollar (\$1.00) per occupied hotel room per night for hotels containing three hundred (300) to nine hundred ninety-nine (999) guest rooms and two dollars (\$2.00) per occupied hotel room for hotels containing one thousand (1,000) or more guest rooms. The 1988 Hotel Occupancy Tax will automatically terminate upon payment in full of all bonds or other obligations of the Authority payable in whole or in part from or secured by the 1988 Hotel Occupancy Tax.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Food and Beverage Tax

The Food and Beverage Tax is a tax in the amount of one-half of one percent (0.5%) imposed on the gross receipts from the sale of food and beverages in any food service establishment. The tax is applicable to all such establishments located within the City or in any airport or air transportation facility owned and operated by the City, excluding food service establishments which have annual gross receipts from food and beverage sales of less than \$200,000 from the operation of all such establishments during the calendar year prior to the year in which such tax is assessed. The tax is not applicable to meals furnished to the staff and students of educational institutions; the staff and patients of hospitals; the staff, inmates and patients of mental institutions and the boarders of rooming houses. The Food and Beverage Tax will automatically terminate upon payment in full of all Bonds or other obligations of the Authority payable in whole or in part from or secured by the Food and Beverage Tax.

Effective July 1, 2002, an additional ¼ of 1% on annual gross receipts from food and beverage sales greater than \$500,000 was imposed for the purpose of providing funds for the Phase IV Convention Center Expansion Project. These additional taxes were used to fund initial capital expenditures incurred and are currently used to retire all bonds.

Service Contractor and Tour Tax

Pursuant to Act 42 of the regular session of the Legislature of Louisiana for 1994 which amended Act 305 of 1978, the Authority is empowered to levy and impose a 2% tax on the furnishing of goods and services in conjunction with trade shows, conventions, and exhibitions located within Orleans Parish. The effective date of the service contractor tax was May 1, 1995. "Goods and services" means merchandise, wares, materials, labor, assistance or benefit provided in connection with the installation and dismantling of exhibits, displays and booths, decorations, electrical supplies, materials handling, drayage, flowers and floral decorations, computers, audio and visual equipment, bands and orchestra, lighting trusses, rigging and associated equipment, furniture, carpets, signs, props, floats, business machines, plumbing, telephones, photography, utilities, balloons, scaffolding, forklifts, high lifts, security, information retrieval system and any other services or items associated with the above. Specifically, excluded are foods and beverages and the shuttle services of attendees to and from the location of the convention and trade show.

In addition to the above, the Authority is also empowered to levy and impose a one dollar (\$1.00) tax on the sale of tickets sold in the Parish of Orleans for per capita sightseeing tours in the Parish of Orleans, and for tours a portion of which includes sight-seeing in the Parish of Orleans. The effective date of the tour tax was May 1, 1995. This tax expires when all debt obligations expire. This tax is dedicated to the Authority's Bond Series, and those taxes are presently being collected within the City and other locations on behalf of the Authority by the Louisiana Department of Revenue and Taxation.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

RTA Tax

In April 2002, the Authority entered into a Cooperative Endeavor Agreement (CEA) with the Regional Transit Authority (RTA) and the New Orleans Tourism Marketing Corporation (NOTMC), creating a transit fund to be separately maintained and funded with taxes collected by the RTA based on a 1% sales tax to be collected from hotels and motels in the City of New Orleans and equal to 50% of the annual fee paid by RTA to NOTMC. In exchange for the funds received, the Authority agreed to utilize the funds for financing or funding of actual physical construction costs (labor and materials) of new capital facilities and/or capital improvements of the Convention Center in connection with the Phase IV Expansion Project, particularly including, but not limited to, facilities and/or improvements that address and recognize the need to access the RTA's Riverfront Streetcar and Shuttle — bus services and the transportation needs of the Convention Center attendees and the public, consistent with the needs of the Authority and the legal requirements for the use and/or expenditure of the revenues derived from the RTA tax. In addition, moneys in the transit fund may be used to pay debt service on any bonds issued for construction financing of the Phase IV Expansion Project.

