PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT, dated as of May 1, 2014, between LOS ANGELES UNIFIED SCHOOL DISTRICT, a school district organized and existing under the laws of the State of California (the "District"), and CALIFORNIA STATEWIDE DELINQUENT TAX FINANCE AUTHORITY, a joint exercise of powers authority organized and existing under the laws of the State of California (the "Authority").

BACKGROUND

1. The District is a taxing agency that is entitled to an allocation of ad valorem property taxes levied by the County of Los Angeles, California (the "County") on the secured roll and the supplemental roll of the County under the provisions of Article XIII A of the California Constitution and the provisions of the California Revenue and Taxation Code.

2. Certain ad valorem property taxes levied by the County and allocated to the District on the secured roll and the supplemental roll are delinquent (such delinquent allocated taxes, the "Tax Receivables") as of the Cut-off Date (as defined below).

3. The Authority has been formed for the purpose of purchasing delinquent ad valorem property taxes from participating local educational agencies in the County in accordance with Section 6516.6 of the Government Code of the State of California (the "State"), upon terms and conditions which are acceptable to such local educational agencies.

4. In order to facilitate the purchase of the Tax Receivables, the Authority has made arrangements to issue and sell a certificate of participation representing a 100% participation interest in the Tax Receivables (the "Certificate of Participation") to Plymouth Park Tax Services LLC, a Delaware limited liability company (the "Certificate Purchaser"), pursuant to Article 4 (commencing with Section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code of the State. The Certificate of Participation will be sold by the Authority to the Certificate Purchaser pursuant to a Certificate Purchase Agreement, dated as of May 1, 2014 (the "Certificate Purchase Agreement"), between the Authority and the Certificate Purchaser.

5. The District has determined that it is in the best interests of the District at this time to sell to the Authority the delinquent tax collections which it is entitled to receive arising from the collection of certain delinquent ad valorem property taxes for the fiscal year ending June 30, 2013, upon the terms and conditions provided herein.

NOW, THEREFORE, for and in consideration of the premises and the material covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows:

Such Tax Receivable shall cease to be a part of the Collateral and be released from, and no longer be subject to, the pledge of this Agreement. The Authority agrees to take or cause to be taken such actions and to execute, deliver and record such instruments and documents as may be set forth in a written request of the District to release such Tax Receivable from the lien of this Agreement.

(b) The District acknowledges that the Authority will assign to the Certificate Purchaser all of its rights and remedies arising from the breach of any representations and warranties of the District under this Agreement. It is understood and agreed that the representations and warranties set forth in this Section 3.01 and in Section 2.04 and 4.04 shall survive the consummation of the sale of the Tax Receivables on the Closing Date and shall inure to the benefit of the Authority and the Certificate Purchaser. It is further understood and agreed that the representations and warranties made by the District in Section 3.01(a) hereof are made solely for the purpose of establishing the criteria for establishing the existence of a Defective Tax Receivable, and in no case shall the District or any of its officers or employees have any liability based upon any knowledge that such representations and warranties were in fact false at the time

they were made, other than the obligation of the District to repurchase Defective Tax Receivables as provided in this Agreement.

(c) Upon discovery by the District or the Authority or the Certificate Purchaser (based on information provided by the County, examination of the Delinquent Tax Roll or otherwise) of a breach of any of the foregoing representations and warranties (without regard to any knowledge qualifier) that materially and adversely affects the value of any Tax Receivable (such Tax Receivable, a "Defective Tax Receivable"), the party making such discovery shall notify the District and the Certificate Purchaser of such discovery. The Certificate Purchaser may, at its option, require the District to repurchase the Defective Tax Receivable. Under no circumstances will the District have the right to require the resale of a Defective Tax Receivable to the District. The District shall have no right to substitute another Tax Receivable for a Defective Tax Receivable. If the Certificate Purchaser elects to require the District to repurchase a Defective Tax Receivable, the Certificate Purchaser shall give written notice to the District. Such notice must (i) identify the Defective Tax Receivable and describe in reasonable detail the nature of the breach, (ii) if the Tax Receivable Balance as of the Sale Date is determined to be less than the amount thereof shown on the Tax Receivables Schedule, the amount of such deficiency and (iii) be accompanied by documentation from the County which reasonably establishes the factual basis for the determination of the breach. For purposes of clause (ii) of the preceding sentence, if the adjustments to the Tax Receivable Balance result from adjustments to the Delinquent Tax Roll provided by the County, the Certificate Purchaser will use its best reasonable efforts to obtain the reason(s) for the adjustments from the County, but if the Certificate Purchaser is unable to obtain such reasons despite using its best reasonable efforts to do so, such inability shall not be grounds for rejection or disallowance of the adjustment.

