and

\$6,355,000 in aggregate principal amount of those certain Subordinate Multifamily Housing Revenue Bonds (Better Housing Foundation Icarus Portfolio Project), Series 2017B

(Series 2017A and Series 2017B, together, the “Bonds”)

CUSIPs: 45202LBL7, 45202LBM5, 45202LBN3, 45202LBP8<sup>1</sup>

**Please forward this Notice to beneficial holders.**

The Bonds were previously issued and outstanding pursuant to a Trust Indenture dated as of May 1, 2017 (the “Indenture”) between the Illinois Finance Authority (the “Issuer”) and Wilmington Trust, National Association (“Prior Trustee”). Capitalized terms not otherwise defined herein shall have the meanings given to them in the Indenture.

The proceeds of the 2017 Bonds were loaned by the Issuer to BHF Chicago Housing Group B, LLC (the “Borrower”). The proceeds of the 2017 Bonds were primarily used to provide for the acquisition, rehabilitation and equipping of the Projects (as defined in the Indenture) which provide multifamily housing to people of low- and moderate-income; pay certain operating costs, fund debt service reserve funds for each series, and observe other covenants and agreements and make other payments specified therein. The proceeds of the 2017 Bonds were loaned by the Issuer to the Borrower under the terms of a Loan Agreement dated May 1, 2017 (the “Loan Agreement”).

UMB Bank, N.A. serves as successor Trustee for the Bonds pursuant to the terms of the Indenture. Capitalized terms used in this notice and not otherwise defined shall have the meaning given to them in the Indenture.

<sup>1</sup> The Trustee is not responsible for the selection or use of CUSIP numbers. They are included solely for the convenience of the Owners of the Bonds.

## END OF ADMINISTRATION

In previous notices, the Trustee informed the Holders of the Borrower's bankruptcy case and the distribution of all proceeds to Holders of the Bonds.

The Trustee had asked a securities litigation firm to review the facts and circumstances surrounding the issuance of the Bonds to see if there were actionable claims available to Holders. The Trustee also hosted a call for the benefit of Holders to go over the conclusions of that review. As stated in previous Notices, the existence or absence of such claims surrounding the issuance of the Bonds was outside of the Trust Estate created by the Indenture and belong individually to initial purchasers of the Bonds. The Bonds were not cancelled at the time of the final distribution in order to facilitate communication with the Holders. Subsequent attempts to gather a group of holders to bring suit did not result in a sufficient number of investors to bring an action on potential securities claim. Accordingly, the Trust Estate has been fully administered and there is no further reason to keep the Trust Estate open. The Trustee anticipates that the Bonds will be null, void and worthless and ineligible for future distributions through the Trustee. Accordingly, this is intended to be the final communication of the Trustee on account of the Bonds.