State of Louisiana, Department of State Economic Development

Pursuant to Act 73, based on the sufficiency of the Hotel Occupancy tax collections to pay the obligations of related bonds within any fiscal year of the State of Louisiana, the State of Louisiana Department of State Economic Development remits \$2 million of the remaining funds on an annual basis to the Authority.

(g) Capital Contributions

Contributions from State appropriations are made available to the Authority for capital improvements and are recognized when the expenses have been incurred and approval of the appropriation has been received. These appropriations are included in capital contributions in the statement of revenue, expenses and changes in net position.

(h) Compensated Absences

As of January 1, 2013, the Authority revised its personnel handbook to include a new leave policy, which incorporates the vacation, sick and personal leave policies and replaces it with a new personal time off plan (PTO). The total liability for accrued compensated absences at December 31, 2013 and 2012 was \$843,397 and \$859,148, respectively, of which \$417,088 and \$453,370 is the long-term portion.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) Compensated Absences (continued)

At the time of the policy change, there was no impact to the employees and/or any additional expense incurred by the Authority. The policy provides for the following paid time off:

- 0 to less than 5 years of continuous service 128 hours/16 days
- 5 years to less than 10 years of continuous service 168 hours/21 days
- 10 years to less than 20 years of continuous service 208 hours/26 days
- 20 or more years of continuous service 248 hours/31 days

Employees may carry over up to a maximum of 200 hours of accrued, unused PTO from one calendar year to the next. Any unused PTO that exceeds 200 hours is forfeited.

(i) Cash Flows

For the purposes of the statements of cash flows, cash and cash equivalents include investments with an maturity of three months or less at time of purchase.

(j) Bond Issuance Costs and Refundings

Costs related to issuing bonds are expensed when incurred. Gains and losses associated with refundings and advance refundings are being deferred and amortized based upon the methods used to approximate the interest method over the life of the new bonds or the remaining term on any refunded bond, whichever is shorter.

(k) Risk Management

The Authority provides for losses (up to the per employee maximum amount) resulting from health insurance claims. The Authority is commercially insured for amounts greater than the annual maximum as well as for other significant risks (e.g., general liability, workers' compensation, building, etc.).

(1) Revenues and Unearned Revenue

Revenues from user fees, food and beverage, the UPS store and rentals are recognized when earned (when the event/transaction occurs). Revenue collected for events in future years is reported as unearned revenue.

(m) Use of Estimates

Management of the Authority has made a number of estimates and assumptions relating to the reporting of assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

2. CASH AND INVESTMENTS

The Authority's cash and investments consisted of the following as of December 31, 2013 and 2012, respectively:

Of the total bank balances at December 31, 2013 and 2012, all amounts were covered by federal depository insurance or by collateral held in the Authority's name by its agent. As of December 31, 2013 and 2012, the Authority had repurchase agreements totaling \$9,393,500, respectively. Because the pledged securities are held by the pledging fiscal agent in the Authority's name, the Authority does not have any custodial credit risk. The pledged securities may be released only upon the written authorization of the Authority.

State of Louisiana Revised Statutes authorize the Authority to invest in direct United States Treasury obligations; short-term repurchase agreements; time certificates of deposit at financial institutions, state banks and national banks; bonds, debentures, notes or other indebtedness issued or guaranteed by U.S. Government instrumentalities which are federally sponsored or federal agencies that are backed by the full faith and credit of the United States.

Custodial Credit Risk – Custodial credit risk for investments is the risk that, in the event of the failure, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Investments are exposed to custodial credit risk if they are uninsured, are not registered in the Authority's name, and are held by either the counterparty to the investment purchase or the counterparty's trust department or agent but not held in the Authority's name. The investments of the Authority owned at December 31, 2013 were not subject to custodial credit risk.

Concentration of Credit Risk – The Authority's investment policy only allows investments in U.S. Treasury Bill and Notes, U.S. Government Agency Securities, municipal bonds, Certificates of Deposits, and mutual and trust funds. As of December 31, 2013, the Authority was in compliance with this policy. Investment of mutual or trust funds are limited to 25% of monies considered available for investment.

