NOTICE OF BOND SALE

\$224,170,000*

**STATE OF FLORIDA
Department of Transportation
Turnpike Revenue Refunding Bonds, Series 2019A**

NOTICE IS HEREBY GIVEN that the Division of Bond Finance of the State Board of Administration of Florida (the "Division of Bond Finance") will receive bids (hereinafter referred to as "Bids") in the office of the Division of Bond Finance, 1801 Hermitage Boulevard, Hermitage Centre, Suite 200, Tallahassee, Florida 32308 up to such date and time as may be determined by the Director of the Division of Bond Finance and communicated through THOMSON MUNICIPAL MARKET MONITOR (and as otherwise provided herein - see "BIDS") not less than 18 hours prior to the time Bids are to be opened for the purchase of \$224,170,000* STATE OF FLORIDA, DEPARTMENT OF TRANSPORTATION TURNPIKE REVENUE REFUNDING BONDS, SERIES 2019A (hereinafter referred to as the "2019A Bonds"), as described in Preliminary Official Statement prepared in connection with the issuance and sale of the 2019A Bonds (the "Preliminary Official Statement"). For definitions of capitalized terms not defined in the text hereof, see the Preliminary Official Statement.

FORM OF THE 2019A BONDS - BOOK-ENTRY ONLY

The 2019A Bonds will be issued as registered bonds in book-entry only form through The Depository Trust Company, New York, New York ("DTC"), in the denomination of \$1,000 or integral multiples thereof; will be dated the Date of Delivery (the "Dated Date"); and will bear interest as set forth in the terms of this Notice of Bond Sale, payable on July 1, 2019, for the period from the Dated Date to July 1, 2019, and semiannually on January 1 and July 1 of each year until maturity or redemption.

MATURITY SCHEDULE

The 2019A Bonds will mature on July 1 in the years specified in the attached Bid.

TERM BONDS OPTION

The successful bidder on the 2019A Bonds has the option of specifying that all of the principal amount of 2019A Bonds scheduled to mature in any two or more consecutive years beginning in or after 2029 will, in lieu of maturing in each of such years, be considered to comprise a single maturity of 2019A Bonds (a "Term Bond") scheduled to mature in the latest of such years and be subject to mandatory sinking fund redemption in the manner described below in each of the years and in the principal amounts as given in the maturity schedule. The successful bidder may exercise the above option one or more times.

The successful bidder must provide the Division of Bond Finance with the details of its intentions regarding the designation of Term Bonds immediately after the award of the 2019A Bonds.

REDEMPTION PROVISIONS

The 2019A Bonds maturing in the years 2020 through 2028 are not redeemable prior to their stated dates of maturity. The 2019A Bonds maturing in 2029 and thereafter (including any Term Bonds) are redeemable prior to their stated dates of maturity, at the option of the Division of Bond Finance, (i) in part, by maturities and/or amortization installments to be selected by the Division of Bond Finance, and by lot within a maturity and/or amortization installment if less than an entire maturity and/or amortization installment is to be redeemed, or (ii) as a whole, on July 1, 2028, or on any date thereafter, at the principal amount of the 2019A Bonds so redeemed, together with interest accrued to the date of redemption.

Any Term Bonds specified pursuant to the Term Bonds option will also be redeemable from funds on deposit in the sinking fund for mandatory redemption of Term Bonds, by lot at par, plus accrued interest, without premium in the amounts and in the years specified in the maturity schedule and pursuant to the Term Bonds option.

*Preliminary, subject to change.

BASIS OF AWARD

Bids must be only for all of the 2019A Bonds and must be firm offers and unconditional. **The purchase price bid for the 2019A Bonds may include a discount not to exceed 2% of the aggregate principal amount of the 2019A Bonds.** No more than one Bid from any bidder will be considered.

The 2019A Bonds will be awarded to the bidder offering to purchase the 2019A Bonds at the lowest annual interest cost rate computed on the true interest cost basis. The annual true interest cost rate will be determined by doubling the semiannual interest rate (compounded semiannually on a 30 day month and a 360 day year basis) necessary to discount the semiannual debt service payments on the 2019A Bonds to the price bid. **Bidders will be notified by Thomson Municipal Market Monitor of the proposed delivery date; such date will be the date from which the annual true interest cost rate will be calculated.** For purposes of calculating the annual true interest cost rate, the principal amount of the 2019A Bonds which any bidder designates as being subject to mandatory redemption in each year as part of a Term Bond will be considered to be a serial maturity. If two or more Bids provide the lowest annual true interest cost rate, the Division of Bond Finance will determine by lot which Bid will be accepted, and such determination will be final. The Division of Bond Finance reserves the right to waive any informality or irregularity in any Bid and to reject any and all Bids.

