

In the opinion of Ballard Spahr LLP, Bond Counsel, interest on the Bonds is excludable from gross income for purposes of federal income tax, assuming continuing compliance with the requirements of the federal tax laws. Interest on the Bonds is not a preference item for purposes of either individual or corporate federal alternative minimum tax; however, interest paid to corporate holders of the Bonds may be indirectly subject to alternative minimum tax under circumstances described under “TAX MATTERS” herein. Bond Counsel is also of the opinion that, under the laws of the Commonwealth of Pennsylvania, interest on the Bonds is exempt from Pennsylvania personal income tax and corporate net income tax, and the Bonds are exempt from personal property taxes in Pennsylvania. See “TAX MATTERS” herein.

THE BONDS

General

The Bonds will be dated, and will bear interest from, the date of their initial delivery. The Bonds will mature, unless previously called for redemption, on the dates and in the amounts set forth on the inside cover hereof, and will bear interest at the rates set forth on the inside cover hereof. Interest will be payable on May 1 and November 1 of each year (each, an "Interest Payment Date"), commencing May 1, 2018. The Bonds will be issued as fully registered Bonds without coupons and will be in the denomination of \$5,000 or any whole multiple thereof.

The principal or redemption price of the Bonds will be payable upon presentation and surrender of the Bonds at the designated office of the Trustee and interest on the Bonds will be paid on the applicable Interest Payment Date by check mailed to the owners of Bonds shown as the registered owners on the registration books maintained by the Trustee as registrar at the close of business on the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date. The interest becoming due on the Bonds shall, at the written request of the registered owner of at least \$1,000,000 aggregate principal amount of the Bonds received by the Trustee at least two Business Days before the corresponding Regular Record Date, be paid by wire transfer within the continental United States in immediately available funds to the bank account number of the registered owner specified in such request. (See "THE BONDS -- Book Entry Only System" below.)

The Bank of New York Mellon Trust Company, N.A. has been appointed as Trustee under the Indenture and has a corporate trust office in Philadelphia, Pennsylvania. The Trustee shall act as registrar, paying agent and transfer agent for the Bonds.

As used herein, "Business Day" means any day other than a Saturday or Sunday or a day on which banks located in Philadelphia, Pennsylvania, New York, New York, or any other city in which the Payment Office of the Trustee is located are authorized or required by law or executive order to close or a day on which DTC is closed.

Book Entry Only System

The information in this section has been provided by The Depository Trust Company, New York, New York ("DTC") and is not deemed to be a representation of the Authority, the Underwriter or the Borrower. DTC will act as the initial securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity, and all certificates will be deposited with DTC or pursuant to its instructions.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchases. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participants through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent by the Trustee to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority or the Trustee as soon as possible after the record date with respect to any request for consent or vote. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose account the respective Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal, redemption price and interest on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or Trustee, on each payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participants and not of DTC, the Trustee, the Authority or the Borrower, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest to Cede & Co. (or to such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered. The Authority may determine to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered as described in the Indenture.

For every transfer and exchange of ownership interests in Bonds, the Beneficial Owners may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

IT IS THE DUTY OF EACH BENEFICIAL OWNER TO MAKE ARRANGEMENTS WITH THE APPLICABLE DIRECT PARTICIPANT OR INDIRECT PARTICIPANT TO RECEIVE FROM SUCH PARTICIPANT NOTICES OF PAYMENTS OF PRINCIPAL, PREMIUM (IF ANY) AND INTEREST, AND ALL OTHER PAYMENTS AND COMMUNICATIONS WHICH THE DIRECT PARTICIPANT RECEIVES FROM DTC. NEITHER THE AUTHORITY NOR THE TRUSTEE HAS ANY DIRECT OBLIGATION OR RESPONSIBILITY TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS.

THE AUTHORITY, THE TRUSTEE AND THE BORROWER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (1) PAYMENTS OF PRINCIPAL OF, REDEMPTION PREMIUM, IF ANY, OR INTEREST ON THE BONDS, (2) CONFIRMATION OF BENEFICIAL OWNERSHIP INTEREST IN THE BONDS, OR (3) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNER OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DIRECT PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE AUTHORITY, THE TRUSTEE, NOR THE BORROWER SHALL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE TRUSTEE AS BEING A BONDHOLDER WITH RESPECT TO (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE

TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (4) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS REGISTERED OWNER OF THE BONDS.

So long as Cede & Co. is the registered owner of the Bonds as nominee of DTC, references herein to the Holders, holders, owners or registered owners of such Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

Redemption Prior to Maturity

The Bonds will be subject to redemption prior to maturity as follows:

Optional Redemption. The Bonds maturing on or after November 1, 2028 are subject to optional redemption prior to maturity by the Authority, at the direction of the Borrower, on or after October 1, 2027, in whole or in part at any time. Any such redemption shall be made at a redemption price equal to 100% of the stated principal amount of the Bonds to be redeemed, plus accrued interest to the redemption date.

Mandatory Sinking Fund Redemption. The Bonds maturing on November 1 of the years 2037 and 2041 are subject to mandatory sinking fund redemption prior to maturity in part by lot at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued interest to the redemption date on November 1 of the years and in the respective principal amounts set forth below:

Bonds Due November 1, 2037

<u>Year</u>	<u>Principal Amount</u>	
2035	\$1,140,000	
2036	1,265,000	
2037	1,680,000	(final maturity)

Bonds Due November 1, 2041

<u>Year</u>	<u>Principal Amount</u>	
2038	\$1,745,000	
2039	1,815,000	
2040	1,880,000	
2041	1,935,000	(final maturity)

In the event that any Bonds are redeemed (other than through mandatory sinking fund redemption pursuant to the Indenture) and are canceled by the Trustee, the Trustee shall cause the Authority to receive a credit against its mandatory sinking fund redemption obligations with respect to Bonds of the same maturity and bearing the same CUSIP number in the aggregate principal amount of the Bonds so redeemed, such credits to be given in such order of maturity as may be directed in writing by the Borrower. Also, at its option, the Borrower may deliver to the Trustee for cancellation Bonds purchased by the Borrower pursuant to the Indenture. The Bonds so purchased, delivered and canceled shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund redemption obligations of the Authority with respect to Bonds of the same maturity and bearing the same CUSIP number in such order of maturity as may be directed in writing by the Borrower.

Procedure for and Notice of Redemption

The Trustee is required to cause notice of the call for redemption, identifying the Bonds or portions thereof to be redeemed, to be sent by first class mail, not more than 60 days and not less than 30 days prior to the date set for redemption of all or part of such Bonds, to the registered owner of each Bond to be redeemed at such owner's registered address. So long as the Bonds or any portion thereof are held by DTC, the Trustee shall send each notice of redemption of such Bonds to DTC. Failure to mail any such notice or defect in the mailing thereof in respect of any Bond shall not affect the validity of the redemption of any other Bond with respect to which notice is properly given.

If at the time of mailing of notice of any optional redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional in that it is subject to the deposit of such redemption moneys with the Trustee not later than the opening of business on the redemption date, in which case such notice shall be of no effect unless moneys are so deposited.

If less than all Bonds are to be redeemed, the particular Bonds to be called for redemption shall be selected from the maturities designated by the Borrower and within a maturity by lot or any method determined by the Trustee to be fair and reasonable; provided that if any Bond is to be redeemed in part, the principal portion to remain outstanding must be in an authorized denomination. In the case of a partial redemption of Bonds, when Bonds of denominations greater than \$5,000 are then Outstanding, each \$5,000 unit of face value of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000.

THE PROJECT

The proceeds from the sale of the Bonds, together with other available funds, will be used to finance a project for the benefit of the Borrower consisting of the financing of (i) the refunding of the Refunded Bonds, (ii) miscellaneous capital expenditures on the Borrower's campus (together, the "Capital Project"), (iii) funding the Debt Service Reserve Fund, and (iv) the payment of certain costs of issuing the Bonds.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

The Bonds will constitute limited obligations of the Authority payable solely from, and secured by, the revenues and other moneys pledged and assigned by the Indenture to secure that payment. Those revenues and other moneys include the payments required to be made by the Borrower under the Loan Agreement (other than certain fees and indemnification payments required to be made to the Authority); all other moneys receivable by the Authority, or by the Trustee for the account of the Authority, in respect of repayment of the loan of the proceeds of the Bonds; and certain monies and securities in the funds and accounts held by the Trustee under the Indenture (collectively, the "Revenues").

THE BONDS ARE LIMITED OBLIGATIONS OF THE AUTHORITY AND ARE PAYABLE SOLELY FROM THE SOURCES REFERRED TO IN THE INDENTURE PURSUANT TO WHICH THE BONDS ARE ISSUED AND SECURED, AND THE BONDS SHALL NOT BE OR BE DEEMED TO BE A GENERAL OBLIGATION OF THE AUTHORITY OR AN OBLIGATION OF CAMBRIA COUNTY, THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF. NEITHER CAMBRIA COUNTY, THE COMMONWEALTH OF PENNSYLVANIA NOR ANY POLITICAL SUBDIVISION THEREOF IS OR SHALL BE OBLIGATED TO PAY THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS, AND NEITHER THE GENERAL CREDIT OF THE AUTHORITY NOR THE FAITH AND CREDIT OR TAXING POWER OF CAMBRIA COUNTY, THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO SUCH PAYMENT. THE AUTHORITY HAS NO TAXING POWER.

The Indenture

The Bonds will be issued under and secured by the Indenture. The Indenture provides that all Bonds issued thereunder will be limited obligations of the Authority, payable solely from the sources identified therein, which include: (i) payments required to be made by the Borrower under the Loan Agreement (other than certain fees and indemnification payments required to be paid to the Authority or to the Trustee), and (ii) certain moneys and securities held by the Trustee under the Indenture and investment earnings thereon, including those held in the Debt Service Reserve Fund discussed below (but excluding the Rebate Fund). See "THE INDENTURE" below for a summary of certain provisions of the Indenture.

Debt Service Reserve Fund

Concurrently with the issuance of the Bonds, the Trustee will deposit to the Debt Service Reserve Fund established under the Indenture (the "Debt Service Reserve Fund") funds in an amount equal to the Debt Service Reserve Requirement for the Bonds. The Debt Service Reserve Fund is approximately equal to 125% of the average annual debt service payment on the Bonds.

If, on the date of any permitted or required payment of the principal of or interest on the Bonds, available moneys in the Bond Fund established under the Indenture are insufficient to make such payment, moneys in the Debt Service Reserve Fund shall be withdrawn and applied to cure the deficiency. The amount of any such withdrawal shall be restored to such Fund in twelve (12) substantially equal monthly deposits from payments required to be made by the Borrower for such purpose under the Loan Agreement.

For further discussion of the Debt Service Reserve Fund, see "THE INDENTURE – Debt Service Reserve Fund" below.

The Loan Agreement

Under the Loan Agreement, the Borrower will be obligated to make loan payments in amounts necessary to provide for the payment as and when due of the principal or redemption price of, and interest on, the Bonds, any amounts that may be required to make up any deficiency that may occur in the Debt Service Reserve Fund or any

other funds and accounts established under the Indenture, and to provide for certain other payments required by the Indenture. The Authority will assign the Loan Agreement, including its right to receive loan payments thereunder (other than certain fees, expenses and indemnification payments required to be paid to the Authority or to the Trustee) to the Trustee as security for the Bonds.

The Loan Agreement is the general obligation of the Borrower and the full faith and credit of the Borrower is pledged to secure the payments required thereunder. The Borrower's obligations under the Loan Agreement are secured by a pledge of the Pledged Revenues of the Borrower (as further described under "Pledged Revenues" below). For a summary of certain provisions of the Loan Agreement, see "THE LOAN AGREEMENT" herein.

Pledged Revenues

To secure its obligations under the Loan Agreement, the Borrower will grant to the Trustee (as the assignee of the Authority) a lien on and security interest in its Pledged Revenues (the "Parity Lien"), on a parity with any lien on and security interest in the Pledged Revenues heretofore or hereafter granted by the Borrower to secure the Borrower's obligations respecting any Parity Indebtedness incurred by or for the benefit of the Borrower (see "Parity Indebtedness" below). The term "Pledged Revenues" is defined under the caption "DEFINITIONS OF CERTAIN TERMS" herein. The existence of such lien and security interest in the Pledged Revenues of the Borrower will not prevent the Borrower from expending, depositing or commingling such funds so long as the Borrower is not in default under the Loan Agreement and any agreements pertaining to any applicable Parity Indebtedness.

To the extent that a security interest can be perfected in the Pledged Revenues of the Borrower by filing of financing statements, such action will be taken. The security interest in the Pledged Revenues of the Borrower may not be enforceable against third parties unless such Pledged Revenues of the Borrower are actually transferred to the Trustee or are subject to exceptions under the Uniform Commercial Code (the "UCC") as enacted in the Commonwealth of Pennsylvania. Under current law, such security interest may be further limited by the following: (1) statutory liens; (2) rights arising in favor of the United States of America or any agency thereof; (3) present or future prohibitions against assignment contained in any Commonwealth of Pennsylvania or Federal statutes or regulations; (4) constructive trusts, equitable liens or other rights impressed or conferred by any Commonwealth of Pennsylvania or Federal court in the exercise of its equitable jurisdiction; (5) Federal bankruptcy laws; and (6) the filing of appropriate continuation statements pursuant to UCC provisions as from time to time in effect.

Parity Indebtedness

The term "Parity Indebtedness" refers to any indebtedness previously issued or issued in the future by or on behalf of the Borrower, that is secured by a lien on and security interest in the Pledged Revenues of the Borrower on a parity with the lien on and security interest in such Pledged Revenues that will be granted by the Borrower to secure its obligations under the Loan Agreement. The following revenue bonds heretofore issued for the benefit of the Borrower (the "Other Bonds") will remain outstanding after the issuance of the Bonds and will constitute Parity Indebtedness: Pennsylvania Higher Educational Facilities Authority Revenue Bonds (AICUP Financing Program – Saint Francis University Project) Series 2012 LL2, of which \$5,525,000 in principal amount is currently outstanding. In addition, the Borrower entered into a loan agreement on September 27, 2017 with Northwest Bank providing for a loan of up to \$4,000,000, which is secured by a parity lien on the Pledged Revenues and therefore constitutes Parity Indebtedness (the current outstanding principal amount of the loan is \$0). The agreements entered into by the Borrower to secure its obligations respecting the Parity Indebtedness, and all supplements and amendments thereto, are collectively referred to herein as the "Parity Debt Documents."