Interest Rate Risk – Interest rate risk is the risk that changes in the financial market rates of interest will adversely affect the value of an investment. The Authority manages interest rate risk for investments under the control of the Authority by limiting the maximum maturity of investments to five years in accordance with their investment policy.

2. CASH AND INVESTMENTS (continued)

At December 31, 2013, the Authority's investment balances and maturities for those investments subject to interest rate risk were as follows:

Repurchase Agreements

As of December 31, 2013 and 2012, the Authority has approximately \$9 million of repurchase agreements with fixed rates of interest through the terms of the agreements. These investments are held under the terms of the bond indenture agreements as reserve funds. The repurchase agreements were supported by collateral requirements varying from 104% to 105% of the account balance.

Collateral is held in the name of the trustees of the bond issue for the benefit of the Authority and consists of U.S. government and agency securities. Custodians are independent of the counterparties to the agreements. Under the terms of the repurchase agreements, the trustees may make deposits and withdrawals for these accounts in accordance with certain terms of the trust indenture agreements. The investments are subject to custodial risk upon default of the custodian. The Authority's repurchase agreements were as follows as of December 31, 2013 and 2012:

| | Interest | Termination | |
|----------------|----------|--------------|-----------|
| Bond Issue | Rate | Date | Amount |
| 2004 Refunding | 4.785% | July 2025 \$ | 9,393,500 |

Credit risk is managed through the requirements of the counterparty to maintain pledged securities in the name of the Authority held in the counterparty's trust department or by the Federal Reserve Bank of the United States. The Authority's investment in repurchase agreements is a contract and is not rated.

3. ACCOUNTS RECEIVABLE

11. CHANGE IN ACCOUNTING PRINCIPLES

The Authority has implemented GASB Statement No. 65, Items Previously Reported as Assets and Liabilities, in 2013. This standard provides guidance for reporting the financial statement elements of deferred outflows of resources and deferred inflows of resources, required by GASB Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position. GASB Statement No. 65 also identifies certain items previously reported as assets and liabilities that the GASB determined should be recognized as revenues, expenses, or expenditures when incurred and not reported in statements of net position/balance sheets.

The Authority implemented this statement effective January 1, 2012. The impact as follows:

The GASB issued Statement No. 66, Technical Corrections - 2012 in March 2012. The objective of this Statement is to improve accounting and financial reporting for a governmental financial reporting entity by resolving conflicting guidance that resulted from the issuance of two pronouncements, Statements No. 54, Fund Balance Reporting and Governmental Fund Type Definitions, and No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements. The provisions of this Statement are effective for 2013. There was no impact to the Authority with the implementation of this statement.

12. NEW PRONOUNCEMENTS

The GASB issued Statement No. 68, Accounting and Financial Reporting for Pensions, in June 2012. This Statement replaces the requirements of Statement No. 27, Accounting for Pensions by State and Local Governmental Employers, as well as the requirements of Statement No. 50, Pension Disclosures. Statement No. 67, Financial Reporting for Pension Plans, revises existing standards of financial reporting for most pension plans. This Statement and Statement No. 67 establish a definition of a pension plan that reflects the primary activities associated with the pension arrangement—determining pensions, accumulating and managing assets dedicated for pensions, and paying benefits to plan members as they come due. This Statement is effective for fiscal years beginning after June 15, 2014.

Management of the Authority is currently assessing the impact of GASB Statement No. 68 on the financial statements.

13. SUBSEQUENT EVENT

The Authority has been made aware that the State of Louisiana in its proposed 2014 budget has requested the Authority give the State \$50 million of its unrestricted net position and cash to fund the Budget Stabilization Fund. This budget is under review by the State of Louisiana Legislature and is not yet finalized.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners
Ernest N. Morial New Orleans Exhibition Hall Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Ernest N. Morial New Orleans Exhibition Hall Authority (the Authority) as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated March 25, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The Series 2014 Refunding Bonds are issued pursuant to Act No. 305 of the 1978 Regular Session of the Louisiana Legislature, as amended (the "Act"), and other constitutional and statutory authority, and a Trust Indenture dated as of July 1, 2003, as supplemented and amended through the Third Supplemental Trust Indenture dated as of November 1, 2014 (collectively, the "Indenture"), each between the Authority and Regions Bank, Baton Rouge, Louisiana, as trustee (the "Trustee"), for the purpose of, together with other available funds of the Authority, refunding all of the Authority's outstanding Senior Subordinate Special Tax Refunding Bonds, Series 2004 (the "Refunded Bonds") and paying Costs of Issuance.

