The Bonds will be issued as fully registered Bonds without coupons and will be in the denomination of \$5,000 or any whole multiple thereof.

The principal or redemption price of the Bonds will be payable upon presentation and surrender of the Bonds at the designated corporate trust agency office of the initial Trustee or any successor Trustee and interest on the Bonds will be paid on the applicable Interest Payment Date by check mailed to the owners of Bonds shown as the registered owners on the registration books maintained by the Trustee as registrar at the close of business on the fifteenth (15<sup>th</sup>) day of the calendar month next preceding such Interest Payment Date. The interest and the principal or redemption price becoming due on the Bonds shall, at the written request of the registered owner of at least \$1,000,000 aggregate principal amount of the Bonds received by the Trustee at least two Business Days before the corresponding Regular Record Date or maturity or redemption date, be paid by wire transfer within the continental United States in immediately available funds to the bank account number of the registered owner specified in such request and entered by the Trustee on the register, but, in the case of principal or redemption price, only upon presentation and surrender of the Bonds at a designated corporate trust office of the Trustee. (See "THE BONDS -- Book Entry Only System" below.)

The Bank of New York Mellon Trust Company, N.A. has been appointed as Trustee under the Indenture and has a corporate trust office in Philadelphia, Pennsylvania. The Trustee shall act as registrar, paying agent and transfer agent for the Bonds.

As used herein, "Business Day" means any day other than a Saturday or Sunday or a day on which banks located in Philadelphia, Pennsylvania, New York, New York, or any other city in which the Payment Office of the Trustee is located are authorized or required by law or executive order to close or a day on which DTC is closed.

### Book Entry Only System

The information in this section has been provided by The Depository Trust Company, New York, New York ("DTC") and is not deemed to be a representation of the Authority, the Underwriter or the Borrower. DTC will act as the initial securities depository for the Bonds. The Bonds of each series will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds of a series in the aggregate principal amount of such maturity, and all certificates will be deposited with DTC or pursuant to its instructions.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a

custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchases. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participants through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent by the Trustee to DTC. If less than all of the Bonds of a series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority or the Trustee as soon as possible after the record date with respect to any request for consent or vote. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose account the respective Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal, redemption price and interest on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or Trustee, on each payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participants and not of DTC, the Trustee, the Authority or the Borrower, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest to Cede & Co. (or to such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered. The Authority may determine to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered as described in the Indenture.

For every transfer and exchange of ownership interests in Bonds, the Beneficial Owners may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

IT IS THE DUTY OF EACH BENEFICIAL OWNER TO MAKE ARRANGEMENTS WITH THE APPLICABLE DIRECT PARTICIPANT OR INDIRECT PARTICIPANT TO RECEIVE FROM SUCH PARTICIPANT NOTICES OF PAYMENTS OF PRINCIPAL, PREMIUM (IF ANY) AND INTEREST, AND ALL OTHER PAYMENTS AND COMMUNICATIONS WHICH THE DIRECT PARTICIPANT RECEIVES FROM DTC. NEITHER THE AUTHORITY NOR THE TRUSTEE HAS ANY DIRECT OBLIGATION OR RESPONSIBILITY TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS.

THE AUTHORITY, THE TRUSTEE AND THE BORROWER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (1) PAYMENTS OF PRINCIPAL OF, REDEMPTION PREMIUM, IF ANY, OR INTEREST ON THE BONDS, (2) CONFIRMATION OF BENEFICIAL OWNERSHIP INTEREST IN THE BONDS, OR (3) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNER OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DIRECT PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE AUTHORITY, THE TRUSTEE, NOR THE BORROWER SHALL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE TRUSTEE AS BEING A BONDHOLDER WITH RESPECT TO (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (4) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS REGISTERED OWNER OF THE BONDS.

So long as Cede & Co. is the registered owner of the Bonds as nominee of DTC, references herein to the Holders, holders, owners or registered owners of such Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

### **Redemption Prior to Maturity**

The Bonds will be subject to redemption prior to maturity as follows:

Optional Redemption. The Series 2020 SS2 Bonds are subject to optional redemption prior to maturity by the Authority, at the direction of the Borrower, on or after November 1, 2030, in whole or in part at any time. Any such redemption shall be made at a redemption price equal to 100% of the stated principal amount of the Series 2020 SS2 Bonds to be redeemed, plus accrued interest to the redemption date.

The Series 2020 SS3 Bonds maturing on or after November 1, 2034 are subject to optional redemption prior to maturity by the Authority, at the direction of the Borrower, on or after November 1, 2030, in whole or in part at any time. Any such redemption shall be made at a redemption price equal to 100% of the stated principal amount of the Series 2020 SS3 Bonds to be redeemed, plus accrued interest to the redemption date.

Mandatory Sinking Fund Redemption. The Series 2020 SS2 Bonds maturing on November 1, 2050 are subject to mandatory sinking fund redemption prior to maturity in part by lot at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued interest to the redemption date on November 1 of the years and in the respective principal amounts set forth below:

**Series 2020 SS2 Bonds Due November 1, 2050**

<u>Year</u>	<u>Principal Amount</u>
2048	\$2,390,000
2049	2,470,000
2050	2,555,000 (final maturity)

The Series 2020 SS3 Bonds maturing on November 1, 2034 are subject to mandatory sinking fund redemption prior to maturity in part by lot at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued interest to the redemption date on November 1 of the years and in the respective principal amounts set forth below:

**Series 2020 SS3 Bonds Due November 1, 2034**

<u>Year</u>	<u>Principal Amount</u>
2031	\$2,290,000
2032	750,000
2033	775,000
2034	800,000 (final maturity)

In the event that any Bonds are redeemed (other than through mandatory sinking fund redemption pursuant to the Indenture) and are canceled by the Trustee, the Trustee shall cause the Authority to receive a credit against its mandatory sinking fund redemption obligations in the aggregate principal amount of the Bonds so redeemed, such credits to be given in such order of maturity as may be directed in writing by the Borrower. Also, at its option, the Borrower may deliver to the Trustee for cancellation Bonds purchased by the Borrower pursuant to the Indenture. The Bonds so purchased, delivered and canceled shall be credited by the Trustee at 100% of the principal amount thereof against the sinking fund redemption obligations of the Authority in such order of maturity as may be directed in writing by the Borrower.

Purchase in Lieu of Redemption. The Borrower shall have the option to purchase Bonds otherwise callable for optional redemption (the "Callable Bonds") in lieu of redemption. Such option may be exercised by delivery to the Trustee on or prior to the Business Day preceding the redemption date of written notice from the Borrower specifying that the Callable Bonds shall not be redeemed, but instead shall be purchased as described in this paragraph. Upon delivery of such notice from the Borrower, the Callable Bonds shall not be redeemed, but shall instead be subject to mandatory tender on the date that would have been the redemption date at a purchase price equal to the redemption price that would have been payable with respect to such Callable Bonds. The Borrower's option to purchase pursuant to this provision shall be effective whether or not the notice of redemption sent to Holders of such Bonds indicates that the Borrower has exercised, or intends to exercise, such option. No further or additional notice to Holders of such Bonds shall be required in connection with the purchase in lieu of redemption. Callable Bonds purchased pursuant to this paragraph (i) shall not be cancelled or retired, but shall continue to be Outstanding, (ii) shall be registered in the name of, or as directed by, the Borrower, and (iii) shall continue to bear interest at the rate provided for in such Bonds.

## **Procedure for and Notice of Redemption**

The Trustee is required to cause notice of the call for redemption, identifying the Bonds or portions thereof to be redeemed, to be sent by first class mail, not more than 60 days and at least 20 days prior to the date set for redemption of all or part of such Bonds, to the registered owner of each Bond to be redeemed at such owner's registered address. So long as the Bonds or any portion thereof are held by DTC, the Trustee shall send each notice of redemption of such Bonds to DTC. Failure to mail any such notice or defect in the mailing thereof in respect of any Bond shall not affect the validity of the redemption of any other Bond with respect to which notice is properly given.

If at the time of mailing of notice of any optional redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional in that it is subject to the deposit of such redemption moneys with the Trustee not later than the opening of business on the redemption date, in which case such notice shall be of no effect unless moneys are so deposited. Optional redemptions may be made subject to other conditions if so directed and specified by the Borrower and if such conditions are not met the redemption shall not occur and the notice of redemption may be rescinded and shall be of no force and effect.

If less than all Bonds of a series are to be redeemed, the particular Bonds of such series to be called for redemption shall be selected from the maturities designated by the Borrower and within a maturity by any method determined by the Trustee to be fair and reasonable; provided that if any Bond is to be redeemed in part, the principal portion to remain outstanding must be in an authorized denomination. In the case of a partial redemption of Bonds, when Bonds of denominations greater than \$5,000 are then Outstanding, each \$5,000 unit of face value of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000.

## **THE PROJECT**

The proceeds of the sale of the Series 2020 SS2 Bonds will be used, together with other available funds, to finance the costs of the Series 2020 SS2 Project for the benefit of the Borrower, consisting of (i) a portion of the cost of construction and equipping of a new Welcome and Admissions Center, (ii) miscellaneous capital expenditures on the Borrower's campus, (iii) the current refunding of the Refunded 2012 Bonds, and (iv) the payment of certain costs of issuing the Series 2020 SS2 Bonds. The proceeds of the sale of the Series 2020 SS3 Bonds will be used, together with other available funds, to finance the costs of the Series 2020 SS3 Project for the benefit of the Borrower, consisting of (i) the advance refunding of the Refunded 2001 Bonds and (ii) the payment of certain costs of issuing the Series 2020 SS3 Bonds.

On the date of issuance and delivery of the Bonds, a portion of the proceeds of the Series 2020 SS2 Bonds and a portion of the proceeds of the Series 2020 SS3 Bonds will be deposited in an escrow account established pursuant to an escrow agreement among the issuer of the Refunded 2012 Bonds and the Refunded 2001 Bonds, the Borrower and the trustee for the Refunded 2012 Bonds and the Refunded 2001 Bonds and applied, together with the investment earnings thereon, to the payment of (a) the redemption price of and accrued unpaid interest on the Refunded 2012 Bonds on November 1, 2012, (b) principal and interest on the Refunded 2001 Bonds through November 1, 2021 (in the case of the Refunded 2001 I3 Bonds) or May 1, 2021 (in the case of the Refunded 2001 I4 Bonds), and (c) payment of the redemption price of the Refunded 2001 Bonds and accrued unpaid interest thereon on November 1, 2021 (in the case of the Refunded 2001 I3 Bonds) or May 1, 2021 (in the case of the Refunded 2001 I4 Bonds).

**SECURITY AND SOURCES OF PAYMENT FOR THE BONDS**

**General**

The Bonds will constitute limited obligations of the Authority payable solely from, and secured by, the revenues and other moneys held for such purpose under the Indenture to secure that payment. Those revenues and other moneys include the payments required to be made by the Borrower under the Loan Agreement (other than certain fees and indemnification payments required to be made to the Authority); all other moneys receivable by the Authority, or by the Trustee for the account of the Authority, in respect of repayment of the loan of the proceeds of the Bonds; and certain monies and securities in the funds and accounts held by the Trustee under the Indenture (except the Rebate Fund) (collectively, the "Revenues").

**THE BONDS ARE LIMITED OBLIGATIONS OF THE AUTHORITY AND ARE PAYABLE SOLELY FROM THE SOURCES REFERRED TO IN THE INDENTURE PURSUANT TO WHICH THE BONDS ARE ISSUED AND SECURED, AND THE BONDS SHALL NOT BE OR BE DEEMED TO BE A GENERAL OBLIGATION OF THE AUTHORITY OR AN OBLIGATION OF CUMBERLAND COUNTY, THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF. NEITHER CUMBERLAND COUNTY, THE COMMONWEALTH OF PENNSYLVANIA NOR ANY POLITICAL SUBDIVISION THEREOF IS OR SHALL BE OBLIGATED TO PAY THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS, AND NEITHER THE GENERAL CREDIT OF THE AUTHORITY NOR THE FAITH AND CREDIT OR TAXING POWER OF CUMBERLAND COUNTY, THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO SUCH PAYMENT. THE AUTHORITY HAS NO TAXING POWER.**

## **The Indenture**

The Bonds will be issued under and secured by the Indenture. The Indenture provides that all Bonds issued thereunder will be limited obligations of the Authority, payable solely from the sources identified therein, which include: (i) payments required to be made by the Borrower under the Loan Agreement (other than certain fees and indemnification payments required to be paid to the Authority or to the Trustee), and (ii) certain moneys and securities held by the Trustee under the Indenture and investment earnings thereon. See "THE INDENTURE" below for a summary of certain provisions of the Indenture.

## **The Loan Agreement**

Under the Loan Agreement, the Borrower will be obligated to make loan payments in amounts necessary to provide for the payment as and when due of the principal or redemption price of, and interest on, the Bonds, any amounts that may be required to make up any deficiency that may occur in any funds and accounts established under the Indenture, and to provide for certain other payments required by the Indenture. The Authority will assign the Loan Agreement, including its right to receive loan payments thereunder (other than certain fees, expenses and indemnification payments required to be paid to the Authority or to the Trustee) to the Trustee as security for the Bonds.

The Loan Agreement is the general obligation of the Borrower and the full faith and credit of the Borrower is pledged to secure the payments required thereunder. The Borrower's obligations under the Loan Agreement are secured by a pledge of the Pledged Revenues of the Borrower (as further described under "Pledged Revenues" below). For a summary of certain provisions of the Loan Agreement, see "THE LOAN AGREEMENT" herein.

## **Pledged Revenues**

To secure its obligations under the Loan Agreement, the Borrower will grant to the Trustee (as the assignee of the Authority) a lien on and security interest in its Pledged Revenues (the "Parity Lien"), on a parity with any lien on and security interest in the Pledged Revenues heretofore or hereafter granted by the Borrower to secure the Borrower's obligations respecting any Parity Indebtedness incurred by or for the benefit of the Borrower (see "Other Bonds" below). The term "Pledged Revenues" is defined under the caption "DEFINITIONS OF CERTAIN TERMS" herein. The existence of such lien and security interest in the Pledged Revenues of the Borrower will not prevent the Borrower from expending, depositing or commingling such funds so long as the Borrower is not in default under the Loan Agreement and any agreements pertaining to any applicable Parity Indebtedness.

## **Other Bonds**

The following revenue bonds heretofore issued for the benefit of the Borrower (the "Other Bonds") will remain outstanding after the issuance of the Bonds: (i) Pennsylvania Higher Educational Facilities Authority Revenue Bonds (AICUP Financing Program – Messiah College Project) Series 2012 LL3, of which \$3,060,000 in principal amount will be outstanding; (ii) \$4,500,000 outstanding principal amount of Cumberland County Municipal Authority Multi-Mode Revenue Bonds (AICUP Financing Program - Messiah College Project) Series 2014 T1 (the "2014 Bonds"); (iii) the Cumberland County Municipal Authority Revenue Bonds (AICUP Financing Program - Messiah College Project) Series 2015 NN1, of which \$11,385,000 in principal amount is currently outstanding; (iv) the Cumberland County Municipal Authority Revenue Bonds (AICUP Financing Program - Messiah College Project) Series 2016 OO1, of which \$16,655,000 in principal amount is currently outstanding; and (v) the Cumberland County Municipal Authority Revenue Bonds (AICUP Financing Program - Messiah College Project) Series 2018 QQ2, of which \$5,500,000 in principal amount is currently outstanding. The agreements entered into by the Borrower to secure its obligations respecting the Other Bonds, and all supplements and amendments thereto, are collectively referred to herein as the "Other Debt Documents."

The Other Debt Documents contain various covenants and agreements, solely for the benefit of the holders of the Other Bonds, which will be in effect so long as any of the Other Bonds remain outstanding. A default by the Borrower in its obligations under the Other Debt Documents could result in a default under the Indenture that secures

the Bonds. Prior to the closing for the issuance of the Bonds, copies of the Other Debt Documents may be obtained upon request to the Underwriter.

The Other Bonds are secured by a lien on and security interest in the Pledged Revenues of the Borrower on a parity with the lien on and security interest in such Pledged Revenues that will be granted by the Borrower to secure its obligations under the Loan Agreement.

On the date of issuance of the Bonds, the Trustee will enter into Supplement No. 3 to the Intercreditor Agreement with the Borrower and the existing Parity Indebtedness secured parties. The Intercreditor Agreement provides that the Borrower shall cause each holder of additional Parity Indebtedness of the Borrower to enter into a supplement to the Intercreditor Agreement, pursuant to which such holder shall agree to the collection and distribution of any Pledged Revenues for the equal and ratable benefit and security of all holders of Parity Indebtedness pro rata based in proportion to the aggregate amount of outstanding Parity Indebtedness.