The Parity Debt Documents contain various covenants and agreements, solely for the benefit of the holders of the Parity Indebtedness, which will be in effect so long as any of the Parity Indebtedness remain outstanding. A default by the Borrower in its obligations under the Parity Debt Documents could result in a default under the Indenture that secures the Bonds. Prior to the closing for the issuance of the Bonds, copies of the Parity Debt Documents may be obtained upon request to the Underwriter.

The Parity Indebtedness is secured by a lien on and security interest in the Pledged Revenues of the Borrower on a parity with the lien on and security interest in such Pledged Revenues that will be granted by the Borrower to secure its obligations under the Loan Agreement.

Rate Covenant

Under the Loan Agreement, the Borrower covenants that it will establish, charge and collect tuition, student fees and charges for services provided by the Borrower such that Net Revenues Available for Debt Service (defined under "THE LOAN AGREEMENT" below) plus all other funds of the Borrower which are legally available to be used for the payment of debt service will equal or exceed, in each fiscal year, 110% of the Debt Service Requirement for such fiscal year. See "THE LOAN AGREEMENT – Rate Covenant" below.

Liens on Pledged Revenues and Other Properties

Except as described above under "Pledged Revenues," the Borrower has not given or granted a mortgage lien or other security interest or encumbrance upon any property of the Borrower to secure its payment obligations under the Loan Agreement. In the Loan Agreement, the Borrower covenants and agrees that it shall not grant any liens on its Pledged Revenues or any of its other property (whether real or personal, and whether owned as of the date of issuance of the Bonds or acquired thereafter) except for Permitted Encumbrances (defined below).

Additional Indebtedness

The Borrower may incur, guaranty or assume additional indebtedness upon compliance with specified requirements and limitations contained in the Loan Agreement and the Parity Debt Documents. To the extent permitted under the Loan Agreement and the Parity Debt Documents, such additional indebtedness may be secured by liens on and security interests in property of the Borrower, including a lien on and security interest in the Pledged Revenues on a parity with the lien on and security interest in the Pledged Revenues granted to secure the Bonds and any Parity Indebtedness of the Borrower. See "THE LOAN AGREEMENT – "Incurrence of Additional Indebtedness" and "Security for Indebtedness"" herein for a description of the requirements and limitations relating to the incurrence of and security for additional indebtedness which may be incurred by the Borrower.

THE LOAN AGREEMENT

The following description of certain provisions of the Loan Agreement is only a brief outline of some of the provisions thereof and does not purport to summarize or describe all of the provisions thereof. Reference is made to the Loan Agreement, a copy of which is on file at the corporate trust office of the Trustee in Philadelphia, Pennsylvania, for a complete statement of these provisions and other provisions which are not summarized in this Official Statement.

General

The Loan Agreement provides for the financing by the Authority of the Project and a loan of the proceeds of the Bonds from the Authority to the Borrower. Under the Loan Agreement, the Authority, at the request of the Borrower, will obtain funds necessary to finance the Project through the issuance and sale of the Bonds and concurrently therewith, a portion of the proceeds shall be transferred to the trustee for the Refunded Bonds and applied to the costs of refunding the Refunded Bonds, and a portion of the proceeds shall be deposited in the Project Fund and applied to the costs of the Capital Project. The Borrower agrees to repay the loan in installments corresponding to the principal or redemption price of and interest on the Bonds.

Loan Payments

To provide funds to pay the principal or redemption price of and interest on the Bonds when due, the Borrower will make loan payments to the Trustee corresponding, as to amounts, to the principal or redemption price of and interest on the Bonds, such payments to be made at least ten days before the corresponding dates for payments on the Bonds. The Borrower will also make payments to the Trustee in the amounts and on the dates necessary to restore any withdrawal from the Debt Service Reserve Fund in accordance with the terms of the Indenture and will pay the administrative fees and expenses of the Authority and the Trustee as provided in the Loan Agreement. The Borrower shall also be entitled to credits against the loan payments as and to the extent provided in the Indenture.

Pledge of Revenues

As security for the Borrower's obligation to make payments required under the Loan Agreement and to make all other payments due and perform all other obligations under the Loan Agreement, the Borrower pledges, assigns and grants to the Trustee, as assignee of the Authority, a lien on and a security interest in its Pledged Revenues, on a parity with the liens and security interests previously granted to secure Parity Indebtedness. (See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Parity Indebtedness.") The existence of such pledge and security interest will not prevent the expenditure, deposit or commingling of the Pledged Revenues by the Borrower so long as all required payments under the Loan Agreement are made when due. Subject to the terms of the Intercreditor Agreement, if any required payment is not made when due or an Event of Default shall have occurred under the Loan Agreement, any Pledged Revenues subject to such security interest which are then on hand and not yet commingled with other funds of the Borrower, and any such Pledged Revenues thereafter received, shall not be commingled or deposited but shall immediately be paid over to the Trustee.

Maintenance of Existence

The Borrower shall do all things necessary to preserve and keep in full force and effect its existence as a not-for-profit corporation under the laws of the Commonwealth and shall not (i) dissolve or otherwise sell, transfer or dispose of all, or substantially all, of its assets or (ii) consolidate with or merge into any other entity; provided that, subject to certain provisions of the Loan Agreement relating to the tax-exempt status of the Borrower and the Bonds, the preceding restrictions shall not apply to a transaction to which the Authority consents in writing if the transferee

or the surviving or resulting entity, if other than the Borrower, by written instrument satisfactory to the Authority and the Trustee, irrevocably and unconditionally assumes and agrees to perform and observe the agreements and obligations of the Borrower under the Loan Agreement and the provisions of the Loan Agreement described below under the heading "Assignment" are satisfied.

The Borrower covenants that it will maintain the necessary accreditation to enable it to maintain its authority to operate as an institution of higher education in the Commonwealth of Pennsylvania.

Compliance with Laws; Commencement and Continuation of Operations at Project Facilities; No Sale, Removal or Demolition of Project Facilities

The Borrower will acquire, construct, install, operate and maintain the Project Facilities in such manner as to comply with the Act and all applicable requirements of federal, state and local laws and the regulations, rules and orders of any federal, state or local agency, board, commission or court having jurisdiction over the Project Facilities or the operation thereof, including without limitation applicable zoning, planning, building and environmental laws, regulations, rules and orders; provided that the Borrower shall be deemed in compliance with this covenant so long as it is contesting in good faith any such requirement by appropriate legal proceedings. The Borrower will not sell, assign or otherwise dispose of (whether in one transaction or in a series of transactions) its interest in the Project Facilities or any material portion thereof (other than as described above under the heading "Maintenance of Existence" and other than leases permitted as described below under the heading "Lease by Borrower") or undertake or permit the demolition or removal of the Project Facilities or any material portion thereof without the prior written consent of the Authority; provided that the Borrower shall be permitted to sell, transfer, assign or otherwise dispose of or remove any portion of the Project Facilities which is retired or replaced in the ordinary course of business.

Lease by Borrower

The Borrower may, subject to certain provisions of the Loan Agreement, including provisions relating to the tax-exempt status of the Borrower and the Bonds, lease the Project Facilities, in whole or in part, to one or more other Persons, provided that: (a) no such lease shall relieve the Borrower from its obligations under the Loan Agreement; (b) in connection with any such lease the Borrower shall retain such rights and interests as will permit it to comply with its obligations under the Loan Agreement; (c) no such lease shall impair materially the accomplishment of the purposes of the Act to be accomplished by operation of the Project Facilities as herein provided; (d) any such lease shall require the lessee to operate the Project Facilities as a "project" under the Act as long as the Bonds are outstanding; (e) in the case of a lease to a new lessee or an assignment of an existing lease to a new lessee of substantially all of the Project Facilities, such new lessee shall have been approved by the Authority (such approval not to be unreasonably withheld); and (f) the lessees under any such leases, including any leases in force on the date of issuance of the Bonds, shall be subject to certain terms and conditions of the Loan Agreement relating to the tax-exempt status of the Borrower and the Bonds.

Financial Statements

The Borrower shall cause its Annual Financial Statements for each Fiscal Year to be examined by an Independent Certified Public Accountant. A copy of such financial statements and the Independent Certified Public Accountant's report thereon shall be provided to the Authority and the Trustee within 30 days after release of such audited financial statements by the Borrower's Board of Trustees. The Trustee shall have no duty to examine or review such financial statements, shall not be considered to have notice of the contents of such statements or of a default or Event of Default under the Loan Agreement or under any other document based on such content and shall have no duty to verify the accuracy of such statements.

Taxes, Other Governmental Charges and Utility Charges

The Borrower shall pay, or cause to be paid before the same become delinquent, all taxes, assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project Facilities, including any equipment or related property installed or bought by the Borrower therein or thereon, and all utility and other charges incurred in the operation, maintenance,

use, occupancy and upkeep of the Project Facilities. With respect to special assessments or other governmental charges that lawfully may be paid in installments over a period of years, the Borrower shall be obligated to pay only such installments as are required to be paid during the term of the Loan Agreement. The Borrower may, at its expense, in good faith contest any such taxes, assessments and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom, unless the Authority or the Trustee shall notify the Borrower that, in the opinion of counsel selected by the Authority or the Trustee, by nonpayment of any such items the Project Facilities or any part thereof will be subject to loss or forfeiture, in which event such taxes, assessments or charges shall be paid promptly. The Borrower shall also comply at its own cost and expense with all notices received from public authorities with respect to the Project.

Insurance

The Borrower covenants and agrees that it will continuously maintain insurance on its properties and against such risks (including casualty, accident and worker's compensation), in such amounts and with such deductibles, as are consistent with customary coverage, as from time to time in effect, in connection with the operation of properties of type and size comparable to properties as maintained by entities similar to the Borrower; provided, that property and casualty coverage shall at all times be maintained in an amount at least equal to the outstanding principal amount of the Bonds.

In the event the property and liability insurance required by the preceding paragraph is not commercially available at a reasonable cost or has been otherwise provided, the Borrower may accept such substituted coverage, including coverage from a captive insurance company or a consortium, as is recommended by an independent insurance consultant, provided, however, that no Event of Default shall occur under the Loan Agreement if such substitute coverage is unavailable, and the Borrower makes a continuing good faith effort to secure the insurance or such substitute coverage, including self-insurance. For purposes of the foregoing, "independent insurance consultant" means a nationally recognized firm of insurance agents, brokers or consultants with experience and expertise in assessing the property and casualty and liability risks of the Borrower and, if applicable, assessing the risks associated with such substitute insurance coverage, and if the Borrower has coverage through a captive insurance company or a consortium, includes an independent insurance consultant retained by such captive insurance company or consortium.

The Borrower may self-insure solely for professional liability, employee health insurance, workers compensation insurance, unemployment insurance, commercial general liability insurance, automobile insurance, student health and accident insurance, directors and officers insurance, travel insurance, broadcasters liability insurance, publishers liability insurance, and excess liability insurance, so long as the Borrower's self-insurance plan provides for (i) the establishment by the Borrower of a separate segregated self-insurance fund funded in an amount confirmed as to sufficiency through the annual auditing process by an independent auditor or an insurance consultant or nationally recognized independent actuarial consultant employing accepted actuarial techniques and (ii) the establishment and maintenance of a claims processing and risk management program. If the Borrower elects to self-insure for professional liability, the Borrower shall within 150 days after the end of each Fiscal Year cause an independent insurance consultant or nationally recognized independent actuarial consultant to submit a report to the Trustee to the effect that such self-insurance plan maintains adequate reserves and has been adequately funded.

Damage to or Condemnation of Project Facilities

In the event of damage, destruction or condemnation of part or all of the Project Facilities, the Borrower will either: (i) restore the Project Facilities, (ii) if permitted by the terms of the Bonds, direct the Authority to call the Bonds for optional redemption pursuant to the Indenture, or (iii) apply any insurance proceeds or condemnation awards received with respect to such damage, destruction or condemnation to any other purpose specified in a Borrower Certificate delivered to the Authority and the Trustee and accompanied by an opinion of Bond Counsel to the effect that such application will not result in the interest on the Bonds becoming included in the gross income of the Holders for federal income tax purposes. Damage to, destruction of or condemnation of all or a portion of the Project Facilities shall not terminate the Loan Agreement or cause any abatement of or reduction in the payments to be made by the Borrower under the Loan Agreement.

Rate Covenant

The Borrower covenants that it will establish, charge and collect tuition, student fees and charges for services provided by the Borrower such that Net Revenues Available for Debt Service plus all other funds of the Borrower which are legally available to be used for the payment of debt service will equal or exceed, in each Fiscal Year, 110% of the Debt Service Requirement for such Fiscal Year.

If, in any Fiscal Year, the Borrower fails to meet the foregoing covenant, it shall immediately retain a Consultant to make a report and recommendation with respect to such tuition, student fees and other charges, and with regard to operations of the Borrower. The Borrower further covenants that upon receipt of such report and recommendation from the Consultant, the Borrower shall cause copies thereof to be filed with the Trustee, and the Borrower shall within 60 days of the receipt of such report and recommendation describe in writing to the Trustee what action, if any, the Borrower shall take upon the report and recommendation of the Consultant. So long as the amount described in the preceding paragraph is equal to at least 100% of the Debt Service Requirement for the Fiscal Year in question, and provided that the Borrower does not fail to meet the foregoing rate covenant for two consecutive Fiscal Years, no Event of Default shall be deemed to have occurred under the Loan Agreement unless the Borrower shall have failed to take the foregoing steps.

Incurrence of Additional Indebtedness

The Borrower covenants that it will not incur or assume additional Long-Term Indebtedness unless there is no Event of Default under the Loan Agreement or under the Indenture that has occurred and is continuing, and the Borrower delivers to the Trustee prior to such incurrence a Borrower Certificate in form acceptable to the Trustee demonstrating that, for each of the two most recent Fiscal Years for which Audited Financial Statements are available, Net Revenues Available for Debt Service plus, in the case of Long-Term Indebtedness incurred to finance the acquisition or construction of additional student residence facilities, any additional annual revenues in the form of room and board charges associated with such new facilities which are projected to be received following completion of such acquisition or construction, equaled or exceeded 125% of the Maximum Annual Debt Service Requirement for all Long-Term Indebtedness outstanding during such Fiscal Years and for the Long-Term Indebtedness proposed to be incurred.