(d) By way of illustration and not limitation, it is understood and agreed that amounts due with respect to a Tax Receivable may be reduced as a result of changes in assessed value, changes in any applicable exemptions of the related Property pursuant to a tax appeal proceeding or changes in the property tax percentage allocation of the District in the year Collections on the Tax Receivable are received. The rights of the parties hereto shall be governed as if any such reduction constitutes a breach by the District of its representation and warranty as to the amount of the related Tax Receivable as set forth on the Tax Receivables Schedule. If any Tax Receivable becomes a Defective Tax Receivable solely as a result of the determination that the Tax Receivable Balance as of the Sale Date (or applicable Repurchase Date) was less than the amount set forth on the Tax Receivables Schedule, then only the amount of the reduction of such Tax Receivable shall be deemed to be repurchased and such Tax Receivable, at its reduced Tax Receivable Balance, shall continue to be a Tax Receivable for all purposes of this Agreement.

(e) As to any Defective Tax Receivable, on or prior to the next Repurchase Date following the day on which such Tax Receivable becomes a Defective Tax Receivable, the District shall, at its option, either (A) cure or cause to be cured such breach or (B) pay to the Certificate Purchaser, in immediately available funds, the Defective Tax Receivable Purchase Amount. If any Tax Receivable is determined to be a Defective Tax Receivable prior to the time the Purchase Price is paid on the Closing Date, the Defective Tax Receivable Purchase Amount may, at the option of the Certificate Purchaser, be netted against the Purchase Price payable to the District on the Closing Date. The obligations of the District under this Section 3.01(e) shall constitute the sole remedies available to the Authority and the Certificate Purchaser with respect

to a Defective Tax Receivable and the District shall not incur any other liability to the Authority or the Certificate Purchaser or any other Person because of any inaccuracy of any representation or warranty made under this Section 3.01 with respect to the Tax Receivables. Upon the repurchase of a Defective Tax Receivable by the District, the Authority shall cause the Tax Receivables Schedule to be amended to delete the Defective Tax Receivable therefrom, and the District shall have no further liabilities or obligations with respect to such Defective Tax Receivable.

(f) The District hereby irrevocably grants and pledges to the Authority, to the extent permitted by applicable law, a first lien and claim in and to all property tax revenues to which the District is entitled under State law during each of the Fiscal Years subsequent to the Purchased Fiscal Year in order to secure its obligation to make any payment to the Certificate Purchaser under Section 3.01(e) above.

(g) The Certificate Purchaser shall forward the Certificate Purchaser's calculations and/or recalculations of any adjustments made under this Section 3.01 to the Los Angeles County Office of Education from time to time for the purpose of enabling the County Auditor-Controller to report the "tax receipts" of the District under Section 75.70 of the California Revenue and Taxation Code and Section 6516.6(c)(4) of the California Government Code. The Authority and the Certificate Purchaser shall have no responsibility for any such report made by the County Auditor-Controller, or any failure by the County Auditor-Controller to make any such report.

Section 3.02. Protection of Title; Payment of Collections. (a) The Certificate Purchaser shall be entitled to assert all right, title, and interest of the District in the enforcement and collection of the Tax Receivables, including but not limited to the District's lien priority and the District's right to receive the Collections on the Tax Receivables. From and after the Sale Date, the District shall have no rights whatsoever in and to said Tax Receivables, including but not limited to the right to receive any Collections in respect of said Tax Receivables, except with respect to Defective Tax Receivables repurchased by the District in accordance with Section 3.01 hereof. The District shall cooperate fully with the Authority and the Certificate Purchaser as may be reasonably required by the Authority and the Certificate Purchaser to exercise any rights granted to the Authority under this Agreement and assigned to the Certificate Purchaser. The District shall take all actions as may be required by law fully to preserve, maintain, defend, protect and confirm the interests of the Authority and the Certificate Purchaser in the Tax Receivables and the Collections.