### **Rate Covenant**

Under the Loan Agreement, the Borrower covenants that it will establish, charge and collect tuition, student fees and charges for services provided by the Borrower such that Net Revenues Available for Debt Service (defined under "THE LOAN AGREEMENT" below) will equal or exceed, in each fiscal year, 105% of the Debt Service Requirement for such fiscal year. See "THE LOAN AGREEMENT – Rate Covenant" below.

### **Liens on Pledged Revenues and Other Properties**

Except as described above under "Pledged Revenues," the Borrower has not given or granted a mortgage lien or other security interest or encumbrance upon any property of the Borrower to secure its payment obligations under the Loan Agreement. In the Loan Agreement, the Borrower covenants and agrees that it shall not grant any liens on its Pledged Revenues or any of its other property (whether real or personal, and whether owned as of the date of issuance of the Bonds or acquired thereafter) except for Permitted Encumbrances (defined below).

### **Additional Indebtedness**

The Borrower may incur, guaranty or assume additional indebtedness upon compliance with specified requirements and limitations contained in the Loan Agreement and the Parity Debt Documents. To the extent permitted under the Loan Agreement and the Parity Debt Documents, such additional indebtedness may be secured by liens on and security interests in property of the Borrower, including a lien on and security interest in the Pledged Revenues on a parity with the lien on and security interest in the Pledged Revenues granted to secure the Bonds and any Parity Indebtedness of the Borrower. See "THE LOAN AGREEMENT – "Incurrence of Additional Indebtedness" and "Security for Indebtedness"" herein for a description of the requirements and limitations relating to the incurrence of and security for additional indebtedness which may be incurred by the Borrower.

## THE LOAN AGREEMENT

The following description of certain provisions of the Loan Agreement is only a brief outline of some of the provisions thereof and does not purport to summarize or describe all of the provisions thereof. Reference is made to the Loan Agreement, a copy of which is on file at the corporate trust office of the Trustee in Philadelphia, Pennsylvania, for a complete statement of these provisions and other provisions which are not summarized in this Official Statement.

## **General**

The Loan Agreement provides for the financing by the Authority of the Project and a loan of the proceeds of the Bonds from the Authority to the Borrower. Under the Loan Agreement, the Authority, at the request of the Borrower, will obtain funds necessary to finance the Project through the issuance and sale of the Bonds and concurrently therewith, the proceeds shall be deposited in the Project Fund and applied to the costs of the Project. The Borrower agrees to repay the loan in installments corresponding to the principal or redemption price of and interest on the Bonds.

## **Loan Payments**

To provide funds to pay the principal or redemption price of and interest on the Bonds when due, the Borrower will make loan payments to the Trustee corresponding, as to amounts, to the principal or redemption price of and interest on the Bonds, such payments to be made at least ten days before the corresponding dates for payments on the Bonds. The Borrower will also pay the administrative fees and expenses of the Authority and the Trustee as provided in the Loan Agreement. The Borrower shall also be entitled to credits against the loan payments as and to the extent provided in the Indenture.

## **Pledge of Revenues**

As security for the Borrower's obligation to make payments required under the Loan Agreement and to make all other payments due and perform all other obligations under the Loan Agreement, the Borrower pledges, assigns and grants to the Trustee, as assignee of the Authority, a lien on and a security interest in its Pledged Revenues, on a parity with the liens and security interests previously granted to secure Parity Indebtedness. (See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Other Bonds.") The existence of such pledge and security interest will not prevent the expenditure, deposit or commingling of the Pledged Revenues by the Borrower so long as all required payments under the Loan Agreement are made when due. Subject to the terms of the Intercreditor Agreement, if any required payment is not made when due or an Event of Default shall have occurred under the Loan Agreement, any Pledged Revenues subject to such security interest which are then on hand and not yet commingled with other funds of the Borrower, and any such Pledged Revenues thereafter received, shall not be commingled or deposited but shall immediately be paid over to the Trustee.

Any moneys in the Project Fund (including the earnings from investments therein) remaining after the date of completion of the Project Facilities and payment, or provision for payment, in full of the Project Costs shall, at the written direction of a Borrower Representative and following delivery to the Trustee of a Certificate of the Borrower certifying that the Series 2020 SS2 Project has been completed, be transferred to the Bond Fund and applied as provided in the Indenture; provided that (i) any such transfer and application shall be made only to the extent that such use or application will not, in the opinion of Bond Counsel, cause the interest on the Series 2020 SS2 Bonds to become included in the gross income of the Holders for federal income tax purposes, and (ii) unless there shall be delivered to the Trustee a similar opinion of Bond Counsel, such remaining moneys shall not be invested by the Borrower in "investment property" (as defined in Section 148 of the Code) at a yield in excess of the yield on the Series 2020 SS2 Bonds. The Borrower shall not give the Trustee any investment direction that violates the provisions of the foregoing provisions.

## **Maintenance of Existence**

The Borrower shall do all things necessary to preserve and keep in full force and effect its existence as a not-for-profit corporation under the laws of the Commonwealth and shall not (i) dissolve or otherwise sell, transfer or dispose of all, or substantially all, of its assets or (ii) consolidate with or merge into any other entity; provided that, subject to certain provisions of the Loan Agreement relating to the tax-exempt status of the Borrower and the Series 2020 SS2 Bonds, the preceding restrictions shall not apply to a transaction to which the Authority consents in writing if the transferee or the surviving or resulting entity, if other than the Borrower, by written instrument satisfactory to the Authority and the Trustee, irrevocably and unconditionally assumes and agrees to perform and observe the agreements and obligations of the Borrower under the Loan Agreement and the provisions of the Loan Agreement described below under the heading "Assignment" are satisfied.

The Borrower covenants that it will maintain the necessary accreditation to enable it to maintain its authority to operate as an institution of higher education in the Commonwealth of Pennsylvania within the meaning of the Act.

### **Compliance with Laws; Commencement and Continuation of Operations at Project Facilities; No Sale, Removal or Demolition of Project Facilities**

The Borrower will acquire, construct, install, operate and maintain the Project Facilities in such manner as to comply with the Act and all applicable requirements of federal, state and local laws and the regulations, rules and orders of any federal, state or local agency, board, commission or court having jurisdiction over the Project Facilities or the operation thereof, including without limitation applicable zoning, planning, building and environmental laws, regulations, rules and orders; provided that the Borrower shall be deemed in compliance with this covenant so long as it is contesting in good faith any such requirement by appropriate legal proceedings. The Borrower will not sell, assign or otherwise dispose of (whether in one transaction or in a series of transactions) its interest in the Project Facilities or any material portion thereof (other than as described above under the heading "Maintenance of Existence" and other than leases permitted as described below under the heading "Lease by Borrower") or undertake or permit the demolition or removal of the Project Facilities or any material portion thereof without the prior written consent of the Authority; provided that the Borrower shall be permitted to sell, transfer, assign or otherwise dispose of or remove any portion of the Project Facilities which is retired or replaced in the ordinary course of business.

### **Lease by Borrower**

The Borrower may, subject to certain provisions of the Loan Agreement, including provisions relating to the tax-exempt status of the Borrower and the Series 2020 SS2 Bonds, lease the Project Facilities, in whole or in part, to one or more other Persons, provided that: (a) no such lease shall relieve the Borrower from its obligations under the Loan Agreement; (b) in connection with any such lease the Borrower shall retain such rights and interests as will permit it to comply with its obligations under the Loan Agreement; (c) no such lease shall impair materially the accomplishment of the purposes of the Act to be accomplished by operation of the Project Facilities as herein provided; (d) any such lease shall require the lessee to operate the Project Facilities as a "project" under the Act as long as the Series 2020 SS2 Bonds are outstanding; (e) in the case of a lease to a new lessee or an assignment of an existing lease to a new lessee of substantially all of the Project Facilities, such new lessee shall have been approved by the Authority (such approval not to be unreasonably withheld); and (f) the lessees under any such leases, including any leases in force on the date of issuance of the Bonds, shall be subject to certain terms and conditions of the Loan Agreement relating to the tax-exempt status of the Borrower and the Series 2020 SS2 Bonds.

### **Financial Statements**

The Borrower shall cause its Annual Financial Statements for each Fiscal Year to be examined by an independent Certified Public Accountant. A copy of such financial statements and the independent Certified Public Accountant's report thereon shall be provided to the Authority and the Trustee within 30 days after release of such audited financial statements by the Borrower's Board of Trustees. The Trustee shall have no duty to examine or review such financial statements, shall not be considered to have notice of the contents of such statements or of a default or Event of Default under the Loan Agreement or under any other document based on such content and shall have no duty to verify the accuracy of such statements.

### **Taxes, Other Governmental Charges and Utility Charges**

The Borrower shall pay, or cause to be paid before the same become delinquent, all taxes, assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project Facilities, including any equipment or related property installed or bought by the Borrower therein or thereon, and all utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project Facilities. With respect to special assessments or other governmental charges that lawfully may be paid in installments over a period of years, the Borrower shall be obligated to pay only such installments as are required to be paid during the term of the Loan Agreement. The Borrower may, at its expense, in good faith contest any such taxes, assessments and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom, unless the Authority or the Trustee shall notify the Borrower that, in the opinion of counsel selected by the

Authority or the Trustee, by nonpayment of any such items the Project Facilities or any part thereof will be subject to loss or forfeiture, in which event such taxes, assessments or charges shall be paid promptly. The Borrower shall also comply at its own cost and expense with all notices received from public authorities with respect to the Project.

## **Insurance**

The Borrower covenants and agrees that it will continuously maintain insurance on its properties and facilities against such risks (including casualty, accident and worker's compensation), in such amounts and with such deductibles, as are consistent with customary coverage, as from time to time in effect, in connection with the operation of properties of type and size comparable to properties and facilities as maintained by entities similar to the Borrower; provided, that property and casualty coverage shall at all times be maintained in an amount at least equal to the outstanding principal amount of the Bonds.

In the event the property and liability insurance required by the preceding paragraph is not commercially available at a reasonable cost or has been otherwise provided, the Borrower may accept such substituted coverage, including coverage from a captive insurance company or a consortium, as is recommended by an independent insurance consultant, provided, however, that no Event of Default shall occur under the Loan Agreement if such substitute coverage is unavailable, and the Borrower makes a continuing good faith effort to secure the insurance or such substitute coverage, including self-insurance. For purposes of the foregoing provision, "independent insurance consultant" means a nationally recognized firm of insurance agents, brokers or consultants with experience and expertise in assessing the property and casualty and liability risks of the Borrower and, if applicable, assessing the risks associated with such substitute insurance coverage, and if the Borrower has coverage through a captive insurance company or a consortium, includes an independent insurance consultant retained by such captive insurance company or consortium.

The Borrower may self-insure solely for professional liability, employee health insurance, workers compensation insurance, unemployment insurance, commercial general liability insurance, automobile insurance, student health and accident insurance, directors and officers insurance, travel insurance, broadcasters liability insurance, publishers liability insurance, and excess liability insurance, so long as the Borrower's self-insurance plan provides for (i) the establishment by the Borrower of a separate segregated self-insurance fund funded in an amount confirmed as to sufficiency through the annual auditing process by an independent auditor or an insurance consultant or nationally recognized independent actuarial consultant employing accepted actuarial techniques and (ii) the establishment and maintenance of a claims processing and risk management program. If the Borrower elects to self-insure for professional liability, the Borrower shall within 150 days after the end of each Fiscal Year cause an independent insurance consultant or nationally recognized independent actuarial consultant to submit a report to the Trustee to the effect that such self-insurance plan maintains adequate reserves and has been adequately funded.

## **Damage to or Condemnation of Project Facilities**

In the event of damage, destruction or condemnation of part or all of the Project Facilities, the Borrower will either: (i) restore the Project Facilities, (ii) if permitted by the terms of the Bonds, direct the Authority to call the Bonds for optional redemption pursuant to the Indenture, or (iii) apply any insurance proceeds or condemnation awards received with respect to such damage, destruction or condemnation to any other purpose specified in a Borrower Certificate delivered to the Trustee and accompanied by an opinion of Bond Counsel to the effect that such application will not result in the interest on the Series 2020 SS2 Bonds becoming included in the gross income of the Holders for federal income tax purposes. Damage to, destruction of or condemnation of all or a portion of the Project Facilities shall not terminate the Loan Agreement or cause any abatement of or reduction in the payments to be made by the Borrower under the Loan Agreement.

## **Rate Covenant**

The Borrower covenants that it will establish, charge and collect tuition, student fees and charges for services provided by the Borrower such that Net Revenues Available for Debt Service, plus any funds legally available for the payment of debt service, will equal or exceed, in each Fiscal Year, 105% of the Debt Service Requirement for such Fiscal Year.

If, in any Fiscal Year, the Borrower fails to meet the foregoing covenant, it shall promptly retain a Consultant to make a report and recommendation with respect to such tuition, student fees and other charges, and with regard to operations of the Borrower. The Borrower further covenants that upon receipt of such report and recommendation from the Consultant, the Borrower shall cause copies thereof to be filed with the Trustee, and the Borrower shall within 60 days of the receipt of such report and recommendation describe in writing to the Trustee what action, if any, the Borrower shall take upon the report and recommendation of the Consultant. So long as the Borrower takes the foregoing steps with respect to a Consultant's report, the failure to meet the rate covenant set forth in the preceding paragraph with respect to any Fiscal Year will not be deemed to constitute an Event of Default.

### **Incurrence of Additional Indebtedness**

The Borrower covenants that it will not incur or assume additional Long-Term Indebtedness unless there is no Event of Default under the Loan Agreement or under the Indenture that has occurred and is continuing, and the Borrower delivers to the Trustee prior to such incurrence either (i) a Borrower Certificate in form acceptable to the Trustee demonstrating that, for each of the two most recent Fiscal Years for which Audited Financial Statements are available, the sum of Net Revenues Available for Debt Service plus, in the case of Long-Term Indebtedness incurred to finance the acquisition or construction of additional student residence facilities or other revenue producing facilities, an amount in each such Fiscal Year equal to the additional annual revenues in the form of room and board or other charges associated with such new facilities which are projected to be received following completion of such acquisition or construction, equaled or exceeded 125% of the Maximum Annual Debt Service Requirement for all Long-Term Indebtedness outstanding during such Fiscal Years and for the Long-Term Indebtedness proposed to be incurred, or (ii) a Borrower Certificate demonstrating (A) that for each of the two most recent Fiscal Years for which Audited Financial Statements are available, Net Revenues Available for Debt Service equaled or exceeded 105% of the Maximum Annual Debt Service Requirement for all Long-Term Indebtedness outstanding during such Fiscal Years and (B) that for each of the first two full Fiscal Years following the incurrence of such Long-Term Indebtedness, Net Revenues Available for Debt Service are projected to equal or exceed 105% of the Maximum Annual Debt Service Requirement for all Long-Term Indebtedness expected to be outstanding during such Fiscal Years, or (iii) a Borrower Certificate demonstrating that the Maximum Annual Debt Service Requirement for all Long-Term Indebtedness expected to be outstanding immediately following the incurrence of such Indebtedness is less than 12% of the Borrower's unrestricted revenues as shown on the Borrower's Audited Financial Statements for the most recent Fiscal Year for which Audited Financial Statements are available.

Notwithstanding the foregoing, the following types of indebtedness may be incurred without meeting the foregoing requirements:

Refunding Indebtedness. Refunding Indebtedness may be incurred without limitation.

Short-Term Indebtedness. The Borrower may, from time to time, incur or assume Short-Term Indebtedness in the ordinary course of business in any amount up to 20% of Total Operating Revenues for the preceding Fiscal Year, less any Short-Term Indebtedness then outstanding; provided, however, that no Short-Term Indebtedness shall be outstanding for a period of at least 15 consecutive calendar days in each Fiscal Year.

Student Loan Guarantees. The Borrower may incur indebtedness in the form of Student Loan Guarantees as described below under the heading "Student Loan Guarantees."

Non-Recourse Indebtedness. The Borrower may, from time to time, incur debt which is (i) incurred to finance additional capital projects; and (ii) is nonrecourse debt secured solely by a lien on and security interest in the property financed by such debt and/or the revenues therefrom.

Purchase Money Financings. The Borrower may, from time to time, incur debt without complying with the debt incurring tests described above if such debt (i) is issued to finance the acquisition of machinery or equipment; (ii) is unsecured or secured solely by a purchase money security interest in the acquired machinery or equipment; and (iii) is in a principal amount which, when added to the total amount of indebtedness incurred pursuant to this paragraph and outstanding immediately after the incurrence of the new debt, is less than or equal to 15% of the Total Operating Revenues for the then most recently completed Fiscal Year.