Notwithstanding the foregoing, the following types of indebtedness may be incurred without meeting the foregoing requirements:

Refunding Indebtedness. Refunding Indebtedness may be incurred without limitation provided that, except in the case of Refunding Indebtedness incurred to refund Variable Rate Debt, prior to such incurrence, the Borrower shall deliver to the Trustee a Borrower Certificate demonstrating that the Maximum Annual Debt Service Requirements immediately following the incurrence of such Refunding Indebtedness is not more than 110% of the Maximum Annual Debt Service Requirements immediately prior to the incurrence of such Refunding Indebtedness.

Short-Term Indebtedness. The Borrower may, from time to time, incur or assume Short-Term Indebtedness in the ordinary course of business in any amount up to 15% of Total Operating Revenues for the preceding Fiscal Year, less any Short-Term Indebtedness then outstanding; provided, however, that no Short-Term Indebtedness shall be outstanding for a period of at least 15 consecutive calendar days in each Fiscal Year.

Student Loan Guarantees. The Borrower may incur indebtedness in the form of Student Loan Guarantees as described below under the heading "Student Loan Guarantees."

Non-Recourse Indebtedness. The Borrower may, from time to time, incur debt which is (i) incurred to finance additional capital projects; (ii) is nonrecourse debt secured solely by a lien on and security interest in the property financed by such debt and/or the revenues therefrom; and (iii) is in a principal amount which, when added to the total principal amount of non-recourse indebtedness incurred pursuant to this paragraph and outstanding immediately after the incurrence of the new debt, is less than or equal to 15% of the Total Operating Revenues for the most recent Fiscal Year.

Purchase Money Financings. The Borrower may, from time to time, incur debt without complying with the debt incurring tests described above if such debt (i) is issued to finance the acquisition of machinery or equipment; (ii) is unsecured or secured solely by a purchase money security interest in the acquired machinery or equipment; and (iii) is in a principal amount which, when added to the total amount of indebtedness incurred pursuant to this paragraph and outstanding immediately after the incurrence of the new debt, is less than or equal to 15% of the Total Operating Revenues for the then most recent Fiscal Year.

Security for Indebtedness

Any Long-Term Indebtedness or Short-Term Indebtedness hereafter incurred or assumed as described above under the caption "Incurrence of Additional Indebtedness" may be secured only as follows:

(i) In the case of Parity Indebtedness: (a) by a lien on and security interest in the Pledged Revenues ranking on a parity with the lien and security interest granted under the Loan Agreement as confirmed by the execution and delivery by the holder of such debt or a trustee acting on behalf of such holder of a joinder or other agreement by which such lender or holder shall be bound by the terms of the Intercreditor Agreement; or (b) by a lien or mortgage on and/or security interest in Borrower Facilities, provided that, if the Borrower grants a mortgage on or security interest in any part of the Borrower Facilities, the Borrower shall grant to the Trustee a mortgage of equal priority on and/or security interest in the same property to secure the Loan Agreement.

(ii) In the case of nonrecourse debt, solely by a lien on and/or security interest in the property financed with such debt and/or the revenues therefrom.

(iii) In the case of purchase money financings, solely by a purchase money security interest in machinery or equipment financed with such debt.

(iv) In the case of Student Loan Guarantees, solely by a lien or pledge upon Pledged Revenues subordinate and junior to the pledge of Pledged Revenues under the Loan Agreement.

(v) In the case of other Long-Term Indebtedness:

(A) by a lien, on and security interest in any property or interest in tangible property, real, personal, or mixed, other than the Borrower's Core Campus or the Pledged Revenues; or

(B) by a purchase money security interest in any real property, fixtures, machinery and equipment made part of the Borrower Facilities and revenues therefrom; or

(C) by a lien on and security interest in the Pledged Revenues subordinate to the lien and security interest granted under the Loan Agreement; provided, however, that no such permitted indebtedness shall be secured by the moneys and investments held by the Trustee in any Funds created under the Indenture.

(vi) Any Short-Term Indebtedness incurred pursuant to the Loan Agreement may be secured solely:

(A) by a purchase money security interest in personal property acquired with the proceeds thereof; or

(B) by a lien on or mortgage against any real or personal property not constituting Borrower Facilities; or

(C) by a lien on and security interest in the Pledged Revenues ranking on a parity with or subordinate to that granted under the Loan Agreement; provided, however, that (i) no such permitted indebtedness shall be secured by the moneys and investments in any Funds held by the Trustee under the Indenture; and (ii) if such lien and security interest shall rank on a parity with that granted under the Loan Agreement, the holder or a trustee acting on behalf of such holder shall have confirmed such parity lien and

security interest by the execution and delivery of a joinder or other agreement by which such holder or trustee shall be bound by the terms of the Intercreditor Agreement.

Student Loan Guarantees

The Borrower may incur obligations in the form of Student Loan Guarantees which meet the following criteria upon compliance with the following requirements:

(i) The loans to students shall be made pursuant to a program, whether governmental or privately sponsored, for the purpose of providing aid to students for tuition, room and/or board, or other expenses associated with the attendance by the student at the Borrower's institution and which program shall require that the Borrower execute its Student Loan Guarantee.

(ii) In the case of a program which is fully funded, no part of the obligations guaranteed by the Borrower shall constitute Long-Term Indebtedness of the Borrower. A program shall be deemed to be "fully-funded" if the assets of the program are at least equal to its liabilities, without regard to the guarantee by the Borrower. In determining the assets of the program, full effect must be given to estimated anticipated losses on student repayments to the extent not insured and due provision shall have been made to cover any shortfall between the principal amount of the obligations and the proceeds thereof (i.e., "nonasset bonds"). The plan may be made fully-funded by deposits, bank letters of credit or other credit support facilities provided by the Borrower or others.

(iii) To the extent that a program is not fully funded as provided above, the amount by which the liabilities exceed the assets shall be determined and such amount shall constitute Long-Term Indebtedness of the Borrower for all purposes of the Loan Agreement and the proportionate part of the debt service requirements on such obligations represented by such deficiency shall be deemed to be part of the Debt Service Requirement. A program which at its commencement is not fully funded may nonetheless be demonstrated to have become fully funded at a later date at which time there shall cease to be any Long-Term Indebtedness attributable to such Student Loan Guarantees so long as it continues to be fully-funded.

(iv) The fully funded status of a program or the extent to which a program is not fully funded shall be determined by a Certificate of the Pennsylvania Higher Education Assistance Authority or other issuing governmental authority if such Certificate be obtainable, or in the alternative, shall be certified to by a Consultant, which may be the Certified Public Accountant regularly retained by the Borrower, which Certificate in any case shall set forth in full the basis of its determination.

(v) If a Consultant's Certificate or Certificate of the issuing agency is not available, as provided above, the extent to which the principal amount of the Student Loan Guarantees shall be considered Long-Term Indebtedness shall be determined by multiplying the principal amount of such Student Loan Guarantees by the average default ratio, during the three Fiscal Years preceding such Student Loan Guarantees, for university students participating in United States Government guaranteed student loans programs.

(vi) The guarantee by the Borrower may be secured only by a lien or pledge upon Pledged Revenues subordinate and junior to the pledge of Pledged Revenues under the Loan Agreement.

No Liens or Encumbrances

The Borrower covenants and agrees that it will not grant any liens on the Pledged Revenues or the Borrower Facilities (whether real or personal, and whether owned as of the date of the Loan Agreement or acquired thereafter) except for Permitted Encumbrances.

Disposition of Assets

The Borrower covenants and agrees that it will not sell, transfer or otherwise dispose of any Property (other than transfers of current assets or investments in payment for property, goods or services, or as an investment of funds) except as follows:

(i) The Borrower may transfer property constituting a portion of the Borrower Facilities having a net book value of not more than 5% of the Borrower's total unrestricted net assets shown on its most recent audited financial statements, provided that the Trustee receives a Borrower Certificate which states the Borrower's intended use of the proceeds of such transfer and that such transfer will not adversely affect the ability of the Borrower to meet its payment obligations under the Loan Agreement; or

(ii) If no Event of Default under the Loan Agreement shall have occurred and be continuing, the Borrower may, with or without consideration:

(A) transfer easements, licenses, rights of way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property included in the Borrower Facilities, or release existing easements, licenses, rights of way and other rights or privileges, all upon such terms and conditions as the Borrower shall determine; or

(B) transfer any property which has been replaced in the ordinary course of operations; or

(C) transfer tangible or intangible personal property, fixtures, or equipment from the Borrower Facilities in the ordinary course of business; or

(D) transfer real estate at any one time or during any Fiscal Year having a net book value alone or in the aggregate not in excess of 10% of the Borrower's net property, plant, and equipment as so determined; or

(E) transfer any property at any one time or during any Fiscal Year having a net book value alone or in the aggregate in excess of the amounts set forth in (i) and (ii)(D) above or not in the ordinary course of business, if the Borrower shall file with the Trustee a Certificate showing that the Borrower's total unrestricted net assets immediately after such transfer shall not be less than 90% of such total unrestricted net assets before such transfer, and stating that such transfer will not adversely affect the ability of the Borrower to meet its payment obligations under the Loan Agreement.

Tax Covenants of Borrower and Authority

The Borrower covenants in the Loan Agreement that it will at all times do and perform all acts and things necessary or desirable and within its reasonable control in order to assure that interest paid on the Bonds shall be excludable from the gross income of the Holders thereof for federal income tax purposes and that it shall not take or omit to take, or permit to be taken on its behalf, any actions which, if taken or omitted, would adversely affect the excludability from the gross income of the Holders of interest paid on the Bonds for federal income tax purposes.

The Authority and the Borrower mutually covenant for the benefit of the Holders of the Bonds that they will not use the proceeds of the Bonds, any moneys derived, directly or indirectly, from the use or investment thereof or any other moneys on deposit in any fund or account maintained in respect of the Bonds in a manner which would cause such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or would otherwise violate the provisions of the Indenture relating to arbitrage.

The Borrower has covenanted that it will comply with various requirements of the Code pertaining to the excludability of interest on the Bonds from gross income of Holders thereof for federal income tax purposes, including, without limitation, that:

(a) It will take whatever actions are necessary for it to continue to be organized and operated in a manner which will preserve and maintain its status as an organization which is described in Section 501(c)(3) of the Code, exempt from federal income taxes under Section 501(a) of the Code and not a private foundation under Section 509(a) of the Code (or corresponding provisions of prior law), and it will not perform any acts nor enter into any agreements which would cause any revocation or adverse modification of such federal income tax status; and

(b) The Borrower will make such payments to the Trustee as are required of it under the Indenture in connection with the requirements of Section 148 of the Code concerning arbitrage bonds including Section 148(f), which requires generally rebate payments to the United States of arbitrage profits, and to pay the costs and expenses of any Financial Consultant engaged in accordance with the Indenture to assist in calculating the amount of such rebate payments, if any.

Environmental Matters

The Borrower covenants to comply in all material respects with all applicable federal, state and local laws, ordinances, rules and regulations pertaining to the environment (collectively, "Environmental Laws"), including, without limitation, those regulating hazardous or toxic wastes and substances (as such phrases may be defined in any Environmental Law), and to give prompt written notice to the Trustee and the Authority of any material violation or alleged material violation of any Environmental Law with respect to the Borrower's property. The Borrower will indemnify and defend the Authority and the Trustee and their respective directors, officers, employees and agents (the "Indemnified Parties"), and hold the Indemnified Parties harmless from, any loss, liability, damage, claim, fine, penalty, action or cause of action, including, without limitation, out-of-pocket and incidental expenses and court costs and reasonable attorney's fees and expenses and the allocated costs of in-house counsel and legal staff, consultants' fees and any clean-up or remediation costs, arising from any violation or alleged violation by the Borrower of any Environmental Law with respect to the Borrower's property.

Borrower's Use of the Project Facilities

The Borrower will use the Project Facilities only in furtherance of the lawful purposes of the Borrower.

The Borrower further agrees that it will use the Project Facilities for secular instruction and will not use any of the Project Facilities as a facility used primarily in connection with any part of a program of a school or department of divinity for any religious denomination for the training of ministers, priests, rabbis or other similar persons in the field of religion or in a manner which would violate the First Amendment to the Constitution of the United States of America, including the decisions of the United States Supreme Court interpreting the same, or any comparable provisions of the Constitution of the Commonwealth, including the decisions of the Supreme Court of the Commonwealth interpreting the same. Notwithstanding the termination of the Loan Agreement, the Borrower agrees that it will continue to comply with the restriction stated in the preceding sentence on the sectarian use of the Project Facilities. To the extent required by law, the Borrower will permit the Authority to inspect the Project Facilities solely in order to determine whether the Borrower has complied with the provisions of this paragraph and such right of inspection shall survive the termination of the Loan Agreement.

The Borrower further agrees that it will not use the Project Facilities, or permit the Project Facilities to be used, in such manner as would result in the loss of any exemption from federal income taxation to which interest on the Bonds would otherwise be entitled.

Events of Default

Each of the following shall constitute an Event of Default under the Loan Agreement:

(a) if the Borrower fails to make any payments required under the Loan Agreement with respect to the principal or redemption price of and interest on the Bonds, or the replenishment of the Debt Service Reserve Fund in the event of a deficiency in such Fund, when the same shall become due and payable thereunder; or

(b) if the Borrower fails to make any other payment or deposit required under the Loan Agreement within thirty (30) days of the due date thereof; or

(c) if the Borrower fails to perform any of its other covenants, conditions or provisions under the Loan Agreement and such failure continues for thirty (30) days after the Authority or the Trustee gives the Borrower written notice thereof; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such

thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as, the Borrower shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion; or

(d) if the Borrower admits in writing its inability to pay its debts generally as they become due, or proposes or makes an assignment for the benefit of creditors or a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Borrower or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangements of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Borrower and if such is not vacated, dismissed or stayed on appeal within sixty (60) days; or

(e) if for any reason any of the Bonds shall be declared due and payable by acceleration in accordance with the terms of the Indenture; or

(f) if the Borrower shall default in the payment of any indebtedness (other than amounts due under the Loan Agreement) with a principal amount in excess of \$1,000,000, and any period of grace with respect thereto shall have expired; or

(g) the occurrence of any default with respect to Parity Indebtedness subject to the Intercreditor Agreement as a result of which such Parity Indebtedness is declared immediately due and payable.