INTEREST RATES PERMITTED

The 2019A Bonds will bear interest expressed in multiples of 1/8 or 1/20 of 1%. No difference greater than 3% will be permitted between the highest and lowest rates of interest specified. **The 2019 Bonds maturing in 2029 and thereafter must bear interest at rates of 4% or higher.**

It will not be necessary that all 2019A Bonds bear the same rate of interest, provided that all 2019A Bonds maturing on the same date must bear the same rate of interest. Maturities designated as Term Bonds must bear one rate of interest; however, if more than one Term Bond is designated, each Term Bond need not bear the same rate of interest, as long as the restrictions above are complied with. A rate of interest based upon the use of split or supplemental interest payments or a zero rate of interest will not be considered.

ADJUSTMENT OF PRINCIPAL AMOUNT

If, after final computation of the Bids, the Division of Bond Finance determines in its sole discretion that the funds necessary to accomplish the purposes of the 2019A Bonds are either more or less than the proceeds of the sale of all of the 2019A Bonds or if restructuring the principal maturities is necessary to accomplish the purpose of the financing, the Division of Bond Finance reserves the right to increase or decrease, by no more than 10%, the principal amount (as set forth in this Notice of Bond Sale) of the 2019A Bonds (to be rounded to the nearest \$1,000). The amount of 2019A Bonds maturing or proposed to be amortized in each year may be increased or decreased by more than 10% so long as the Division of Bond Finance adheres to the overall 10% limitation on the amount of change to the total principal amount.

In the event of any such adjustment, no rebidding or recalculation of the Bids submitted will be required or permitted. The purchase price of the 2019A Bonds will be computed by taking the adjusted par amount of the 2019A Bonds and: (1) either subtracting the aggregate original issue discount or adding the aggregate original issue premium, as applicable, computed based on the adjusted par amounts of each maturity of the 2019A Bonds and the prices provided by the underwriters, and (2) subtracting the amount obtained by multiplying the per bond dollar amount of the underwriters' spread by the adjusted par amount of the 2019A Bonds. The 2019A Bonds of each maturity, as adjusted, will bear interest at the same rate and must have the same initial reoffering yield as specified for that maturity immediately after award of the 2019A Bonds by the successful bidder for the 2019A Bonds. However, the award will be made to the bidder whose Bid produces the lowest annual true interest cost rate, calculated as specified above, solely on the basis of the 2019A Bonds offered, without taking into account any adjustment made pursuant to this paragraph.

BOND REGISTRAR/PAYING AGENT

The Bond Registrar/Paying Agent for the 2019A Bonds is U.S. Bank Trust National Association, New York, New York ("U.S. Bank").

Facsimile transmission of Bids will be solely at the risk of the bidder and neither the Department of Transportation (the “Department”) nor the Division of Bond Finance is responsible or liable for any errors in such transmission or any failure of the Division of Bond Finance to receive such transmission in legible form.

Submission of a Bid in any form permitted herein indicates acknowledgment, understanding and acceptance of the terms and provisions of this Notice of Bond Sale and of such Bid.

A Good Faith Deposit is not required to accompany a Bid; however, the successful bidder must wire transfer a Deposit in the amount of \$4,483,400 to the Division of Bond Finance to be received no later than 2:00 p.m., Eastern Standard Time, on the date bids are received. In the event the Deposit is not received by such time, the Division of Bond Finance reserves the right to award the 2019A Bonds to another bidder. No interest on the Deposit will accrue to the successful bidder. The Deposit will be applied to the purchase price of the 2019A Bonds. In the event the successful bidder fails to honor its accepted Bid, the Deposit will be retained by the Division of Bond Finance as liquidated damages. In the event that the Division of Bond Finance fails to deliver the 2019A Bonds to the successful bidder, the Deposit will be immediately delivered by the Division of Bond Finance to the successful bidder, and neither the successful bidder, the Division of Bond Finance, nor any other party will have any further obligation with respect to the 2019A Bonds.

The successful bidder must provide the Division of Bond Finance with the public reoffering prices and/or yields of the 2019A Bonds with a bid on the 2019A Bonds.

MINORITY PARTICIPATION

By law (Section 287.0931, Florida Statutes), the State of Florida encourages offering not less than 20% participation to minority underwriting firms in connection with the issuance of its bonds or other tax-exempt obligations. Minority underwriting firms must have full-time employees located in Florida, a permanent place of business located in Florida, and must be at least 51% owned by minority persons (including women), who need not be Florida residents. The winning bidder for the 2019A Bonds will be requested to document its efforts to comply with this policy on a form provided by the Division of Bond Finance. Questions concerning this policy may be addressed to the Division of Bond Finance at the above address or by calling (850) 488-4782.

MUNICIPAL BOND INSURANCE

Bidders may not elect to insure the 2019A Bonds.