## Security for Indebtedness

Any Long-Term Indebtedness or Short-Term Indebtedness hereafter incurred or assumed as described above under the caption "Incurrence of Additional Indebtedness" may be secured only as follows:

(i) In the case of Parity Indebtedness: (a) by a lien on and security interest in the Pledged Revenues ranking on a parity with the lien and security interest granted under the Loan Agreement as confirmed by the execution and delivery by the lender or holder of such debt of a joinder or other agreement by which such lender or holder shall be bound by the terms of the Intercreditor Agreement; or (b) by a lien or mortgage on and/or security interest in Borrower Facilities, provided that, if the Borrower grants a mortgage on or security interest in any part of the Project Facilities, the Borrower shall grant to the Trustee a mortgage of equal priority on and/or security interest in the same property to secure the Loan Agreement.

(ii) In the case of nonrecourse debt, solely by a lien on and/or security interest in the property financed with such debt and/or the revenues therefrom.

(iii) In the case of purchase money financings, solely by a purchase money security interest in machinery or equipment financed with such debt.

(iv) In the case of Student Loan Guarantees, solely by a lien or pledge upon Pledged Revenues subordinate and junior to the pledge of Pledged Revenues under the Loan Agreement.

(v) In the case of other Long-Term Indebtedness:

(A) by a lien, on and security interest in any property or interest in tangible property, real, personal, or mixed, other than the Borrower's Core Campus or the Pledged Revenues; or

(B) by a purchase money security interest in any real property, fixtures, machinery and equipment made part of the Borrower Facilities; or

(C) by a lien on and security interest in the Pledged Revenues subordinate to the lien and security interest granted under the Loan Agreement; provided, however, that no such permitted indebtedness shall be secured by the moneys and investments held by the Trustee in any Funds created under the Indenture.

(vi) Any Short-Term Indebtedness incurred pursuant to the Loan Agreement may be secured solely:

(A) by a purchase money security interest in personal property acquired with the proceeds thereof; or

(B) by a lien on or mortgage against any real or personal property not constituting Borrower Facilities; or

(C) by a lien on and security interest in the Pledged Revenues ranking on a parity with or subordinate to that granted under the Loan Agreement; provided, however, that (i) no such permitted indebtedness shall be secured by the moneys and investments in any Funds held by the Trustee under the Indenture; and (ii) if such lien and security interest shall rank on a parity with that granted under the Loan Agreement, the holder or a trustee acting on behalf of such holder shall have confirmed such parity lien and security interest by the execution and delivery of a joinder or other agreement by which such holder or trustee shall be bound by the terms of the Intercreditor Agreement.

## **Student Loan Guarantees**

The Borrower may incur obligations in the form of Student Loan Guarantees which meet the following criteria upon compliance with the following requirements:

(i) The loans to students shall be made pursuant to a program, whether governmental or privately sponsored, for the purpose of providing aid to students for tuition, room and/or board, or other expenses associated with the attendance by the student at the Borrower's institution and which program shall require that the Borrower execute its Student Loan Guarantee.

(ii) In the case of a program which is fully funded, no part of the obligations guaranteed by the Borrower shall constitute Long-Term Indebtedness of the Borrower. A program shall be deemed to be "fully-funded" if the assets of the program are at least equal to its liabilities, without regard to the guarantee by the Borrower. In determining the assets of the program, full effect must be given to estimated anticipated losses on student repayments to the extent not insured and due provision shall have been made to cover any shortfall between the principal amount of the obligations and the proceeds thereof (i.e., "nonasset bonds"). The plan may be made fully-funded by deposits, bank letters of credit or other credit support facilities provided by the Borrower or others.

(iii) To the extent that a program is not fully funded as provided above, the amount by which the liabilities exceed the assets shall be determined and such amount shall constitute Long-Term Indebtedness of the Borrower for all purposes of the Loan Agreement and the proportionate part of the debt service requirements on such obligations represented by such deficiency shall be deemed to be part of the Debt Service Requirement. A program which at its commencement is not fully funded may nonetheless be demonstrated to have become fully funded at a later date at which time there shall cease to be any Long-Term Indebtedness attributable to such Student Loan Guarantees so long as it continues to be fully-funded.

(iv) The fully funded status of a program or the extent to which a program is not fully funded shall be determined by a Certificate of the Pennsylvania Higher Education Assistance Authority or other issuing governmental authority if such Certificate be obtainable, or in the alternative, shall be certified to by a Consultant, which may be the Certified Public Accountant regularly retained by the Borrower, which Certificate in any case shall set forth in full the basis of its determination.

(v) If a Consultant's Certificate or Certificate of the issuing agency is not available, as provided above, the extent to which the principal amount of the Student Loan Guarantees shall be considered Long-Term Indebtedness shall be determined by multiplying the principal amount of such Student Loan Guarantees by the average default ratio, during the three Fiscal Years preceding such Student Loan Guarantees, for university students participating in United States Government guaranteed student loans programs.

(vi) The guarantee by the Borrower may be secured only by a lien or pledge upon Pledged Revenues subordinate and junior to the pledge of Pledged Revenues under the Loan Agreement.

## **No Liens or Encumbrances**

The Borrower covenants and agrees that it will not grant any liens on the Pledged Revenues or the Borrower Facilities (whether real or personal, and whether owned as of the date of the Loan Agreement or acquired thereafter) except for Permitted Encumbrances.

## **Disposition of Assets**

The Borrower covenants and agrees that it will not sell, transfer or otherwise dispose of any Property (other than transfers of current assets or investments in payment for property, goods or services, or as an investment of funds) except as follows:

(i) The Borrower may transfer property constituting a portion of the Borrower Facilities having a net book value of not more than 5% of the Borrower's total unrestricted net assets shown on its most recent audited

financial statements, provided that the Trustee receives a Borrower Certificate which states the Borrower's intended use of the proceeds of such transfer and that such transfer will not adversely affect the ability of the Borrower to meet its payment obligations under the Loan Agreement; or

(ii) If no Event of Default under the Loan Agreement shall have occurred and be continuing, the Borrower may, with or without consideration:

(A) transfer easements, licenses, rights of way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property included in the Borrower Facilities, or release existing easements, licenses, rights of way and other rights or privileges, all upon such terms and conditions as the Borrower shall determine; or

(B) transfer any property which has been replaced in the ordinary course of operations; or

(C) transfer tangible or intangible personal property, fixtures, or equipment from the Borrower Facilities in the ordinary course of business; or

(D) transfer real estate at any one time or during any Fiscal Year having a net book value alone or in the aggregate not in excess of 20% of the Borrower's net property, plant, and equipment as so determined; or

(E) transfer any property at any one time or during any Fiscal Year having a net book value alone or in the aggregate in excess of the amounts set forth in (i) and (ii)(D) above or not in the ordinary course of business, if the Borrower shall file with the Trustee a Certificate showing that the Borrower's total unrestricted net assets immediately after such transfer shall not be less than 90% of such total unrestricted net assets before such transfer, and stating that such transfer will not adversely affect the ability of the Borrower to meet its payment obligations under the Loan Agreement.

#### **Tax Covenants of Borrower and Authority**

The Borrower covenants in the Loan Agreement that it will at all times do and perform all acts and things necessary or desirable and within its reasonable control in order to assure that interest paid on the Series 2020 SS2 Bonds shall be excludable from the gross income of the Holders thereof for federal income tax purposes and that it shall not take or omit to take, or permit to be taken on its behalf, any actions which, if taken or omitted, would adversely affect the excludability from the gross income of the Holders of interest paid on the Series 2020 SS2 Bonds for federal income tax purposes.

The Authority and the Borrower mutually covenant for the benefit of the Holders of the Series 2020 SS2 Bonds that they will not use the proceeds of the Bonds, any moneys derived, directly or indirectly, from the use or investment thereof or any other moneys on deposit in any fund or account maintained in respect of the Series 2020 SS2 Bonds in a manner which would cause such Series 2020 SS2 Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or would otherwise violate the provisions of the Indenture relating to arbitrage.

The Borrower has covenanted that it will comply with various requirements of the Code pertaining to the excludability of interest on the Series 2020 SS2 Bonds from gross income of Holders thereof for federal income tax purposes, including, without limitation, that:

(a) it will take whatever actions are necessary for it to continue to be organized and operated in a manner which will preserve and maintain its status as an organization which is described in Section 501(c)(3) of the Code, exempt from federal income taxes under Section 501(a) of the Code and not a private foundation under Section 509(a) of the Code (or corresponding provisions of prior law), and it will not perform any acts nor enter into any agreements which would cause any revocation or adverse modification of such federal income tax status;

(b) the Borrower will make such payments to the Trustee as are required of it under the Indenture in connection with the requirements of Section 148 of the Code concerning arbitrage bonds including Section 148(f), which requires generally rebate payments to the United States of arbitrage profits, and to pay the costs and expenses of any Financial Consultant engaged in accordance with the Indenture to assist in calculating the amount of such rebate payments, if any; and

(c) in connection with any lease or other grant by the Borrower of the use of the portion of the Project Facilities financed with Series SS2 Bond proceeds, the Borrower will require that the lessee or user of any portion of the Project Facilities and all Related Persons with respect to such lessee or user agree that they will not violate the covenants set forth herein and in the arbitrage certificate executed by the Borrower in connection with the issuance of the Series SS2 Bonds.

### **Environmental Matters**

The Borrower covenants to comply in all material respects with all applicable federal, state and local laws, ordinances, rules and regulations pertaining to the environment (collectively, "Environmental Laws"), including, without limitation, those regulating hazardous or toxic wastes and substances (as such phrases may be defined in any Environmental Law), and to give prompt written notice to the Trustee and the Authority of any material violation or alleged material violation of any Environmental Law with respect to the Borrower's property. The Borrower will indemnify and defend the Authority and the Trustee and their respective directors, officers, employees and agents (the "Indemnified Parties"), and hold the Indemnified Parties harmless from, any loss, liability, damage, claim, fine, penalty, action or cause of action, including, without limitation, out-of-pocket and incidental expenses and court costs and reasonable attorney's fees, costs and expenses and the allocated costs of in-house counsel and legal staff, consultants' fees and any clean-up or remediation costs, arising from any violation or alleged violation by the Borrower of any Environmental Law with respect to the Borrower's property.

### **Borrower's Use of the Project Facilities**

The Borrower will use the Project Facilities only in furtherance of the lawful purposes of the Borrower.

The Borrower further agrees that it will use the Project Facilities for secular instruction and will not use the Series 2020 SS2 Project as a facility used primarily in connection with any part of a program of a school or department of divinity for any religious denomination for the training of ministers, priests, rabbis or other similar persons in the field of religion or in a manner which would violate the First Amendment to the Constitution of the United States of America, including the decisions of the United States Supreme Court interpreting the same, or any comparable provisions of the Constitution of the Commonwealth, including the decisions of the Supreme Court of the Commonwealth interpreting the same. Notwithstanding the termination of the Loan Agreement, the Borrower agrees that it will continue to comply with the restriction stated in the preceding sentence on the sectarian use of the Series 2020 SS2 Project Facilities. To the extent required by law, the Borrower will permit the Authority to inspect the Project Facilities solely in order to determine whether the Borrower has complied with the provisions of this paragraph and such right of inspection shall survive the termination of the Loan Agreement.

The Borrower further agrees that it will not use the Project Facilities, or permit the Project Facilities to be used, in such manner as would result in the loss of any exemption from federal income taxation to which interest on the Series 2020 SS2 Bonds would otherwise be entitled.

### **Events of Default**

Each of the following shall constitute an Event of Default under the Loan Agreement:

(a) if the Borrower fails to make any payments required under the Loan Agreement with respect to the principal or redemption price of and interest on the Bonds on or prior to the second Business Day preceding the date the corresponding debt service payment on the Bonds is due; or

(b) if the Borrower fails to make any other payment or deposit required under the Loan Agreement within thirty (30) days of the due date thereof; or

(c) if the Borrower fails to perform any of its other covenants, conditions or provisions under the Loan Agreement and such failure continues for thirty (30) days after the Authority or the Trustee gives the Borrower written notice thereof; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as, the Borrower shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion; or

(d) if the Borrower admits in writing its inability to pay its debts generally as they become due, or proposes or makes an assignment for the benefit of creditors or a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Borrower or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangements of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Borrower and if such is not vacated, dismissed or stayed on appeal within sixty (60) days; or

(e) if for any reason any of the Bonds shall be declared due and payable by acceleration in accordance with the terms of the Indenture; or

(f) if the Borrower shall default in the payment of any indebtedness (other than amounts due under the Loan Agreement) with a principal amount in excess of \$1,000,000, and any period of grace with respect thereto shall have expired and as a result of such default such indebtedness shall have been declared or shall become immediately due and payable; or

(g) the occurrence of any default with respect to Parity Indebtedness subject to the Intercreditor Agreement, as a result of which such Parity Indebtedness is declared immediately due and payable.

## **Remedies**

If acceleration of the principal amount of the Bonds has been declared pursuant to the Indenture, the Trustee shall declare all loan payments to be immediately due and payable, whereupon the same shall become immediately due and payable. In addition, if an Event of Default under the Loan Agreement has occurred and is continuing, the Trustee, as assignee of the Authority, may, at its option, in addition to its other rights and remedies as may be provided in the Loan Agreement or may exist at the time at law or in equity, exercise any one or more of the following remedies:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Authority, and require the Borrower to carry out any agreements with or for the benefit of the Bondholders and to perform its duties under the Act or the Loan Agreement; or

(b) by action or suit in equity require the Borrower to account as if it were the trustee of an express trust for the Authority; or

(c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Authority; or

(d) upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and the Bondholders, have appointed a receiver or receivers of the Trust Estate, with such powers as the court making such appointment shall confer; or

(e) upon notice to the Borrower, accelerate the due dates of all sums due or to become due under the Loan Agreement.

In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in Loan Agreement concerning Events of Default and remedies, it shall not be necessary to give any notice, other than such notice as may be therein expressly required. Such rights and remedies as are given the Authority thereunder shall also extend to the Trustee. For so long as any Bonds remain Outstanding under the Indenture, and except with respect to the Borrower's obligations in respect of the Authority's rights to notices, payments of fees and expenses and indemnification rights and the Borrower's obligations to comply with the Act, the Trustee, as the assignee of the Authority, shall have the sole right to exercise rights and remedies against the Borrower upon the occurrence of any Event of Default under the Loan Agreement, and the exercise by the Trustee of such rights and remedies shall be subject to all applicable provisions of the Indenture, the Loan Agreement and the Act. To the extent necessary or appropriate and requested by the Trustee, the Authority shall cooperate with the Trustee in connection with the exercise by the Trustee of such rights and remedies against the Borrower.

### **Amendments**

The Authority and the Borrower may enter into any amendments and supplements to the Loan Agreement without the consent of Bondholders, but with prior notice to the Trustee, for the following purposes:

- (a) To cure any ambiguity, inconsistency, defect or omission in the Loan Agreement or in any amendment thereto;
- (b) To modify, eliminate or add to the provisions of the Loan Agreement to such extent as shall be necessary to obtain, maintain or improve a rating of the Bonds by a Ratings Service;
- (c) To add covenants of the Borrower or surrender rights or powers of the Borrower;
- (d) To make such additions, deletions or modifications as may be necessary in the case of any Series 2020 SS2 Bonds to assure compliance with Section 148(f) of the Code relating to the required rebate of certain investment earnings to the United States government or otherwise as may be necessary to assure exemption from federal income taxation of interest on the Series 2020 SS2 Bonds; or
- (e) In connection with any other change in the Loan Agreement if in the judgment of the Trustee in reliance on an opinion of Counsel (which may be Bond Counsel), the proposed change does not materially adversely affect the rights of the Holders of any Bonds.

Except for amendments, changes or modifications as provided in clauses (a) through (e) above, neither the Authority nor the Trustee shall consent to any amendment, change or modification of the Loan Agreement or waive any obligation or duty of the Borrower under the Loan Agreement without the written consent of the holders of not less than a majority in aggregate principal amount of the Outstanding Bonds affected thereby; provided, however, that no such waiver, amendment, change or modification shall permit termination or cancellation of the Loan Agreement or any reduction of the amounts payable under the Loan Agreement with respect to debt service on the Bonds or change the date when such payments are due without the consent of the Holders of all the Bonds then Outstanding who are adversely affected thereby.

### **Assignment**

The Borrower will not assign the Loan Agreement or any interest of the Borrower therein, either in whole or in part, without the prior written consent of the Trustee, which consent shall be given if the following conditions are fulfilled: (i) the assignee assumes in writing all of the obligations of the Borrower under the Loan Agreement; (ii) in the opinion of Borrower's counsel, neither the validity nor the enforceability of the Loan Agreement will be adversely affected by such assignment; (iii) the Project shall continue in the opinion of Bond Counsel to be a "project" as such term is defined in the Act after such assignment; (iv) such assignment will not, in the opinion of Bond Counsel, have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Series 2020 SS2 Bonds; and (v) consent by the Authority, which consent shall not be unreasonably withheld.