Remedies

If acceleration of the principal amount of the Bonds has been declared pursuant to the Indenture, the Trustee shall declare all loan payments to be immediately due and payable, whereupon the same shall become immediately due and payable. In addition, if an Event of Default under the Loan Agreement has occurred and is continuing, the Authority (or the Trustee as its assignee) may, at its option, in addition to its other rights and remedies as may be provided in the Loan Agreement or may exist at the time at law or in equity, exercise any one or more of the following remedies:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Authority, and require the Borrower to carry out any agreements with or for the benefit of the Bondholders and to perform its duties under the Act or the Loan Agreement; or

(b) by action or suit in equity require the Borrower to account as if it were the trustee of an express trust for the Authority; or

(c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Authority; or

(d) upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and the Bondholders, have appointed a receiver or receivers of the Trust Estate, with such powers as the court making such appointment shall confer; or

(e) upon notice to the Borrower, accelerate the due dates of all sums due or to become due under the Loan Agreement.

In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in Loan Agreement concerning Events of Default and remedies, it shall not be necessary to give any notice, other than such notice as may be therein expressly required. Such rights and remedies as are given the Authority thereunder shall also extend to the Trustee. For so long as any Bonds remain Outstanding under the Indenture, and except with respect to the Borrower's obligations in respect of the Authority's rights to notices, payments of fees and expenses and indemnification rights and the Borrower's obligations to comply with the Act, the Trustee, as the assignee of the Authority, shall have the sole right to exercise rights and remedies against the Borrower upon the occurrence of any Event of Default under the

Loan Agreement, and the exercise by the Trustee of such rights and remedies shall be subject to all applicable provisions of the Indenture, the Loan Agreement and the Act. To the extent necessary or appropriate and requested by the Trustee, the Authority shall cooperate with the Trustee in connection with the exercise by the Trustee of such rights and remedies against the Borrower.

Amendments

The Authority and the Borrower may enter into any amendments and supplements to the Loan Agreement without the consent of Bondholders, but with prior notice to the Trustee, for the following purposes:

- (a) To cure any ambiguity, inconsistency, defect or omission in the Loan Agreement or in any amendment thereto;
- (b) To modify, eliminate or add to the provisions of the Loan Agreement to such extent as shall be necessary to obtain, maintain or improve a rating of the Bonds;
- (c) To add covenants of the Borrower or surrender rights or powers of the Borrower;
- (d) To make such additions, deletions or modifications as may be necessary in the case of any Bonds to assure compliance with Section 148(f) of the Code relating to the required rebate of certain investment earnings to the United States government or otherwise as may be necessary to assure exemption from federal income taxation of interest on the Bonds; or
- (e) In connection with any other change in the Loan Agreement if in the judgment of the Trustee in reliance on an opinion of Counsel (which may be Bond Counsel), the proposed change does not materially adversely affect the rights of the Holders of any Bonds.

Except for amendments, changes or modifications as provided in clauses (a) through (e) above, neither the Authority nor the Trustee shall consent to any amendment, change or modification of the Loan Agreement or waive any obligation or duty of the Borrower under the Loan Agreement without the written consent of the holders of not less than a majority in aggregate principal amount of the Outstanding Bonds affected thereby; provided, however, that no such waiver, amendment, change or modification shall permit termination or cancellation of the Loan Agreement or any reduction of the amounts payable under the Loan Agreement with respect to debt service on the Bonds or change the date when such payments are due without the consent of the Holders of all the Bonds then Outstanding who are adversely affected thereby. Prior to consenting to an amendment, change or modification of the Loan Agreement, the Trustee is entitled to receive and rely upon an opinion of Counsel to the effect that such amendment, change or modification is authorized or permitted under the Loan Agreement, complies with the terms thereof, and shall not adversely affect the exclusion of interest from the gross income of the Holders of the Bonds for federal income tax purposes.

Assignment

The Borrower will not assign the Loan Agreement or any interest of the Borrower therein, either in whole or in part, without the prior written consent of the Trustee, which consent shall be given if the following conditions are fulfilled: (i) the assignee assumes in writing all of the obligations of the Borrower under the Loan Agreement; (ii) in the opinion of Borrower's counsel, neither the validity nor the enforceability of the Loan Agreement will be adversely affected by such assignment; (iii) the Project shall continue in the opinion of Bond Counsel to be a "project" as such term is defined in the Act after such assignment; (iv) such assignment will not, in the opinion of Bond Counsel, have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Bonds; and (v) consent by the Authority, which consent shall not be unreasonably withheld.

THE INDENTURE

The following description of certain provisions of the Indenture is only a brief outline of some of the provisions thereof, and does not purport to summarize or describe all of the provisions thereof. Reference is made to the Indenture, a copy of which is on file at the corporate trust office of the Trustee in Philadelphia, Pennsylvania, for a complete statement of these provisions and other provisions which are not summarized in this Official Statement.

Pledge of Trust Estate

In order to secure the payment of the principal of, premium, if any, on and interest on the Bonds and the performance of the Authority's covenants in respect of the Bonds, the Authority assigns and pledges to the Trustee pursuant to the Indenture:

(i) all right, title and interest (but not the obligations) of the Authority under and pursuant to the terms of the Loan Agreement, all Loan Payments and all other payments, revenues and receipts receivable by the Authority thereunder (except for the "Unassigned Rights" as defined in the Loan Agreement); and

(ii) all of the right, title and interest of the Authority in and to all funds (other than the Rebate Fund) and accounts established under the Indenture and all moneys and investments now or hereafter held therein and all present and future Revenues (as defined in the Indenture).

Bond Fund

A Bond Fund will be established and maintained with the Trustee under the Indenture. Moneys in the Bond Fund will be used to pay (i) the principal or redemption price of Bonds as they mature or become due, upon redemption or acceleration, or otherwise upon surrender thereof, and (ii) the interest on Bonds as it becomes payable whether at maturity, upon redemption or acceleration or otherwise.

Debt Service Reserve Fund

A Debt Service Reserve Fund will be established with the Trustee for the sole benefit and security of the Holders of the Bonds and moneys or Permitted Investments shall be deposited therein as provided in the Indenture. An amount equal to the Debt Service Reserve Fund Requirement will be deposited into the Debt Service Reserve Fund upon the issuance of the Bonds. The moneys in the Debt Service Reserve Fund and any investments held as a part of such Fund shall be held in trust separate and apart from all other funds or deposits and, except as otherwise provided in the Indenture, shall be applied by the Trustee solely to the payment of the principal of and interest on the Bonds.

Any moneys from time to time on deposit in the Debt Service Reserve Fund shall be applied as follows:

(i) on the date of each permitted or required payment from the Bond Fund to pay principal of or interest on the Bonds by reason of stated maturity or earlier redemption or declaration of acceleration, moneys in the Debt Service Reserve Fund shall be applied by the Trustee to make up the difference between (A) the amount necessary to pay principal and/or interest due on such Bonds, and (B) the amount then on deposit in the Bond Fund allocable to the payment of principal and/or interest on the Bonds;

(ii) any amount in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement on any valuation date shall be transferred to the Bond Fund for application as a credit against the Borrower's payments under the Loan Agreement next becoming due; and

(iii) during the last twelve months preceding the final maturity of the Bonds, any moneys then held in the Debt Service Reserve Fund shall be credited against the Borrower's payments otherwise payable under the Loan Agreement in respect of principal of and interest on the Bonds, and shall be transferred to the Bond Fund for the payment of the principal of and interest on such Bonds; provided, however, that no such

credit shall be given and no such transfer shall be made if and to the extent that, immediately prior to such crediting and transfer, there has then occurred and is continuing an Event of Default under the Indenture.

The amount of any withdrawal from the Debt Service Reserve Fund for the purpose of clause (i) above shall be restored in no more than twelve (12) equal, consecutive, monthly installments, each payable on the last Business Day of each month, commencing with the month next following the month in which the withdrawal is made. The amount of any deficiency in the Debt Service Reserve Fund due to a decline in the market value of the investments therein shall be restored pursuant to the Loan Agreement in three equal, consecutive monthly installments payable on the first day of the month, commencing with the month following the month during which the valuation showing such deficiency is made.

Investments

Any moneys held as a part of the Funds established under the Indenture shall be invested by the Trustee in Permitted Investments as provided in the Indenture. Any such investments shall mature or be subject to redemption by the holder at not less than the principal amount thereof, and all deposits in time accounts shall be subject to withdrawal without penalty, not later than the date when the amounts will foreseeably be needed for purposes of the Indenture.

Events of Default and Remedies

The Indenture provides that each of the following shall be an "Event of Default":

- (a) Failure to pay the principal or redemption price of any Bond when due and payable, whether at the stated maturity thereof, by redemption, by acceleration or otherwise;
- (b) Failure to pay any interest on any Bond when due and payable;
- (c) Failure by the Authority to comply with the provisions of the Act relating to the Bonds or the Project or to perform or observe any other covenant, agreement or obligation on its part to be observed or performed contained in the Indenture or the Bonds, which failure shall have continued for a period of 60 days after written notice has been given by registered or certified mail to the Authority and the Borrower as provided in the Indenture, which notice may be given by the Trustee in its discretion and which notice must be given by the Trustee at the written request of the Holders of not less than 25% in aggregate principal amount of Bonds Outstanding; or
- (d) The occurrence and continuance of an "Event of Default" as defined in the Loan Agreement (see "THE LOAN AGREEMENT -- "Events of Default" herein).

The Indenture provides that if an Event of Default occurs, the Trustee may and shall upon the written request of the Owners of 25% in principal amount of all Bonds then outstanding (100% in principal amount of all Bonds then outstanding in the case of an Event of Default described in clause (c) above), declare the principal of all Bonds then outstanding to be immediately due and payable and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable to the Owners. Upon any declaration of acceleration under the Indenture, the Trustee shall immediately exercise such rights as it may have as the assignee of the Loan Agreement to declare all payments under the Loan Agreement to be due and payable immediately.

Within five calendar days of the occurrence of any such acceleration, the Trustee shall notify, by first class mail, postage prepaid, the owners of all Bonds then outstanding of the occurrence of such acceleration, the date through which interest has accrued and the time and place of payment.

In addition, upon the occurrence and continuation of an Event of Default under the Indenture, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of principal or redemption price of and interest on the Bonds.

The provisions described above are subject to the condition that if, after the principal of all Bonds has been so declared to be due and payable, all arrears of interest on the Bonds are paid by the Authority, and the Authority performs all other things in respect to which it may have been in default under the Indenture and pays the reasonable charges and expenses of the Trustee and of the Owners of the Bonds, including reasonable attorneys' fees, then Owners of a majority in principal amount of the Bonds then outstanding, by notice to the Authority and to the Trustee, may annul such declaration and its consequences.

The Owners of a majority in principal of the Bonds then Outstanding will have the right, after furnishing indemnity satisfactory to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, except that such direction may not (i) be in conflict with the provisions of law and of the Indenture, (ii) unduly prejudice the rights of minority Owners or (iii) involve the Trustee in personal liability against which indemnity would not be satisfactory.

No Bondholder shall have any right to pursue any remedy under the Indenture or the Loan Agreement unless:

- (a) The Trustee shall have been given written notice of an Event of Default,
- (b) The Holders of at least 25% in principal amount of all Bonds then Outstanding shall have requested the Trustee, in writing, to exercise the powers granted in the Indenture or to pursue such remedy in its or their name or names,
- (c) The Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and
- (d) The Trustee shall have failed to comply with such request within a reasonable time.

Notwithstanding the foregoing provisions or any other provision of the Indenture, the obligation of the Authority shall be absolute and unconditional to pay or cause to be paid, but solely from the revenues and other funds pledged under the Indenture, the principal or redemption price of and interest on, the Bonds to the respective Holders thereof on the respective due dates thereof, and nothing in the Indenture shall affect or impair the right of action, which is absolute and unconditional, of such holders to enforce such payment.

Modifications and Amendments

The Indenture provides that it may be amended or supplemented at any time without notice to or the consent of any of the Owners of the Bonds, by a supplemental indenture consented to by the Borrower, authorized by the Authority and filed with the Trustee for any one or more of the following purposes:

- (a) To add additional covenants of the Authority or to surrender any right or power conferred upon the Authority in the Indenture;
- (b) For any purpose not inconsistent with the terms of the Indenture or to cure any ambiguity or to correct or supplement any provision of the Indenture or in any supplemental indenture which may be defective or inconsistent with any other provision in the Indenture or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under the Indenture which shall not be inconsistent with the provisions of the Indenture and which shall not adversely affect the interests of the holders of the Bonds, including the appointment and duties of a bond registrar or authenticating agent;
- (c) To modify, eliminate or add to the provisions of the Indenture to such extent as shall be necessary to effect the qualification of the Indenture under the Trust Indenture Act of 1939 or under any similar Federal statute hereafter enacted, and to add to the Indenture such other provisions as may be expressly permitted by the Trust Indenture Act of 1939, as from time to time amended;
- (d) To modify, eliminate or add to the provisions of the Indenture to such extent as shall be necessary to obtain, maintain or improve a rating of the Bonds;

- (e) To grant to or confer or impose upon the Trustee for the benefit of the Owners of the Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with the Indenture as theretofore in effect;
- (f) To permit the Bonds to be converted to, or from, certificateless securities or securities represented by a master certificate held in trust, ownership of which, in either case, is evidenced by book entries on the books of the Securities Depository, for any period of time;
- (g) To permit the appointment of a co-trustee under the Indenture;
- (h) To authorize different authorized denominations of the Bonds and to make correlative amendments and modifications to the Indenture regarding exchangeability of Bonds of different authorized denominations, redemption of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature;
- (i) To modify, alter, supplement or amend the Indenture to comply with changes in the Code affecting the status of interest on the Bonds as excluded from gross income for Federal income tax purposes or the obligations of the Authority or the Borrower in respect of Section 148 of the Code;
- (j) To modify, alter, amend or supplement the Indenture in any other respect which is not materially adverse to the Owners of the Bonds.

The Indenture may be amended from time to time, except with respect to (i) the principal or interest payable upon any of the Bonds, (ii) the Interest Payment Dates, the dates of maturity or the redemption provisions of any of the Bonds, and (iii) the provisions relating to amendments of the Indenture and the Loan Agreement, in each case by a supplemental indenture consented to by the Borrower and approved by the Owners of at least a majority in aggregate principal amount of the Bonds then outstanding which would be affected by the action proposed to be taken. The Indenture may be amended with respect to the matters enumerated in clauses (i) through (iii) of the immediately preceding sentence with the unanimous consent of all Owners and the Borrower.