(b) On or before the Closing Date, the District shall mark its appropriate records so that, from and after the Closing Date, records of the District shall indicate that such Tax Receivables have been sold. The District hereby agrees to execute, deliver and cause to be approved and/or recorded all documents, and take all actions, as may be required to assign the Tax Receivables and the Collections to the Authority under this Agreement, and to notify the County of the assignments made under this Agreement. The District shall take all actions as may be required to cause the Collections, when remitted by the County to the District, to be immediately remitted by the District to the Certificate Purchaser by federal funds wire transfer. The District agrees to take all actions required by it to cause to be remitted all Collections by no later than two Business Days after the date the Collections are actually made available to the

District, including but not limited to delivering to the Los Angeles County Office of Education on the Closing Date irrevocable instructions to make such remittances no later than two Business Days after the date the Collections are remitted by the County to the Los Angeles County Office of Education for the account of the District. The District agrees that it will take no action to attempt to revoke such irrevocable instructions. If any Collections are not remitted to the Certificate Purchaser by such date, the District agrees to pay to the Certificate Purchaser upon demand interest on the amount of such unpaid Collections at the rate of 10% per annum for each day such Collections remain unpaid after such date.

Section 3.03. Consent to Assignment; Further Assurances. (a) The District acknowledges that all of the Collections have been assigned by the Authority to the Certificate Purchaser and that the Certificate of Participation evidences the right of the Certificate Purchaser to receive the Collections. The District hereby consents to (i) such assignment of the Collections and (ii) the sale of the Certificate of Participation to the Certificate Purchaser. The District hereby waives any right of setoff it may have against the Authority with respect to the Collections and agrees to pay or cause to be paid to the Certificate Purchaser or to the designee of the Certificate Purchaser all Collections free and clear of any such claims or right of setoff.

(b) The District acknowledges that the rights of the Authority under this Agreement to enforce the obligations of the District under this Agreement have been assigned by the Authority to the Certificate Purchaser. The District hereby consents to such assignment and agrees that the right to enforce the obligations of the District under this Agreement have vested in the Certificate Purchaser.

(c) The District acknowledges that the financing of the purchase of the Tax Receivables hereunder has been financed or may be refinanced from time to time by the issuance of securities that may require the rating of such securities by securities rating agencies, and the District agrees to provide the Certificate Purchaser with such further certifications and opinions after the Closing Date that may be reasonably required by the Certificate Purchaser to obtain such securities ratings, provided that the out-of-pocket costs to the District of obtaining any such certifications and opinions shall be borne by the Certificate Purchaser.

ARTICLE IV **THE DISTRICT**

Section 4.01. Representations of District. The District makes the following representations on which the Authority is deemed to have relied in acquiring the Tax Receivables. The representations speak as of the Sale Date and as of the Closing Date, and shall survive the sale of the Tax Receivables to the Authority and the pledge thereof to the Certificate Purchaser pursuant to the Certificate Purchase Agreement.

(a) *Due Organization, Existence and Authority.* The District is a school district duly organized and validly existing under the laws of the State, has full legal right, power and authority under the Constitution and laws of the State to enter into this Agreement, to sell the Tax Receivables and the Collections to the Authority, and to carry out and consummate all transactions contemplated hereby, and by proper action the District has duly authorized the execution and delivery of this Agreement.

(b) *Due Execution.* By all necessary official action of the District, the District has duly authorized and approved the execution and delivery of, and the performance by it of the obligations contained in this Agreement, and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded.

(c) *Valid, Binding and Enforceable Obligations.* This Agreement constitutes the legal, valid and binding obligation of the District, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights, generally.

(d) *No Conflicts.* The District is not in a breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default or event of default under any such instrument; and the authorization, execution and delivery of this Agreement and compliance with the provisions of this Agreement does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District (or any of its officers in their respective capacities as such) are subject, or by which it or any of its properties are bound; nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by this Agreement.

(e) *Consents and Approvals.* No consent or approval of any trustee or holder of any indebtedness of the District or of the voters of the District, and no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority is necessary in connection with the execution and delivery of this Agreement, or the consummation of any transaction herein or therein contemplated, except as have been obtained or made and as are in full force and effect.

(f) *No Litigation.* No action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, is pending or threatened (1) in any way questioning the corporate existence of the District or the titles of the officers of the District to their respective offices; (2) contesting the validity of Article 1 (commencing with Section 6500) of Chapter 5, Division 7, Title 1 of the Government Code of the State or the power and authority of the District to sell the Tax Receivables to the Authority, or affecting, contesting or seeking to prohibit, restrain or enjoin the execution and delivery of this Agreement, the sale of the Tax Receivables by the District to the Authority or the payment of Collections on the Tax Receivables to the Certificate Purchaser, or in any way contesting of affecting the validity of this Agreement or the consummation of the transactions contemplated hereby; or (3) which may result in any material adverse change relating to the District.