The Series 2014 Refunding Bonds are issuable as fully registered bonds in Authorized Denominations, are dated, bear interest at the rates per annum, mature on the dates and in the principal amounts, are payable in the manner and are subject to redemption all as set forth in the Indenture.

The Authority, in and by the Indenture, has entered into certain covenants and agreements with the owners of the Series 2014 Refunding Bonds with respect to the security and payment of the Series 2014 Refunding Bonds, including a provision for the issuance of *pari passu* obligations hereafter under certain conditions and restrictions, for the terms of which reference is made to the Indenture.

We have examined the provisions of the Constitution and statutes of the State, including the Act, a certified transcript of the proceedings of the Authority relating to the issuance of the Series 2014 Refunding Bonds, and such other documents, proofs and matters of law as we have deemed relevant to the issuance of the Series 2014 Refunding Bonds and necessary for the purpose of this opinion.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

(a) Said proceedings, documents and proofs show lawful authority for the issuance of the Series 2014 Refunding Bonds pursuant to said Constitution and statutes, particularly the Act, and pursuant to the Indenture.

- The Series 2014 Refunding Bonds have been duly authorized and issued by the Authority pursuant to the Indenture. The Series 2014 Refunding Bonds are legally binding limited and special obligations of the Authority, are secured by the Indenture and are payable as to principal, premium, if any, and interest solely from the Tax Revenues derived from (a) the one percent (1%) hotel occupancy tax being levied by the Authority pursuant to the provisions of the Act and an election duly held in the City on November 7, 1978, the additional one percent (1%) hotel occupancy tax being levied by the Authority pursuant to the provisions of the Act and an election duly held in the City on September 13, 1980 and levied by the Authority by resolution adopted on September 19, 1980, as amended by resolution adopted on April 16, 1981 and as amended on October 2, 2002, and the additional one percent (1%) hotel occupancy tax being levied by the Authority pursuant to the provisions of the Act and levied by the Authority by resolution adopted on May 8, 2002 and as amended on October 2, 2002 (said taxes combined totaling three percent (3%)); (b) the special hotel and food and beverage taxes authorized at the election held in the City on November 21, 1987 and levied by the Authority by resolution adopted on February 24, 1988, as amended by resolution adopted on March 31, 1988 and as amended on October 2, 2002; (c) the special taxes levied by the Authority by ordinances adopted on November 30, 1994, as amended and reinstated on April 26, 1995 and as amended on October 2, 2002; (d) the special tax levied by the Authority by ordinance adopted on November 30, 1994, as amended and restated on April 26, 1995 on sight-seeing tours in the Parish; (e) the food and beverage tax in an amount of one-fourth of one percent of gross receipts sold by food service establishments in the Parish and airport or air transportation facilities owned and operated by the City; (f) to the extent provided in the Indenture, moneys appropriated to the Authority by the State from the Phase IV Expansion Project Fund; (g) expansion payments received by the Authority from the New Orleans Tourism Marketing Corporation; and (h) such additional tax or taxes as the Authority designates as an additional tax and which is pledged to the payment of the Series 2014 Refunding Bonds, and from amounts on deposit in certain funds and accounts established pursuant to the Indenture. The Series 2014 Refunding Bonds rank on a parity in all respects with the Authority's outstanding Series 2012 Bonds.
- (c) The Series 2014 Refunding Bonds and interest thereon do not constitute a debt of the State or of any political subdivision thereof other than the Authority within the meaning of the Constitution or statutes of the State and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof other than the Authority.
- (d) Interest on the Series 2014 Refunding Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.
- (e) Under the Act, the Series 2014 Refunding Bonds and the income therefrom are exempt from all taxation by the State or any political subdivision thereof.