Discharge of Indenture

When interest on, and principal or redemption price (as the case may be) of, all Bonds issued under the Indenture have been paid, or there shall have been deposited with the Trustee (i) cash in an amount sufficient to pay in full the principal or redemption price of and interest on the Bonds, and all other sums payable under the Indenture by the Authority, (ii) "defeasance obligations" (as defined below), the principal of and interest on which, when due, will provide sufficient moneys without reinvestment to pay in full the principal or redemption price of and interest on the Bonds, as well as all other sums payable under the Indenture by the Authority, or (iii) any combination of the foregoing, then upon receipt by the Trustee of (a) all of its necessary and proper fees, compensation and expenses, (b) an opinion of Bond Counsel that all conditions precedent to the defeasance of the lien of the Indenture have been complied with, (c) unless the Bonds will be paid in full within 90 days of the date of deposit of any defeasance obligations, a verification report in form and substance satisfactory to the Trustee from an independent certified public accountant or a nationally recognized firm with experience in preparing verification reports to the effect that the cash and defeasance obligations delivered will be sufficient to provide for the payment of the Bonds as aforesaid, and (d) other assurances from the Authority that the Trustee may deem necessary or appropriate, the right, title and interest of the Trustee in the Loan Agreement and the Trust Estate shall thereupon cease and the Trustee, on demand of the Authority, shall release the Loan Agreement and the Trust Estate from the lien and security interest created by the Indenture and shall execute such documents to evidence such release as may be reasonably required by the Authority or the Borrower and shall turn over to the Borrower or to such Person as may be entitled to receive the same, as it shall be directed in writing by the Borrower all balances remaining in any funds (other than the Rebate Fund) under the Indenture and the Trustee's right, title and interest to and under the Loan Agreement. For the purposes of this paragraph, "defeasance obligations" shall mean the following, but only to the extent they are Permitted Investments at the time of delivery to the Trustee: (1) Government Obligations; and (2) pre-refunded debt obligations of any state or political subdivision thereof or any agency or instrumentality of such a state or political subdivision, provided that such debt obligations are rated at least "AA" by S&P or at least "Aa" by Moody's.

The foregoing requirements may also be met with respect to any portion of the Bonds, as designated by the Borrower, by depositing with the Trustee cash, defeasance obligations, or any combination thereof sufficient to pay or provide for the payment of such Bonds, as described in the preceding paragraph. Upon such deposit, the Bonds for which such deposit has been made shall no longer be deemed Outstanding under the Indenture.

The Trustee

The obligations and duties of the Trustee are described in the Indenture and, except upon an Event of Default, the Trustee has undertaken only those obligations and duties which are expressly set out in the Indenture. If any Event of Default of which the Trustee has been notified or is deemed to have notice under the Indenture has occurred and is continuing, the Trustee is obligated to exercise such of the rights and remedies vested in it by the Indenture and to use the same degree of care in its exercise as a prudent person would exercise or use in the circumstances in the conduct of his own affairs; provided that if in the opinion of the Trustee such action may tend to involve expense or liability, it will not be obligated to take such action unless it is furnished with indemnity satisfactory to it.

The Indenture expressly provides that the Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the Indenture.

Under the terms of the Indenture, the Trustee is liable only for those damages caused by its gross negligence or willful misconduct. Under the terms of the Indenture, the Trustee shall not be deemed to have notice of an Event of Default, other than the failure to pay principal of or interest on the Bonds when due, unless the Trustee has been notified in writing of such events by the Authority or the holders of at least 25% in aggregate principal amount of the Bonds then Outstanding. In the absence of delivery of such notices satisfying these requirements, the Trustee may assume conclusively that there is no such default. The summary of the Trustee's rights, duties, obligations and immunities contained herein is not intended to be a complete summary, and reference must be made to the Indenture for a complete statement of the Trustee's rights, duties, obligations and immunities.

The Trustee may resign and be discharged by written resignation filed with the Authority (and a copy to the Borrower) not less than 30 days prior to the date the resignation is to take effect. Such resignation will take effect only upon the appointment of, and acceptance of such appointment by, a successor trustee. In addition, the Trustee may be removed at any time by an instrument appointing a successor to the Trustee so removed, executed (i) by the Authority at the direction of the Holders of a majority in principal amount of the Bonds then Outstanding, or (ii) so long as no Event of Default has occurred and is continuing, by the Authority or by the Borrower with the written consent of the Authority.

Any successor trustee must be a national banking association or a state bank with trust powers or a bank and trust company having capital and surplus of at least \$50,000,000, if there is one able and willing to accept the trust on reasonable and customary terms.

Limitation of Rights; No Personal Recourse.

With the exception of rights conferred expressly in the Indenture, nothing in the Indenture expressed or implied is intended or shall be construed to give to any person other than the parties thereto, the Borrower and the Holders of the Bonds any legal or equitable right, remedy, power or claim under or with respect to the Indenture or any covenants, agreements, conditions and provisions contained therein.

The Indenture does not pledge the general credit of the Authority or the general credit or the taxing power of Cambria County, the Commonwealth of Pennsylvania or any political subdivision thereof. The liability of the Authority shall be limited to and payable solely from the sources described herein under "SECURITY AND SOURCES OF PAYMENT FOR BONDS".

No recourse shall be had for any claim based on the Indenture or the Bonds, including but not limited to the payment of the principal or redemption price of, or interest on, the Bonds, against the Authority or any member,

officer, agent or employee, past, present or future, of the Authority or of any successor body, as such, either directly or through the Authority or any such successor body, under any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or by any legal or equitable proceeding or otherwise. The obligations and liabilities of the Authority arising under the Indenture shall be payable solely from the Revenues. The Program Sponsor shall have no liability under the Indenture, under the Bonds or under the Loan Agreement.

BONDHOLDERS' RISKS

General

The Bonds are limited obligations of the Authority and are payable solely from payments made pursuant to the Loan Agreement and from certain funds held by the Trustee under the Indenture. No representation or assurance can be given that the Borrower will generate sufficient revenues to meet the Borrower's payment obligations under the Loan Agreement. Future legislation, regulatory actions, economic conditions, changes in the number of students in attendance at the Borrower, or other factors could adversely affect the Borrower's ability to generate such revenues. Neither the Underwriter nor the Authority has made any independent investigation of the extent to which any such factors will have an adverse impact on the revenues of the Borrower.

Covenant to Maintain Tax-Exempt Status of the Bonds

The tax-exempt status of the Bonds is based on the continued compliance by the Authority and the Borrower with certain covenants contained in the Indenture, the Loan Agreement and the other documents executed by the Authority, the Borrower and the Trustee. These covenants relate generally to restrictions on use of facilities financed with proceeds of the Bonds, arbitrage limitations, rebate of certain excess investment earnings to the federal government and restrictions on the amount of issuance costs financed with the proceeds of the Bonds. Failure by the Authority and/or the Borrower to comply with such covenants could cause interest on the Bonds to become subject to federal income taxation retroactive to the date of issuance of the Bonds.

Enforceability of Remedies

The remedies available to Bondholders upon an Event of Default under the Indenture or the Loan Agreement are in many respects dependent upon judicial action, which is subject to discretion or delay. Under existing law and judicial decisions, including specifically the Bankruptcy Code, the remedies specified in the Indenture and the Loan Agreement may not be readily available or may be limited. A court may decide not to order specific performance.

The various legal opinions to be delivered concurrently with the original delivery of the Bonds will be qualified as to enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws or legal or equitable principles affecting creditors' rights.

State and Federal Legislation

Legislation has been proposed in the past, and may be proposed again in the future, to eliminate the tax-exempt status of bonds issued to finance educational facilities or to limit the use of tax-exempt bonds, or to prevent certain holders of tax-exempt bonds from realizing the full benefit of the tax exemption of interest on such bonds. Any such limitation could reduce the ability of the Borrower to finance its future capital needs. The effect on the Borrower of proposed laws and regulations and of future changes in federal and state laws and policies cannot be fully or accurately determined at this time.

Other Risk Factors

In the future, the following factors, among others, may adversely affect the operations of the Borrower to an extent that cannot be determined at this time:

- (1) Loss of accreditation for the Borrower or key academic programs.
- (2) Employee strikes and other adverse labor actions that could result in a substantial reduction in revenues without corresponding decreases in costs.
- (3) Litigation resulting in required payments by the Borrower which exceed insurance coverages.
- (4) Increased costs and decreased availability of public liability or other types of insurance.
- (5) Changes in the demand for higher education in general or for programs offered by the Borrower in particular.
- (6) Cost and availability of energy.
- (7) High interest rates, which could strain cash flow or prevent borrowing for needed capital expenditures.
- (8) A decrease in student loan funds or other aid that permits many students the opportunity to pursue higher education.
- (9) An increase in the costs of health care benefits, retirement plans, or other benefit packages offered by the Borrower to its employees.
- (10) Withdrawal of any current exemptions from local real estate taxes, business privilege taxes and similar impositions.
- (11) Losses in investments held by the Borrower.
- (12) Reduced future Borrower net tuition revenue as a result of a need to increase tuition discounting to attract students.
- (13) Increased competition from other institutions of higher learning which may offer similar academic programs or may recruit similar students, and that may result in reduced enrollments and reduced Borrower revenues.
- (14) Reduced ability to attract future capital campaign contributions, that may limit future projects and/or the ability to address deferred maintenance and/or reduced ability to attract future annual fund contributions that may negatively impact the ability to afford annual operating expenses and which may negatively affect operating performance.
- (15) Reduced availability of qualified faculty to teach the programs offered by the Borrower or to secure adequate clinical assignments for health science related studies.
- (16) An inability to retain students, resulting in enrollment losses and reduced revenues, which may be due to reduced financial aid available to students from the Borrower or from Federal or state sources.
- (17) Future deficits as a result of increased future expenses and/or reduced revenues.
- (18) Any failure to successfully implement future new programs, negatively affecting operating performance.

NO PERSONAL RECOURSE

No covenant or agreement contained in the Indenture, the Bonds or the Loan Agreement shall be deemed to be the covenant or agreement of any member, director, officer, attorney, agent or employee of the Borrower, the Authority or the Program Sponsor in an individual capacity. No recourse shall be had for the payment of any claim based thereon against any member, director, officer, agent, attorney or employee of the Borrower, the Authority or the Program Sponsor past, present or future, or their successors or assigns, as such, either directly or through the Borrower, the Authority or the Program Sponsor, or any successor corporations, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise.

LITIGATION

As of the date hereof, there is no litigation of any nature pending or, to the Authority's knowledge, as to the Authority, or the Borrower's knowledge, threatened against the Authority or the Borrower to restrain or enjoin the issuance, sale, execution or delivery of the Bonds or the application of the proceeds thereof as herein described, or in any way contesting or affecting the validity of the Bonds or any proceedings of the Authority taken with respect to the issuance or sale thereof, the pledge or application of any monies or security for the Bonds or the existence or powers of the Authority.

As of the date hereof, to the knowledge of the Borrower, there is no litigation pending or threatened against the Borrower wherein an unfavorable decision would adversely affect the ability of the Borrower to carry out its obligations under the Indenture or the Loan Agreement, or would have a material adverse impact on the financial position or operations of the Borrower.

CONTINUING DISCLOSURE

On or before the date of issuance of the Bonds, the Borrower will enter into a Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") with The Bank of New York Mellon Trust Company, N.A. (the "Dissemination Agent") in substantially the form set forth in Appendix C hereto. Pursuant to the Continuing Disclosure Agreement, the Borrower will agree to provide certain continuing disclosure for the benefit of the holders of the Bonds pursuant to Securities and Exchange Commission Rule 15c2-12 (the "Rule"). The provisions of the Continuing Disclosure Agreement will be for the benefit of the beneficial owners of the Bonds, and each beneficial owner will be a beneficiary of the provisions of the Continuing Disclosure Agreement with the right to enforce such provisions directly against the Borrower. However, breach of the provisions of the Continuing Disclosure Agreement will not be considered an Event of Default under the Indenture or the Loan Agreement and none of the rights and remedies provided under the Indenture or the Loan Agreement upon an Event of Default (other than specific performance) will be available to the beneficial owners in the event of such breach. Unless otherwise required by law, no beneficial owner is entitled to damages for the Borrower's noncompliance with its obligations under the Continuing Disclosure Agreement.

The Borrower has made similar undertakings in the past (the "Prior Continuing Disclosure Undertakings") in connection with other series of bonds previously issued for the benefit of the Borrower. While the Borrower made annual filings of financial and operating information in accordance with the Rule and the Prior Continuing Disclosure Undertakings during the five years preceding the date of this Official Statement, in some instances the filings were made after the filing deadline and the Borrower did not timely file notices in regard to such late filings. The Borrower also failed to file a notice of a 2016 change in the rating of its then outstanding bonds. Corrective filings to bring the Borrower's prior filings into conformity with the requirements of the Rule and the Prior Continuing Disclosure Undertakings have been made by the Borrower. The Borrower has adopted written policies and procedures governing the Borrower's compliance with its continuing disclosure undertakings.

TAX MATTERS

General

In the opinion of Ballard Spahr LLP, Bond Counsel, interest on the Bonds is excludable from gross income for purposes of federal income tax under existing laws as enacted and construed on the date of initial delivery of the Bonds, assuming the accuracy of the certifications of the Authority and the Borrower and continuing compliance by the Authority and the Borrower with the requirements of the Internal Revenue Code of 1986 (the "Code"). Interest on the Bonds is not an item of tax preference for purposes of either individual or corporate federal alternative minimum tax; however, interest on Bonds held by a corporation (other than an S Corporation, regulated investment company, or real estate investment trust) may be indirectly subject to federal alternative minimum tax because of its inclusion in the adjusted current earnings of a corporate holder. Bond Counsel expresses no opinion regarding other Federal tax consequences relating to ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

Certain of the Bonds have been offered at a discount ("original issue discount") equal generally to the difference between public offering price and principal amount. For Federal income tax purposes, original issue discount on a Bond accrues periodically over the term of the Bond as interest with the same tax exemption and alternative minimum tax status as regular interest. The accrual of original issue discount increases the holder's tax basis in the Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Holders should consult their tax advisers for an explanation of the accrual rules.

Certain of the Bonds have been offered at a premium ("original issue premium") over their principal amount. For federal income tax purposes, original issue premium is amortizable periodically over the term of a Bond through reductions in the holder's tax basis for the Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Amortization of premium does not create a deductible expense or loss. Holders should consult their tax advisers for an explanation of the amortization rules.

Bond Counsel is also of the opinion that, under the laws of the Commonwealth of Pennsylvania as enacted and construed on the date of initial delivery of the Bonds, interest on the Bonds is exempt from Pennsylvania personal income tax and corporate net income tax, and the Bonds are exempt from personal property taxes in Pennsylvania.

Changes in Federal and State Tax Law

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Bonds or otherwise prevent holders of the Bonds from realizing the full benefit of the tax exemption of interest on the Bonds. Further, such proposals may impact the marketability or market value of the Bonds simply by being proposed. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds would be impacted thereby.