DELIVERY AND PAYMENT

It is anticipated that the 2019A Bonds will be available for delivery to DTC in book-entry only form approximately five weeks from the date Bids for the 2019A Bonds are received or some other date to be mutually agreed upon between the successful bidder and the Division of Bond Finance. Full payment of the balance of the purchase price must be made by Federal Reserve wire transfer to the State of Florida, as directed by the Division of Bond Finance, without cost to the State.

CLOSING DOCUMENTS

If requested, the Division of Bond Finance will furnish to the purchaser upon delivery of the 2019A Bonds the following closing documents in a form satisfactory to Bond Counsel: (1) a signature and no-litigation certificate, (2) a certificate respecting arbitrage, (3) a certificate regarding information in the Official Statement, (4) the approving opinion of Bond Counsel, and (5) the seller's receipt as to payment. A copy of the complete transcript of the proceedings authorizing the 2019A Bonds will be delivered to the purchaser of the 2019A Bonds subsequent to the delivery of the 2019A Bonds. Copies of the forms of such closing papers and certificates may be obtained from the Division of Bond Finance.

OFFICIAL STATEMENT

Upon the sale of the 2019A Bonds, the Division of Bond Finance will prepare an Official Statement in substantially the same form as the Preliminary Official Statement, subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement. The Division of Bond Finance deems the Preliminary Official Statement to be "final" as described in SEC Rule 15c2-12(b)(1) for the purposes of such Rule. The Division of Bond Finance does not intend to print physical copies of the Official Statement but instead will make available to the successful bidder, no later than seven business days subsequent to the date of the award of the 2019A Bonds, an electronic version of the Official Statement via the EMMA system, as defined below. Once posted, the Official Statement may be viewed and downloaded from the EMMA website or from the Division of Bond Finance website, www.sbafla.com/bond.

CUSIP NUMBERS AND DTC ELIGIBILITY

It is anticipated that CUSIP identification numbers will be printed on the 2019A Bonds, but neither the failure to print such number on any 2019A Bonds nor any error with respect thereto will constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the 2019A Bonds in accordance with their agreement to purchase the 2019A Bonds. The State of Florida will obtain CUSIP numbers and be responsible for all expenses in relation to the printing of CUSIP numbers on the 2019A Bonds; provided, however, that it will be the responsibility of the successful bidder to timely pay for the assignment of such CUSIP numbers.

It is anticipated that the 2019A Bonds will be eligible for custodial deposit with DTC, however, it will be the responsibility of the successful bidder to obtain such eligibility. Failure of the successful bidder to obtain DTC eligibility will not constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the 2019A Bonds in accordance with its agreement to purchase the 2019A Bonds.

UNDERWRITER'S CERTIFICATE

The successful bidder shall assist the Division of Bond Finance in establishing the issue price of the 2019A Bonds and shall execute and deliver to the Division of Bond Finance at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the 2019A Bonds. A copy of the form of such certificate is available at www.sbafla.com/bond under the caption "Bond Sales Pending" or by contacting the Division of Bond Finance.

The Division of Bond Finance intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the 2019A Bonds) will apply to the initial sale of the 2019A Bonds to the public (the "competitive sale requirements").

The Division of Bond Finance shall take all reasonable steps that are appropriate so that the initial sale of the 2019A Bonds to the public will satisfy the competitive sale requirements. In the event that the competitive sale requirements are not met, **the successful bidder will not be required to "hold the price"** on any remaining unsold 2019A Bonds.

In the event that the competitive sale requirements are not met, the Division of Bond Finance may determine to treat the first price at which 10% of a maturity of the 2019A Bonds (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The Division of Bond Finance shall request and the successful bidder shall promptly provide information showing the amount and price of each maturity of the 2019A Bonds sold by close of business on the date of sale in order to determine the status of each maturity in meeting the 10% test.

If the 10% test has not been satisfied as to any maturity of the 2019A Bonds on the date of sale, the successful bidder, on its behalf and on the behalf of any underwriter or selling group members, agrees to promptly report to the Division of Bond Finance the prices at which 2019A Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until the 10% test has been satisfied as to the 2019A Bonds of that maturity or until all 2019A Bonds of that maturity have been sold.

CONTINUING DISCLOSURE

In order to assist bidders in complying with SEC Rule 15c2-12, the Department of Transportation will undertake to provide, or cause to be provided, certain financial information and operating data and to provide notices of certain material events. Such financial information and operating data will be transmitted to the Municipal Securities Rulemaking Board (the "MSRB") using its Electronic Municipal Market Access System ("EMMA"). Any notice of material events will also be transmitted to the MSRB using EMMA. The form of such undertaking is set forth in the Preliminary Official Statement as an appendix. A copy of the executed undertaking (in substantially the form set forth in such appendix) will be included in the transcript of proceedings relating to the issuance of the 2019A Bonds