In rendering the opinion expressed in paragraph 4 above, we have relied on representations of the Authority with respect to questions of fact material to our opinion without undertaking to verify the same by independent investigation, and have assumed continuing compliance with the covenants in the Indenture pertaining to those sections of the Internal Revenue Code of 1986, as amended, which affect the exclusion from gross income of interest on the Series 2014 Refunding Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Authority fails to comply with the foregoing covenants in the Indenture, interest on the Series 2014 Refunding Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

It is to be understood that the rights of the owners of the Series 2014 Refunding Bonds and the enforceability of the Series 2014 Refunding Bonds and the Indenture may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to

the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For the purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of the Series 2014 Refunding Bonds.

Respectfully submitted,

APPENDIX F

FINANCIAL AND STATISTICAL DATA RELATIVE TO THE CITY OF NEW ORLEANS AND THE PARISH OF ORLEANS, STATE OF LOUISIANA

FINANCIAL AND STATISTICAL DATA RELATIVE TO THE CITY OF NEW ORLEANS AND THE PARISH OF ORLEANS, STATE OF LOUISIANA

The City of New Orleans (the "City") and the Parish of Orleans (the "Parish") have the same boundaries and are located in southeastern Louisiana, approximately 110 miles from the mouth of the Mississippi River. The City does not have the power of annexation; however, its boundaries contain a relatively large amount of undeveloped open lands, much of which is reclaimed wetlands. The City occupies an area of approximately 363.5 square miles, of which approximately 199.4 square miles are land and approximately 164.1 square miles are water. The developed area of the City consists of approximately 75 square miles.

The City is one of the largest seaports in the United States, a major trade and service market, and a world-wide tourist and convention center. The manufacturing base is relatively small. The oil and gas industry plays an important role in the City's economy. Several major oil companies, financial institutions, law firms, utilities, government agencies, universities, and hospitals have office buildings in the central business district and are among the largest employers within the City.

Population

The actual population of the City, from time to time, may be larger than its basic resident population as a result of an influx of commuters, tourists, visitors and convention attendees. The New Orleans Metropolitan Statistical Area (the "MSA"), as now defined by the U.S. Office of Management and Budget, includes Jefferson, Orleans, Plaquemines, St. Bernard, St. Charles, St. John the Baptist and St. Tammany Parishes. A history of the population of the City and the MSA is provided below. The decline in population between the 2000 Census and the 2013 estimate is largely a result of Hurricane Katrina.

Unlike other municipalities in Louisiana, homestead exemptions are applicable to most taxes levied in the City, pursuant to the provisions of the Louisiana Constitution. For additional information, see Tax Rates and Tax Rate Adjustments in this Appendix.

Tax Rates and Tax Rate Adjustments

The Louisiana Constitution and statutory authority supplemental thereto provide (for millage other than general obligation bond millage) that the total amount of ad valorem taxes collected by any taxing authority in a reappraisal year (which occurs at least every four years) shall not be more or less than the total amount collected in the preceding year, solely because of reappraisal, and the ad valorem taxes or millages are to be increased or decreased to achieve this result. There is a statutory procedure by which a millage, if reduced, may be readjusted upward to the prior authorized millage rate.

The following table shows, in summary, the millages levied in the City and Parish for the years 2010 through 2014:

Sales and Other Taxes

The general 2½% sales and use tax is the City's largest single source of revenue available to be used to pay operating expenses. In addition, the State of Louisiana (the "State"), the Regional Transit Authority, and the Orleans Parish School Board levy general sales and use taxes of 4%, 1% and 1½%, respectively, within the boundaries of the Parish. The total sales tax levied on goods sold or used (excluding hotel and motel rooms) in the Parish is 9%. The various sales taxes are not levied on the same sales of goods and services and have different related exemptions. Any increase in the City's sales tax rate would require legislative approval and an affirmative vote in a City election.

Six public agencies share in the taxation of hotel/motel rooms in the Parish. The rate of taxation of each of the respective agencies is as follows: (a) the State - 2%, (b) the Louisiana Stadium and Exposition District (the "LSED") - 4%, (c) the City - 1½%, (d) the School Board - 1½%, (e) the Regional Transit Authority (the "RTA") - 1% and (f) the Ernest N. Morial-New Orleans Exhibition Hall Authority (the "NOEH") - 3%, plus the proceeds from the "hotel/motel tax" and "food and beverage tax" authorized by the voters on November 21, 1987, and effective April 1, 1988, and which serves as security for outstanding special tax bonds of the NOEH.