## THE INDENTURE

The following description of certain provisions of the Indenture is only a brief outline of some of the provisions thereof, and does not purport to summarize or describe all of the provisions thereof. Reference is made to the Indenture, a copy of which is on file at the corporate trust office of the Trustee in Philadelphia, Pennsylvania, for a complete statement of these provisions and other provisions which are not summarized in this Official Statement.

### **Pledge of Trust Estate**

In order to secure the payment of the principal of, premium, if any, on and interest on the Bonds and the performance of the Authority's covenants in respect of the Bonds, the Authority assigns and pledges to the Trustee pursuant to the Indenture:

(i) all right, title and interest (but not the obligations) of the Authority under and pursuant to the terms of the Loan Agreement, all Loan Payments and all other payments, revenues and receipts receivable by the Authority thereunder (except for the "Unassigned Rights" as defined in the Loan Agreement); and

(ii) all of the right, title and interest of the Authority in and to all funds and accounts established under the Indenture (except for the Rebate Fund) and all moneys and investments now or hereafter held therein and all present and future Revenues (as defined in the Indenture).

### **Project Fund**

A Project Fund will be established and maintained with the Trustee under the Indenture. Proceeds of the Series 2020 SS2 Bonds will be deposited in the Project Fund and disbursed to pay costs of the Series 2020 SS2 Project in accordance with provisions set forth in the Loan Agreement. Until applied in accordance with the Loan Agreement and the Indenture, moneys in the Project Fund shall be held as security as described above.

### **Bond Fund**

A Bond Fund will be established and maintained with the Trustee under the Indenture. Moneys in the Bond Fund will be used to pay (i) the principal or redemption price of Bonds as they mature or become due, upon redemption or acceleration, or otherwise upon surrender thereof, and (ii) the interest on Bonds as it becomes payable whether at maturity, upon redemption or acceleration or otherwise.

### **Rebate Fund**

Under the Indenture, there is established with the Trustee a Rebate Fund with respect to the Series 2020 SS2 which shall be held separate and apart from all other funds established under the Indenture; provided that the Trustee shall only be required to establish the Rebate Fund on its books at such time as it is first determined that there are Excess Earnings. There shall be deposited in the Rebate Fund amounts, if any, that are required to be rebated to the United States pursuant to Section 148(f) of the Code. All amounts in the Rebate Fund, including income earned from investment of the Rebate Fund, shall be held by the Trustee free and clear of the lien of the Indenture.

### **Investments**

Any moneys held as a part of the Funds established under the Indenture shall be invested by the Trustee in Permitted Investments as provided in the Indenture. Any such investments shall mature or be subject to redemption by the holder at not less than the principal amount thereof, and all deposits in time accounts shall be subject to withdrawal without penalty, not later than the date when the amounts will foreseeably be needed for purposes of the Indenture.

Under the Indenture, the Authority covenants for the benefit of the Holders of the Series 2020 SS2 Bonds that (a) it shall take, or cause to be taken, all actions that may be required of it for the interest on the Series 2020 SS2 Bonds to be and remain excluded from the gross income of the Holders for federal income tax purposes, and shall not

take any actions which would adversely affect that exclusion under the provisions of federal tax laws that apply to the Series 2020 SS2 Bonds; and (b) it will not act so as to cause the proceeds of the Series 2020 SS2 Bonds, any moneys derived, directly or indirectly, from the use or investment thereof and any other moneys on deposit in any fund or account maintained in respect of the Bonds (whether such moneys were derived from the proceeds of the sale of the Bonds or from other sources) to be used in a manner which could cause the Series 2020 SS2 Bonds to be treated as "arbitrage bonds" within the meaning of the Code. The Borrower by its execution of the Loan Agreement has covenanted to restrict the investment or other use of money in the funds created under the Indenture in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are delivered to their original purchaser, so that the Series 2020 SS2 Bonds will not constitute "arbitrage bonds" under the Code, and the Trustee, in the Indenture, agrees to comply with the Borrower's written instructions to such end with respect to the investment of money in the funds and accounts created under the Indenture.

### **Events of Default and Remedies**

The Indenture provides that each of the following shall be an "Event of Default":

- (a) Failure to pay the principal or redemption price of any Bond when due and payable, whether at the stated maturity thereof, by redemption, by acceleration or otherwise;
- (b) Failure to pay any interest on any Bond when due and payable;
- (c) Failure by the Authority to comply with the provisions of the Act relating to the Bonds or the Project or to perform or observe any other covenant, agreement or obligation on its part to be observed or performed contained in the Indenture or the Bonds, which failure shall have continued for a period of 60 days after written notice has been given by registered or certified mail to the Authority and the Borrower as provided in the Indenture, which notice may be given by the Trustee in its discretion and which notice must be given by the Trustee at the written request of the Holders of not less than 25% in aggregate principal amount of Bonds Outstanding; or
- (d) The occurrence and continuance of an "Event of Default" as defined in the Loan Agreement (see "THE LOAN AGREEMENT -- "Events of Default" herein).

The Indenture provides that if an Event of Default occurs, the Trustee may and shall upon the written request of the Owners of 25% in principal amount of all Bonds then outstanding (100% in principal amount of all Bonds then outstanding in the case of an Event of Default described in clause (c) above), by notice in writing to the Authority, the Borrower and the Program Sponsor, declare the principal of all Bonds then outstanding to be immediately due and payable and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable to the Owners. Upon any declaration of acceleration under the Indenture, the Trustee shall immediately exercise such rights as it may have as the assignee of the Loan Agreement to declare all payments under the Loan Agreement to be due and payable immediately.

Within five calendar days of the occurrence of any such acceleration, the Trustee shall notify, by first class mail, postage prepaid, the owners of all Bonds then outstanding of the occurrence of such acceleration, the date through which interest has accrued and the time and place of payment.

In addition, upon the occurrence and continuation of an Event of Default under the Indenture, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of principal or redemption price of and interest on the Bonds.

The provisions described above are subject to the condition that if, after the principal of all Bonds has been so declared to be due and payable, all arrears of interest on the Bonds are paid by the Authority, and the Authority performs all other things in respect to which it may have been in default under the Indenture and pays the reasonable charges and expenses of the Trustee and of the Owners of the Bonds, including reasonable attorneys' fees and expenses, then Owners of a majority in principal amount of the Bonds then outstanding, by notice to the Authority and to the Trustee, may annul such declaration and its consequences.

The Owners of a majority in principal of the Bonds then Outstanding will have the right, after furnishing indemnity satisfactory to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, except that such direction may not (i) be in conflict with the provisions of law and of the Indenture, (ii) unduly prejudice the rights of minority Owners or (iii) involve the Trustee in personal liability against which indemnity would not be satisfactory.

No Bondholder shall have any right to pursue any remedy under the Indenture or the Loan Agreement unless:

- (a) The Trustee shall have been given written notice of an Event of Default,
- (b) The Holders of at least 25% in principal amount of all Bonds then Outstanding shall have requested the Trustee, in writing, to exercise the powers granted in the Indenture or to pursue such remedy in its or their name or names,
- (c) The Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities (including attorney's fees, costs and expenses), and
- (d) The Trustee shall have failed to comply with such request within a reasonable time.

Notwithstanding the foregoing provisions or any other provision of the Indenture, the obligation of the Authority shall be absolute and unconditional to pay or cause to be paid, but solely from the revenues and other funds pledged under the Indenture, the principal or redemption price of and interest on, the Bonds to the respective Holders thereof on the respective due dates thereof, and nothing in the Indenture shall affect or impair the right of action, which is absolute and unconditional, of such holders to enforce such payment.

#### **Modifications and Amendments**

The Indenture provides that it may be amended or supplemented at any time without notice to or the consent of any of the Owners of the Bonds, by a supplemental indenture consented to by the Borrower, authorized by the Authority and filed with the Trustee for any one or more of the following purposes:

- (a) To add additional covenants of the Authority or to surrender any right or power conferred upon the Authority in the Indenture;
- (b) For any purpose not inconsistent with the terms of the Indenture or to cure any ambiguity or to correct or supplement any provision of the Indenture or in any supplemental indenture which may be defective or inconsistent with any other provision in the Indenture or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under the Indenture which shall not be inconsistent with the provisions of the Indenture and which shall not adversely affect the interests of the holders of the Bonds, including the appointment and duties of a bond registrar or authenticating agent;
- (c) To modify, eliminate or add to the provisions of the Indenture to such extent as shall be necessary to effect the qualification of the Indenture under the Trust Indenture Act of 1939 or under any similar Federal statute hereafter enacted, and to add to the Indenture such other provisions as may be expressly permitted by the Trust Indenture Act of 1939, as from time to time amended;
- (d) To modify, eliminate or add to the provisions of the Indenture to such extent as shall be necessary to obtain, maintain or improve a rating of the Bonds;
- (e) To grant to or confer or impose upon the Trustee for the benefit of the Owners of the Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(f) To permit the Bonds to be converted to, or from, certificateless securities or securities represented by a master certificate held in trust, ownership of which, in either case, is evidenced by book entries on the books of the Securities Depository, for any period of time;

(g) To permit the appointment of a co-trustee under the Indenture;

(h) To authorize different authorized denominations of the Bonds and to make correlative amendments and modifications to the Indenture regarding exchangeability of Bonds of different authorized denominations, redemption of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature;

(i) To make amendments to the provisions thereof relating to arbitrage matters under Section 148 of the Code, if, in the opinion of nationally recognized bond counsel selected by the Authority and approved by the Trustee, those amendments would not cause the interest on the Series 2020 SS2 Bonds Outstanding to become included in the gross income of the Holders thereof for federal income tax purposes and which amendments may, among other things, change the responsibility for making the relevant arbitrage calculations; and

(j) To modify, alter, amend or supplement the Indenture in any other respect which is not materially adverse to the Owners of the Bonds.

The Indenture may be amended from time to time, except with respect to (i) the principal or interest payable upon any of the Bonds, (ii) the Interest Payment Dates, the dates of maturity or the redemption provisions of any of the Bonds, and (iii) the provisions relating to amendments of the Indenture and the Loan Agreement, in each case by a supplemental indenture consented to by the Borrower and approved by the Owners of at least a majority in aggregate principal amount of the Bonds then outstanding which would be affected by the action proposed to be taken. The Indenture may be amended with respect to the matters enumerated in clauses (i) through (iii) of the immediately preceding sentence with the unanimous consent of all Owners and the Borrower, if the latter's consent is required by the immediately preceding sentence.

### **Discharge of Indenture**

When interest on, and principal or redemption price (as the case may be) of, all Bonds issued under the Indenture have been paid, or there shall have been deposited with the Trustee (i) cash in an amount sufficient to pay in full the principal or redemption price of and interest on the Bonds, and all other sums payable under the Indenture by the Authority, (ii) "defeasance obligations" (as defined below), the principal of and interest on which, when due, will provide sufficient moneys without reinvestment to pay in full the principal or redemption price of and interest on the Bonds, as well as all other sums payable under the Indenture by the Authority, or (iii) any combination of the foregoing, then upon receipt by the Trustee of (a) all of its necessary and proper fees, compensation and expenses, (b) an opinion of Bond Counsel that all conditions precedent to the defeasance of the lien of the Indenture have been complied with, (c) unless the Bonds will be paid in full within 90 days of the date of deposit of any defeasance obligations, a verification report in form and substance satisfactory to the Trustee from an independent certified public accountant or a nationally recognized firm with experience in preparing verification reports to the effect that the cash and defeasance obligations delivered will be sufficient to provide for the payment of the Bonds as aforesaid, and (d) other assurances from the Authority that the Trustee may deem necessary or appropriate, the right, title and interest of the Trustee in the Loan Agreement and the Trust Estate shall thereupon cease and the Trustee, on demand of the Authority, shall release the Loan Agreement and the Trust Estate from the lien and security interest created by the Indenture and shall execute such documents to evidence such release as may be reasonably required by the Authority or the Borrower and shall turn over to the Borrower or to such Person as may be entitled to receive the same, as it shall be directed in writing by the Borrower all balances remaining in any funds under the Indenture and the Trustee's right, title and interest to and under the Loan Agreement. For the purposes of this paragraph, "defeasance obligations" shall mean the following, but only to the extent they are Permitted Investments at the time of delivery to the Trustee: (1) Government Obligations; and (2) pre-refunded debt obligations of any state or political subdivision thereof or any agency or instrumentality of such a state or political subdivision, provided that such debt obligations are rated at least "AA" by S&P or at least "Aa" by Moody's.

The foregoing requirements may also be met with respect to any portion of the Bonds, as designated by the Borrower, by depositing with the Trustee cash, defeasance obligations, or any combination thereof sufficient to pay or provide for the payment of such Bonds, as described in the preceding paragraph. Upon such deposit, the Bonds for which such deposit has been made shall no longer be deemed Outstanding under the Indenture.

### **The Trustee**

The obligations and duties of the Trustee are described in the Indenture and, except upon an Event of Default, the Trustee has undertaken only those obligations and duties which are expressly set out in the Indenture. If any Event of Default of which the Trustee has been notified or is deemed to have notice under the Indenture has occurred and is continuing, the Trustee is obligated to exercise such of the rights and remedies vested in it by the Indenture and to use the same degree of care in its exercise as a prudent person would exercise or use in the circumstances in the conduct of his own affairs; provided that if in the opinion of the Trustee such action may tend to involve expense or liability, it will not be obligated to take such action unless it is furnished with indemnity satisfactory to it.

The Indenture expressly provides that the Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the Indenture.

Under the terms of the Indenture, the Trustee is liable only for those damages caused by its gross negligence or willful misconduct. Under the terms of the Indenture, the Trustee shall not be deemed to have notice of an Event of Default, other than the failure to pay principal of or interest on the Bonds when due, unless the Trustee has been notified in writing of such events by the Authority or the holders of at least 25% in aggregate principal amount of the Bonds then Outstanding. In the absence of delivery of such notices satisfying these requirements, the Trustee may assume conclusively that there is no such default. The summary of the Trustee's rights, duties, obligations and immunities contained herein is not intended to be a complete summary, and reference must be made to the Indenture for a complete statement of the Trustee's rights, duties, obligations and immunities.

The Trustee may resign and be discharged by written resignation filed with the Authority (and a copy to the Borrower) not less than 30 days prior to the date the resignation is to take effect. Such resignation will take effect only upon the appointment of, and acceptance of such appointment by, a successor trustee. In addition, the Trustee may be removed at any time by an instrument appointing a successor to the Trustee so removed, executed (i) by the Authority at the direction of the Holders of a majority in principal amount of the Bonds then Outstanding, or (ii) so long as no Event of Default has occurred and is continuing, by the Authority or by the Borrower with the written consent of the Authority

Any successor trustee must be a national banking association or a state bank with trust powers or a bank and trust company having capital and surplus of at least \$50,000,000, if there is one able and willing to accept the trust on reasonable and customary terms.

### **Limitation of Rights; No Personal Recourse.**

With the exception of rights conferred expressly in the Indenture, nothing in the Indenture expressed or implied is intended or shall be construed to give to any person other than the parties thereto, the Borrower and the Holders of the Bonds any legal or equitable right, remedy, power or claim under or with respect to the Indenture or any covenants, agreements, conditions and provisions contained therein.

The Indenture does not pledge the general credit of the Authority or the general credit or the taxing power of Cumberland County, the Commonwealth of Pennsylvania or any political subdivision thereof. The liability of the Authority shall be limited to and payable solely from the sources described herein under "SECURITY AND SOURCES OF PAYMENT FOR BONDS".

No recourse shall be had for any claim based on the Indenture or the Bonds, including but not limited to the payment of the principal or redemption price of, or interest on, the Bonds, against the Authority or any member,

officer, agent or employee, past, present or future, of the Authority or of any successor body, as such, either directly or through the Authority or any such successor body, under any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or by any legal or equitable proceeding or otherwise. The obligations and liabilities of the Authority arising under the Indenture shall be payable solely from the Revenues. The Program Sponsor shall have no liability hereunder, under the Bonds or under the Loan Agreement.

## **BONDHOLDERS' RISKS**

The Bonds are limited obligations of the Authority and are payable solely from payments made pursuant to the Loan Agreement. **No representation or assurance can be given to the effect that the Borrower will generate sufficient revenues to meet the Borrower's payment obligations under the Loan Agreement.**

Future legislation, regulatory actions, economic conditions, changes in private philanthropy, changes in the number of students in attendance at the Borrower, competition or other factors could adversely affect the Borrower's ability to generate revenues. Neither the Underwriter nor the Authority has made any independent investigation of the extent to which any of these factors could have an adverse impact on the revenues of the Borrower.

### **General**

The Bonds are limited obligations of the Authority and are payable solely from payments made pursuant to the Loan Agreement and from certain funds held by the Trustee under the Indenture. No representation or assurance can be given that the Borrower will generate sufficient revenues to meet the Borrower's payment obligations under the Loan Agreement. Future legislation, regulatory actions, economic conditions, changes in the number of students in attendance at the Borrower, or other factors could adversely affect the Borrower's ability to generate such revenues. Neither the Underwriter nor the Authority has made any independent investigation of the extent to which any such factors will have an adverse impact on the revenues of the Borrower.

