# Brightline Passenger Rail Project

## October 2018 Ridership and Revenue Results

For the month ended October 31, 2018, we carried a total of 60,013 passengers and generated total revenue of approximately \$1.0 million. On November 16, 2018, our parent company (Brightline Holdings LLC) announced a new strategic partnership and trademark licensing agreement with the Virgin Group, one of the world's most recognizable brands in travel and hospitality. Brightline Holdings will rename itself Virgin Trains USA.