Section 4.02. Expenses. The District shall pay any expenses incident to the performance of its obligations hereunder, except that the Authority shall pay the reasonable fees and disbursements of legal counsel engaged by the District relating to the approval, execution and delivery of this Agreement and the consummation of the sale of the Tax Receivables hereunder on the Closing Date. The Authority shall also pay any expenses incident to the performance of its obligations hereunder, including but not limited to the following: (i) the cost of its proceedings in adopting and approving this Agreement; and (ii) the fees and disbursements of Bond Counsel and other any professional services engaged by the Authority in connection with the transactions described in this Agreement.

Section 4.03. Payment of County Administrative Costs. As provided in Section 6516.6(c)(4)(C) of the Government Code of the State, the Authority shall be responsible for, and shall pay, or cause the Certificate Purchaser to pay, directly to the County, all reasonable and identifiable administrative costs and expenses of the County which are incurred as a direct result of the compliance of the Treasurer-Tax Collector of the County or the County Auditor-Controller, or both, with any new or additional administrative procedures required for the County to comply with 6516.6(c) of said Code.

Section 4.04. Additional Representations and Agreements. The District makes the following additional representations and agreements on which the Authority is deemed to have relied in acquiring the Tax Receivables:

1. The District has transferred the Tax Receivables to the Authority pursuant to this Agreement for the purchase price specified in this Agreement in cash. The consideration paid to the District represents the fair market value of the Tax Receivables. This consideration was agreed upon as the result of arm's length negotiations. The District has determined that the transactions contemplated by this Agreement and the related documents provide the maximum available financial benefits to the District consistent with other objectives and requirements of the District.

2. The consideration for the District's sale of the Tax Receivables accrues strictly to the District, and the District's use of such consideration is not restricted by the Authority.

3. The District properly treats the transfer of the Tax Receivables to the Authority as a sale pursuant to generally accepted accounting principles.

4. There are no other agreements between the District and the Authority relating to or affecting the Tax Receivables, other than this Agreement.

5. The District does not receive any payments with respect to the Tax Receivables, except pursuant to this Agreement.

6. The District will mark its appropriate records so that they indicate the Tax Receivables have been sold. Such records of the District may be in the form of a computer tape, microfiche, or other electronic or computer media.

7. The District intends the transfer of the Tax Receivables to the Authority pursuant to this Agreement to be a sale and not a secured borrowing.

8. The District at all times has maintained and will maintain its respective books, financial records and accounts (including, without limitation, inter-entity transaction accounts) in a manner so as to identify separately the assets and liabilities of the District from the Authority.

9. The District at no time has commingled or will commingle any of its assets, funds, liabilities or business functions with the assets, funds, liabilities or business functions of the Authority or any other person or entity.

10. The District at all times has observed and will observe all applicable corporate or trust procedures and formalities, including, where applicable, the holding of regular, periodic and special meetings of governing bodies, the recording and maintenance of minutes of such meetings, and the recording and maintenance of resolutions, if any, adopted at such meetings.

11. None of the transactions with respect to which this Agreement is being delivered have been entered into by the District with the intent to hinder, delay or defraud any of the creditors of the Authority. The District will not be consensually merged or consolidated with the Authority.

12. All transfers of assets or funds between the District on the one hand and the Authority on the other hand have been and will be on terms that are fair and equitable and consistent with arms-length negotiations.

13. All transactions and agreements between the District on the one hand and the Authority on the other hand have reflected and will reflect the separate legal existence of each entity and have been and will be formally documented in writing. The pricing and other material terms of all such transactions and agreements have been and will be fair and equitable and consistent with arms-length negotiations.

14. All transactions and agreements between the District and third parties have been and will be conducted in the name of the District as an entity separate and independent from the Authority.

15. The District has paid and will pay its liabilities and losses from its own separate assets. In furtherance of the foregoing, the District has compensated and will compensate all consultants, independent contractors and agents from its own funds for services provided to it by such consultants, independent contractors and agents.

16. The District has not at any time jointly contracted or done business, or will jointly contract or do business, with vendors or service providers or share overhead expenses with the Authority. To the extent that the District or the Authority has contracted or done business or will contract or do business with vendors or service providers where the goods or services in question are wholly or partially for the benefit of the other, then the costs incurred in so doing at all times have been or will be fairly and

non-arbitrarily allocated to the entity for whose benefit such goods or services have been or will be provided, with the result that each such entity has borne or will bear its fair share of all such costs.

17. The District at all times will have separate annual financial statements, prepared in accordance with generally accepted accounting principles, that reflect the separate assets and liabilities of such entity and all transactions and transfers of funds involving such entity, and the District has paid or borne the cost and will pay or bear the cost of the preparation of its own financial statements regardless whether such statements (whether audited or unaudited) have been or will be prepared internally or by a certified public accounting firm that has prepared or will prepare the financial statements of more than one of such entities.