### **Security Interest in Pledged Revenues**

To the extent that a security interest can be perfected in the Pledged Revenues of the Borrower by filing of financing statements, such action will be taken. The security interest in the Pledged Revenues of the Borrower may not be enforceable against third parties unless such Pledged Revenues of the Borrower are actually transferred to the Trustee or are subject to exceptions under the Uniform Commercial Code (the "UCC") as enacted in the Commonwealth of Pennsylvania. Under current law, such security interest may be further limited by the following: (1) statutory liens; (2) rights arising in favor of the United States of America or any agency thereof; (3) present or future prohibitions against assignment contained in any Commonwealth of Pennsylvania or Federal statutes or regulations; (4) constructive trusts, equitable liens or other rights impressed or conferred by any Commonwealth of Pennsylvania or Federal court in the exercise of its equitable jurisdiction; (5) Federal bankruptcy laws; and (6) the filing of appropriate continuation statements pursuant to UCC provisions as from time to time in effect.

### **Reliance on Student Tuition, Fees and Other Charges**

The adequacy of the Borrower's revenues will largely depend on the amount of future tuition and other student derived revenue the Borrower receives. Such revenue in turn will depend primarily on the Borrower's ability to charge sufficient rates for tuition, student fees and student charges and to maintain enrollment levels. Future enrollment levels will depend on the number of students applying to the Borrower and accepting offers of admission. A number of factors, including, without limitation, levels of tuition rates and other fees, competition from other colleges and universities, a change in the number of college age students and changing general economic conditions will influence the number of applicants to the Borrower.

### **Competition**

Competition among institutions of higher education is intense nationally and within the region from which the Borrower draws the majority of its students. Universities and colleges compete principally based on location, tuition rates, degree offerings, and academic reputation. To the extent that competitors have or achieve an advantage

with respect to any of these factors, the Borrower could be adversely affected. In addition, competitive pressures could result in tuition reductions or the inability to raise tuition, which could adversely affect the change in the Borrower's unrestricted net assets.

### **Fluctuations in Market Value of Investments**

Earnings on investments have historically provided the Borrower an important source of cash flow and capital appreciation to support its programs and services, to finance capital expenditure investments and to build cash reserves. Historically the value of both debt and equity securities has fluctuated and, in some instances, the fluctuations have been quite significant. Diversification of securities holdings may diminish the impact of these fluctuations. However, no assurances can be given that the market value of the investments of the Borrower will grow, or even remain at current levels and there is no assurance that such market value will not decline.

### **Covenant to Maintain Tax-Exempt Status of the Series 2020 SS2 Bonds**

The tax-exempt status of the Series 2020 SS2 Bonds is based on the continued compliance by the Authority and the Borrower with certain covenants contained in the Indenture, the Loan Agreement and the other documents executed by the Authority, the Borrower and the Trustee. These covenants relate generally to restrictions on use of facilities financed with proceeds of the Series 2020 SS2 Bonds, arbitrage limitations, rebate of certain excess investment earnings to the federal government and restrictions on the amount of issuance costs financed with the proceeds of the Series 2020 SS2 Bonds. Failure by the Authority and/or the Borrower to comply with such covenants could cause interest on the Series 2020 SS2 Bonds to become subject to federal income taxation retroactive to the date of issuance of the Series 2020 SS2 Bonds.

### **Enforceability of Remedies**

The remedies available to Bondholders upon an Event of Default under the Indenture or the Loan Agreement are in many respects dependent upon judicial action, which is subject to discretion or delay. Under existing law and judicial decisions, including specifically the Bankruptcy Code, the remedies specified in the Indenture and the Loan Agreement may not be readily available or may be limited. A court may decide not to order specific performance.

The various legal opinions to be delivered concurrently with the original delivery of the Bonds will be qualified as to enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws or legal or equitable principles affecting creditors' rights.

### **Local Tax Assessment**

In recent years, a number of local taxing authorities in the Commonwealth have sought to subject the facilities of non-profit healthcare and other traditionally exempt organizations to local real estate and business privilege taxes, primarily by challenging their status as "institutions of purely public charity" as described in the Pennsylvania Constitution, notwithstanding the fact that Pennsylvania nonprofit facilities historically have been viewed as exempt from such taxes. The Pennsylvania constitutional test is very subjective and frequently difficult to satisfy. Pennsylvania court decisions have been highly fact-specific and do not provide clear overall guidance on the question. In addition, the Pennsylvania law sets forth additional standards that must be satisfied for tax exemption. Therefore, there is no assurance that under current Pennsylvania law, the Borrower will remain exempt from real estate and other local taxes.

### **State and Federal Legislation**

Legislation has been proposed in the past, and may be proposed again in the future, affecting tax-exempt bonds, including legislation that could eliminate the tax-exempt status of bonds issued to finance educational facilities or limit the use of tax-exempt bonds, or prevent certain holders of tax-exempt bonds from realizing the full benefit of the tax exemption of interest on such bonds. For example, the federal tax legislation that was enacted on December 22, 2017 reduced corporate tax rates, modified individual tax rates, eliminated many deductions, repealed the corporate alternative minimum tax (for taxable years beginning after December 31, 2017) and eliminated tax-exempt advance

refunding bonds, among other things. Any such limitation on the use of tax-exempt bonds to finance educational facilities or generally could reduce the ability of the Borrower to finance its future capital needs. Additionally, investors in the Series 2020 SS2 Bonds should be aware that future legislative actions may increase, reduce or otherwise change the financial benefits and the treatment of all or a portion of the interest on the Series 2020 SS2 Bonds for federal income tax purposes for all or certain taxpayers. In such events, the market value of the Series 2020 SS2 Bonds may be affected and the ability of holders to sell their Series 2020 SS2 Bonds in the secondary market may be reduced. The effect on the Borrower of proposed laws and regulations and of future changes in federal and state laws and policies cannot be fully or accurately determined at this time.

### **Cybersecurity Risk**

In the course of its operations, the Borrower collects and stores personally identifiable information, including, but not limited to, social security numbers, educational records and financial information. The University also develops, maintains and/or stores, as applicable, intellectual property such as research data.

Like all institutions of higher education, the Borrower could be subject to cyber intrusion through hacking, malware and/or email scams. Cyber intrusion could lead to (i) data breaches requiring breach notification, (ii) denial of service (e.g., network, system, application or data), (iii) loss of intellectual property and data, (iv) harm to the Borrower's brand or reputation, (v) life/health safety impacts and/or (vi) financial loss. The Borrower takes steps to prevent, detect and respond to cyber intrusion. Further, the University maintains cyber insurance coverage to protect against data breaches and other cyber events. However, because the techniques used to obtain unauthorized access, disable or degrade service, or sabotage systems change frequently or may be disguised or difficult to detect, or designed to remain dormant until a triggered event, the Borrower may be unable to anticipate these techniques or implement adequate preventative measures. In addition, no assurance can be given that the insurance coverages maintained by the Borrower would be sufficient to cover all losses and liability resulting from data breaches or other cyber events.

### **COVID-19 Related Matters**

Public health epidemics or outbreaks could adversely impact the Borrower's operations. In December 2019, a novel strain of coronavirus (COVID-19) emerged in Wuhan, Hubei Province, China. The outbreak of COVID-19 has since spread to the United States and other countries and has been declared a pandemic by the World Health Organization. The outbreak of the disease has affected travel, commerce and financial markets globally.

The continued spread of COVID-19 and the continued impact on social interaction, travel, economies and financial markets have had and may continue to have adverse effects on the Borrower's finances and operations, including adverse effects on (i) the Borrower's collections of Tuition, various other student generated fees and other amounts necessary for the operation of the Borrower, (ii) the ability of the Borrower to conduct its operations and/or the cost of operations, and (iii) financial markets and consequently the returns on and value of the Borrower's investments and the potential for negatively affecting investment portfolios of donors to the Borrower. There also may be adverse effects on the secondary market for and value of the Bonds. The extent to which COVID-19 impacts the Borrower's operations and financial condition will depend on future developments, which are highly uncertain and cannot be predicted with confidence, including the duration of the outbreak. The full impact of COVID-19 and the scope of any adverse impact on the Borrower's finances and operations cannot be fully determined at this time. Other adverse consequences of COVID-19 may include, but are not limited to, decline in enrollment, decline in demand for student housing, and decline in demand for Borrower programs that involve travel or that have international connections. See "COVID-19 Matters" and "Management's Discussion - Balance Sheet Resources, Results from Operations and Conclusion" in Appendix A hereto for additional information regarding the effects of COVID-19 on the Borrower.

### **Other Risk Factors**

In the future, the following factors, among others, may adversely affect the operations of the Borrower to an extent that cannot be determined at this time:

- (1) Loss of accreditation for the Borrower or key academic programs, or changes in accreditation standards which could adversely affect the Borrower's ability to maintain accreditation for itself or key academic programs.
- (2) Employee strikes and other adverse labor actions that could result in a substantial reduction in revenues without corresponding decreases in costs.
- (3) Litigation resulting in required payments by the Borrower which exceed insurance coverages.
- (4) Increased costs and decreased availability of public liability or other types of insurance.
- (5) Changes in the demand for higher education in general or for programs offered by the Borrower in particular.
- (6) Cost and availability of energy.
- (7) High interest rates, which could strain cash flow or prevent borrowing for needed capital expenditures.
- (8) A decrease in student loan funds or other aid that permits many students the opportunity to pursue higher education.
- (9) An increase in the costs of health care benefits, retirement plans, or other benefit packages offered by the Borrower to its employees.
- (10) Higher interest rates, which could strain cash flow or prevent borrowing for needed capital expenditures.
- (11) A downgrade in the Borrower's bond rating or rating outlook to a level which prevents the Borrower from being able to borrow at affordable rates in the future.
- (12) Withdrawal of any current exemptions from local real estate taxes, business privilege taxes and similar impositions.
- (13) Losses in investments held by the Borrower.
- (14) Reduced future Borrower revenues as a result of a need to increase tuition discounting to attract students.
- (15) Increased competition from other institutions of higher learning which may offer similar academic programs or may recruit similar students, and that may result in reduced enrollments and reduced Borrower revenues.
- (16) Reduced ability to attract future annual or capital campaign contributions, that may limit future projects and/or the ability to address deferred maintenance.
- (17) Reduced availability of qualified faculty to teach the programs offered by the Borrower.
- (18) Legislation and regulation by governmental authorities, including developments affecting tax-exempt status of educational institutions like the Borrower and changes in immigration laws limiting the Borrower's ability to admit foreign students or hire foreign faculty and administrators.
- (19) Natural disasters or effects of any climate change which might damage the Borrower's facilities, interrupt service to its facilities or otherwise impair the operation of the Borrower's facilities.

- (20) An inability to retain students, resulting in enrollment losses and reduced revenues, which may be due to reduced financial aid available to students from the Borrower or from Federal or state sources.
- (21) Future deficits as a result of increased future expenses.

### **NO PERSONAL RECOURSE**

No covenant or agreement contained in the Indenture, the Bonds or the Loan Agreement shall be deemed to be the covenant or agreement of any member, director, officer, attorney, agent or employee of the Authority or the Program Sponsor in an individual capacity. No recourse shall be had for the payment of any claim based thereon against any member, director, officer, agent, attorney or employee of the Authority or the Program Sponsor past, present or future, or their successors or assigns, as such, either directly or through the Authority or the Program Sponsor, or any successor corporations, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise.

### **LITIGATION**

As of the date hereof, there is no litigation of any nature pending or, to the Authority's knowledge, as to the Authority, or the Borrower's knowledge, threatened against the Authority or the Borrower to restrain or enjoin the issuance, sale, execution or delivery of the Bonds or the application of the proceeds thereof as herein described, or in any way contesting or affecting the validity of the Bonds or any proceedings of the Authority taken with respect to the issuance or sale thereof, the pledge or application of any monies or security for the Bonds or the existence or powers of the Authority.

As of the date hereof, to the knowledge of the Borrower, there is no litigation pending or threatened against the Borrower wherein an unfavorable decision would adversely affect the ability of the Borrower to carry out its obligations under the Indenture or the Loan Agreement, or would have a material adverse impact on the financial position or operations of the Borrower.

### **CONTINUING DISCLOSURE**

On or before the date of issuance of the Bonds, the Borrower will execute and deliver a Continuing Disclosure Certificate (the "Continuing Disclosure Certificate") in substantially the form set forth in Appendix C hereto. Pursuant to the Continuing Disclosure Certificate, the Borrower will agree to provide certain continuing disclosure for the benefit of the holders of the Bonds pursuant to Securities and Exchange Commission Rule 15c2-12 (the "Rule"). The provisions of the Continuing Disclosure Certificate will be for the benefit of the beneficial owners of the Bonds under the circumstances described therein, and each beneficial owner will be a beneficiary of the provisions of the Continuing Disclosure Certificate with the right to enforce such provisions directly against the Borrower. However, breach of the provisions of the Continuing Disclosure Certificate will not be considered an Event of Default under the Indenture or the Loan Agreement and none of the rights and remedies provided under the Indenture or the Loan Agreement upon an Event of Default (other than specific performance) will be available to the beneficial owners in the event of such breach. Unless otherwise required by law, no beneficial owner is entitled to damages for the Borrower's noncompliance with its obligations under the Continuing Disclosure Certificate.

The Borrower has made similar undertakings in the past (the "Prior Continuing Disclosure Undertakings") in connection with other series of bonds previously issued for the benefit of the Borrower. While the Borrower made annual filings of financial and operating information in accordance with the Prior Continuing Disclosure Undertakings, filings were not properly linked to one bond issue for fiscal years 2018 and 2019, and not all CUSIPs were properly linked to audit and operating data filings in fiscal years 2015 through 2017 and a rating change notice filing in 2018. In addition, one operating data item was not filed in fiscal year 2015 with respect to bonds that are no longer outstanding, and another operating data item was not included in the filings for various bond issues for fiscal years 2018 and 2019. Corrective filings for all of these items have been completed along with a failure to file notice. The Borrower has adopted written policies and procedures governing the Borrower's compliance with its continuing disclosure undertakings.

## TAX MATTERS

### **Federal Tax Exemption – Series 2020 SS2 Bonds**

In the opinion of Ballard Spahr LLP, Bond Counsel, interest (including original issue discount) on the Series 2020 SS2 Bonds is excludable from gross income for purposes of federal income tax under existing laws as enacted and construed on the date of initial delivery of the Series 2020 SS2 Bonds, assuming the accuracy of the certifications of the Authority and the Borrower and continuing compliance by the Authority and the Borrower with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"). Interest on the Series 2020 SS2 Bonds is not an item of tax preference for purposes of federal alternative minimum tax imposed on individuals. Bond Counsel expresses no opinion regarding other federal tax consequences relating to ownership or disposition of, or the accrual or receipt of interest on, the Series 2020 SS2 Bonds.

**Original Issue Discount.** The Series 2020 SS2 Bonds were offered at a discount ("original issue discount") equal generally to the difference between the public offering price and the principal amount. For federal income tax purposes, original issue discount on a Series 2020 SS2 Bond accrues periodically over the term of the Series 2020 SS2 Bond as interest with the same tax exemption and alternative minimum tax status as regular interest. The accrual of original issue discount increases the holder's tax basis in the Series 2020 SS2 Bond for determining taxable gain or loss upon sale or redemption prior to maturity. Holders should consult their tax advisers for an explanation of the accrual rules.

### **Federal Tax Matters – Series 2020 SS3 Bonds**

In the opinion of Ballard Spahr LLP, Bond Counsel, interest on the Series 2020 SS3 Bonds is not excludable from gross income for purposes of federal income tax under existing laws as enacted and construed on the date of initial delivery of the Series 2020 SS3 Bonds. Interest on the Series 2020 SS3 Bonds is taxable as ordinary income for federal income tax purposes at the time the interest accrues or is received in accordance with a bondholder's method of accounting for federal income tax purposes.

Prospective purchasers of Series 2020 SS3 Bonds who are not United States persons, as defined for federal tax purposes, may be subject to special rules and should consult their tax advisors.

### **State Tax Exemption**

Interest on the Bonds is exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax, under the laws of the Commonwealth of Pennsylvania as enacted and construed on the date of initial delivery of the Bonds. Bond Counsel will express no opinion regarding other state or local tax consequences arising with respect to the Bonds, including whether interest on the Bonds is exempt from taxation under the laws of any jurisdiction other than the Commonwealth of Pennsylvania.

### **General**

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

The foregoing is only a general summary of certain provisions of the Code as enacted and in effect on the date hereof and does not purport to be complete; holders of the Bonds should consult their own tax advisors as to the effects, if any, of the Code in their particular circumstances.