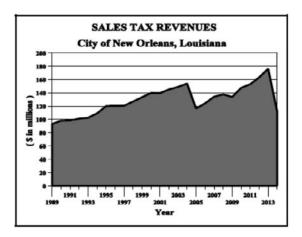

Effective November 1, 1990, the City began collection of a Hotel Occupancy Privilege Tax upon persons occupying hotel rooms in the City for the purpose of funding tourism promotion by the New Orleans Tourism Marketing Corporation, a nonprofit economic development corporation.

The Constitution prohibits political subdivisions of the State from levying a severance tax, income tax or a tax on motor fuel.

Hurricane Katrina had an impact on the collections of the sales and use taxes of the City; however, annual collections in 2012 and 2013 exceeded pre-Katrina levels. The following table shows annual revenues of the City's general purpose sales and use tax:

(The personal income level for the United States is derived as the sum of the county estimates; it differs from the national income and product accounts (NIPA) estimate of personal income because by definition, it omits the earnings of Federal civilian and military personnel stationed abroad and others. It can also differ from the NIPA estimate because of different data sources and revision schedules.)

Housing

The Real Estate Market Data Center for the Institute for Economic Development & Real Estate of the University of New Orleans periodically publishes its *Real Estate Market Analysis New Orleans and Northshore Regions*, a recent edition being dated April 2014 (the "Analysis"). According to the Analysis, average prices in this sector of the market continue to rise. Average prices rose across all three major submarket sectors for the second year running.

Single family home prices in the Parish between 2012 and 2013 rose at an average of just over 9.4% from \$255,446 to \$279,369. This was driven largely due to strong price appreciation for homes located in traditionally high demand Central Orleans neighborhoods such as Uptown, Lakeview/Lakefront, City Park, French Quarter/Faubourgs and Mid-City. Unit sales in the Parish rose 9.7% from 2,302 in 2012 to 2,525, in 2013, while at the same time aggregate dollar volume of sales increased 20%, from \$588.0 million to \$705.4 million.

Average prices rose in fifteen of seventeen MLS neighborhoods comprising Central Orleans at appreciation rates ranging from 3.59% in the Garden District (from \$410,000 to \$425,041) to 44.8% in the Ninth Ward/ Bywater area (\$55,386 to \$77,299). Double digit price appreciation for broker assisted sales also occurred in the Carrollton area (34.21%), Marigny/Bywater (29.27%) and Uptown/Fountainbleau (18.72%). Some neighborhoods experienced fairly significant price compression through 2013. This included neighborhoods such as the Peoples-St. Bernard area (-0.43%) and the Lakefront area (-1.88%).

In Eastern New Orleans, between 2012 and 2013 unit sales rose from 376 to 414 (10.1%) and aggregate dollar volume rose from \$39.6 million to \$44.3 million (11.9%). At the same time average prices rose by just over 1.7% (from \$105,472 to \$107,232) and average marketing time dropped from 129 days in 2012 to 123 days in 2013 or by just over 6%. Average prices increased in five of the six MLS neighborhoods that encompass Eastern New Orleans ranging from 0.09% (from \$57,737 to \$57,787) in West Chef Menteur Highway neighborhood to 26.99% (from \$95,102 to \$120,772) in East New Orleans. In the East Chef Menteur Highway neighborhood average prices among 94 broker assisted sales recorded approximately 10.07% increase (from \$94,455 to \$103,965), while in Morrison Road, average prices among 92 units sold decreased by 2.5% from \$76,079 in 2012 to \$74,180 in 2013. The Lake Forest

Neighborhood accounted for the largest volume of unit and dollar volume of sales. In this MLS average home prices rose 2.21% (from \$149,622 to 152,924). This MLS area encompasses one of the largest geographic sectors of the New Orleans region south of Lake Pontchartrain and includes a fairly large inventory of housing which was destroyed or received significant storm damage. As such, price movements in this area can be expected to be somewhat erratic depending upon the type and number of units which reenter inventory from one year to the next.