Purchasers of the Bonds should consult their tax advisers regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approval of Ballard Spahr LLP, Philadelphia, Pennsylvania, Bond Counsel. A signed copy of their opinion, dated and premised on facts existing and law in effect as of the date of original issuance and delivery of the Bonds, will be delivered to the Trustee at the time of such original issuance.

Certain legal matters will be passed upon by Shahade and Shahade, Johnstown, Pennsylvania, as counsel to the Authority; by Dennis M. McGlynn, McGlynn and Moore, Johnstown, Pennsylvania, as counsel to the Borrower; and by Campbell & Levine, LLC, Pittsburgh, Pennsylvania, as counsel to the Underwriter.

RATING

S&P Global Ratings, a Standard & Poor's Financial Services LLC business ("S&P" or the "Rating Service"), has assigned its municipal bond rating of "BBB" to the Bonds, accompanied by a Stable Outlook, based on the creditworthiness of the Borrower.

Certain information and materials not included in this Official Statement was furnished to S&P. Generally, such Rating Service bases its ratings on information and materials so furnished and on investigations, studies and assumptions by such Rating Service. The rating and outlook assigned to the Bonds reflects only the views of such Rating Service at the time such rating was issued, and an explanation of the significance of such rating and outlook may be obtained only from such Rating Service. Such rating and outlook are not a recommendation to buy, sell or hold the Bonds. There is no assurance that any such rating or outlook will continue for any given period of time or that they will not be lowered or withdrawn entirely by such Rating Service if, in its judgment, circumstances so warrant. Any such downward revision of such rating or outlook or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

UNDERWRITING

The Bonds are being purchased by George K. Baum & Company (the "Underwriter"). The Underwriter has agreed to purchase the Bonds at an aggregate purchase price of \$22,311,644.35 (which includes a net original issue premium of \$799,744.35). The purchase contract by and among the Underwriter, the Authority and the Borrower (the "Purchase Contract") provides that the Underwriter will purchase all of the Bonds, if any Bonds are purchased, and contains the agreement of the Borrower to indemnify the Underwriter and the Authority against losses, claims, damages and liabilities to third parties arising out of any materially incorrect or incomplete statements of information contained in this Official Statement pertaining to the Borrower or the Project.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The financial statements of the Borrower as of and for the fiscal years ended June 30, 2017 and June 30, 2016 are included in Appendix B hereto and have been audited Baker Tilly Virchow Krause, LLP, as stated in their report appearing therein.

VERIFICATION REPORT

The arithmetical accuracy of the mathematical computations supporting the adequacy of the maturing principal amounts of, and interest earned on, the securities purchased to fund the escrow account established for the refunding of the Refunded Bonds will be verified by Causey Demgen & Moore, Inc., as a condition to the delivery of the Bonds.

CERTAIN RELATIONSHIPS

An Executive Vice President of George K. Baum & Company, the Underwriter for the Bonds, is a member of the Board of Trustees of the Borrower. She did not vote with respect to the passage of the resolutions adopted by the Board of Trustees or the Executive Committee of the Board to approve the issuance of the Bonds and the Borrower's obligations respecting the Bonds.

OTHER MATTERS

The order and placement of materials in this Official Statement, including the Appendices, are not to be deemed a determination of relevance, materiality or importance, and this Official Statement, including the Appendices, must be considered in its entirety. The offering of the Bonds is made only by means of this entire Official Statement. Saint Francis is a Catholic university of choice for undergraduate and graduate students, nationally recognized for its Franciscan mission and goals, its academic excellence and its vibrant student life co-curriculum. The University places particular emphasis on developing individuals who will lead or serve with character and values in their chosen professions and communities.

Educational Philosophy

Saint Francis is committed to transmitting the knowledge, culture, and values of the past, not as historical curiosities, but as vital factors in facing the realities of life in the 21st century. The University confronts students with the full force of developments taking place in all aspects of modern life, challenging them to draw on the experiences of their predecessors while helping them to chart a realistic course for the future- their own and that of society.

Governance

The governance of the University is vested in the Board of Trustees. The bylaws of the University provide for the Board of Trustees to set the number of members of the Board. Currently the Board consists of 24 members. Board members are elected by the Board of Trustees for a term of four years and may serve no more than three consecutive terms. At least 20% of the members of the Board must be members of the Province of the Most Sacred Heart of Jesus of the Third Order Regular Franciscans. Members of the Board serve without pay or other compensation.

The Board meets three times a year. The Executive Committee, which can act on behalf of the Board, consists of the Chair of the Board, the President of the University and the Chairs of the various standing committees. Standing committees, such as Finance and Operations, often meet in between full board meetings.

Management Discussion

History

The University, rooted in the tradition of the Franciscan Friars, Third Order Regular of the Most Sacred Heart of Jesus, has evolved throughout the years from a boy's school founded in 1847 to the current co-educational university with four distinct schools.

Physical Infrastructure & Related Financial Discipline

The University has been able to consistently improve and add to its physical infrastructure by a commitment to fiscal responsibility and successful fundraising, utilizing a combination of internal resources, donor gifts and a modest amount of debt. Approximately \$56 million of major project construction and renovations have occurred since 2007 with only \$17.2 million of related additional debt issuance during the same period. Over the past ten years, property, plant & equipment grew from \$29.3 to \$70 million while debt only increased from \$12.7 to 23.7 million.

Academic Excellence

The University is recognized for each of its niche programs located in the University's four distinct schools of a.) Arts & Letters, b.) Sciences, c.) Business and d.) Health Sciences. The most populated school is the School of Health Sciences with 45% of undergraduates and 65% of graduate students, as of Fall of 2017. The University is the first Franciscan university in the United States and one of the first to offer the Physician Assistant program. For six out of the past ten years, the University's Nursing graduates have achieved a 100% pass rate on board exams and the University's Physician Assistant and Occupational Therapy graduates have enjoyed a 100% pass rate on professional licensing exams in two out of the last three years. The University consistently receives positive rankings in various national publications. The University recently announced that it has moved into the top 20 listing of the "Best Regional Universities" in the northern U.S. The Best Regional University survey compares universities that offer a robust selection of both master's level programs and undergraduate education.

Enrollment

Fall 2017 newly enrolled undergraduates, at 376 reflects an increase of 20 students from Fall 2016. The University's Fall 2017 matriculation rate also improved at 31.1% vs. 28.8% in Fall of 2016. The University has adopted enrollment strategies to focus on targeted applications, which the University believes has influenced its solid undergraduate matriculation rate. For Fall 2017, 82% of students were residents and 18% commuters. The Fall 2017 freshman to sophomore retention measured 85.1%. Undergraduate students in Fall of 2017 populated the University's four schools as follows: School of Health Sciences at 45%, School of Sciences at 18%, School of Business at 17% and School of Arts & Letters at 20%. 65% of Fall 2017 graduate students populated the School of Health Sciences, with the remaining 24% in the School of Business and 11% in the School of Arts & Letters.

Results from Operations

While the University enjoyed surpluses in seven out of the last ten years, fiscal year 2017 ended in a full accrual deficit, which the University feels is an anomaly, largely related to enrollment pressures. The current academic year of 2017-18 saw higher freshman enrollment levels and the implementation of budget initiatives, endorsed by the campus community and embraced by the University's trustees. Additionally, new recently launched academic programs included a Masters in Nursing Education and Masters in Cancer Survivorship. The University's Adult Degree and Continuing Studies have seen

increased net revenues over the past two years, and the University is hopeful of this trend continuing. At June 30, 2017, the University's cash & investments totaled \$50.1 million, equal to 2.11x of outstanding debt. The University's debt structure is overall level with its maximum annual debt service having measured only 3.13% of operating expenses in fiscal 2017. The fiscal 2018 budget is poised to have a small deficit on a full accrual basis, including approximately \$4.6 million of depreciation expense (see page A-15).

Conclusion

The University is committed to management agility and a cost structure which will continue to provide recognized programs and campus facilities to meet the needs of all constituents, all the while mindful of sound financial disciplines as it approaches its 175th year.

Saint Francis University

We have audited the accompanying consolidated financial statements of Saint Francis University, which comprise the consolidated statement of financial position as of June 30, 2017 and 2016, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Saint Francis University as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Saint Francis University (the "College") is a not-for-profit educational institution located in Loretto, Pennsylvania. The College awards grants-in-aid and scholarships from its unrestricted and temporarily restricted net assets to individuals who meet the College's academic standards. The amounts of such awards are determined primarily based upon the academic performance of each applicant. Additional financial aid is provided to students from federal and state programs in which the College participates and from monies contributed to the College by alumni and friends.

DiSepio Institute for Rural Health and Wellness ("DIRHW"), a separate not-for-profit organization, is a related party which requires consolidation under Financial Accounting Standards Board ("FASB") guidance. DIRHW offers a series of health promotion and rehabilitation services to the College and surrounding community, particularly those who have limited resources and are underserved. DIRHW staff and members of the College's health and behavioral sciences departments pursue clinical research, engage in clinical teaching, and offer clinical services to members of the College and local communities.

The College evaluated subsequent events for recognition or disclosure through October 6, 2017, the date the financial statements were issued.

Principles of Consolidation

The consolidated financial statements include the accounts of the College and DIRHW (collectively, the "University"). The activities of DIRHW have been consolidated in these financial statements due to the College having controlling interest in DIRHW through a majority voting interest in the board. All significant intercompany balances and transactions have been eliminated in consolidation.

Accounts Receivable, Students

Accounts receivable, students are reported at net realizable value. Accounts receivable, students are not collateralized. Accounts are written off when they are determined to be uncollectible based upon management's assessment of individual accounts. The allowance for doubtful accounts is estimated based on the University's historical losses and periodic review of individual accounts.

Promises to Give

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk adjusted interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contribution revenue. An allowance is made for uncollectible contributions based upon management's judgment and analysis of the creditworthiness of the donors past collection experience and other relevant factors.

Conditional promises to give are promises for which donor-imposed conditions specify future and uncertain events whose occurrence or failure to occur release the donors from the obligation to transfer assets in the future. If and when such conditions have been substantially met, these promises cease to be conditional, and revenues are recorded, as appropriate.

Donor-Restricted Gifts

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classifications. When a donor restriction expires, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

For contributed property and equipment and contributions restricted by donor for purchases of property and equipment, if donors stipulate how long the assets must be used, the contributions are recorded as temporarily restricted support. Temporarily restricted net assets related to these contributions are released from restriction equal to depreciation expense of the related assets. In the absence of such stipulations, these types of contributions are recorded as unrestricted support.

Investments

Equity securities with readily determinable fair values and debt securities are valued at fair value based on quoted market prices. Adjustments to reflect increases or decreases in market value, referred to as unrealized gains and losses, are reported in the consolidated statement of activities.

The cost of investments received as gifts is fair value as determined upon receipt. The cost of investments sold is determined by use of the specific identification method.

All realized and unrealized gains and losses arising from the sale or appreciation (depreciation) in fair value of investments, and all income from investments, are reported as changes in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor-imposed stipulations, or by law.

Alternative investments, representing ownership in private equity funds are valued at the net asset value equivalent of the underlying holdings.

The University's principal financial instruments subject to credit risk are its investments. The investments are managed by professional advisors subject to the University's investment policy. The degree and concentration of credit risk varies by type of investment. The fair values reported in the consolidated statement of financial position are exposed to various risks including changes in the equity markets, the interest rate environment, and general economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the amounts reported in the accompanying consolidated financial statements could change materially in the near term.

Notes to Consolidated Financial Statements
June 30, 2017 and 2016

Plant Assets

Plant assets are stated at cost, if purchased, or fair value at the date of gift, if donated, less accumulated depreciation, computed on a straight-line basis over their estimated useful lives: buildings (12-62 years); land improvements (20-40 years); furniture and equipment (2-10 years); vehicles (5 years). Library books are stated at cost and are depreciated on a straight-line basis over an estimated useful life of 7 years. Maintenance and repairs are charged to expense as incurred; replacements and betterments are capitalized.

Student Deposits and Prepayments

Tuition, fees, and room and board from currently enrolled students is billed in advance and is recognized as revenue when earned.

Advance from Federal Government for Student Loans

The University is a participant in the Federal Perkins Loan program, a program which makes student loans available to eligible participants. This program is funded by both the federal government and the University, with the portion estimated to be allocable to the federal government recorded as a liability in the consolidated statement of financial position, and the portion allocable to the University included in unrestricted net assets.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the University has been limited to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by the University in perpetuity.

Tuition and Fees

Tuition and fees are presented net of grants-in-aid, scholarships, and fellowships.

Nonoperating Activities

For the purpose of the consolidated statement of activities, the University considers its changes in unrestricted net assets to be operational changes, except for changes related to gains or losses on investments, capital grants, and changes in the valuation of split-interest agreements.

Government Grants

Operating funds designated by government funding agencies for particular operating purposes are deemed to be earned and reported as revenues when the University has incurred expenditures in compliance with the contract.

Advertising Costs

Advertising costs are expensed as incurred and amounted to approximately \$967,000 in 2017 and \$1,022,000 in 2016.

Saint Francis University

Notes to Consolidated Financial Statements
June 30, 2017 and 2016

Fund-Raising Costs

Fund-raising costs are expensed as incurred and amounted to approximately \$1,182,000 in 2017 and \$1,065,000 in 2016 and are included in institutional support in the consolidated statement of activities.

Cash Equivalents

For the purposes of the consolidated statement of cash flows, the University considered all highly liquid investments with original maturities of three months or less (excluding certain short-term instruments which are classified as investments) to be cash equivalents.

Functional Expenses

Depreciation of property and equipment, interest on long-term debt, and plant operations and maintenance costs are allocated to program and supporting activities based upon the facilities' primary uses.

Income Taxes

The University is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the IRC.

The University accounts for uncertainty in income taxes using a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold is met. Management determined there were no tax uncertainties that met the recognition threshold in fiscal 2017 and 2016.

The University's policy is to recognize interest related to unrecognized tax benefits in interest expense and penalties in operating expenses.

Title IV Requirements

The University participates in Government Student Financial Assistance Programs ("Title IV") administered by the U.S. Department of Education ("ED") for the payment of student tuitions. Substantial portions of the revenue and collection of ending accounts receivable as of June 30, 2017 and 2016 are dependent upon the University's continued participation in the Title IV programs.