See APPENDIX D hereto for the proposed Form of Bond Counsel Opinion.

## **LEGAL MATTERS**

Legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approval of Ballard Spahr LLP, Philadelphia, Pennsylvania, Bond Counsel. A signed copy of their opinion, dated and premised on facts existing and law in effect as of the date of original issuance and delivery of the Bonds, will be delivered to the Trustee at the time of such original issuance.

Certain legal matters will be passed upon by Martson Law Offices, Carlisle, Pennsylvania, as counsel to the Authority; by Stevens & Lee, P.C., Reading, Pennsylvania, as counsel to the Borrower; and by Eckert Seamans Cherin & Mellott, LLC, Pittsburgh, Pennsylvania, as counsel to the Underwriter.

## **RATING**

S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC ("S&P"), has assigned its municipal bond rating of "A-" to the Bonds, accompanied by a Negative Outlook, based on the creditworthiness of the Borrower.

Certain information and materials not included in this Official Statement was furnished to S&P. Generally, such Rating Service bases its ratings on information and materials so furnished and on investigations, studies and assumptions by such Rating Service. The rating and outlook assigned to the Bonds reflects only the views of such Rating Service at the time such rating was issued, and an explanation of the significance of such rating and outlook may be obtained only from such Rating Service. Such rating and outlook are not a recommendation to buy, sell or hold the Bonds. There is no assurance that any such rating or outlook will continue for any given period of time or that they will not be lowered or withdrawn entirely by such Rating Service if, in its judgment, circumstances so warrant. Any such downward revision of such rating or outlook or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

## **UNDERWRITING**

The Bonds are being purchased for reoffering by Stifel, Nicolaus & Company, Incorporated (the "Underwriter"). The Underwriter has agreed to purchase the Bonds at an aggregate purchase price of \$29,549,160.55 (which includes original issue discount of \$559,539.45). The initial public offering prices set forth on the inside cover page of this Official Statement may be changed from time to time by the Underwriter without any requirement of prior notice. The Underwriter reserves the right to join with other dealers in offering the Bonds to the public. The Bonds may be offered and sold to other dealers (including Bonds for deposit into investment trusts, certain of which may be sponsored or managed by the Underwriter) at prices other than the public offering prices stated on the inside cover page of this Official Statement.

## **INDEPENDENT AUDITORS**

The financial statements of the Borrower as of and for the fiscal years ended June 30, 2018 and June 30, 2019 are included in Appendix B hereto and have been audited by Baker Tilly Virchow Krause, LLP, as stated in their report appearing therein.

## **VERIFICATION OF MATHEMATICAL CALCULATIONS**

The arithmetical accuracy of the mathematical computations supporting the adequacy of the maturing principal amounts of, and interest earned on, the securities purchased to fund the escrow accounts established for the refunding of the Refunded 2001 Bonds will be verified by Causey Demgen & Moore P.C., Denver, Colorado, as a condition to the delivery of the Bonds.

## **CERTAIN RELATIONSHIPS**

A Managing Director of Stifel, Nicolaus & Company, Incorporated is a member of the Board of Trustees of the Borrower. Stifel, Nicolaus & Company is acting as the Underwriter for the Bonds. She did not participate in the passage of the resolutions adopted by the Board of Trustees or the Executive Committee of the Board to approve the issuance of the Bonds and the Borrower's obligations respecting the Bonds. Stifel, Nicolaus & Company, Incorporated is the remarketing agent for the 2014 Bonds. Stevens & Lee, P.C., counsel to the Borrower, has also represented the Underwriter on other matters from time to time.

## **OTHER MATTERS**

The order and placement of materials in this Official Statement, including the Appendices, are not to be deemed a determination of relevance, materiality or importance, and this Official Statement, including the Appendices, must be considered in its entirety. ## Litigation

The University, like other similar institutions, is subject to a variety of suits and proceedings arising in the ordinary course of business. In the opinion of the University, there is no litigation of any nature pending or threatened wherein an unfavorable decision would have a material adverse impact on the financial condition of the University.

## COVID-19 Matters

### *COVID-19 Planning*

While Messiah believes that moving to a fully remote education in the spring semester of 2020 was the best choice at the time, the University also believes that returning to a combination of in-person and remote this fall is the best way to facilitate the rich and meaningful experiences and daily interactions that are ultimately a hallmark of the Messiah experience. After an extensive planning process, the University has identified the key best-practices and actions necessary for protecting the University's educational environment.

The University has focused on five critical protocols:

1. Aligning the University's plans based upon regulations and guidance from PA Dept. of Health, the Governor's Office, and the University's local healthcare system.
2. Planning for testing, surveillance and tracing.
3. Implementing health management measures through the Engle (Health) Center
4. Implementing risk reduction protocols for the entire community
5. Implementing flexible education protocols, including the flexibility to revise the University's calendar.

The plan is based upon a multi-layered, integrated approach to public health safety that will continue to change as guidance changes and developments in the pandemic dictate. The Engle Center maintains close and effective connections to the University's local health department and local healthcare system so that Messiah believes it has the guidance, support and resources necessary for navigating the current pandemic matters as effectively as possible.

### ***Testing, Tracing, and Quarantining***

Prior to classes starting, students, faculty and other educators will be asked to commit to a self-quarantine for 14 days. Messiah's testing program has two branches. First, prior to opening, the University will test certain student populations who are at greater risk for exposure to the virus and who plan to be in-person this fall. Secondly, the Engle Center is prepared to test students and employees throughout the semester due to symptoms or exposure. This protocol aligns with guidance with from CDC.

A team of approximately 30 professionals from across campus will be trained in contact tracing, utilizing a 6-hour course through Johns Hopkins University. The team will include professionals from the Engle Center (medical and counseling staff), residence life, sports medicine, human resources and the University's registered dietician. As individuals with COVID-19 are identified within the University's on-campus community, a contact tracer will be assigned and will inform any close contacts of the need to quarantine and/or be tested. Smith A and B apartments (with a capacity to house 32 students) have been set aside as space for quarantine and isolation of undergraduate residential students, who will be provided with a range of support services, including facilitating their coursework, attention to medical and mental health, and food delivery.

### ***Additional Risk Reduction Measures***

The University Community will also follow additional risk reduction measures. Specifically, six health practices will be implemented University-wide:

1. Masks must be worn. While undergraduate students will be able to relax the need for masks in their own hall after an initial waiting period, masks will be worn by everyone in the community when on Grantham campus (core campus) and Winding Hill (adjacent campus).
2. Social distancing must be practiced. The University has taken measures to facilitate social distancing in the classrooms, the residence halls, and the dining facilities. Where social distancing cannot be reliably facilitated, plans have been changed. For example, chapel will be replaced with a combination of daily devotional messaging, weekly podcasts, and working with students by floor for faith development programming.
3. The University's cleaning and disinfecting protocols will be significantly enhanced at both the Grantham and Winding Hill campuses. In addition, all members of the community will have increased access to cleaning supplies so that work areas can be cleaned immediately after use.
4. Respiratory etiquette must be exercised and training on expectations will be communicated regularly.
5. Everyone must wash their hands frequently and hand sanitizers will be readily available for times when hand washing may not be immediately possible.
6. Everyone must report their temperature and wellness each day, and commit to staying home when not well.

These measures are present in the plans of each department. In addition, the University has significantly reduced University travel, campus visitors, and adjusted the University's calendar so that in-person classes end at Thanksgiving. Members of the community are all asked to limit personal travel.

## **Management's Discussion**

### ***Niche Programs and Christian Identity:***

Messiah had traditionally been a four-year institution with strong niche programs that have helped to create its identity, but approximately ten years ago the University introduced graduate programs in counseling, conducting, and nursing. The University's undergraduate accounting graduates boast exceptionally high pass rates among those who take the CPA exam, and its nursing graduates maintain consistently high passing rates on nursing certification exams. Nationally known as an academically strong Christian institution, Messiah has experienced stable enrollment throughout its history, with a strong connection to many Christian faiths. The University currently enrolls students from more than 40 different faiths. The University believes that its niche programs and Christian identity also contribute to a historically strong matriculation rate which has consistently been above 30% and was approximately 30.3% for the 2019-20 academic year.

### ***Recent Additions to Campus:***

In 2013 the University opened its new Calvin and Janet High Center for Worship and Performing Arts, which was funded entirely with gifts and internal funds. During the past five years, the University raised 100% of the funding for its new artificial turf field for lacrosse and soccer, as well as the Martin Dining Commons, a 4,800 square foot addition to the University's dining hall. The University is proud of its ability to successfully raise funds for project specific facilities as needs arise. Although Messiah recently celebrated its 100<sup>th</sup> anniversary in 2009, 80% of its alumni (living & deceased) graduated during the most recent thirty years. The University has been the recipient of many generous contributions from both alumni and a greater community of friends despite its youth.

In 2015 the University issued tax-exempt bonds to fund its conversion to natural gas, and renovations of 32,000 square feet of leased space at 401 East Winding Hill Road, Mechanicsburg near campus into academic classrooms and labs for graduate health science programs. This location, prominently bearing the Messiah University name, is highly visible from a major highway.

The proceeds of the 2016 Bonds were used to construct new facilities and additions to existing buildings associated with the recreational, wellness and fitness activities of the University. In addition to sports management and other health and wellness related academic programs, non-student athletes and students participating in Messiah's 22 formal athletic teams are actively using the updated facilities. Messiah is an NCAA Division III institution, participating in the Middle Atlantic Conference. Messiah's athletic accomplishments include nearly 50 women's and more than 30 men's conference titles as well as the following national championships:

National Division III National Championships

- Women's Soccer - 6
- Women's Track & Field - 5
- Women's Softball - 1
- Women's Field Hockey - 1
- Men's Soccer - 10
- Men's Wrestling - 5
- Men's Track & Field - 2

The majority of proceeds associated with the University's 2018 Bonds were used to substantially renovate the University's Witmer Residence for first-year students, currently accommodating 300 freshmen in separately designated men and women only areas. The remainder of proceeds funded miscellaneous capital expenditures.

***University Investment in Rider Musser Development:***

For more than 20 years, the University strategically acquired nearby land intended one day for third party development, which could produce a unique stream of recurring revenues for the University. In 2014 Rider Musser Development, LLC ("RMD") was formed as a for-profit corporation to develop the Rider, Musser & Mummau tracts of land in Mechanicsburg, Pennsylvania (Upper Allen Twp.), originally purchased by Messiah, now owned by RMD. Messiah is the sole member of RMD, and has invested both land and funds in RMD as part of its real estate asset class in the University's long-term investment portfolio. The University reports its investment in the real estate development company using the equity method. In fiscal 2019, RMD obtained taxable bonds to fund its residential construction project, Oakwood Hills, with a guarantee from the University to make principal and interest payments if necessary, through the final maturity of the bonds. The outstanding principal bond balance was \$57,404,367 as of June 30, 2019. The University has not made any principal payments to date.

***Balance Sheet Resources, Results from Operations and Conclusion:***

60% of Messiah's approximately \$161 million of balance sheet resources as of June 30, 2019 (cash and investments) are unrestricted. For the majority of the past ten years, the University has generated cash flow surpluses from operations in excess of \$1 million. Results from operations produced a cash flow surplus of \$0.15 million for FY'19. FY'20 operating results are expected to generate a larger surplus than FY'19, despite having refunded students approximately \$7 million when campus closed due to COVID-19. Fortunately, operating savings related to COVID-19 (such as furloughed employees, significantly less travel expenses and not having to staff dining facilities and certain other operations while closed), have offset certain new expenses prompted by the pandemic. The University expects operating performance on a full accrual basis to be negative in FY'20 (similar to FY'19), a function of lower than expected undergraduate net tuition revenue and growth of depreciation expense associated with new additions to campus in recent years. Messiah believes it is well poised for its second century, firm in its tradition, with a strong commitment to solid academic offerings, in an environment of hospitality and Christian fellowship, with a foundation of solid financial resources and a history of successful fundraising.

## Independent Auditors' Report

To the Board of Trustees of  
Messiah College

### Report on the Financial Statements

We have audited the accompanying financial statements of Messiah College (the "College"), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Messiah College as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements  
June 30, 2019 and 2018

## 1. Nature of Operations and Summary of Significant Accounting Policies

### Nature of Operations

Messiah College is a private Christian college of the liberal and applied arts and sciences. Founded in 1909 by the Brethren in Christ Church, the College is located in Mechanicsburg, Pennsylvania. The College is accredited by the Middle States Commission on Higher Education and has a student body of approximately 3,400 undergraduate and graduate students.

### Basis of Presentation

These financial statements present financial information showing the financial position, the activities, and the cash flows of the College reflecting the presence or absence of donor-imposed restrictions. Accordingly, the amounts of net assets are classified according to the nature of such restrictions, as follows:

*Net Assets With Donor Restrictions, in Perpetuity* - Net assets which are subject to donor-imposed restrictions that they be maintained permanently by the College. Generally, the donors of these assets permit the College to use all or part of the income earned on related investments for general or specific purposes.

*Net Assets With Donor Restrictions, Time and Purpose* - Net assets which are subject to donor-imposed restrictions that will be met when expenditures are made for the designated purposes or with passage of time. The expiration of time or purpose restrictions on net assets is reported in the statement of activities as net assets released from restrictions. Contributions with time and purpose restriction and endowment income whose restrictions are not met in the same period as received or earned are reported as increases in net assets with restrictions.

*Net Assets Without Donor Restrictions* - Net assets not subject to donor-imposed restrictions. The Board of Trustees has several standing board policies that affect the presentation of board designations on net assets. Proceeds from matured gift annuities without donor restrictions and trusts without donor restrictions are designated for long-term investment in the endowment (quasi-endowment).

### Government Grants and Student Aid

The government grants and student aid amounts reported do not include funds credited to students under various federal and state grant programs. These grants are similar to agency funds as the College acts only as custodian and disbursing agent.

### Title IV Requirements

The College participates in Student Financial Assistance Programs ("Title IV") administered by the U.S. Department of Education ("ED") for the payment of student tuition. Substantial portions of the revenue and collection of accounts receivable as of June 30, 2019 and 2018, are dependent upon the College's continued participation in the Title IV programs.

### Cash and Cash Equivalents

Cash and cash equivalents represent highly liquid investments with an original maturity date not exceeding 90 days.

## Notes and Accounts Receivable

Student accounts receivable are recorded net of an allowance for doubtful accounts. The allowance for doubtful accounts is estimated based on the College's historical losses and periodic review of individual accounts. Student accounts receivable are written off when they are determined to be uncollectible based on management's assessment of individual accounts. Other items included are notes receivable from employees and faculty, grants receivable from federal and state agencies and receivables from unrelated individuals, companies and organizations.

## Student Loans

The student loans receivable primarily represents loans to students funded by advances to the College by the federal government under the Perkins and Nursing Student Loan Programs (the "Programs"). Such funds may be re-loaned by the College after collection. The Perkins loan program expired on September 30, 2017; after June 30, 2018, no new loans are permitted. Institutions are permitted to liquidate all Perkins loans or continue to service all or some of its outstanding Perkins loans. The College is continuing to service its Perkins loans and is assessing the loan portfolio to determine if certain loans will be assigned to the government, but in the event that the College no longer participates in the Program, the amounts are refundable to the federal government. The federal government's portion of these funds at June 30, 2019 and 2018 was \$2,534,749 and \$2,503,950, respectively.

## Contributions

Unconditional promises to give (pledges) are recorded as receivables and revenues and the College distinguishes between contributions received for each net asset category in accordance with donor-imposed restrictions. Contributions for donor-restricted purposes (other than capital) are reported as revenue without donor restrictions when the restriction is satisfied within the same year that the contribution is received.

Contributions with donor-imposed restrictions (for purposes other than capital) that are not met in the same year as received are reported as revenues with donor restrictions (time and purpose restrictions) and are reclassified to net assets without donor restrictions when an expenditure is incurred that satisfies the donor-imposed restriction.

Contributions restricted for the acquisition of plant and equipment are reported as revenues with donor restrictions and are reclassified to net assets without donor restrictions when the asset acquisitions are placed in service.

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at their net present value. The discount is computed using a credit-adjusted interest rate. Conditional promises to give are not recorded until such time as the conditions are substantially met.

## Inventories

Inventories are valued at the lower of cost or net realizable value on a first-in, first-out basis. Inventories consist of dining services, College press, postage and facilities supplies.

Notes to Financial Statements

June 30, 2019 and 2018

## Investments and Deposits with Trustee

Investments are reported at fair value. Adjustments to reflect increases or decreases in fair value, referred to as unrealized gains and losses, are reported in the statements of activities. The cost of investments received as gifts is fair value as determined upon receipt. The cost of investments sold is determined by use of the specific identification method.