18. Neither the District nor any of its affiliates has made or will make any inter-entity loans, advances, guarantees, extensions of credit or contributions of capital to, from or for the benefit of the Authority without proper documentation or accounting satisfactory to its and the Authority's outside accountants.

19. The District in its papers and in the statements of its officials at all times has referred and will refer to the Authority as a separate and independent legal entity.

20. Sales of assets to the Authority by the District, including but not limited to the Tax Receivables, at all times have constituted and will constitute absolute transfers and conveyances, for fair and reasonably equivalent consideration, of all of the seller's right, title and interest in, to and under those assets for all purposes.

21. If the District is a member of the Authority, in becoming a member of the Authority, the District has relied and is relying upon the fact that the Authority at all times has been and will continue to remain an entity the legal existence of which is separate and distinct from that of the District.

22. The District at no time has taken or will take any action that is inconsistent with any of the foregoing assumptions and that has given or will give (a) any creditor or future creditor of the Authority cause to believe mistakenly that any obligation incurred by the District has been or will be not only the obligation of the District, but also of the Authority, or (b) any creditor or future creditor of either the District or the Authority cause to believe mistakenly that the District and the Authority have not been or will not continue to remain entities separate and distinct from the Authority.

23. The District is duly organized and validly existing under the laws of the State.

24. No document or agreement to which the District is a party or by which it is bound, or order of any judicial or governmental authority, prohibits or conflicts in any material way with the Joint Powers Agreement, this Agreement, or the understanding of facts or the assumptions set forth herein.

ARTICLE V MISCELLANEOUS

(b) Except as otherwise provided in the preceding paragraph, this Agreement may also be amended from time to time by the District and the Authority, with the prior written consent of the Certificate Purchaser, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Certificate Purchaser.

(c) Promptly after the execution of any such amendment or consent, the Authority shall furnish written notification of the substance of such amendment or consent to the Certificate Purchaser.

(d) It shall not be necessary for the consent of the Certificate Purchaser pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

(e) Prior to the execution of any amendment to this Agreement, the Certificate Purchaser shall be entitled to receive and rely upon an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Agreement.

Section 5.02. Entire Agreement. This Agreement shall constitute the entire agreement between the parties hereto and is made solely for the benefit of the parties hereto. No other person shall acquire or have any right hereunder by virtue hereof, except as provided herein.

All notices or communications to be given under this Agreement shall be given by first class mail or personal delivery to the party entitled thereto at its address set forth below, or at such address as the party may provide to the other party in writing from time to time. Section 5.05. Limitations on Rights of Others. The provisions of this Agreement are solely for the benefit of the District, the Authority and the Certificate Purchaser, which is expressly made a third party beneficiary of this Agreement, and nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

(b) To the extent permitted by law, the parties hereto agree that any and all claims asserted by or against the District arising under this Agreement or related thereto shall be heard and determined either in the courts of the United States located in Los Angeles, California (“Federal Court”) or in the courts of the State (“California State Courts”) located in Los Angeles, California. To effect this Agreement and intent, the Authority agrees:

(i) If the District initiates any action against the Authority in Federal Court or in California State Court, service of process may be made on the Authority either in person, wherever such Authority may be found, or by registered mail addressed to the Authority at its address as set forth in this Agreement, or to such other address as the Authority may provide to the District in writing;

(iv) If the Authority commences any action against the District in a court located other than in the State of California, upon request of the District, the Authority shall either consent to a transfer of the action to a court of competent jurisdiction located in the State of California or, if the court where the action is initially brought will not or cannot transfer the action, the Authority shall consent to dismiss such action without prejudice and may thereafter reinstitute the action in a court of competent jurisdiction in Los Angeles, California.

(c) If any provision of this Section is held unenforceable for any reason, each and all other provision shall nevertheless remain in full force and effect.

Section 5.10. Nonpetition Covenants. Notwithstanding any prior termination of this Agreement, the District shall not, prior to the date which is one year and one day after the termination of this Agreement with respect to the Authority, acquiesce, petition or otherwise invoke or cause the Authority to invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Authority under any Federal or state bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Authority or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Authority.

Section 5.11. Successor Is Deemed Included in All References to Predecessor. No member, officer, agent or employee of the Authority or the District shall be individually or personally liable for the payment of any amount due hereunder or be subject to any personal liability or accountability by reason of the transactions described herein; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law or by this Agreement.