Institutions participating in the Title IV programs are also required by ED to demonstrate financial responsibility. ED determines an institution's financial responsibility through the calculation of a composite score based upon certain financial ratios as defined in the regulations. Institutions receiving a composite score of 1.5 or greater are considered fully financially responsible. Institutions receiving a composite score between 1.0 and 1.4 are subject to additional monitoring, and institutions receiving a score below 1.0 are required to submit financial guarantees in order to continue participation in the Title IV programs. As of June 30, 2017 and 2016 and for the years then ended, the University's composite score exceeded 1.5.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Standards Not Yet Adopted

During May 2014, the FASB issued Accounting Standards Update ("ASU") No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. ASU No. 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. During 2015 and 2016, the FASB also issued ASU No. 2015-14, which defers the effective date of ASU No. 2014-09; ASU No. 2016-08, *Principal versus Agent Considerations (Reporting Revenue Gross versus Net)*, which clarifies the implementation guidance on principal versus agent considerations in Topic 606; ASU No. 2016-10, *Identifying Performance Obligations and Licensing*, which clarifies the identification of performance obligations and the licensing implementation guidance; ASU No. 2016-12, *Narrow-Scope Improvements and Practical Expedients* and ASU No. 2016-20, *Technical Corrections and Improvements to Topic 606*, which both affect narrow aspects of Topic 606. Topic 606 (as amended) is effective for fiscal years beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. The University may elect to apply the guidance earlier, but no earlier than fiscal years beginning after December 15, 2016. The amendments may be applied retrospectively to each prior period presented or retroactively with the cumulative effect recognized as of the date of initial application. The University is currently assessing the effect that Topic 606 (as amended) will have on its results of operations, financial position and cash flows.

During February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. ASU No. 2016-02 requires lessees to recognize the assets and liabilities that arise from leases on the statement of financial position. A lessee should recognize in the statement of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. ASU No. 2016-02 is effective for annual periods beginning after December 15, 2019, and interim periods within fiscal years beginning after December 15, 2020. Early adoption is permitted. The University is currently assessing the effect that ASU No. 2016-02 will have on its results of operations, financial position and cash flows.

During August 2016, FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The new guidance improves and simplifies the current net asset classification requirements and information presented in financial statements and notes that is useful in assessing a not-for-profit's liquidity, financial performance and cash flows. ASU 2016-14 is effective for fiscal years beginning after December 15, 2017, with early adoption permitted. ASU 2016-14 is to be applied retroactively with transition provisions. The University is assessing the impact this standard will have on its financial statements.

Saint Francis University

Notes to Consolidated Financial Statements
June 30, 2017 and 2016

During November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. The amendments in this update require that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. ASU 2016-18 is effective for non-public entities for fiscal years beginning after December 15, 2018, with early adoption permitted. ASU 2016-18 is to be applied retroactively with transition provisions. The University is currently evaluating the effect that ASU 2016-18 will have on its financial statements.

2. Accounts Receivable, Student

Accounts receivable, student represent amounts due for tuition, fees, and room and board from currently enrolled and former students. The University extended unsecured credit to students and parents of dependent students in connection with their studies. Some of those students are no longer enrolled in the University.

Student accounts receivable consists of the following at June 30:

	<u>2017</u>	<u>2016</u>
Accounts receivable	\$ 2,056,273	\$ 2,202,414
Allowance for doubtful accounts	(255,000)	(300,000)
Net	<u>\$ 1,801,273</u>	<u>\$ 1,902,414</u>

3. Unconditional Promises to Give

Unconditional promises to give are recognized as revenue when the donor's commitment is received. Unconditional promises to be received after one year are initially recognized at the estimated present value of future cash flows, net of allowances (fair value).

Unconditional promises to give at June 30 are as follows:

	<u>2017</u>	<u>2016</u>
In one year or less	\$ 422,368	\$ 777,818
Between one year and five years	813,904	1,248,336
More than five years	7,500	15,000
Allowance for doubtful collections	(264,980)	(368,531)
Discount	(169,634)	(155,458)
Unconditional promises to give, net	<u>\$ 809,158</u>	<u>\$ 1,517,165</u>

The net present value of these cash flows was determined by using risk adjusted discount rates between .33% and 4.17% to account for the time value of money for 2017 and 2016.

Management believes the University's allowance for doubtful collections at June 30, 2017 and 2016 is adequate based upon information currently known. However, events impacting donors can occur in subsequent years that may cause a material change in the allowance for doubtful collections.

4. Fair Value Measurements, Investments and Other Financial Instruments

The University measures its investments and beneficial interest in remainder trust at fair value on a recurring basis in accordance with accounting principles generally accepted in the United States of America. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework that the authoritative guidance established for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. The levels of the fair value hierarchy are as follows:

Level 1 - Fair value is based on unadjusted quoted prices in active markets that are accessible to the University for identical assets or liabilities. These generally provide the most reliable evidence and are used to measure fair value whenever available.

Level 2 - Fair value is based on significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the same term of the asset or liability through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3 - Fair value is based on significant unobservable inputs. Examples of valuation methodologies that would result in Level 3 classification include option pricing models, discounted cash flows and other similar techniques.

Change in the valuation of split interest agreements is reported as nonoperating activity in the consolidated statement of activities.

Valuation Methodologies

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2017 and 2016.

Cash and cash equivalents: The carrying amounts approximate fair value because of the short maturity of those financial instruments.

Investments: Mutual funds and marketable equity securities in the investment portfolio are measured at fair value using quoted market prices for identical assets, which are considered Level 1 inputs. Bond obligations are valued based on quoted prices of similar assets, with similar terms, in actively traded markets and are measured using Level 2 inputs.

Alternative Investments: The University measures the fair value for these alternative investments based on NAV as a practical expedient, without further adjustment, unless it is probable that the investment will be sold at a significantly different value. If not determined as of the Fund's measurement date, net asset value ("NAV") is adjusted to reflect any significant events that would materially affect the security's value. Certain attributes that impact the security's fair value may not be reflected in NAV, including, but not limited to, the investor's ability to redeem the investment at the measurement date and unfunded purchase commitments. If the University sold all or a portion of its alternative investments, it is reasonably possible that the transaction value could differ significantly from the estimated fair value at the measurement date, because of the nature of the investments, changes in market conditions and the overall economic environment. Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the consolidated statement of financial position.

The alternative investments represent investments in private equity funds that pursue multiple strategies to diversify risks and reduce volatility. The alternative investments pursue multiple strategies as follows:

- LBC Credit Partners, II is a private equity fund focused on providing middle market financing and equity co-investments in companies with earnings generally greater than \$7.5 million. Their financing promotes transactions such as buyouts, acquisitions, recapitalizations, etc. Valuations are determined by the General Partner which are then reviewed by the Valuation Committee. For publicly traded securities, the value is based on the average price of the 5 trading dates immediately prior to the valuation date. All other securities are valued using fair market value techniques which include arm's length transactions, market multiples, discounted cash flow, etc. The duration of this investment is the 10th anniversary of the final closing date, however this may be extended at the General Partner's discretion for up to two one-year periods. The University is committed for the duration of the investment and has committed \$500,000 (\$175,870 is unfunded as of June 30, 2017).
- Patriot Financial Partners, L.P. is a private equity fund focused on investing in community banks, thrifts and financial service related companies throughout the United States. Patriot's objective is to provide superior risk-adjusted returns by applying a hands-on, value-added investment model to non-control investments within the community banking sector, which consists of more than 1,000 public and privately-held depository institutions that have between \$500 million and \$5 billion of assets. Valuations are determined by the General Partner which require approval from the Advisory Committee. For publicly traded securities, the value is based on the average price of the 10 trading dates immediately prior to the valuation date. All other securities are valued using fair market value techniques which include arm's length transactions, market multiples, discounted cash flow, etc. The duration of this investment is the 10th anniversary of the final closing date, however this may be extended at the General Partner's discretion for up to two one-year periods. The University is committed for the duration of the investment and has committed \$750,000 (\$3,040 is unfunded as of June 30, 2017).

There are no redemption restrictions associated with the alternative investments.

5. Student Loans Receivable

Student loans are made with funds advanced to the University by the federal government under the Federal Perkins Loan program (the "Program"). Such funds may be reloaned by the University after collection, but in the event that the University no longer participates in the Program, the amounts are refundable to the federal government. The federal government's portion of these funds at June 30, 2017 and 2016 was \$1,153,951 and \$1,162,440, respectively.

The University matches and contributes one-third of the amount contributed by the U.S. Government to the Program.

The prescribed practices for the Program do not provide for accrual of interest on student loans receivable or for a provision of allowance for doubtful loans. Accordingly, interest on loans is recorded as received; uncollectible loans are not recognized until the loans are canceled or written off in conformity with Federal Perkins Loan Program requirements. The impact of recording interest income on a cash basis is not considered significant. In addition, the credit quality of the student is not evaluated after the initial approval and calculation of the loans. Delinquent loans and the allowance for losses on loans receivable are reviewed by management, but are not material to the overall consolidated financial statements.

12. Endowment Funds

The University's endowment consists of approximately 200 individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees of the University has interpreted Pennsylvania law as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the University classified as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as either temporarily restricted or unrestricted net assets based on the existence of donor restrictions or by law.

The University considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purpose of the University and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the University
- (7) The investment policies of the University

Saint Francis University

Notes to Consolidated Financial Statements

June 30, 2017 and 2016

The University has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the University must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the performance of a median balanced fund while assuming a moderate level of investment risk. The University expects its endowment funds, over time, to provide an average rate of return of approximately 6%, net of fees, annually. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate-of-return objectives, the University relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The University targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Commonwealth of Pennsylvania law permits the University to allocate to income each year a portion of endowment return. The law allows non-profit organizations to spend a percentage of the market value of their endowment funds, including realized and unrealized gains. The percentage by law must be between 2% and 7%. The University's policy for fiscal years 2017 and 2016 allowed for a payout of 5% of the three-year average balance as measured by the last six semi-annual balance points excluding the current period, which is based on market value net of investment management fees. In establishing this policy, the University considered the long-term expected return on its endowment. Accordingly, over the long term, the University expects the current spending policy to allow its endowment to grow at an average of 4.5% annually. This is consistent with the University's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or law requires the University to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature that are reported in unrestricted net assets were \$43,544 as of June 30, 2016. There were no deficiencies at June 30, 2017. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions and continued appropriation for certain programs that was deemed prudent by the Board of Trustees.

13. Pension Plan

The University sponsors a defined contribution pension plan. Pension expense was approximately \$2,038,000 in 2017 and \$2,060,000 in 2016.

14. Franciscan Sponsorship

The University paid full salaries to the religious faculty and staff of approximately \$720,000 and \$673,000 during the years ended June 30, 2017 and 2016, respectively.

15. Government Grants and Student Aid

The amounts under these captions do not include amounts remitted to students under the Pennsylvania Higher Education Assistance Agency Program and the PELL Grants Program. These grants are similar to agency funds as the University acts only as custodian and disbursing agent. Had these amounts been included, revenues and expenses would have increased by approximately \$4,046,000 in 2017 and \$4,386,000 in 2016.

16. Significant Group Concentration of Credit Risk

The University maintains its cash accounts in commercial banks located in Pennsylvania. Accounts are insured by the Federal Deposit Insurance Corporation. From time to time, the bank balances will exceed this coverage.

17. Contingencies

The University participates in a Private College Consortium (the "Consortium"), a cooperative effort between educational institutions to purchase medical services for their collective group. The Consortium uses "cost plus funding", a fully insured product under Highmark Blue Cross Blue Shield ("Highmark"). Under this arrangement, the Consortium pays a predetermined premium based on Highmark's underwriting projections. At the close of each contract period, Highmark calculates an amount by which the Consortium has either overfunded or underfunded the trust fund created in connection with the arrangement. This calculation takes into consideration the premiums paid by the group, claims paid during the contract period, claims paid but not incurred during the contract period, claims incurred but not paid during the contract period and a reserve deposit. The Consortium limits its claims exposure through the purchase of stop loss insurance, which pays 100% of the sum of all actual claim payments for covered health benefits made to a covered individual in a policy year that exceed \$275,000, with an unlimited lifetime maximum. The University's share of the Consortium's trust fund surplus was approximately \$488,000 and \$531,000 at June 30, 2017 and 2016, respectively. The University's premium payments to the Consortium amounted to approximately \$4,501,000 in 2017 and \$4,117,000 in 2016. Although there is a potential refund due if the University elects to terminate participation in the Consortium, management has concluded that it would not be appropriate to record this potential refund in the consolidated financial statements due to the uncertainties surrounding its realization.

Notes to Consolidated Financial Statements

June 30, 2017 and 2016

The University participates in the University and College Insurance Consortium ("UCIC"). UCIC is a self-insurance group providing workers' compensation coverage to member educational institutions. As part of the agreement with UCIC, the University is contingently liable for possible additional workers compensation premiums. As of June 30, 2017, management does not expect any significant contingencies.

The University owns property constructed prior to the passage of the Clean Air Act that contain encapsulated asbestos material. Current law requires that this asbestos be removed in an environmentally safe manner prior to demolition or renovation of the property. The University has not recognized the asset retirement obligation for asbestos removal in its consolidated financial statements because it currently has no plans to demolish or renovate this property and as such, cannot reasonably estimate the fair value of the obligation. If plans change with respect to the use of the property and sufficient information becomes available to estimate the liability it will be recognized at that time.

SECTION 3. Provisions of Annual Reports.

(a) The Borrower shall deliver, or shall provide to the Dissemination Agent and shall cause the Dissemination Agent to deliver, to each Repository, an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement, not later than 60 days following approval by the Board of Trustees of the Borrower of its audited financial statements related to the end of each fiscal year of the Borrower (presently ending June 30), commencing with the fiscal year ending June 30, 2017, and in no case shall such Annual Report be delivered to each Repository later than nine months following the last day of each fiscal year. In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Agreement; provided that the financial statements of the Borrower may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report, if submitted in accordance with the provisions of Section 4. If the fiscal year of the Borrower changes, the Borrower shall give notice of such change in the same manner as for a Listed Event under Section 5.

(b) Upon receipt of the Annual Report from the Borrower the Dissemination Agent shall be entitled to assume that the Borrower delivered it to each Repository. The Dissemination Agent shall have no responsibility for providing the Annual Report provided to it by the University to each Repository unless directed in writing to do so by the Borrower. If so directed, the Dissemination Agent shall provide such Annual Report to each Repository as expeditiously as possible, but in no event later than five (5) Business Days after receipt of such direction and information. If the Dissemination Agent receives the Annual Report from the Borrower and delivers the Annual Report to the Repository, the Dissemination Agent shall file a report with the Issuer and, if the Dissemination Agent is not the Trustee, with the Trustee (with a copy to the Borrower) to the effect that the Annual Report has been so delivered pursuant to this Disclosure Agreement and stating the date it was delivered. If the Borrower delivers the

Annual Report directly to the Repository, it shall provide a report to the same effect to the Issuer, the Dissemination Agent and, if the Dissemination Agent is not the Trustee, to the Trustee.