All realized and unrealized gains and losses arising from the sale or appreciation (depreciation) in fair value of investments, and all income from investments, are reported as changes in net assets without restrictions unless their use is restricted by explicit donor-imposed stipulations, or by law.

Deposits with trustee under debt agreements, restricted at June 30, 2019 and 2018 consist of cash and money market funds from unspent bond proceeds.

## Property and Equipment

Physical plant and equipment are stated at cost when purchased, and gifts of plant assets are reflected at fair value when received. Land, buildings, equipment and furniture are stated at cost less accumulated depreciation which is computed on a straight-line basis over the respective estimated useful lives as follows:

Building and improvements	10 - 40 years
Leasehold improvements	5 - 12 years
Equipment	4 - 20 years
Furniture	4 - 20 years

As permitted by accounting principles generally accepted in the United States of America, the College does not generally capitalize its museum and art collections. The College's intention is to preserve the archives and use them as a resource for students of the College.

## Impairment of Long-Lived Assets

Management of the College reviews long-lived assets (including property and equipment and other assets) for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Management considers the undiscounted cash flow expected to be generated by the use of the asset and its eventual disposition to determine when, and if, an impairment has occurred. An impairment loss is recognized to the extent that the carrying value of assets exceeds their fair value. Write-downs due to impairment are charged to operations at the time a material impairment is identified. No such write-downs were required in 2019 and 2018.

## Annuity and Trust Funds

The College has entered into split-interest agreements with donors primarily consisting of charitable gift annuities and charitable trusts. Assets for which the College serves as trustee are included in assets held in trust. Contribution revenues are recognized at the date the annuities and trusts are established after recording liabilities for the present value of the estimated future annuity payments to be made to the donors and/or other beneficiaries. Such revenues are recorded as increases in net assets with donor restrictions unless the donor has given the College the right to use such assets without restriction. Changes in the value of the associated liabilities are recorded within "change in value of split-interest agreements" throughout the term of the agreements to reflect the current estimated present value of future cash outflows. Contributions arising from split interest agreements amounted to \$116,835 and \$443,886 for the years ended June 30, 2019 and 2018, respectively.

---

The College is also a beneficiary of certain perpetual trusts held and administered by others. Under the terms of the trust agreements, the College has the irrevocable right to receive a portion of the income earned on trust assets in perpetuity, but never receives the assets held in the trusts. The present values of the estimated future cash receipts from the trusts are recognized as assets and contribution revenues at the dates the trusts are established.

### Revenue Recognition

Tuition and fee revenue is recognized in the fiscal year in which the associated academic programs are delivered. Sales and services of auxiliary enterprises revenue, which consists of room and board and related services, is recognized when the related service is provided or performed. Tuition and fee and auxiliary enterprise contracts are considered to have a duration of less than one year.

Transaction prices for tuition, fees, room, and board are determined based on applicable College pricing schedules. Institutional financial aid and discounts provided by the College are reflected as a reduction of tuition and fee revenue, with the exception of specifically identified auxiliary discounts such as room grants, which are reflected as a reduction in auxiliary revenue. The College awards grants-in-aid and scholarships to individuals who meet the College's academic standards. The amounts of such awards are based upon the financial needs and/or merit of each applicant.

Amounts are due for tuition, fees, room, and board at the beginning of each semester. In accordance with the College's refund policies, undergraduate students may receive a full or partial refund up to the 60 percent date of the semester. Graduate students taking anything other than intensive courses may receive a full or partial refund until the date the course section is over 33 percent complete. Graduate students taking intensive courses may receive a 100 percent refund up to the end of the first day of on-campus classes. Student accounts receivable includes amounts to which the College is unconditionally entitled. In connection with the adoption of the revenue recognition standard, the College considers such amounts as unconditional based on the payment due date.

Student-related deferred revenue for billed services not yet performed totaled approximately \$779,000 at June 30, 2019 and consists primarily of amounts related to 2019 summer sessions. The College's student deposits includes amounts collected but not yet earned of \$1,345,000. These amounts will be recognized as revenue in fiscal 2020 as academic services are provided. In 2018, prior to the adoption of the revenue recognition standard, the College's student-related deferred revenue for billed services not yet performed totaled approximately \$771,000 and consists primarily of amounts related to 2018 summer sessions. The College's student deposits at June 30, 2018 were approximately \$1,480,000. These amounts were recognized as revenue in fiscal 2019.

Most private and government grants and appropriations received by the College are deemed to be non-exchange (nonreciprocal) transactions and fall under the contribution accounting guidance. Under this guidance, revenue related to conditional grants and contracts is recorded when the conditions are met. Most grants and contracts are on a cost reimbursement basis and require the College incur eligible expenses prior to the release of funds. The College reports these grants and contracts as changes in net assets without donor restrictions when restrictions are met in the same period.

From time to time the College receives private grants and contracts that are exchange (reciprocal) transactions and would fall under the scope of the new revenue recognition standard. The performance obligation for each grant or contract is deemed to be the research itself and revenue is recognized as the eligible grant activities are conducted. Transaction prices are based on budgets in the award agreement. Exchange contracts are not significant to the College's financial statements.

## Functional Allocation of Certain Expenses

The statements of activities present expenses by functional classification. Depreciation of plant assets, interest on long-term debt, and expenses incurred for the operation and maintenance of plant facilities are allocated to program and supporting activities based upon proportional occupancy of campus buildings. Costs of other categories were allocated on estimates of time and effort. A summary of functional and natural classification is available at Note 14.

## Fundraising Costs

The College expenses fundraising costs when incurred. Fundraising costs were approximately \$2,038,000 and \$2,031,000 for the years ended June 30, 2019 and 2018, respectively, and are included in institutional support in the statements of activities.

## Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## Reclassifications

Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

## Subsequent Events

The College evaluated subsequent events for recognition or disclosure through October 18, 2019, the date the financial statements were issued.

## Recently Adopted Accounting Standards

In August 2016, FASB issued ASU No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The new guidance is intended to improve and simplify the current net asset classification requirements and information presented in financial statements and notes that is useful in assessing a not-for-profit's liquidity, financial performance and cash flows. The College adopted ASU 2016-14 in fiscal 2019 and has applied the changes retrospectively to all periods presented, except for the disclosure around natural classification of expenses which has been presented for fiscal 2019 only as permitted by the guidance.

As a part of the adoption, changes in terminology were made throughout the financial statements and related footnotes. Unrestricted net assets were renamed net assets without donor restrictions and temporarily restricted net assets and permanently restricted assets were combined into the category of net assets with donor restrictions.

In 2019, the College adopted ASU No. 2014-09, *Revenues from Contracts with Customers (Topic 606)*, using the modified retrospective approach which provides for application of the new standard to uncompleted contracts at the date of adoption (July 1, 2018) without revising prior periods. ASU No. 2014-09 supersedes the revenue recognition requirements under Topic 605, *Revenue Recognition*, and most industry specific guidance. The core principle under ASU No. 2014-09 is that revenues are recognized to depict the transfer of promised goods or services to customers in an amount that reflects the consideration at which the College expects to be entitled for those goods or services. The adoption of ASU No. 2014-09 did not have a material impact on the financial statements.

Notes to Financial Statements  
June 30, 2019 and 2018

In November 2016, the FASB issued ASU No. 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. The new guidance requires that a statement of cash flows explain the change in the total of cash, cash equivalents and amounts generally described as restricted cash or restricted cash equivalents when reconciling the beginning and ending total amounts shown on the statements of cash flows. The College adopted ASU No. 2016-18 in fiscal 2019. The adoption of this guidance led to deposits with trustee under debt agreements being included in cash and cash equivalents on the statements of cash flows. The adoption increased the previously reported 2018 beginning of year cash and cash equivalents of \$10,463,456 by \$2,197,667 to \$12,661,123, increased 2018 net cash used in investing activities by \$5,320,208, and increased the 2018 ending cash and cash equivalents by \$5,320,428 to \$12,606,305.

In June 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The new guidance is intended to clarify and improve accounting guidance for contributions received and contributions made. The College adopted this guidance in 2019 utilizing the modified retrospective method of adoption; the adoption of this guidance did not have a material impact on the College's financial statements.

## Future Accounting Standards

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. ASU No. 2016-02 requires lessees to recognize the assets and liabilities that arise from leases on the balance sheet. A lessee should recognize in the statements of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. ASU No. 2016-02 is effective for the College in fiscal year 2020. The College is currently assessing the effect that ASU No. 2016-02 will have on its financial statements.

## 2. Cash and Cash Equivalents

The College maintains cash balances in high credit financial institutions in excess of the federally insured limit under the FDIC. The exposure of the College to uninsured balances as of June 30, 2019 and 2018 was approximately \$4,360,000 and \$7,311,000, respectively. Historically, the College has not experienced any losses and management believes it is not exposed to any significant credit risk.

## Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is measured using a hierarchy prioritizing the inputs used in determining valuations into three levels. The level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement.

The levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible to the College for identical instruments.

Level 2 - Significant inputs, other than Level 1 inputs that are observable either directly or indirectly for substantially the full term of the instruments through corroboration with observable market data.

Level 3 - Significant unobservable inputs.

(a) Real assets, held in trust and other includes real estate owned; fair value is based on market value appraisals using a sales approach, which is a non-recurring fair value measurement.

- (b) Investments also include member interests in a local real estate development company, totaling \$17,859,640 and \$12,111,966 at June 30, 2019 and 2018, respectively, (including real estate). The College is the sole member of this corporation, which has an independent board. Activity for the current year included capital contributions of approximately \$6,300,000 by the College to the real estate development company, construction, and securing financing debt. The College reports its investment in the real estate development company using the equity method. Fiscal 2018 also included a transfer of real estate previously held in the investment portfolio, valued at approximately \$8,700,000. In fiscal 2019, the real estate development company obtained taxable bonds to fund its construction projects, with a guarantee from the College to make principal and interest payments if necessary, through the final maturity of the bonds. The outstanding principal bond balance is \$57,404,367 as of June 30, 2019. The College has not made any principal payments to date.

### Valuation Methodologies

Level 1 - Fair value of money market funds, equity funds, common stock, and fixed income securities was based on quoted market prices for the identical security.

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument;

Level 3 - Prices or valuation techniques that are unobservable in the market and require significant management judgment or estimation to measure fair value.

*Beneficial interest in perpetual trusts* - The College's beneficial interest in perpetual trusts held by others is based on the fair value of the trusts' holdings as reported by the trustees as an estimate of the cash flows to be received from the trusts. The College's proportionate share of the net asset values of funds held in trust by others as of June 30, 2019 and 2018 were \$3,956,904 and \$3,977,900, respectively.

*Hedge funds, private equity and venture capital, and real asset-based funds* - Fair value of these alternative investments was based upon estimated net asset values provided by investment managers. The College measures the fair value of an investment that does not have a readily determinable fair value based on the net asset value of the investment as a practical expedient, without further adjustment, unless it is probable that the investment will be sold at a value significantly different than the net asset value. These values are determined using the audited financial statements of the investment and evaluating any cash flows or outflows post-audit. Management reviews and evaluates the values and agrees with the methods and assumptions used.

The fair values of several of the investment instruments classified in the above tables have been estimated using the net asset value of the College's ownership interest in partner's capital. Those are:

*Private equity and venture capital:* This category includes funds that invest primarily in technology, emerging growth and real estate companies. These investments can never be redeemed at the option of the investor. Instead, distributions are received through the liquidation of the underlying assets of the fund. It is estimated that the underlying assets of the various funds will be liquidated over the next 12 years. As of June 30, 2019, the College has committed \$14,080,000 to these funds, of which \$2,080,726 remains unfunded.

*Real asset-based funds:* This category includes funds that invest primarily in commercial real estate properties and partnerships in the United States. Distributions from each fund will be received as the underlying investments of the funds are liquidated. Amounts not available include amounts set aside for long-term investing in the quasi-endowment that could be drawn upon if the governing board approves that action. However, amounts already appropriated from either the donor-restricted endowment or quasi-endowment for general expenditure within one year of the statements of financial position date have not been subtracted as unavailable.

Total financial assets and liquidity resources	<u>\$ 26,400,163</u>	<u>\$ 27,013,076</u>

As of June 30, 2019, the College has liquid assets on hand to cover approximately 100 days of operating expenses. The College's practice is to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

The College is substantially supported by restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period. The College must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year.

In addition, the College invests cash in excess of daily requirements in short-term investments. To help manage unanticipated liquidity needs, the College has committed lines of credit in the amount of \$15 million, which it could draw upon. Additionally, the College has a quasi-endowment of \$94.7 million. Although the College does not intend to spend from its quasi-endowment other than amounts appropriated for general expenditures as part of its annual budget approval and appropriation process, amounts from its quasi-endowment could be made available if necessary. However, both the quasi-endowment and donor-restricted endowments contain investments with provisions that would reduce the total investments that could be made available (see Note 12 for disclosures about investments).

### 12. Endowment and Net Assets Released from Restrictions

The College's endowment consists of individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

## Messiah College

### Notes to Financial Statements

June 30, 2019 and 2018

The Board of Trustees of the College has developed a policy requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation of Pennsylvania law, the College classifies as net assets with donor restrictions, restricted in perpetuity (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions, restricted in perpetuity is classified as either net assets with donor restrictions, restricted by time or purpose or without donor restrictions based on the existence of donor restrictions or by law. Board designated investment funds are balances functioning as an endowment that are established by the institution from either donor or institutional monies, and are usually to be retained and invested rather than expended. Since board designated investment funds are established by the institution rather than an external source, the principal may be expended, as directed by the Board of Trustees.

The College considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the College and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the College
- (7) The investment policies of the College

The College has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the College must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the sum of the Endowment's spending rate, anticipated inflation, all fees and administrative costs, and any portfolio growth factor that the Committee on Finance recommends to the Board of Trustees, while assuming a moderate level of investment risk. The College expects its endowment funds, over time, to provide an average rate of return of approximately 7.5 percent annually. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate-of-return objectives, the College relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The College targets a diversified asset allocation that places a greater emphasis on fixed-income investments to achieve its long-term return objectives within prudent risk constraints.

Commonwealth of Pennsylvania law permits the College to allocate to income each year a portion of endowment net realized gains. Pennsylvania legislation was enacted which limited the amount that may be spent to a minimum of 2.0 percent, and a maximum of 7.0 percent of a three-year moving average of the market value of the endowed assets. Since endowment net realized and unrealized gains may eventually be expended by the College, donor endowment net realized and unrealized gains are recorded in the financial statements as net assets with restrictions until transferred to unrestricted net assets. For the years ended June 30, 2019 and 2018, the College's spending policy was 5.0 percent of the 12-quarter average fair market value of the donor endowed assets calculated as of the prior June 30. Based upon this formula, total distributed income on donor-restricted funds for the years ended June 30, 2019 and 2018 amounted to \$1,848,534 and \$1,718,474, respectively.

Amounts received and expended by the College under various federal and state programs (principally related to student financial aid) are subject to audit by governmental agencies. In the opinion of management, audit adjustments, if any, will not have a significant effect on the financial position or result of activities of the College.

The College leases real estate for educational, office, and residential purposes under the terms of non-cancelable agreements classified as operating leases. Notes to Financial Statements

June 30, 2019 and 2018

The College executed a Guaranty Agreement dated October 1, 2018, pursuant to which the College guaranteed the payment of debt service with respect to \$57,490,000 of Cumberland County Industrial Development Authority (Commonwealth of Pennsylvania) Taxable Revenue Bonds (Rider Musser Development, LLC Project), Series 2018 (the "2018 Taxable Revenue Bonds"). The guarantee only secures the debt service obligations with respect to the 2018 Taxable Revenue Bonds and does not secure Rider Musser Development, LLC's obligations with respect to any additional bonds or indebtedness. The guarantee is an unsecured general obligation of the College.

### 16. Income Taxes

The College qualifies as a tax-exempt, nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, there is no provision for federal or state income taxes.

The College accounts for uncertainties in income taxes in accordance with authoritative guidance, which prescribes a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. Management determined there were no tax uncertainties that met the recognition threshold at June 30, 2019 and 2018.

The College's policy is to recognize interest related to unrecognized tax benefits in interest expense and penalties in operating expenses.

(a) In accordance with the requirements of the Rule, the Borrower shall deliver, or shall provide to the Dissemination Agent and shall cause the Dissemination Agent to deliver, to the Repository not later than 60 days after the date on which the Borrower's Board of Trustees shall have approved the Borrower's audited financial statements for the preceding fiscal year,

commencing with the fiscal year ending June 30, 2020, an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate; provided, that in no event will the Borrower's audited financial statements be provided by the Borrower later than nine (9) months following the end of the related fiscal year in accordance with Section 4(a). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided that the financial statements of the Borrower may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report, if submitted in accordance with the provisions of Section 4. If the fiscal year of the Borrower changes, the Borrower shall give notice of such change in the same manner as for a Listed Event under Section 5.