Sale volumes on the Westbank of Orleans Parish between 2012 and 2013 rose by 12.0% and 31.2% in units and aggregate dollar volume, respectively. At the same time, the average price of a single family home edged up 17.1% from \$136,832 to \$160,240 as average marketing time shortened from 107 to 101 days. Average prices in the Algiers and Lakewood MLS neighborhoods rose by 18.01% and 3.6%, respectively, while in the English Turn area average prices among 32 broker assisted sales fell by approximately 0.11% (from \$514,594 to \$514,016). The Algiers and Lakewood areas of Algiers offer a rather wide variety and mix of affordable workforce housing in the region. The development of the Federal City project should help to fuel demand for some of this inventory and bring some stability to this market sector's single family housing prices which have been in steady decline since 2007.

Education

Elementary and secondary education in the Parish is provided by public, charter, parochial and private schools. The trend in the membership at end of session, average daily membership, and average daily attendance of the public schools located in the Parish follows:

These seven institutions educate students in fields such as engineering, health care, public administration, urban studies, law, business, psychology, social sciences, communications, nursing, music, computer information systems, criminal justice, pharmacy, education, and theology. In addition, Delgado Community College, with a 2013 Fall enrollment of 18,684, the LSU Health Sciences Center-New Orleans, with a 2013 Fall enrollment of 2,831, and other similar facilities educate persons in various trades. Also, the acute care hospitals previously listed under the "Largest Employers" have research and teaching facilities and staff to educate, train and employ physicians and medical personnel who come from numerous foreign and domestic locations.

Airport

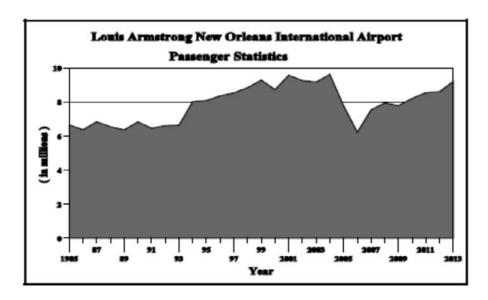

The Louis Armstrong New Orleans International Airport (the "Airport") is the principal source of transportation of the millions of visitors who come to the City annually. The number of domestic passengers (enplaned and deplaned) rose from approximately 6.6 million in 1985 to approximately 9.6 million in 2004. Since then, the number of domestic passengers has declined to approximately 9.2 million in 2013. In 2004, approximately 4.9 million passengers were enplaned at the Airport. Enplanements drastically decreased in the final four months of calendar year 2005 following Hurricane Katrina, and only reached 3.9 million. Katrina disrupted normal operations at the Airport until September 13, 2005, when it reopened to commercial flights. In the days after the storm, approximately 5,000 military and civilian personnel were based at the Airport. During this period, activity was restricted to humanitarian flights and rescue missions, and one Airport concourse was used as a makeshift medical center to treat sick and injured evacuees. In 2005, the total number of passengers equaled approximately 6,218,419, compared to approximately 7,967,997 in 2008, or an increase of approximately 27.8%. The number of passengers has continued to increase since 2008; the number of passengers in 2013 was 9,207,636.

The Airport is currently served by the following domestic carriers: American Airlines; Air Tran Airways; Delta Air Lines; Frontier; JetBlue; Midwest; Southwest; United Airlines; and US Airways. Of these, Southwest accounts for approximately 38% of the Airport's passenger market and is classified as the largest carrier at the Airport. Prior to Hurricane Katrina, the Airport averaged 166 flights daily to 42 cities with approximately 21,000 seats. In December 2005, the Airport had 56 flights daily to 21 cities. In 2012, the Airport offered 137 daily departures to 36 cities across the United States, with an average daily seat capacity of 16,948.

The Airport is also currently served by the following international carriers: Aeromexico; Air Canada; Spirit Airlines; and WestJet.