(c) If the Borrower fails either to (i) provide the Annual Report to the Dissemination Agent in a time, manner and condition sufficient for the Dissemination Agent to deliver the Annual Report in compliance with Section 3(a), or (ii) report to the Dissemination Agent that it has on its own so delivered the Annual Report, the Dissemination Agent shall send a notice to the Repository (and copies thereof to the Issuer and the Borrower) in substantially the form attached hereto as Exhibit A.

SECTION 4. Content of Annual Reports. The Annual Reports shall contain or include by reference the following:

(a) The financial statements of the Borrower for the prior fiscal year prepared in accordance with Generally Accepted Accounting Principles. If such financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 3(a), the Annual Report shall contain preliminary financial statements in a format similar to the financial statements contained in the Official Statement, and the final financial statements shall be filed in the same manner as the Annual Report when they become available, but no later than nine months following the last day of the Borrower's prior fiscal year.

(b) Operating data and financial information regarding the Borrower for the prior fiscal year of the same type as included in Appendix A to the Official Statement under the headings "Admissions and Enrollment" (but only as to the information set forth in the table under such heading), "Tuition and Fees" and "Summary Financial Information".

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues with respect to which the Borrower is an "obligated person" (as defined by the Rule), which have been filed with the Repository or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Borrower shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the Borrower shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds (each, a "Listed Event") in a timely manner not in excess of ten business days after the occurrence of the Listed Event:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;

- (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) modifications to rights of registered owners and Beneficial Owners, if material;
- (viii) bond calls (other than mandatory sinking fund redemption), if material, and tender offers;
- (ix) defeasances;
- (x) release, substitution or sale of property securing repayment of the Bonds, if material;
- (xi) rating changes;
- (xii) bankruptcy, insolvency, receivership or similar event of the Borrower;
- (xiii) the consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) Whenever the Borrower obtains knowledge of the occurrence of a Listed Event, the Borrower shall promptly prepare a notice describing the Listed Event and notify the Dissemination Agent, if any, and the Issuer in writing, and either report or instruct the Dissemination Agent to report, the occurrence to the Repository, or to the MSRB. Promptly upon receipt of such notice, the Dissemination Agent shall file it with the Repository, or with the MSRB, as instructed in writing by the Borrower, with a copy to the Issuer and, if the Dissemination Agent is not the Trustee, with the Trustee.

SECTION 6. Termination of Reporting Obligation. The Borrower's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If the Borrower's obligations under the Loan Agreement are assumed in full by some other entity, such person shall be responsible for compliance with this Disclosure Agreement in the same manner as if it were the Borrower and the Borrower shall have no further responsibility hereunder. If such termination or substitution occurs prior to the final maturity of the Bonds, the Borrower shall give notice of such termination or substitution in the same manner as for a Listed Event under Section 5.

SECTION 7. Dissemination Agent. The initial Dissemination Agent shall be The Bank of New York Mellon Trust Company, N.A. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report, including, without limitation, any Annual Report, prepared by the Borrower pursuant to this Disclosure Agreement. The Borrower may, from time to time, appoint or engage

a new Dissemination Agent, and may discharge any such Dissemination Agent, upon the appointment of a successor Dissemination Agent which shall be evidenced and be effective upon such successor Dissemination Agent's execution and delivery to the Issuer and the existing Dissemination Agent of a Form of Acceptance of Dissemination Agent's Duties substantially in the form attached hereto as Exhibit B. The Borrower also may assume the obligations of the Dissemination Agent hereunder itself, upon 15 days written notice to the Trustee and the Dissemination Agent, provided that during any period in which the Borrower is performing the obligations of the Dissemination Agent hereunder, references herein to "Dissemination Agent" shall be deemed to refer to the Borrower. The Borrower shall be responsible for all fees and associated expenses of the Dissemination Agent.

SECTION 8. The Issuer. The Issuer shall not have any responsibility or liability in connection with the Borrower's compliance with the Rule, its filing or other obligations under this Disclosure Agreement, or in connection with the contents of any such filings. The Borrower covenants and agrees to indemnify and save the Issuer, and its members, officers, employees and agents, harmless against any loss, expense (including reasonable attorneys' fees) or liability arising out of (i) any breach by the Borrower of its obligations under this Disclosure Agreement, or (ii) any Annual Report or notices or other information provided under this Disclosure Agreement or any omissions therefrom.

SECTION 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, provided that no amendment shall subject the Issuer to any additional obligations or liabilities, and, provided further, that unless otherwise permitted by the Rule, the following conditions are satisfied:

(a) The amendment or waiver may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds (including, but not limited to, affiliations, mergers, acquisitions, divestitures or dispositions affecting the Borrower), or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of a nationally recognized disclosure counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the registered owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of registered owners, or (ii) does not, in the opinion of a nationally recognized bond counsel, materially adversely affect the interests of the registered owners or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Borrower shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5, and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared

on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the Borrower shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 11. Default. In the event of a failure of the Borrower to comply with any provision of this Disclosure Agreement, the Issuer or the Dissemination Agent may, or at the written request of the Participating Underwriter or the registered owners of at least 25 % of the aggregate principal amount of outstanding Bonds and the provision of indemnification satisfactory to it, the Dissemination Agent shall, or any registered owner or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Borrower to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

SECTION 12. Duties, Immunities and Liabilities of Dissemination Agent. Article X of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture and applicable to the Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no further duties or responsibilities shall be implied. The Dissemination Agent shall not have any liability under, nor duty to inquire into the terms and provisions of, any agreement or instructions, other than as outlined in this Disclosure Agreement. The Dissemination Agent may rely and shall be protected in acting or refraining from acting upon any written notice, instruction or request furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Dissemination Agent shall be under no duty to inquire into or investigate the validity, accuracy or content of any such document. The Dissemination Agent shall not be liable for any action taken or omitted by it in good faith unless a court of competent jurisdiction determines that the Dissemination Agent's negligent or willful misconduct was the primary cause of any loss to the Borrower. The Dissemination Agent shall not incur any liability for following the instructions herein contained or expressly provided for, or written instructions given by the Borrower. In the administration of this Disclosure Agreement, the Dissemination Agent may execute any of its powers and perform its duties hereunder directly or through agents or attorneys and may consult with counsel, accountants and other skilled persons to be selected and retained by it. The Dissemination Agent shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons. The Dissemination Agent may resign and be discharged from its duties or obligations hereunder by giving notice in writing of such resignation specifying a date when such resignation shall take effect. Any corporation or association into which the Dissemination Agent in its individual capacity may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Dissemination Agent in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Dissemination Agent in its individual capacity may be sold or otherwise transferred, shall be the Dissemination Agent under this Disclosure Agreement without further act. The Borrower covenants and agrees to hold the Dissemination Agent and its directors, officers, agents and employees (collectively, the

"Indemnitees") harmless from and against any and all liabilities, losses, damages, fines, suits, actions, demands, penalties, costs and expenses, including out-of-pocket, incidental expenses, legal fees and expenses, the allocated costs and expenses of in-house counsel and legal staff and the costs and expenses of defending or preparing to defend against any claim ("Losses") that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them for following any instruction or other direction upon which the Dissemination Agent is authorized to rely pursuant to the terms of this Disclosure Agreement. In addition to and not in limitation of the immediately preceding sentence, the Borrower also covenants and agrees to indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed on, incurred by, or asserted against the Indemnitees or any of them in connection with or arising out of the Dissemination Agent's performance under this Disclosure Agreement provided the Dissemination Agent has not acted with gross negligence or engaged in willful misconduct. Anything in this Disclosure Agreement to the contrary notwithstanding, in no event shall the Dissemination Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Dissemination Agent has been advised of such loss or damage and regardless of the form of action. The obligations of the Borrower under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Re: \$21,620,000 Cambria County General Financing Authority Revenue Bonds
(AICUP Financing Program – Saint Francis University Project), Series 2017 PP3

Ladies and Gentlemen:

We have acted as Bond Counsel to the Cambria County General Financing Authority (the “Issuer”) in connection with the issuance of \$21,620,000 aggregate principal amount of its Revenue Bonds (AICUP Financing Program – Saint Francis University Project), Series 2017 PP3 (the “Bonds”). The Bonds are issued under and pursuant to the provisions of the Pennsylvania Municipality Authorities Act, 53 PA.C.S.A. §5601 *et seq.*, as amended (the “Act”) and a Trust Indenture (the “Indenture”), dated as of October 1, 2017 between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”).

The Bonds are being issued pursuant to a financing program sponsored by the Association of Independent Colleges and Universities of Pennsylvania to provide funds to be loaned to Saint Francis University (the “University”) to finance certain costs of a project (the “Project”) consisting of: (i) the refunding of the Pennsylvania Higher Educational Facilities Authority Revenue Bonds (AICUP Financing Program – Saint Francis University Project), Series 2011 JJ2; (ii) miscellaneous capital expenditures on the University’s campus; (iii) the funding of a debt service reserve fund for the Bonds; and (iv) the payment of certain costs of issuing the Bonds.

The Issuer and the University have entered into a Loan Agreement dated as of October 1, 2017 (the “Loan Agreement”) providing for the loan of the proceeds of the Bonds to the University to pay certain costs of the Project. Under the Loan Agreement, the University is unconditionally obligated to make loan payments in the amounts and at the times necessary to pay, when due, the principal or redemption price of and interest on the Bonds. The Issuer has assigned certain of its interests under the Loan Agreement, including its right to receive payments thereunder in respect of the Bonds, to the Trustee for the benefit of the holders of the Bonds.

The University has represented in the Loan Agreement that it is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), is not a "private foundation" within the meaning of Section 509(a) of the Code, and is exempt from federal income tax under Section 501(a) of the Code. The University has covenanted that it will maintain its status as a 501(c)(3) organization under the Code and will take whatever actions are necessary to continue to be organized and operated in a manner which will preserve and maintain its status as an organization which is described in Section 501(c)(3) of the Code and exempt from federal income taxes under Section 501(a) of the Code (except as to unrelated business income).

The Code sets forth certain requirements which must be met subsequent to the issuance and delivery of the Bonds for interest thereon to remain excludable from the gross income of the owners of the Bonds for federal income tax purposes. The Issuer and the University have covenanted to comply with such requirements. Noncompliance with such requirements may cause the interest on the Bonds to be includible in the gross income of the owners of the Bonds for federal income tax purposes, retroactive to the date of issue of the Bonds or as of some later date. Under the Loan Agreement, the University has covenanted that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds under Section 103(a) of the Code. For the purposes of the opinions set forth below, we have assumed that the Issuer and the University will comply with the covenants set forth in the Loan Agreement relating to the tax-exempt status of the Bonds.

An officer of the Issuer responsible for issuing the Bonds and an authorized officer of the University have each executed a certificate stating the reasonable expectations of the Issuer and the University on the date of issue of the Bonds as to future events that are material for the purposes of Section 148 of the Code pertaining to arbitrage bonds. Also, the Issuer has caused or will cause to be filed with the Internal Revenue Service a report of the issuance of the Bonds as required by Section 149(e) of the Code as a condition of the exclusion from gross income of the interest on the Bonds.

In our capacity as Bond Counsel we have examined such documents, records of the Issuer and other instruments as we deemed necessary to enable us to express the opinions set forth below, including original counterparts or certified copies of the Indenture, the Loan Agreement and the other documents listed in the Closing Index in respect of the Bonds filed with the Trustee. We also have examined an executed Bond and assume that all other Bonds have been similarly executed and have been authenticated by the Trustee.

Based on the foregoing, it is our opinion that:

1. The Issuer is a body corporate and politic validly existing under the laws of the Commonwealth of Pennsylvania, with full power and authority under the Act to undertake the financing of the Project, to execute, deliver and perform its obligations under the Loan Agreement and the Indenture, and to issue and sell the Bonds.

2. The Loan Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, except as the rights created thereunder and the enforcement thereof may

be limited by bankruptcy, insolvency or other laws or equitable principles affecting the enforcement of creditors' rights generally.

3. The issuance and sale of the Bonds have been duly authorized by the Issuer and, on the assumption as to execution and authentication stated above, such Bonds have been duly executed and delivered by the Issuer and authenticated by the Trustee, and are legal, valid and binding limited obligations of the Issuer entitled to the benefit and security of the Indenture, except as the rights created thereunder and enforcement thereof may be limited by bankruptcy, insolvency or other laws or equitable principles affecting the enforcement of creditors' rights generally.

4. Under the laws of the Commonwealth of Pennsylvania as presently enacted and construed, the Bonds are exempt from personal property taxes in Pennsylvania, and interest on the Bonds is exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax.

5. Assuming the accuracy of the certifications of the Issuer and the University and their continuing compliance with the requirements of the Code, interest on the Bonds (including original issue discount on certain of the Bonds) is excludable from gross income for purposes of federal income taxation under existing laws as enacted and construed on the date hereof. Interest on the Bonds is not an item of specific tax preference for purposes of either individual or corporate federal alternative minimum tax; however, interest on Bonds held by a corporation (other than an S corporation, regulated investment company or real estate investment trust) may be indirectly subject to corporate federal alternative minimum tax because of its inclusion in the adjusted current earnings of the corporate holder. We express no opinion regarding other federal tax consequences relating to ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

Certain Bonds were offered at a premium ("original issue premium") over their principal amount. For federal income tax purposes, original issue premium is amortizable periodically over the term of a Bond through reductions in the holder's tax basis for the Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Amortization of premium does not create a deductible expense or loss.

We have not been engaged to express and do not express any opinion herein with respect to the adequacy of the security for the Bonds or the sources of payment for the Bonds or with respect to the accuracy or completeness of any offering document or other information pertaining to the offering for sale of the Bonds or as to any other matter not set forth herein.

We call your attention to the fact that the Bonds are limited obligations of the Issuer payable only out of payments to be made by the University pursuant to the Loan Agreement and certain other moneys available therefor, and that the Bonds do not pledge the credit or taxing power of the County of Cambria, the Commonwealth of Pennsylvania or any political subdivision thereof. The Issuer has no taxing power.

Very truly yours,