(b) If the Dissemination Agent receives the Annual Report from the Borrower and delivers the Annual Report to the Repository, the Dissemination Agent shall file a report with the Issuer and, if the Dissemination Agent is not the Trustee, with the Trustee (with a copy to the Borrower) to the effect that the Annual Report has been so delivered pursuant to this Disclosure Certificate and stating the date it was delivered. If the Borrower delivers the Annual Report directly to the Repository, it shall provide a report to the same effect to the Issuer, the Dissemination Agent and, if the Dissemination Agent is not the Trustee, to the Trustee.

(c) If the Borrower fails either to (i) provide the Annual Report to the Dissemination Agent in a time, manner and condition sufficient for the Dissemination Agent to deliver the Annual Report in compliance with Section 3(a), or (ii) report to the Dissemination Agent that it has on its own so delivered the Annual Report, the Dissemination Agent shall in a timely manner send a notice to the Repository (and copies thereof to the Issuer and the Borrower) in substantially the form attached as Exhibit A attached hereto.

**SECTION 4. Content of Annual Reports.** The Annual Reports shall contain or include by reference the following:

(a) The audited financial statements of the Borrower for the prior fiscal year prepared in accordance with Generally Accepted Accounting Principles. If such financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 3(a), the Annual Report shall contain preliminary financial statements in a format similar to the financial statements contained in the Official Statement, and the final financial statements shall be filed in the same manner as the Annual Report when they become available. Notwithstanding the foregoing, the Borrower may change the accounting principles used for preparation of the audited financial statements so long as the Borrower includes, in its next Annual Report as part of the information set forth therein, a statement to the effect that different accounting principles are being used, stating the reason for such change and providing a method by which to compare the financial information provided by the differing financial accounting principles.

(b) Operating data and financial information regarding the Borrower for the prior fiscal year of the same type as included in the tables in Appendix A to the Official Statement under the headings "Undergraduate Student Profile," "Messiah Undergraduate Tuition, Fees, Room and Board," "Graduate Student Profile," and "Summary Financial Information".

(c) Notice of the failure by the Borrower to comply with the requirement set forth in Section 5.09 of the Loan Agreement that the Borrower's Net Revenues Available for Debt Service (as defined in the Loan Agreement) will equal or exceed, for such fiscal year, 105% of the Debt

Service Requirement (as defined in the Loan Agreement), whether or not such failure results in an Event of Default under the Loan Agreement.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues with respect to which the Borrower is an Obligated Person, which have been filed with the Repository or the SEC. If the document included by reference is a final official statement, it must be available from the MSRB. The Borrower shall clearly identify each such other document so included by reference. In the event the Borrower's audited financial statements for the fiscal year which have been provided pursuant to Section 3 of this Disclosure Certificate together with audited financial statements for other fiscal years which have been filed with the Repository or SEC contain any of the information described in clause (b) above, the related requirement of this Section 4 shall be deemed to be satisfied with respect to including such information in the Borrower's Annual Report provided that the aforementioned specific reference to the financial statements containing such information is included in the filing.

**SECTION 5. Reporting of Significant Events.**

(a) Pursuant to the provisions of this Section 5, the Borrower shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds (each a "**Listed Event**") in a timely manner not in excess of ten (10) Business Days after the occurrence of the Listed Event (provided that the term "material" when used in this Section 5 with regard to an event or occurrence means that the applicable Obligated Person has determined that such event or occurrence is material within the meaning of the Rule):

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;

- (vii) Modification to the rights of the registered owners and Beneficial Owners of the Bonds, if material;
- (viii) Bond calls (other than mandatory sinking fund redemption), if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution or sale of property securing repayment of the Bonds, if material;

- (xi) Rating changes;
- (xii) Bankruptcy, insolvency, receivership or similar event of the Borrower;
- (xiii) The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (xv) Incurrence of a Financial Obligation of the Borrower, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Borrower, any of which affects holders of the Bonds, if material; and
- (xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Borrower, any of which reflect financial difficulties.

The Listed Events listed in clauses (i) through (xvi) above are quoted from the Rule. Not all Listed Events listed above may be applicable to the Bonds.

(b) Whenever the Borrower obtains knowledge of the occurrence of a Listed Event, the Borrower shall promptly prepare a notice describing the Listed Event and notify the Dissemination Agent, if any, and the Issuer in writing, and either report or instruct the Dissemination Agent to report, the occurrence to the Repository, or to the MSRB. Promptly upon receipt of such notice, the Dissemination Agent shall file it with the Repository, or with the MSRB, as instructed in writing by the Borrower, with a copy to the Issuer and, if the Dissemination Agent is not the Trustee, with the Trustee.

**SECTION 6. Termination of Reporting Obligations.** The Borrower's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If the Borrower's obligations under the Loan Agreement are assumed in full by some other entity, such person shall be responsible for compliance with this Disclosure Certificate in the same manner as if it were the Borrower and the Borrower shall have no further responsibility hereunder. If such termination or substitution occurs prior to the final maturity of the Bonds, the Borrower shall give notice of such termination or substitution in the same manner as a Listed Event under Section 5.

**SECTION 7. Dissemination Agent.** Initially the Borrower has not appointed a third party Dissemination Agent, but instead shall comply with all of the requirements of this Disclosure Certificate. In the event the Borrower appoints a third party to serve as Dissemination Agent, the provisions of Section 12 hereof and the following provisions shall apply to such Dissemination Agent:

- (a) The Dissemination Agent shall not be responsible in any manner for the content of any notice or report, including, without limitation, any Annual Report, prepared by the Borrower pursuant to this Disclosure Certificate.

(b) The Borrower may, from time to time, appoint or engage a new Dissemination Agent, and may discharge any such Dissemination Agent, upon the appointment of a successor Dissemination Agent which shall be evidenced and be effective upon such successor Dissemination Agent's execution and delivery to the Issuer and the existing Dissemination Agent of a Form of Acceptance of Dissemination Agent's Duties substantially in the form attached hereto as Exhibit B.

(c) The Borrower shall be responsible for all fees and associated expenses of the Dissemination Agent.

**SECTION 8. The Issuer.** The Issuer shall not have any responsibility or liability in connection with the Borrower's compliance with the Rule, its filing or other obligations under this Disclosure Certificate, or in connection with the contents of any such filings. The Borrower covenants and agrees to indemnify and save the Issuer, and its members, officers, employees and agents, harmless against any loss, expense (including reasonable attorneys' fees) or liability arising out of (i) any breach by the Borrower of its obligations under this Disclosure Certificate, or (ii) any Annual Report or notices or other information provided under this Disclosure Certificate or any omissions therefrom.

**SECTION 9. Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Certificate, the Borrower and the Dissemination Agent (if any) may amend this Disclosure Certificate and any provision of this Disclosure Certificate may be waived, provided that no amendment shall subject the Issuer to any additional obligations or liabilities, and, provided further, that the Borrower has received an opinion of a nationally recognized disclosure counsel to the effect that such amendment or waiver would not, in and of itself, cause the undertakings set forth herein to violate the requirements of the Rule if such amendment or waiver had been effective at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances.

In addition, in the event the Borrower appoints a third party to serve as Dissemination Agent, this Disclosure Certificate may be amended to include such provisions relating to the duties and rights of the Dissemination Agent as may be agreed to by the Borrower and the Dissemination Agent.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Borrower shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5, and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

**SECTION 10. Additional Information.** Nothing in this Disclosure Certificate shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Certificate, the Borrower shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

**SECTION 11. Default.** In the event of a failure of the Borrower to comply with any provision of this Disclosure Certificate, the Issuer or any third party serving as Dissemination Agent may, or at the written request of the Participating Underwriter or the registered owners of at least 25% of the aggregate principal amount of outstanding Bonds and the provision of indemnification satisfactory to it, the Dissemination Agent shall, or any registered owner or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Borrower to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Disclosure Certificate in the event of any failure of the Borrower or the Dissemination Agent to comply with this Disclosure Certificate shall be an action to compel performance.

**SECTION 12. Duties, Immunities and Liabilities of Dissemination Agent.** In the event the Borrower has appointed a third party to serve as Dissemination Agent, Article VIII of the Indenture is hereby made applicable to this Disclosure Certificate as if this Disclosure Certificate were (solely for this purpose) contained in the Indenture and applicable to the Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and no further duties or responsibilities shall be implied. The Dissemination Agent shall not have any liability under, nor duty to inquire into the terms and provisions of, any agreement or instructions, other than as outlined in this Disclosure Certificate. The Dissemination Agent may rely and shall be protected in acting or refraining from acting upon any written notice, instruction or request furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Dissemination Agent shall be under no duty to inquire into or investigate the validity, accuracy or content of any such document. The Dissemination Agent shall not be liable for any action taken or omitted by it in good faith unless a court of competent jurisdiction determines that the Dissemination Agent's negligent or willful misconduct was the primary cause of any loss to the Borrower. The Dissemination Agent shall not incur any liability for following the instructions herein contained or expressly provided for, or written instructions given by the Borrower. In the administration of this Disclosure Certificate, the Dissemination Agent may execute any of its powers and perform its duties hereunder directly or through agents or attorneys and may consult with counsel, accountants and other skilled persons to be selected and retained by it. The Dissemination Agent shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons. The Dissemination Agent may resign and be discharged from its duties or obligations hereunder by giving notice in writing of such resignation specifying a date when such resignation shall take effect. Any corporation or association into which the Dissemination Agent in its individual capacity may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Dissemination Agent in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Dissemination Agent in its individual capacity may be sold or otherwise transferred, shall be the Dissemination Agent under this Disclosure Certificate without further act. \$22,845,000 Cumberland County Municipal Authority Federally Taxable Revenue  
Refunding Bonds (AICUP Financing Program – Messiah University Project), Series 2020 SS3

Ladies and Gentlemen:

We have acted as Bond Counsel to the Cumberland County Municipal Authority (the “Issuer”) in connection with the issuance of \$7,415,000 aggregate principal amount of its Revenue Bonds (AICUP Financing Program – Messiah University Project), Series 2020 SS2 (the “Series SS2 Bonds”) and the issuance of \$22,845,000 aggregate principal amount of its Federally Taxable Revenue Refunding Bonds (AICUP Financing Program – Messiah University Project), Series 2020 SS3 (the “Series SS3 Bonds”) and together with the Series SS2 Bonds, the “Bonds”). The Bonds are issued under and pursuant to the provisions of the Pennsylvania Municipality Authorities Act, 53 PA.C.S.A. §5601 *et seq.*, as amended (the “Act”) and a Trust Indenture (the “Indenture”), dated as of August 1, 2020 between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”).

The Bonds are being issued pursuant to a financing program sponsored by the Association of Independent Colleges and Universities of Pennsylvania to provide funds to be loaned to Messiah University (formerly Messiah College) (the “University”) to finance certain costs of a project consisting of: (i) a portion of the cost of construction and equipping of a new Welcome and Admissions Center; (ii) miscellaneous capital expenditures on the University’s campus; (iii) the refunding of a portion of the outstanding Pennsylvania Higher Educational Facilities Authority Revenue Bonds (AICUP Financing Program – Messiah College Project), Series 2012 LL3 (the “2012 Bonds”); and (iv) certain costs of issuing the Series SS2 Bonds ((i)-(iv) collectively, the “Tax Exempt Project”); and (x) the refunding of the outstanding Pennsylvania Higher Educational Facilities Authority Revenue Bonds (Association of Independent Colleges and Universities of Pennsylvania Financing Program – Messiah College Project), Series 2001 I-3 and Series 2001 I-4 and (y) certain costs of issuing the Series SS3 Bonds

((x) and (y) collectively, the “Taxable Refunding Project”, and together with the Tax Exempt Project, the “Project”).

The Issuer and the University have entered into a Loan Agreement dated as of August 1, 2020 (the “Loan Agreement”) providing for the loan of the proceeds of the Bonds to the University to pay certain costs of the Project. Under the Loan Agreement, the University is unconditionally obligated to make loan payments in the amounts and at the times necessary to pay, when due, the principal or redemption price of and interest on the Bonds. The Issuer has assigned certain of its interests under the Loan Agreement, including its right to receive payments thereunder in respect of the Bonds, to the Trustee for the benefit of the holders of the Bonds.

The University has represented in the Loan Agreement that it is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), is not a “private foundation” within the meaning of Section 509(a) of the Code, and is exempt from federal income tax under Section 501(a) of the Code. The University has covenanted that it will maintain its status as a 501(c)(3) organization under the Code and will take whatever actions are necessary to continue to be organized and operated in a manner which will preserve and maintain its status as an organization which is described in Section 501(c)(3) of the Code and exempt from federal income taxes under Section 501(a) of the Code (except as to unrelated business income).

The Code sets forth certain requirements which must be met subsequent to the issuance and delivery of the Series SS2 Bonds for interest thereon to remain excludable from the gross income of the owners of the Series SS2 Bonds for federal income tax purposes. The Issuer and the University have covenanted to comply with such requirements. Noncompliance with such requirements may cause the interest on the Series SS2 Bonds to be includible in the gross income of the owners of the Series SS2 Bonds for federal income tax purposes, retroactive to the date of issue of the Series SS2 Bonds or as of some later date. Under the Loan Agreement, the University has covenanted that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Series SS2 Bonds under Section 103(a) of the Code. For the purposes of the opinions set forth below, we have assumed that the Issuer and the University will comply with the covenants set forth in the Loan Agreement relating to the tax-exempt status of the Series SS2 Bonds.

An officer of the Issuer responsible for issuing the Series SS2 Bonds and an authorized officer of the University have each executed a certificate stating the reasonable expectations of the Issuer and the University on the date of issue of the Series SS2 Bonds as to future events that are material for the purposes of Section 148 of the Code pertaining to arbitrage bonds. Also, the Issuer has caused or will cause to be filed with the Internal Revenue Service a report of the issuance of the Series SS2 Bonds as required by Section 149(e) of the Code as a condition of the exclusion from gross income of the interest on the Series SS2 Bonds.

In our capacity as Bond Counsel we have examined such documents, records of the Issuer and other instruments as we deemed necessary to enable us to express the opinions set forth below, including original counterparts or certified copies of the Indenture, the Loan Agreement and the other documents listed in the Closing Index in respect of the Bonds filed with the Trustee. We also have examined an executed Bond and assume that all other Bonds have been similarly executed and have been authenticated by the Trustee. In rendering the opinions set forth below, we have relied upon the opinion,

dated the date hereof, of Stevens & Lee, P.C., counsel to the Borrower, as to the matters set forth in such opinion, without independent investigation of such matters.

Based on the foregoing, it is our opinion that:

1. The Issuer is a body corporate and politic validly existing under the laws of the Commonwealth of Pennsylvania, with full power and authority under the Act to undertake the financing of the Project, to execute, deliver and perform its obligations under the Loan Agreement and the Indenture, and to issue and sell the Bonds.

2. The Loan Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, except as the rights created thereunder and the enforcement thereof may be limited by bankruptcy, insolvency or other laws or equitable principles affecting the enforcement of creditors' rights generally.

3. The issuance and sale of the Bonds have been duly authorized by the Issuer and, on the assumption as to execution and authentication stated above, such Bonds have been duly executed and delivered by the Issuer and authenticated by the Trustee, and are legal, valid and binding limited obligations of the Issuer entitled to the benefit and security of the Indenture, except as the rights created thereunder and enforcement thereof may be limited by bankruptcy, insolvency or other laws or equitable principles affecting the enforcement of creditors' rights generally.

4. Under the laws of the Commonwealth of Pennsylvania as presently enacted and construed, interest on the Bonds is exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax.

5. Assuming the accuracy of the certifications of the Issuer and the University and their continuing compliance with the requirements of the Code, interest on the Series SS2 Bonds (including original issue discount) is excludable from gross income for purposes of federal income taxation under existing laws as enacted and construed on the date hereof. Interest on the Series SS2 Bonds is not an item of tax preference for purposes of federal alternative minimum tax imposed on individuals. We express no opinion regarding other federal tax consequences relating to ownership or disposition of, or the accrual or receipt of interest on, the Series SS2 Bonds.

6. Interest on the Series SS3 Bonds is not excludable from gross income for purposes of federal income taxation under existing laws as enacted and construed on the date hereof.

We have not been engaged to express and do not express any opinion herein with respect to the adequacy of the security for the Bonds or the sources of payment for the Bonds or with respect to the accuracy or completeness of any offering document or other information pertaining to the offering for sale of the Bonds or as to any other matter not set forth herein.

We call your attention to the fact that the Bonds are limited obligations of the Issuer payable only out of payments to be made by the University pursuant to the Loan Agreement and certain other moneys available therefor, and that the Bonds do not pledge the credit or taxing power of the County of Cumberland, the Commonwealth of Pennsylvania or any political subdivision thereof. The Issuer has no taxing power.

Very truly yours,