Domestic freight and mail is handled at the Airport by American, Delta, Frontier, Southwest, United, US Airways, Federal Express, and UPS. Air Cargo for 2004 totaled approximately 80,938.35 metric tons, compared to approximately 42,085.31 metric tons handled in 2013.

Prior to Super Bowl XLVII, the Airport completed a \$300 million modernization and expansion project, which included expanding its ticketing lobby, an additional six gates and a consolidated rental car facility.

Port

The Board of Commissioners of the Port of New Orleans (the "Dock Board") is authorized and empowered under the Constitution and laws of the State of Louisiana, to administer the public wharves, docks, sheds, and landings of the port of New Orleans which are owned and operated, or which may be purchased, acquired, or operated by the Dock Board; to construct new wharves and other structures when necessary; to erect sheds and other structures on such wharves and landings; to place and keep these wharves and landings, sheds, and other structures in good condition; to provide mechanical facilities for the use of such wharves, landings, sheds, and other structures; to finance, erect, and operate all basins, locks, canals, and warehouse elevators, and to charge for the use of all facilities administered by it, and for all services rendered by it, such fees, rates, tariffs, or other charges as it may establish. The Dock Board may issue revenue bonds for any authorized purpose payable out of the income, revenues, and receipts derived or to be derived from the properties and facilities owned, leased, mortgaged, or pledged to, maintained or operated by the Dock Board or received by the Dock Board from these properties and facilities, or from contracts or agreements relating to these properties and facilities, including but not limited to lease or sublease agreements, sale agreements, loan agreements, pledge agreements, or other financing agreements.

In 2011, the Port added Royal Carribean Cruise Line to its two distinct cruise terminals, Carnival Cruises and Norwegian Cruise Line. Once a year, the American Canadian Carribean Line provides two 14 days cruises from the Port, traveling to and from Mid-America and the Gulf. In October 2013, the Norwegian Jewel debuted in New Orleans. The 2,376 – passenger ship will offer cruises starting on October 13, 2013 to April 13, 2014. Beginning April 20, 2014 New Orleans largest cruise ship, the 3,646 passenger Carnival Dream, will offer year-round seven day services to three different itineraries. Not only

has the City reached Pre-Katrina numbers, but it also set a new passenger record with 987,860 passengers in 2013.

In addition to the large cruise lines, inland cruising has returned to the City, with options to cruise various segments of the Mississippi River from New Orleans to St. Paul, Minnesota.

There have been many expansion and renovation projects in progress in connection with the Port to facilitate cargo operations. The Port recently completed its \$7.7 million expansion and renovation project to the Alabo Street Wharf, as well as its \$17.5 million improvement project of the Julia Street Terminal. Expansion of the Napoleon Avenue Container Terminal Complex has been completed, and construction of the Mississippi River Intermodal Terminal and Yard Improvements, a 12 acre freight rail intermodal terminal and a 4 acre cargo marshalling yard near the Napoleon Terminal Complex, is currently underway. A new riverfront cold storage facility at the Henry Clay Avenue Terminal was completed and opened in July 2012. Additional design and construction projects are to begin within the year.

Activity at the Port may be limited or decrease as a result of factors outside the control of the City, such as labor relations, tariffs, economic and river conditions and other matters.

Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2014 Refunding Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2014 Refunding Bonds, except in the event that use of the book entry system for the Series 2014 Refunding Bonds is discontinued.

- 4. To facilitate subsequent transfers, all Series 2014 Refunding Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2014 Refunding Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2014 Refunding Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2014 Refunding Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
- 5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2014 Refunding Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2014 Refunding Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Series 2014 Refunding Bonds may wish to ascertain that the nominee holding the Series 2014 Refunding Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.
- 6. Redemption notices shall be sent to DTC. If less than all of the bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
- 7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2014 Refunding Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2014 Refunding Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
- Refunding Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Paying Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
- 9. DTC may discontinue providing its services as depository with respect to the Series 2014 Refunding Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Series 2014 Refunding Bonds are required to be printed and delivered.

- 10. The Issuer may decide to discontinue use of the system of book entry only transfers through DTC (or a successor securities depository). In that event, Series 2014 Refunding Bonds will be printed and delivered to DTC.
- 11. The information in this section concerning DTC and DTC's book entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.
